LIFE INSURANCE AND ANNUITIES (A) COMMITTEE

The mission of the Life Insurance and Annuities (A) Committee is to: 1) consider issues relating to life insurance and annuities; and 2) review new life insurance products.

Ongoing Support of NAIC Programs, Products, or Services

1. The Life Insurance and Annuities (A) Committee will:
   A. Monitor the activities of the Life Actuarial (A) Task Force.

2. The Accelerated Underwriting (A) Working Group will:
   A. Consider the use of external data and data analytics in accelerated life underwriting, including consideration of the ongoing work of the Life Actuarial (A) Task Force on the issue; and, if appropriate, draft guidance for the states.

3. The Annuity Suitability (A) Working Group will:
   A. Consider how to promote greater uniformity in the adoption of the Suitability in Annuity Transactions Model Regulation (#275) across NAIC member jurisdictions.
