HOW TO ACCESS THE 2026 *MARKET REGULATION HANDBOOK* (DIGITAL-ONLY)

How to Access the 2026 *Market Regulation Handbook*

How to Access the *Market Regulation Handbook* (Regulator and Non-Regulator)

- State insurance regulators may access and download the *Market Regulation Handbook* on NAIC Connect.
- The *Market Regulation Handbook* is available to regulators and non-regulators as a free PDF download on the NAIC web page at *https://content.naic.org/publications*.

Market Regulation Handbook Reference Documents (Regulator)

- State insurance regulators may access and download the *Market Regulation Handbook* Reference Documents (Standardized Data Requests, etc.) on NAIC Connect.

Market Regulation Handbook Reference Documents (Non-Regulator)

- Non-regulators may access *Market Regulation Handbook* Reference Documents (Standardized Data Requests, etc.) by contacting the NAIC Help Desk at *help@naic.org*.

How to Access Interim-Adopted Updates*

*An NAIC interim-adopted *Market Regulation Handbook* item is defined as an item that was adopted by the Market Regulation and Consumer Affairs (D) Committee before the end of a calendar year and was not adopted by the NAIC Executive (EX) Committee and Plenary until the following calendar year.

Interim-adopted updates to the *Market Regulation Handbook* are a bookmarked addendum located after the last chapter in each annually published *Market Regulation Handbook* PDF, which is available on NAIC Connect for regulators and as a free download on *https://content.naic.org/publications* to regulators and non-regulators.

If there is no bookmarked addendum labeled as an SDR in the *Market Regulation Handbook* PDF posted on NAIC Connect and at *https://content.naic.org/publications*, then there are no interim-adopted SDRs applicable to that year's edition of the *Market Regulation Handbook*.

Navigation Features

Bookmarks are incorporated into the *Market Regulation Handbook* for easier navigation within the document (e.g. each Volume I, II, III, and IV, each chapter and subsections within each chapter are bookmarked).

Cost

The *Market Regulation Handbook* is provided free of charge to state insurance departments and, as of January 2025, it is available free of charge to non-regulators at *https://content.naic.org/publications*.
