

Draft: 10/11/24

Adopted by the Executive (EX) Committee and Plenary, TBD

Adopted by the Life Insurance and Annuities (A) Committee, TBD

2025 Proposed Charges

LIFE INSURANCE AND ANNUITIES (A) COMMITTEE

The mission of the Life Insurance and Annuities (A) Committee is to: 1) consider issues relating to life insurance and annuities; and 2) review new life insurance products.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Life Insurance and Annuities (A) Committee** will:

A. Monitor the activities of the Life Actuarial (A) Task Force.

~~2. The **Accelerated Underwriting (A) Working Group** will:~~

~~A. Consider the use of external data and data analytics in accelerated life underwriting, including consideration of the ongoing work of the Life Actuarial (A) Task Force on the issue; and, if appropriate, draft guidance for the states.~~

3. The **Annuity Suitability (A) Working Group** will:

A. Consider how to promote greater uniformity in the adoption of the *Suitability in Annuity Transactions Model Regulation* (#275) across NAIC member jurisdictions.
