2-114	non-payment during the period (only answer for individual and association
	products)

2-60	Number of covered lives impacted by rescissions during the period (only
2-115	answer for individual products)
2-61	
2-116	Number of policies/certificates in force at the end of the period
2-62	Number of covered lives on policies/certificates in force at the end of the
2-117	period (only answer for individual and association products)

Schedule 3 – Claims Administration (Including Pharmacy)	
ID	Description
3-63	
3-118	Number of claims pending at the beginning of the period
3-64	Total Nnumber of all claims received (include non-clean claims) during the
3-119	period
3-65	
3-120	Total number of claims denied, rejected or returned during the period
3-66	Number denied, rejected, or returned during the period as non-covered or
3-121	maximum benefit exceeded
3-67	Number denied, rejected, or returned during the period as subject to pre-
3-122	existing condition exclusion
3-68	Number denied, rejected, or returned during the period due to failure to
3-123	provide adequate documentation
3-69	Number denied, rejected, or returned during the period due to being within
3-124	the waiting period (do not answer for ADD products)
3-70	
3-125	Number of claims pending at the end of the period
3-71	Median number of days from receipt of claim to decision for denied claims
3-126	during the period
3-72	Average number of days from receipt of claim to decision for denied claims
3-127	during the period
3-73	Median number of days from receipt of claim to decision for approved claims
3-128	during the period
3-74	Average number of days from receipt of claim to decision for approved claims
3-129	during the period
3-75	Number of deime peid (include perhiells, peid deime) duving the period
3-130 3-76	Number of claims paid (include partially paid claims) during the period
3-7 0 3-131	Aggregate dellar amount of paid claims during the period
3-131 3-77	Aggregate dollar amount of paid claims during the period Number of claims during the period where the claims payment was reduced
3-77 3-132	by premium owed
3-132 3-78	Dollar amount of claims payments during the period applied to unpaid
3-7 0 3-133	premiums.
2-122	premiums.

Schedule 4 – Consumer Complaints and Lawsuits

ID	Description
4-80	
4-134	Number of complaints received by Company (other than through the DOI)
4 -81	Number of complaints received through DOI
4-82	
4-135	Number of complaints resulting in claims reprocessing
4 -83	
4-136	Number of lawsuits open at the beginning of the period
4-84	
4-137	Number of lawsuits opened during the period
4 -85	
4-138	Number of lawsuits closed during the period
4-86	Number of lawsuits closed during the period with consideration for the
4-139	consumer
4-87	
4-140	Number of lawsuits open at the end of the period

Schedu	lle 5 - Marketing and Sales
ID	Description
5-88	Number of individual applications/enrollments pending at the beginning of the
5-141	period
5-89	Number of individual applications/enrollments denied during the period for
5-142	any reason
5-90	Number of individual applications/enrollments denied during the period -
5-143	health status or condition
5-91	
5-144	Number of individual applications/enrollments approved during the period
5-92	Number of individual applications/enrollments pending at the end of the
5-145	period
5-93	Number of applications/enrollments received via phone (audio only) during
5-146	the period (only answer for individual products)
5-94	Number of applications/enrollments received in person or via video
5-147	application (e.g., Zoom, WebEx) during the period (only answer for individual
	products)
5-95	Number of applications/enrollments received online (electronically) during the
5-148	period (only answer for individual products)
5-96	Number of applications/enrollments received by mail during the period (only
5-149	answer for individual products)
5-97	Number of applications/enrollments received by any other method during the
5-150	period (only answer for individual products)
5-98	Commissions paid during reporting period (dollar amount of commissions
5-151	incurred during the period)

5-99	Unearned commissions returned to company on policies/certificates sold
5-152	during the period

Schedule 6- Other Health Insurance Attestation

ID	Description
6-100	First Attestor Information (First Name, Middle Name, Last Name, Suffix,
6-153	Title)
6-101	Second Attestor Information (First Name, Middle Name, Last Name, Suffix,
6-154	Title)
6-102	Overall Comments for the Period
6-155	

Participation Requirements: All companies licensed and reporting at least \$50,000 of other health insurance premium for all coverages reportable in MCAS within any of the participating MCAS jurisdictions. (This threshold is subject to individual jurisdiction requirements.)

Report by Residency: This MCAS blank is designed to collect data from the perspective of individual insureds in each state that the form is marketed in. When reporting for forms issued to discretionary groups, associations, or trusts – data should be provided on each state of residence of the insureds, rather than only where the discretionary group (if discretionary groups are excluded from reporting), association or trust is sitused.

General Definitions:

Other Health - Health insurance forms that are not subject to the Affordable Care Act (ACA). For this MCAS blank, they are Health-Accident Only; Health - Accidental Death and Dismemberment; Health-Specified Disease-Limited Benefit/Critical Illness; Health - Hospital/Other Indemnity; and Health - Hospital/Surgical/Medical Expense

Exclude the following from Other Health MCAS reporting:

- Discretionary policies (i.e., Labor Unions, Financial Institutions, Debtors, other Discretionary groups discretionary groups as defined by the reporting jurisdiction) (MO also proposes removing the Discretionary polices bullet point entirely)
- Medicare supplement
- Blanket policies
- Government plans, i.e. Medicare/Medicare Advantage/Medicaid/ Federal Employee Plans/ TriCare, etc.

Health-Accident Only - An insurance contract that provides coverage, singly or in combination, for death, dismemberment, disability (not disability income), or hospital and

medical care caused by or necessitated as a result of accident or specified kinds of accident

Health-Accidental Death and Dismemberment - An insurance contract that pays a stated benefit in the event of death and/or dismemberment caused by accident or specified kinds of accidents.

Health-Specified Disease-Limited Benefit/Critical Illness - An insurance contract that pays benefits for the diagnosis and/or treatment of a specifically named disease, diseases, or critical illness. Benefits can be paid as expense incurred, per diem, or a principle sum.

Health-Hospital/Other Indemnity - An insurance contract that pays a fixed dollar amount without regard to the actual expenses incurred.

Health-Hospital/Surgical/Medical Expense - An insurance contract that provides coverage to or reimburses the covered person for hospital, surgical, and/or medical expense incurred as a result of injury, sickness, and/or medical condition.

Association/Trust – For purposes of this MCAS blank, a non-employer group that offers benefits to its members (does not include banks or credit unions).

Exclude the following from Other Health MCAS reporting:

- Discretionary policies (i.e., Labor Unions, Financial Institutions, Debtors, other Discretionary groups discretionary groups as defined by the reporting jurisdiction) (MO also proposes removing the Discretionary polices bullet point entirely)
- Medicare supplement
- Blanket policies
- Government plans, i.e. Medicare/Medicare Advantage/Medicaid/ Federal Employee Plans/ TriCare, etc.

Individual Product - Policies marketed, sold, and issued to individual consumers, regardless of whether or not the policy forms have been filed with any State's department of insurance.

Group Product / Coverage - Policies issued to a trust, association, employer, or administrator for the purpose of marketing, selling, and issuing certificates to eligible members or employees, regardless of whether or not the policy forms have been filed with any State's department of insurance and regardless of where the association, trust, employer, or administrator is sitused.

National Producer Number (NPN) - This is a specific number provided by National Insurance Producers Registry (NIPR) to individuals and most business entities that are listed in the NIPR's Producer Database (PDB).

Policies/Certificates - Refers to the coverage documents provided to individuals, families, or eligible members (i.e., state residents) who are enrolled in coverage (not the association/trust)

Policyholder/Certificate holder – Refers to the individual or member who is afforded benefits of the coverage according to the laws of the state in which they reside (i.e., not the association/trust)

Policyholder Service - A company's activities relating to servicing its policyholders which incudes, but is not limited to, notice/billing, disclosures, premium refunds and coverage questions.

Actively Writing Policies – Refers to premium written during the reporting period.

Pre-existing Condition - A medical condition of the policyholder/certificate holder that existed prior to eligibility for coverage under the Other Health policy.

Third party Entity – Licensed Administrators, licensed producers, vendors

Compliance Audits - A compliance audit is a formal review of an organization's procedures and operations mainly focusing on whether an entity is complying with internal rules, regulations, policies, decisions, and procedures. The audit ensures that the organization is fulfilling outside obligations such as agreements, rules and regulations, or standards.

Marketing - The process of actively promoting, selling, and distributing a product.

Schedule 2 Definitions (Policy/Certificate Administration):

Rescission – A rescission is a cancellation or discontinuance of coverage based on a misrepresentation that is retroactive to the issue date. (Does not include cancellations for non-payment.)

Free Look – A set number of days provided in an insurance policy/certificate that allows time for the purchaser to review the contract provisions with the right to return the policy/certificate for a full refund of all premium paid. Report the number of policies/certificates that were returned by the insured under the free look provision during the period, regardless of the original issuance date.

Schedule 3 Definitions (Claims Administration):

Claim – Provide the total number of claims received during the reporting period for individual policyholders and/or group certificate holders residing in the state for which reporting is being completed.

Claim Clarifications:

- Claims received, paid and denied should be reported according to the data year of the receipt, payment or denial.
- Duplicate claims should not be reported.

For the purposes of this Market Conduct Annual Statement, a "Claim" includes any such request or demand, even those with incomplete or inadequate documentation and those made by an individual not eligible or covered under the policy against which the claim is made.

Communications with an insurer that are not explicit claims as per the definition above should not be reported on this MCAS. Such communications could include general queries regarding policy provisions, potential coverage, events reported for "information only", or other communications for which a clear request or demand for payment has not been made.

If a claim is reopened, treat the reopened claim as a new and distinct claim apart from the original claim. For reopened claims, the claim determination time period is measured from the date the claim was re-opened to the date a benefit determination is made.

Claims Received - provide the total number of claims received during the reporting period for individual policyholders and/or group certificate holders residing in the state for which reporting is being completed

Claims Denied - provide the total number of claims denied during the reporting period for individual policyholders and/or group certificate holders residing in the state for which reporting is being completed; includes rejected and returned claims, whether in whole or in part

Claims Paid - provide the total number of claims paid during the reporting period for individual policyholders and/or group certificate holders residing in the state for which reporting is being completed

Waiting Period: Period of time a covered person who is entitled to receive benefits must wait before coverage is provided. This applies to waiting periods that are per policy or per condition.

Schedule 4 Definitions (Consumer Complaints and Lawsuits):

Clean Claim - A "clean claim" refers to a claim submitted without any errors or missing information, meaning it can be processed and paid promptly without requiring additional investigation or development by the claims processor; essentially, a complete and accurate claim with all necessary details filled in correctly. (MO proposes removing this definition entirely since the changes proposed by MO would not include it in the blank)

Complaint - any written communication that expresses dissatisfaction with a specific person or entity. An oral communication, which is subsequently converted to a written form in order to be analyzed and acted upon, will meet the definition of a complaint for this purpose. A complaint should be reported to the state where the policyholder resides.

Include:

- Any complaint regardless of the subject of the complaint (claims, underwriting, marketing, etc.).
- Complaints received from third parties.

Lawsuit—An action brought in a court of law in which one party, the plaintiff, claims to have incurred a loss as a result of the action of another party, the defendant.

For purposes of reporting lawsuits for Other Health Insurance products:

- Include only lawsuits brought by an applicant for insurance, a policyholder or a claimant/beneficiary as a plaintiff against the reporting insurer or its agent as a defendant;
- Include all lawsuits, whether or not a hearing or proceeding before the court occurred;
- Do not include arbitrations of any sort;
- If one lawsuit has two or more complainants, report the number of complainants as the number of lawsuits. For example, if one lawsuit has two complainants, report two lawsuits. If the lawsuit is a class action, see instructions for treatment of class action lawsuits;
- Report a lawsuit in the jurisdiction in which the policy was issued with the exception of class action lawsuits;
- Treatment of class action lawsuits: Report the opening and closing of a class action lawsuit once in each state in which a potential class member resides. Include an explanatory note with your submission stating the number of class action lawsuits included in the data and the general cause of action.

Lawsuits Closed During the Period with Consideration for the Consumer—A lawsuit closed during the reporting period in which a court order, jury verdict, or settlement resulted in payment, benefits, or other thing of value, i.e., consideration, to the applicant, policyholder, or beneficiary in an amount greater than offered by the reporting insurer before the lawsuit was brought.

Schedule 5 Definitions (Marketing and Sales)

Commissions - The total amount of compensation paid to any individual or entity for their consideration in marketing, selling, and attracting potential insureds, by whatever means this compensation is provided. Do not include monetary valuables paid to any individual or entity that is generally not able to be converted into actual money. NOTE: For products *not* related to the actual sale of a contract, do not include any amounts paid for the specific purpose of marketing, encouraging or promoting. Do not include any fees or other compensation paid for outsourced services.

Schedule 6– Other Health Insurance Attestation

By completing the attestation information, those named understand, agree, and certify on behalf of the named company that:

- They are authorized to submit the Market Conduct Annual Statement on behalf of the named company and to bind the company to the statements in this attestation;
- 2. They are knowledgeable of the information required to be provided in the Market Conduct Annual Statement filed by this company and have reviewed this filing;
- 3. To the best of their knowledge and belief, this filing represents a full and accurate statement of the information required to be provided in the Market Conduct Annual Statement pursuant to the applicable instructions; and
- 4. They are aware that the state insurance department(s) receiving the data may initiate regulatory action as authorized by law in a specific jurisdiction if the data submitted in the MCAS is inaccurate, incomplete, or found to be materially false, misleading or omissive.
- 5. They affirm that the company is able to accurately trace the data as reported to its source within the company and if necessary, recreate the MCAS results as reported in this filing.

NOTE: The company must provide the name for at least two individuals who are able to attest that the criteria listed above have been met and attest to the overall accuracy of the MCAS filing. Both attestors should have participated in the review and validation of the filing. We recommend that one person be the individual with operational responsibility for the source data such as a responsible individual from claims, underwriting or compliance. We recommend that the second person should be a responsible IT person that participated in the creation of the data in the filing.

PROVIDE A CONCISE STATEMENT OF THE PROPOSED CHANGE:

There has been confusion about how an insurer should report the issuance of a subsequent LPI individual policy or certificate on the same property following the expiration of the term of the previous individual

NAIC MARKET CONDUCT ANNUAL STATEMENT BLANKS (D) WORKING GROUP Changes/Additions to Approved Blanks and Data Call and Definitions Proposal Submission Form

policy or certificate. The proposal clarifies that such policies do not involve cancellations and adds data elements to further clarify reporting. See attached memo for details.

PROVIDE THE REASON FOR THE CHANGE:

See concise statement

IF ADDITIONAL DOCUMENTS CONTAIN DEFINITIONS, BLANK MOCK-UPS, ETC, PROVIDE A LISTING OF THESE DOCUMENTS BELOW. SEND THE LISTED DOCUMENTS TO NAIC STAFF ALONG WITH THE COMPLETED FORM:

See attached explanation.

Proposal from the Center for Economic Justice to

Address End of Coverage Issues on the Lender-Placed MCAS

February 28, 2025

Background

LPI coverage typically comes in two forms. One form of LPI is a blanket group policy issued to a lender or loan servicer providing coverage for all vehicles or properties in the loan portfolio. Under a blanket policy, the premium charged to the lender / loan servicer is based on the total number of vehicles or properties insured or the total amount of outstanding debt on the loans in the covered loan portfolio. If there are LPI charges by the lender or loan servicer to individual borrowers, it would typically be the same amount across borrowers at the loan issuance.

The second form is the more common method used for LPI home insurance in which coverage is issued under the group policy if the lender / loan servicer identifies a lapse in coverage. (Note: the lender / loan servicer often hires the LPI insurer or affiliate of the LPI insurer for insurance tracking services. While the LPI insurer or its affiliate may perform the loan tracking, including sending letters to borrowers regarding missing evidence of insurance and issuance of LPI coverage, the responsibility remains with the lender / loan servicer and the insurance tracking correspondence contains the name of the lender / loan servicer and not the LPI insurer or affiliate performing the tracking services.)

With the second form of LPI, if the borrower fails to provide evidence of required insurance, the lender / loan servicer directs the LPI insurer to issue coverage (e.g. a certificate) under the group policy. The LPI insurer than charges the lender / loan servicer a premium based on the rating factors filed in a rate filing by the LPI insurer. Such rating factors are typically limited to amount of coverage and any additional coverages offered to and selected by the lender / loan servicer or the borrower. The lender / loan servicer then makes a charge to the affected borrower styled as insurance typically in the same amount charged by the LPI insurer to the lender / loan servicer.

Coverage Cancellation and New Coverage Issuance

The typical home certificate under this individualized premium charge form of LPI has a coverage term of 12 months. The majority of such certificates are cancelled by the lender / loan servicer and LPI insurer before the end of the term of coverage due to insurance being falsely force-placed due to tracking records (a "flat cancel") or because the borrower obtains voluntary market insurance before the end of the 12-month term of the LPI.

CEJ Proposal to Revise LPI MCAS to Address End of Coverage Issues February 28, 2025 Page 2

In some markets and some situations, individualized premium LPI coverage extends beyond the initial 12-month term of coverage because the borrower either cannot obtain voluntary coverage or simply fails to take action to obtain voluntary market coverage. In these types of situations, the initial LPI coverage ends at the end of coverage term and another LPI coverage (certificate) is issued by the LPI insurer.

The MCAS blank includes data elements and interrogatories in three categories of policy types – group policy, certificates under group policies and individual policies. In a few states, individualized premium LPI is provided through an individual policy and not as a certificate under a group policy. For purposes of MCAS analysis, individual policies and certificates under group policies are comparable.

Based on the above, we offer the following definitions and additional data elements for the LPI MCAS:

Proposed New or Revised Definitions

Approved by MCAS Blanks WG 5/1/25 Cancellations – Includes all cancellations of the policies/certificates where the cancellation was executed during the reporting year regardless of the date of placement of the coverage. Coverage under an individual policy or a certificate under a group policy ending at the end of the term of coverage is not a cancellation, even if the coverage is renewed through a subsequent individual policy or certificate. See also Flat Cancellation

To Be Considered 5/22/25 Coverage Renewed – Includes only those new coverage individual policies and certificates issued for the same property at the end of the term of coverage for the prior individual policy or certificate on that property. Include Coverage Renewed individual policies and certificates in individual policies written and certificates written during the period, respectively.

Approved by MCAS Blanks WG 5/1/25 Term of Coverage Completed – Include individual policies and certificates for which the term of coverage was completed and ended during the period.

To Be Considered 5/22/25 <u>Individual Policies Written During the Period – Include all individual policies issued during the period before any flat or other cancellations, even if issued in error.</u> Include all individual policies with Coverage Renewed.

To Be Considered 5/22/25 Certificates Written During the Period – Include all certificates issued during the period before any flat or other cancellations, even if issued in error. Include all certificates with Coverage Renewed.

CEJ Proposal to Revise LPI MCAS to Address End of Coverage Issues February 28, 2025 Page 3

Proposed New Data Elements

Approved by MCAS Blanks WG 5/1/25 3-59A Number of certificates for which Term of Coverage Completed during the period

To Be Considered 5/22/25 3-59B Number of certificates issued for Coverage Renewed during the period

Approved by MCAS Blanks WG 5/1/25 3-67A Number of individual policies for which Term of Coverage Completed during the period

To Be Considered 5/22/25 3-67B Number of individual policies issued for Coverage Renewed during the period

MCAS Complaint Data Element for Complaints Received Directly from the DOI.

LPI	Number of complaints received directly from the DOI
*Other Health	Number of complaints received through DOI
STLD	Number of complaints received through DOI
Travel	Number of complaints received directly from the DOI

^{*} The Other Health proposal from the SME group eliminates this data element.

2024 MCAS Pet Insurance Blank

Claims Activity Schedule

109 Number of claims closed during the period with partial payment – maximum benefit limit

2024 MCAS Pet Data Call and Definitions

Definitions for the Purposes of MCAS reporting (pg 13)

Partial Payment – A claim not paid in full for costs included within the terms of coverage of the insurance policy/certificate.

- Removal from a claim of charges for costs not covered in the policy where there is full payment for costs covered in the policy – is not considered a partial payment.
- Do not report as partial payment claims that are reduced by deductibles, copays, maximum benefit limits, or other limitations set by the insurance policy/certificate.

Travel (2027)

		Yes/No Response	Explanation
01	Were there policies/certificates in force during the reporting period that provide travel insurance coverage?		
02	Has the company had a significant event/business strategy that would affect data for this reporting period?		
03	If yes, add additional comments.

Schedule 5 – Travel Attestation

By completing the attestation information, those named understand, agree and certify on behalf of the named company that:

- They are authorized to submit the Market Conduct Annual Statement on behalf of the named company and to bind the company to the statements in this attestation;
- 2. They are knowledgeable of the information required to be provided in the Market Conduct Annual Statement filed by this company and have reviewed this filing;
- 3. To the best of their knowledge and belief, this filing represents a full and accurate statement of the information required to be provided in the Market Conduct Annual Statement pursuant to the applicable instructions; and
- 4. They are aware that the state insurance department(s) receiving the data may initiate regulatory action as authorized by law in a specific jurisdiction if the data submitted in the MCAS is inaccurate, incomplete, or found to be materially false, misleading or omissive.
- 5. They affirm that the company is able to accurately trace the data as reported to its source within the company and if necessary, recreate the MCAS results as reported in this filing.

NOTE: The company must provide the name for at least two individuals who are able to attest that the criteria listed above have been met, and attest to the overall accuracy of the MCAS filing. Both attestors should have participated in the review and validation of the filing. We recommend that one person be the individual with operational responsibility for the source data such as a responsible individual from claims, underwriting or compliance. We recommend that the second person should be a responsible IT person that participated in the creation of the data in the filing.

5-49	Second Attestor Information (First Name, Middle Name, Last Name, Suffix,
5-45	Title)
5-50	Overall Comments for the Period
5-46	

In determining what business to report for a particular jurisdiction, unless otherwise indicated in these instructions, all companies should follow the same methodology/definitions used to file the Financial Annual Statement (FAS) and its corresponding state pages. Specifically, the business to be reported is the direct business of the reporting company. Reinsurance ceded is not deducted and reinsurance assumed is not included.

Participation Requirements: All companies licensed and reporting any travel insurance within any of the participating MCAS jurisdictions. (This threshold is subject to individual jurisdiction requirements.)

Definitions:

Travel Insurance - Means insurance coverage for personal risks incident to planned travel.

Include:

- Interruption or cancellation of trip or event;
- Loss of baggage or personal effects;
- Damages to accommodations or rental vehicles;
- Sickness, accident, disability or death occurring during travel;
- Emergency evacuation;
- Repatriation of remains; or
- Any other contractual obligations to indemnify or pay a specified amount to the traveler upon determinable contingencies related to travel as approved by the Commissioner.

Exclude:

 Major medical plans that provide comprehensive medical protection for travelers with trips lasting longer than six (6) months, including for example, those working or residing overseas as an expatriate, or any other product that requires a specific insurance producer license.

Blanket Travel Insurance - Means a policy of Travel Insurance issued to any Eligible Group providing coverage for specific classes of persons defined in the policy with coverage provided to all members of the Eligible Group without a separate charge to

individual members of the Eligible Group.

Coverages - For the following terms, the NAIC asks that the insurer use definitions that meet industry standards. To the extent the insurer's definitions differ from industry standards, the NAIC asks that the insurer provide those definitions.

Trip Cancellation
Trip Interruption
Trip Delay
Baggage Loss/Delay
Emergency Medical / Dental
Emergency Transportation/Repatriation
Primary Coverage
Excess/Secondary Coverage

Cancellations – Includes all cancellations of the policies/certificates where the cancellation was executed during the reporting year regardless of the date of placement of the coverage.

Claim – A request or demand for payment of a loss that may be included within the terms of coverage of an insurance policy/certificate. Each claimant/insured reporting a loss is counted separately.

Exclude:

- An event reported for "information only."
- An inquiry of coverage if a claim has not actually been presented (opened) for payment.
- A potential claimant if that individual has not made a claim nor had a claim made on his or her behalf.

Claims Closed With Payment – Claims closed with payment where the claim was closed during the reporting period regardless of the date of loss or when the claim was received. The number of days to closure, however, should be measured as the difference between the date of the final payment and the date the claim was reported or between the date of the final payment and the date the request for supplemental payment was received. *See also "Date of Final Payment."*

Exclude:

- Claims where payment was made for company loss adjustment expenses if no payment was made to an insured/claimant.
- Claims that are closed because the amount claimed is below the insured's deductible.

Clarifications:

- If a claim is reopened for the sole purpose of refunding the insured's deductible, do not count it as a paid claim.
- For claims where the net payment is \$0 due to subrogation recoveries, report the number of claims in which any amount was paid to the insured; do not net the payment with subrogation recoveries when counting the number of paid claims.

Calculation Clarification:

 For each coverage identifier, the sum of the claims settled with payment across each closing time interval should equal the total number of claims closed with payment during the reporting period.

Handling additional payment on previously reported claim/subsequent supplemental payment for claims closed with payment during the reporting period:

 If a claim is reopened for a subsequent supplemental payment, count the reopened claim as a new claim. Calculate a separate aging on the supplemental payment from the time the request for supplemental payment was received to the date the final payment was made.

Claims Closed Without Payment – Claims closed with no payment made to an insured or third party. The number of days to closure is the difference between the date the claim was closed and the date the claim was reported and/or reopened. See also "Date of Final Payment."

Include:

- All claims that were closed during the reporting period regardless of the date of loss or when the claim was received.
- Claims where no payment was made to an insured/claimant even though payment was made for company loss adjustment expenses.
- A demand for payment for which it was determined that no relevant policy/certificate was in-force at the time of the loss if a claim file was set up and the loss was investigated.
- Claims that are closed because the amount claimed is below the insured's deductible.
- Claims closed because primary coverage was available elsewhere.

Complaints Received Directly from any Person or Entity Other than the Department of Insurance – any written communication that expresses dissatisfaction with a specific person or entity subject to regulation under the jurisdiction's insurance laws. An oral communication, which is subsequently converted to a written form in order to be analyzed and acted upon, will meet the definition of a complaint for this purpose.

Include:

- Any complaint regardless of the subject of the complaint (claims, underwriting, marketing, etc.)
- Complaints received from third parties

Complaints Received Directly from the Department of Insurance – All complaints:

- As identified by the DOI as a complaint.
- Sent or otherwise forwarded by the DOI to the reporting company.

Date of Final Payment – The date final payment was issued to the insured/claimant. Calculation Clarification:

- If partial payments were made on the claim, the claim would be considered closed with payment if the final payment was made during the reporting period regardless of the date of loss or when the claim was received.
- Report a claim as "closed with payment" or "closed without payment" if it is closed in the company's claims system during the reporting period (even if the final payment was issued in a prior reporting period.)
- If a claim remains open at the end of the reporting period (even though a final payment has been issued) it should be reported as open. Only when the claim is closed in the company's claims system, would you report the days to final payment.

Example:

- A claim is open on 11/1/00 and final payment is made on 12/1/00. The claim is left open until 2/1/01 to allow time for supplemental requests.
 - The claim would be reported as open in the "00" MCAS submission and closed in the "01" MCAS submission.
 - The number of days to final payment would be calculated as 30 days and reported in the "01" MCAS submission.

Date the Claim was Reported – The date an insured or claimant first reported his or her claim to either the company or insurance agent.

Domestic Coverage - overage for travel originating and contained within the United States including travel directly to and from mainland United States to Hawaii, Alaska and United States territories.

Group Travel Insurance - Means Travel Insurance issued to any Eligible Group as defined by state law.

International Coverage - Coverage for any travel other than Domestic.

Premium Written During Period – The total premium written before any reductions for refunds for travel insurance during the reporting period.

In-force – A master policy, individual policy, or certificate in effect during the reporting period.

Lawsuit – An action brought in a court of law in which one party, the plaintiff, claims to have incurred a loss as a result of the action of another party, the defendant.

For purposes of reporting lawsuits in the Travel MCAS blank:

- Include only lawsuits brought by an applicant for insurance or a policyholder or a claimant/beneficiary as a plaintiff against the reporting insurer or its agent as a defendant;
- Include all lawsuits, whether or not a hearing or proceeding before the court occurred;
- Do not include arbitrations of any sort;
- If one lawsuit has two or more complainants, report the number of complainants as the number of lawsuits. For example, if one lawsuit has two complainants, report two lawsuits. If the lawsuit is a class action, see instructions for treatment of class action lawsuits;
- Report a lawsuit in the jurisdiction in which the policy was issued with the exception of class action lawsuits;
- Treatment of class action lawsuits: Report the opening and closing of a class action lawsuit once in each jurisdiction in which a potential class member resides. Include an explanatory note with your submission stating the number of class action lawsuits included in the data and the general cause of action.

Lawsuits Closed During the Period with Consideration for the Consumer – A lawsuit closed during the reporting period in which a court order, jury verdict, or settlement resulted in payment, benefits, or other thing of value, i.e., consideration, to the applicant or policyholder in an amount greater than offered by the reporting company before the lawsuit was brought.

Median Days to Final Payment – The median value for all claims closed with payment during the period.

Calculation for losses with one final payment date during the reporting period:

Date the loss was reported to the company to the date of final payment.

Calculation for losses with multiple final payment dates during the reporting period:

• Date the request for supplemental payment received to the date of final payment (for each different final payment date.)

Exclude:

• Subrogation payments.

Calculation Clarification / Example:

 To determine the Median Days to Final Payment you must first determine the number of days it took to settle each claim. This is the difference between the date the loss was reported to the company, or the date the request for supplemental payment was received, to the date of final payment. The Median Days to Final Payment is the median value of the number of days it took to settle all claims closed with payment during the period.

Median - A median is the middle value in a distribution arranged in numerical order (either lowest to highest or highest to lowest). If the distribution contains an odd number of elements, the median is the value above and below which lie an equal number of values. If the distribution contains an even number of elements, the median is the average of the two middle values. It is not the arithmetic mean (average) of all of the values.

Consider the following simple example of the number of days it took to settle each of the following seven claims:

Claim	Nbr 1	Nbr 2	Nbr 3	Nbr 4	Nbr 5	Nbr 6	Nbr 7
Days to Settle	2	4	4	5	6	8	20

In this situation, the Median Days to Final Payment would be 5 because it is the middle value. There are exactly 3 values below the median (2, 4, & 4) and 3 values above the median (6, 8, & 20). If the data set had included an even number of values, then the median would be the average of the two middle values as demonstrated below.

Claim	Nbr 1	Nbr 2	Nbr 3	Nbr 4	Nbr 5	Nbr 6
Days to Settle	2	4	5	6	8	20

Median Days to Final Payment = (5 + 6)/2 = 5.5

The median should be consistent with the paid claim counts reported in the closing time intervals.

Example: A carrier reports the following closing times for paid claims.

Closing Time	# of Claims
< 30	22
31-60	13
61-90	18
91-180	11
181-365	12
>365	15

The sum of the claims reported across each closing time interval is 91, so that the median is the 46th claim. This claim falls into the closing time interval "61-90 days." Any reported median that falls outside of this range (i.e. less than 61 or greater than 90) will indicate a data error.

NAIC Company Code — The five-digit code assigned by the NAIC to all U.S. domiciled companies which filed a Financial Annual Statement with the NAIC.

NAIC Group Code — The code assigned by the NAIC to identify those companies that are a part of a given holding company structure. A zero indicates that the company is not part of a holding company.

Travel Retailer - Means a business entity that makes, arranges or offers planned travel and may offer and disseminate Travel Insurance as a service to its customers on behalf of and under the direction of a Limited Lines Travel Insurance Producer.
