

HMDC DATA CALL DATA FIELDS KEY AND VALIDATIONS

RESPONDANT INFORMATION	NOTES	VALIDATIONS	VALIDATION FORMULAS
1 NAIC Company Code	String		
2 Company Name	String		
3 Contact Name	String		
4 Contact Title	String		
5 Contact Phone Number	String		
6 Contact Email Address	String		
GENERAL			
7 Report Year	2018, 2019, 2020, 2021, 2022, 2023, 2024, 2025		
8 State Abbreviation	Abbreviation only; 2 characters max		
9 Zip Code	Integer		
10 Policy Form	DP1, DP2, DP3, HO1, HO2, HO3, HO4, HO5, HO6, HO7, HO8, Other	If Forms DP1, DP2, DP3, HO1, HO2, HO3, HO5, HO7, HO8 (J) then Coverage A (N) has to be reported	
11 New or Renewed Policy for Reporting Year	New, Renewed		
PART I: PREMIUM, COVERAGE, AND DEDUCTIBLE INFORMATION FOR POLICIES IN FORCE (PIF)			
12 Written Premium In-Force	Decimal	If Written Premium in Force (L) is reported, then Count of PIF (M) has to be reported	
13 Count of PIF	Integer	If Count of PIF (M) is reported, then Written Premium in Force (L) has to be reported	
14 Coverage A Aggregate Limits	Decimal		
15 Coverage B Aggregate Limits	Decimal		
16 Coverage C Aggregate Limits	Decimal		
17 Coverage D Aggregate Limits	Decimal		
18 Count of PIF Not Providing Wind Coverage	Integer	Count of PIF Not Providing Wind Coverage (R) cannot be greater than Count of PIF (M)	
19 Count of PIF Not Providing Wildfire Coverage	Integer	Count of PIF Not Providing Wildfire Coverage (S) cannot be greater than Count of PIF (M)	
20 Count of PIF Not Providing Earthquake Coverage	Integer	Count of PIF Not Providing Earthquake Coverage (T) cannot be greater than Count of PIF (M)	
21 Count of PIF Not Providing Cosmetic Damage on Roof	Integer	Count of PIF Not Providing Cosmetic Damage on Roof (U) cannot be greater than Count of PIF (M)	
22 Count of PIF Not Providing Cosmetic Damage on Siding	Integer	Count of PIF Not Providing Cosmetic Damage on Siding (V) cannot be greater than Count of PIF (M)	
23 Count of PIF or Endorsements with Earthquake Coverage	Integer	If Count of PIF or Endorsements with Earthquake Coverage (W) is reported, Aggregate Premium for Earthquake Coverage (X) has to be reported	
24 Aggregate Premium for Earthquake Coverage	Decimal	If Aggregate Premium for Earthquake Coverage (X) is reported, Count of PIF or Endorsements with Earthquake Coverage (W) has to be reported	
25 Count of PIF with Wind Endorsement	Integer	Count of PIF with Wind Endorsement (Y) cannot be greater than Count of PIF (M);	If Count of PIF with Wind Endorsement (Y) is reported, then Aggregate Premium for Wind Endorsement (Z) has to be reported
26 Aggregate Premium for Wind Endorsement	Decimal	If Aggregate Premium for Wind Endorsement (Z) is reported, then Count of PIF with Wind Endorsement (Y) has to be reported	
27 Count of PIF with Standalone Wind Coverage	Integer	Count of PIF with Standalone Wind Coverage (AA) cannot be greater than Count of PIF (M);	If Count of PIF with Standalone Wind Coverage (AA) is reported, then Aggregate Premium for Standalone Wind Coverage (AB) has to be reported
28 Aggregate Premium for Standalone Wind Coverage	Decimal	If Aggregate Premium for Standalone Wind Coverage (AB) is reported, then Count of PIF with Standalone Wind Coverage (AA) has to be reported	
29 Count of PIF with RC Coverage on Dwelling	Integer	Count of PIF with RC Coverage on Dwelling (AC) cannot be greater than Count of PIF (M)	Count of PIF with RC Coverage on Dwelling (AC) + Count of PIF with ACV Coverage on Dwelling (AD) = Count of PIF (M)
30 Count of PIF with ACV Coverage on Dwelling	Integer	Count of PIF with ACV Coverage on Dwelling (AD) cannot be greater than Count of PIF (M)	Count of PIF with RC Coverage on Dwelling (AC) + Count of PIF with ACV Coverage on Dwelling (AD) = Count of PIF (M)
31 Count of PIF with RC Coverage on Roof	Integer	Count of PIF with RC Coverage on Roof (AE) cannot be greater than Count of PIF (M)	Count of PIF with RC Coverage on Roof (AE) + Count of PIF with ACV Coverage on Roof (AF) = Count of PIF (M)
32 Count of PIF with ACV Coverage on Roof	Integer	Count of PIF with ACV Coverage on Roof (AF) cannot be greater than Count of PIF (M)	Count of PIF with RC Coverage on Roof (AE) + Count of PIF with ACV Coverage on Roof (AF) = Count of PIF (M)
33 Count of PIF with RC Coverage on Siding	Integer	Count of PIF with RC Coverage on Siding (AG) cannot be greater than Count of PIF (M)	Count of PIF with RC Coverage on Siding (AG) + Count of PIF with ACV Coverage on Siding (AH) = Count of PIF (M)
34 Count of PIF with ACV Coverage on Siding	Integer	Count of PIF with ACV Coverage on Siding (AH) cannot be greater than Count of PIF (M)	Count of PIF with RC Coverage on Siding (AG) + Count of PIF with ACV Coverage on Siding (AH) = Count of PIF (M)
BASED ON COVERAGE A AMOUNT			
35 Count of PIF with 100% RC	Integer	Count of PIF with 100% RC (AI) cannot be greater than Count of PIF (M)	
36 Count of PIF with Extended Replacement Cost greater than 100% but less than or equal to 125%	Integer	Count of PIF with Extended Replacement Cost greater than 100% (AJ) cannot be greater than Count of PIF (M)	
37 Count of PIF with Extended Replacement Cost Greater than 125%	Integer	Count of PIF with Extended Replacement Cost Greater than 125% (AK) cannot be greater than Count of PIF (M)	
38 Maximum % RC Written	Integer	Maximum % RC Written (AL) cannot be greater than 126, cannot be less than 0, whole number only	
DEDUCTIBLES			
39 Aggregate All Perils Policy Deductible	Integer		
40 Aggregate Tropical Cyclone/Hurricane/Named Storm Deductible	Integer		
41 Aggregate Wind/Hail Deductible	Integer		
FOR ALL PERILS DEDUCTIBLES			
42 Count of Policies w/ \$500 or Lower Deductible - for All Perils	Integer	Count of PIF with \$500 or Lower Deductible (AP) cannot be greater than Count of PIF (M)	Any combination of All Peril Deductibles (AP – AU) cannot be greater than Count of PIF (M)
43 Count of Policies w/ Deductible between \$500 and \$2000 - for All Perils	Integer	Count of PIF with Deductible between \$500 and \$2000 (AQ) cannot be greater than Count of PIF (M)	Any combination of All Peril Deductibles (AP – AU) cannot be greater than Count of PIF (M)
44 Count of Policies w/ \$2,000 or Greater Deductible - for All Perils	Integer	Count of PIF with \$2,000 or Greater Deductible (AR) cannot be greater than Count of PIF (M)	Any combination of All Peril Deductibles (AP – AU) cannot be greater than Count of PIF (M)
45 Count of Policies w/ 2% or less Deductible - for All Perils	Integer	Count of PIF with 2% or less Deductible (AS) cannot be greater than Count of PIF (M)	Any combination of All Peril Deductibles (AP – AU) cannot be greater than Count of PIF (M)
46 Count of Policies with Deductible between 2% and 5% - for All Perils	Integer	Count of PIF with Deductible between 2% and 5% (AT) cannot be greater than Count of PIF (M)	Any combination of All Peril Deductibles (AP – AU) cannot be greater than Count of PIF (M)
47 Count of Policies with 5% or Greater Deductible - for All Perils	Integer	Count of PIF with 5% or Greater Deductible (AU) cannot be greater than Count of PIF (M)	Any combination of All Peril Deductibles (AP – AU) cannot be greater than Count of PIF (M)
FOR TROPICAL CYCLONE/HURRICANE/NAMED STORM DEDUCTIBLES			
48 Count of Policies w/ \$500 or Lower Deductible - for Hurricane/Named Storm	Integer	Count of PIF with \$500 or Lower Deductible (AV) cannot be greater than Count of PIF (M)	Any combination of Hurricane/Named Storm Deductibles (AV – BA) cannot be greater than Count of PIF (M)
49 Count of Policies w/ Deductible between \$500 and \$2000 - for Hurricane/Named Storm	Integer	Count of PIF with Deductible between \$500 and \$2000 (AW) cannot be greater than Count of PIF (M)	Any combination of Hurricane/Named Storm Deductibles (AV – BA) cannot be greater than Count of PIF (M)
50 Count of Policies w/ \$2,000 or Greater Deductible - for Hurricane/Named Storm	Integer	Count of PIF with \$2,000 or Greater Deductible (AX) cannot be greater than Count of PIF (M)	Any combination of Hurricane/Named Storm Deductibles (AV – BA) cannot be greater than Count of PIF (M)
51 Count of Policies w/ 2% or less Deductible - for Hurricane/Named Storm	Integer	Count of PIF with 2% or less Deductible (AY) cannot be greater than Count of PIF (M)	Any combination of Hurricane/Named Storm Deductibles (AV – BA) cannot be greater than Count of PIF (M)
52 Count of Policies with Deductible between 2% and 5% - for Hurricane/Named Storm	Integer	Count of PIF with Deductible between 2% and 5% (AZ) cannot be greater than Count of PIF (M)	Any combination of Hurricane/Named Storm Deductibles (AV – BA) cannot be greater than Count of PIF (M)
53 Count of Policies with 5% or Greater Deductible - for Hurricane/Named Storm	Integer	Count of PIF with 5% or Greater Deductible (BA) cannot be greater than Count of PIF (M)	Any combination of Hurricane/Named Storm Deductibles (AV – BA) cannot be greater than Count of PIF (M)
FOR WIND/HAIL DEDUCTIBLES			
54 Count of Policies w/ \$500 or Lower Deductible - for Wind/Hail	Integer	Count of PIF with \$500 or Lower Deductible (BB) cannot be greater than Count of PIF (M)	Any combination of Wind/Hail Deductibles (BB – BG) cannot be greater than Count of PIF (M)
55 Count of Policies w/ Deductible between \$500 and \$2000 - for Wind/Hail	Integer	Count of PIF with Deductible between \$500 and \$2000 (BC) cannot be greater than Count of PIF (M)	Any combination of Wind/Hail Deductibles (BB – BG) cannot be greater than Count of PIF (M)
56 Count of Policies w/ \$2000 or Greater Deductible - for Wind/Hail	Integer	Count of PIF with \$2,000 or Greater Deductible (BD) cannot be greater than Count of PIF (M)	Any combination of Wind/Hail Deductibles (BB – BG) cannot be greater than Count of PIF (M)
57 Count of Policies w/ 2% or less Deductible - for Wind/Hail	Integer	Count of PIF with 2% or less Deductible (BE) cannot be greater than Count of PIF (M)	Any combination of Wind/Hail Deductibles (BB – BG) cannot be greater than Count of PIF (M)
58 Count of Policies with Deductible between 2% and 5% - for Wind/Hail	Integer	Count of PIF with Deductible between 2% and 5% (BF) cannot be greater than Count of PIF (M)	Any combination of Wind/Hail Deductibles (BB – BG) cannot be greater than Count of PIF (M)
59 Count of Policies with 5% or Greater Deductible - for Wind/Hail	Integer	Count of PIF with 5% or Greater Deductible (BG) cannot be greater than Count of PIF (M)	Any combination of Wind/Hail Deductibles (BB – BG) cannot be greater than Count of PIF (M)
FOR EARTHQUAKE DEDUCTIBLES			
60 Count of Policies with any Fixed \$ Deductible - for Earthquake	Integer	Count of PIF with any Fixed \$ Deductible (BH) cannot be greater than Count of PIF (M)	Any combination of Earthquake Deductibles (BH – BN) cannot be greater than Count of PIF (M)
61 Count of Policies w/ 5% or less Deductible - for Earthquake	Integer	Count of PIF with Deductible less than 5% (BI) cannot be greater than Count of PIF (M)	Any combination of Earthquake Deductibles (BH – BN) cannot be greater than Count of PIF (M)
62 Count of Policies with Deductible 5% or greater and less than 10% - for Earthquake	Integer	Count of PIF with Deductible 5% or greater/less than 10% (BJ) cannot be greater than Count of PIF (M)	Any combination of Earthquake Deductibles (BH – BN) cannot be greater than Count of PIF (M)
63 Count of Policies with Deductible 10% or greater and less than 15% - for Earthquake	Integer	Count of PIF with Deductible 10% or greater, less than 15% (BK) cannot be greater than Count of PIF (M)	Any combination of Earthquake Deductibles (BH – BN) cannot be greater than Count of PIF (M)
64 Count of Policies with Deductible 15% or greater and less than 20% - for Earthquake	Integer	Count of PIF with Deductible 15% or greater, less than 20% (BL) cannot be greater than Count of PIF (M)	Any combination of Earthquake Deductibles (BH – BN) cannot be greater than Count of PIF (M)
65 Count of Policies with Deductible 20% or greater and less than 25% - for Earthquake	Integer	Count of PIF with Deductible 20% or greater, less than 25% (BM) cannot be greater than Count of PIF (M)	Any combination of Earthquake Deductibles (BH – BN) cannot be greater than Count of PIF (M)
66 Count of Policies with 25% or Greater Deductible - for Earthquake	Integer	Count of PIF with 25% or Greater Deductible (BN) cannot be greater than Count of PIF (M)	Any combination of Earthquake Deductibles (BH – BN) cannot be greater than Count of PIF (M)
DEDUCTIBLE INFORMATION			
67 Minimum Deductible for Fixed Deductible	Integer	Minimum Deductible for Fixed Deductible (BO) must be greater than or equal to 0	Maximum Deductible for Fixed Deductible (BP) cannot be less than Minimum Deductible for Fixed Deductible (BO)

68	Maximum Deductible for Fixed Deductible	Integer	Maximum Deductible Fixed Deductible (BP) must be greater than or equal to 0	Maximum Deductible for Fixed Deductible (BP) cannot be less than Minimum Deductible for Fixed Deductible (BQ)
69	Minimum Deductible for Percentage Deductible	Integer	Minimum Deductible for Percentage Deductible (BQ) must be greater than or equal to 0	Maximum Deductible for Percentage Deductible (BR) cannot be less than Minimum Deductible for Percentage Deductible (BQ)
70	Maximum Deductible for Percentage Deductible	Integer	Maximum Deductible for Percentage Deductible (BR) must be greater than or equal to 0	Maximum Deductible for Percentage Deductible (BR) cannot be less than Minimum Deductible for Percentage Deductible (BQ)
PART II: CLAIMS AND LOSSES				
71	Count of Paid Claims in Reporting Year	Integer		
72	Losses Paid in Reporting Year	Decimal		
73	Count of Paid Claims for Fire, Not Including Wildfire, in Reporting Year	Integer	Count of Paid Claims for Fire, Not Including Wildfire, in Reporting Year (BU) cannot be greater than Count of Paid Claims in Reporting Year (BS)	Count of Claims for specific perils (BU, BW, BY, CA, CC) must equal Count of Claims in Reporting year (BS); BU + BW + BY + CA + CC = BS
74	Losses Paid for Fire, Not Including Wildfire, in Reporting Year	Decimal	Losses Paid for Fire, Not Including Wildfire, in Reporting Year (BV) cannot be greater than Losses Paid in Reporting Year (BT)	Losses Paid for Specific Perils (BV, BX, BZ, CB, CD) must equal Losses Paid in Reporting Year (BT); BV + BX + BZ + CB + CD = BT
75	Count of Paid Claims for Wind and Hail in Reporting Year	Integer	Count of Paid Claims for Wind and Hail in Reporting Year (BW) cannot be greater than Count of Paid Claims in Reporting Year (BS)	Count of Claims for specific perils (BU, BW, BY, CA, CC) must equal Count of Claims in Reporting year (BS); BU + BW + BY + CA + CC = BS
76	Losses Paid for Wind and Hail in Reporting Year	Decimal	Losses Paid for Wind and Hail in Reporting Year (BX) cannot be greater than Losses Paid in Reporting Year (BT)	Losses Paid for Specific Perils (BV, BX, BZ, CB, CD) must equal Losses Paid in Reporting Year (BT); BV + BX + BZ + CB + CD = BT
77	Count of Paid Claims for Water Damage and Freezing in Reporting Year	Integer	Count of Paid Claims for Water Damage and Freezing in Reporting Year (BY) cannot be greater than Count of Paid Claims in Reporting Year (BS)	Count of Claims for specific perils (BU, BW, BY, CA, CC) must equal Count of Claims in Reporting year (BS); BU + BW + BY + CA + CC = BS
78	Losses Paid for Water Damage and Freezing in Reporting Year	Decimal	Losses Paid for Water Damage and Freezing in Reporting Year (BZ) cannot be greater than Losses Paid in Reporting Year (BT)	Losses Paid for Specific Perils (BV, BX, BZ, CB, CD) must equal Losses Paid in Reporting Year (BT); BV + BX + BZ + CB + CD = BT
79	Count of Paid Claims for Wildfire in Reporting Year	Integer	Count of Paid Claims for Wildfire in Reporting Year (CA) cannot be greater than Count of Paid Claims in Reporting Year (BS)	Count of Claims for specific perils (BU, BW, BY, CA, CC) must equal Count of Claims in Reporting year (BS); BU + BW + BY + CA + CC = BS
80	Losses Paid for Wildfire in Reporting Year	Decimal	Losses Paid for Wildfire in Reporting Year (CB) cannot be greater than Losses Paid in Reporting Year (BT)	Losses Paid for Specific Perils (BV, BX, BZ, CB, CD) must equal Losses Paid in Reporting Year (BT); BV + BX + BZ + CB + CD = BT
81	Count of Paid Claims for All Other Perils in Reporting Year	Integer	Count of Paid Claims for All Other Perils in Reporting Year (CC) cannot be greater than Count of Paid Claims in Reporting Year (BS)	Count of Claims for specific perils (BU, BW, BY, CA, CC) must equal Count of Claims in Reporting year (BS); BU + BW + BY + CA + CC = BS
82	Losses Paid for All Other Perils in Reporting Year	Decimal	Losses Paid for All Other Perils in Reporting Year (CD) cannot be greater than Losses Paid in Reporting Year (BT)	
PART III: CANCELLATIONS AND NONRENEWALS				
83	Count of Nonpayment Cancellations in Reporting Year	Integer		
84	Count of Company Initiated Cancellations for Other Than Non-payment of Premium	Integer		
85	Number of Company-initiated Cancellations That Occur in the First 59 Days After Effective Date of Policy	Integer	Number of Company-initiated Cancellations That Occur in the First 59 Days After Effective Date of Policy (CG) cannot be greater than Count of Company Initiated Cancellations for Other Than Non-payment of Premium (CF)	Number of Company Initiated Cancellations for Specific periods (CG, CH, CI) must equal Count of Company Initiated Cancellations for Other than Non-Payment of Premium; CG + CH + CI = CF
86	Number of Company-initiated Cancellations That Occur 60 to 90 Days After Effective Date of Policy	Integer	Number of Company-initiated Cancellations That Occur 60 to 90 Days After Effective Date of Policy (CH) cannot be greater than Count of Company Initiated Cancellations for Other Than Non-payment of Premium (CF)	Number of Company Initiated Cancellations for Specific periods (CG, CH, CI) must equal Count of Company Initiated Cancellations for Other than Non-Payment of Premium; CG + CH + CI = CF
87	Number of Company-initiated Cancellations That Occur Greater Than 90 Days After Effective Date of Policy	Integer	Number of Company-initiated Cancellations That Occur Greater Than 90 Days After Effective Date of Policy (CI) cannot be greater than Count of Company Initiated Cancellations for Other Than Non-payment of Premium (CF)	Number of Company Initiated Cancellations for Specific periods (CG, CH, CI) must equal Count of Company Initiated Cancellations for Other than Non-Payment of Premium; CG + CH + CI = CF
88	Written Premium for Cancelled Policies in Reporting Year	Decimal	If Written Premium for Cancelled Policies in Reporting Year (CJ) is reported, then Returned Premium for Cancelled Policies in Reporting Year (CK) must be reported.	
89	Returned Premium for Cancelled Policies in Reporting Year	Decimal		
90	Count of Nonrenewals in Reporting Year	Integer		
MITIGATION DISCOUNTS FOR POLICIES IN FORCE				
91	Count of PIF with State Required Mitigation Discounts	Integer		
92	Count of PIF with State Required Fortified Standard Discounts	Integer	Count of PIF with State Required Fortified Standard Discounts (CN) cannot be greater than Count of PIF with State Required Mitigation Discounts (CM)	
93	Average Percentage of State Required Fortified Standard Discounts	Decimal; (e.g. 25% entered as 25, not .25; 12.5% entered as 12.5, not .125)	If Count of PIF with State Required Fortified Standard Discounts (CN) is reported, then Average Percentage of State Required Fortified Standard Discounts (CO) must be reported	Average Percentage of State Required Fortified Standard Discounts (CO) cannot be greater than 100
94	Count of PIF with State Required Wind Discounts	Integer	Count of PIF with State Required Wind Discounts (CP) cannot be greater than Count of PIF with State Required Mitigation Discounts (CM)	
95	Average Percentage of State Required Wind Discounts	Decimal; (e.g. 25% entered as 25, not .25; 12.5% entered as 12.5, not .125)	If Count of PIF with State Required Wind Discounts (CP) is reported, then Average Percentage of State Required Wind Discounts (CQ) must be reported.	Average Percentage of State Required Wind Discounts (CQ) cannot be greater than 100
96	Count of PIF with State Required Fire/Wildfire Discounts	Integer	Count of PIF with State Required Fire/Wildfire Discounts (CR) cannot be greater than Count of PIF with State Required Mitigation Discounts (CM)	
97	Average Percentage of State Required Fire/Wildfire Discounts	Decimal; (e.g. 25% entered as 25, not .25; 12.5% entered as 12.5, not .125)	If Count of PIF with State Required Fire/Wildfire Discounts (CR) is reported, then Average Percentage of State Required Fire/Wildfire Discounts (CS) must be reported.	Average Percentage of State Required Fire/Wildfire Discounts (CS) cannot be greater than 100
98	Count of PIF with State Required Impact/Hail Discounts	Integer	Count of PIF with State Required Impact/Hail Discounts (CT) cannot be greater than Count of PIF with State Required Mitigation Discounts (CM)	
99	Average Percentage of State Required Impact/Hail Discounts	Decimal; (e.g. 25% entered as 25, not .25; 12.5% entered as 12.5, not .125)	If Count of PIF with State Required Impact/Hail Discounts (CT) is reported, then Average Percentage of State Required Impact/Hail Discounts (CU) must be reported.	Average Percentage of State Required Impact/Hail Discounts (CU) cannot be greater than 100
100	Count of PIF with State Required Water Discounts	Integer	Count of PIF with State Required Water Discounts (CV) cannot be greater than Count of PIF with State Required Mitigation Discounts (CM)	
101	Average Percentage of State Required Water Discounts	Decimal; (e.g. 25% entered as 25, not .25; 12.5% entered as 12.5, not .125)	If Count of PIF with State Required Water Discounts (CV) is reported, then Average Percentage of State Required Water Discounts (CW) must be reported.	Average Percentage of State Required Water Discounts (CW) cannot be greater than 100
102	Count of PIF with Non-State Required Mitigation Discounts	Integer		
103	Count of PIF with Non-State Required Fortified Standard Discounts	Integer	Count of PIF with Non-State Required Fortified Standard Discounts (CY) cannot be greater than Count of PIF with Non-State Required Mitigation Discounts (CX)	
104	Average Percentage of Non-State Required Fortified Standard Discounts	Decimal; (e.g. 25% entered as 25, not .25; 12.5% entered as 12.5, not .125)	If Count of PIF with Non-State Required Fortified Standard Discounts (CY) is reported, then Average Percentage of Non-State Required Fortified Standard Discounts (CZ) must be reported.	Average Percentage of Non-State Required Fortified Standard Discounts (CZ) cannot be greater than 100
105	Count of PIF with Non-State Required Wind Discounts	Integer	Count of PIF with Non-State Required Wind Discounts (DA) cannot be greater than Count of PIF with Non-State Required Mitigation Discounts (CX)	
106	Average Percentage of Non-State Required Wind Discounts	Decimal; (e.g. 25% entered as 25, not .25; 12.5% entered as 12.5, not .125)	If Count of PIF with Non-State Required Wind Discounts (DA) is reported, then Average Percentage of Non-State Required Wind Discounts (DB) must be reported.	Average Percentage of Non-State Required Wind Discounts (DB) cannot be greater than 100
107	Count of PIF with Non-State Required Fire/Wildfire Discounts	Integer	Count of PIF with Non-State Required Fire/Wildfire Discounts (DC) cannot be greater than Count of PIF with Non-State Required Mitigation Discounts (CX)	
108	Average Percentage of Non-State Required Fire/Wildfire Discounts	Decimal; (e.g. 25% entered as 25, not .25; 12.5% entered as 12.5, not .125)	If Count of PIF with Non-State Required Fire/Wildfire Discounts (DC) is reported, then Average Percentage of Non-State Required Fire/Wildfire Discounts (DD) must be reported.	Average Percentage of Non-State Required Fire/Wildfire Discounts (DD) cannot be greater than 100
109	Count of PIF with Non-State Required Impact/Hail Discounts	Integer	Count of PIF with Non-State Required Impact/Hail Discounts (DE) cannot be greater than Count of PIF with Non-State Required Mitigation Discounts (CX)	
110	Average Percentage of Non-State Required Impact/Hail Discounts	Decimal; (e.g. 25% entered as 25, not .25; 12.5% entered as 12.5, not .125)	If Count of PIF with Non-State Required Impact/Hail Discounts (DE) is reported, then Average Percentage of Non-State Required Impact/Hail Discounts (DF) must be reported.	Average Percentage of Non-State Required Impact/Hail Discounts (DF) cannot be greater than 100
111	Count of PIF with Non-State Required Water Discounts	Integer	Count of PIF with Non-State Required Water Discounts (DG) cannot be greater than Count of PIF with Non-State Required Mitigation Discounts (CX)	
112	Average Percentage of Non-State Required Water Discounts	Decimal; (e.g. 25% entered as 25, not .25, not .125)	If Count of PIF with Non-State Required Water Discounts (DG) is reported, then Average Percentage of Non-State Required Water Discounts (DH) must be reported.	Average Percentage of Non-State Required Water Discounts (DH) cannot be greater than 100.
REPORT NUMBER				
113	Report Number	Integer; enter 1; if submitting multiple reports 2nd report is 2, 3rd report is 3, etc.
