*To: Long-Term Care Actuarial (B) Working Group Members, Interested Regulators, and Interested Parties*

1. Please provide comments by April 24 on suggested improvements, including additions or streamlining of the Health Actuarial Task Force-adopted Consolidated, Most Commonly Asked Questions – States’ LTC Rate Increase Reviews checklist and MSA Supplemental information checklist.

These checklists are contained in the Information Checklist section of the NAIC Long-Term Care Insurance Multistate Rate Review Framework document, located at [https://content.naic.org/sites/default/files/inline-files/MSA%20Framework\\_121221\\_TF%20Adopted.pdf](https://content.naic.org/sites/default/files/inline-files/MSA%20Framework_121221_TF%20Adopted.pdf)

2. Please provide comments by April 24 related to the Minnesota and Texas actuarial approaches as described in the NAIC Long-Term Care Insurance Multistate Rate Review Framework document, located at

[https://content.naic.org/sites/default/files/inline-files/MSA%20Framework\\_121221\\_TF%20Adopted.pdf](https://content.naic.org/sites/default/files/inline-files/MSA%20Framework_121221_TF%20Adopted.pdf)

Please identify issues, including types of cases where improvements to the approaches may lead to more consistent results in line with goals, for example balancing fairness to consumers with helping to prevent further financial distress to insurers.

Comments should be submitted to [Eric King](#) by Monday, April 24
