Michael Humphreys was named Acting Insurance Commissioner on February 26, 2022, and confirmed unanimously by the Pennsylvania Senate on June 26, 2023. As commissioner, Humphreys is charged with the responsibility of regulating the Commonwealth's insurance marketplace, overseeing licensed agents and insurance professionals, monitoring the financial landscape of companies doing business in Pennsylvania, educating consumers, and ensuring residents are treated fairly.

In his role, under the direction of Governor Shapiro, Humphreys has taken immediate steps to make mental health and substance use disorder parity a reality in the Commonwealth. Under Humphreys' leadership, the Insurance Department has strengthened its review of mental health and substance use disorder coverage in 2024 health plans and launched a new round of market conduct examinations targeting insurer compliance with parity laws. These actions are intended to hold insurers accountable so that benefits are covered fairly.

Humphreys joined the Pennsylvania Insurance Department (PID) as the Department was working closely with Pennie, the state-based health insurance exchange created by Act 42, to ensure a successful roll-out of the new initiative that would become the home for high-quality, affordable health insurance plans in Pennsylvania. The launch of Pennie was a landmark step for health care in the Commonwealth as Pennie continues to be a key source of affordable coverage for hundreds of thousands of Pennsylvanians.

Humphreys also co-chaired the Behavioral Health Commission for Adult Mental Health that recommended to the legislature how to best spend \$100 million on adult behavioral health needs.
