The mission of the Executive (EX) Committee is to manage the affairs of the NAIC in a manner consistent with its Articles of Incorporation and its Bylaws.

**Ongoing Support of NAIC Programs, Products or Services**

1. **The Executive (EX) Committee** will:
   
   A. Identify the goals and priorities of the organization and make recommendations to achieve such goals and priorities based on input of the membership. Make recommendations by the 2022 Commissioners Conference.
   
   B. Create/terminate task force(s) and/or Executive (EX) Committee-level working groups to address special issues and monitor the work of these groups. Create necessary task force(s) and/or Executive (EX) Committee-level working groups throughout 2022 as necessary.
   
   C. Submit reports and recommendations to NAIC members concerning the activities of its subcommittee and the standing committees. Submit a report at each national meeting.
   
   D. Consider requests from NAIC members for friend-of-the-court briefs.
   
   E. Establish and allocate functions and responsibilities to be performed by each NAIC zone.
   
   F. Pursuant to the Bylaws, oversee the NAIC offices to assist the organization and the individual members in achieving the goals of the organization.
   
   G. Conduct strategic planning on an ongoing basis.
   
   H. Plan, implement and coordinate communications and activities with the Federal Insurance Office (FIO).
   
   I. Plan, implement and coordinate communications and activities with other state, federal, local and international government organizations to advance the goals of the NAIC and promote understanding of state insurance regulation.
   
   J. Review and approve requests for the development of model laws and/or regulations. Coordinate the review of existing model laws and/or regulations.
   
   K. Select NAIC national meeting sites five and six years in advance of the meeting date to ensure efficient and economical locations and facilities.
   
   L. Review and revise, as necessary and appropriate, the criteria and categories for registrants at NAIC national meetings.

The mission of the Climate and Resiliency (EX) Task Force is to serve as the coordinating NAIC body for discussion and engagement on climate-related risk and resiliency issues, including dialogue among state insurance regulators, industry, and other stakeholders.

**Ongoing Support of NAIC Programs, Products or Services**

1. The **Climate and Resiliency (EX) Task Force** will:
   A. Consider appropriate climate risk disclosures within the insurance sector, including:
      2. Evaluation of alignment with other sectors and international standards.
      3. Evaluation of financial regulatory approaches to climate risk and resiliency in coordination with other relevant committees, task forces, and working groups, such as the Financial Condition (E) Committee and the Financial Stability (E) Task Force.
      4. Evaluation of the use of modeling by carriers and their reinsurers concerning climate risk.
      5. Evaluation of how rating agencies incorporate climate risk into their analysis and governance.
      6. Evaluation of the potential solvency impact of insurers’ exposures, including both underwriting and investments, to climate-related risks.
      7. Evaluation and development of climate risk-related disclosure, stress testing, and scenario modeling.
   B. Consider innovative insurer solutions to climate risk and resiliency, including:
      1. Evaluation of how to apply technology and innovation to the mitigation of storm, wildfire, other climate risks, and earthquake.
      2. Evaluation of insurance product innovation directed at reducing, managing, and mitigating climate risk and closing protection gaps.
   C. Identify sustainability, resilience, and mitigation issues and solutions related to the insurance industry.
   D. Consider pre-disaster mitigation and resiliency and the role of state insurance regulators in resiliency.

NAIC Support Staff: Jennifer Gardner
The Government Relations (EX) Leadership Council coordinates the NAIC’s ongoing work with the federal government and state government officials on legislative and regulatory policy. The Leadership Council, in conjunction with the NAIC’s other standing committees, is responsible for quickly responding to federal legislative and regulatory developments that affect insurance regulation.

The mission of the Government Relations (EX) Leadership Council is to develop, coordinate, and implement the NAIC’s legislative, regulatory, and outreach initiatives. The Leadership Council will devise strategies for NAIC action and promote the participation of all NAIC members in the NAIC’s government relations initiatives.

**Ongoing Support of NAIC Programs, Products or Services**

1. The **Government Relations (EX) Leadership Council** will:
   A. Monitor, analyze, and respond to federal legislative and regulatory actions and other issues of importance to the NAIC membership.
   B. Work with other standing committees, task forces, and working groups to help develop and communicate the NAIC’s policy views to federal and state officials on pending legislation and regulatory issues by the involvement of NAIC members through testimony, correspondence, and other approaches.
   C. Develop a strategy and program for directly engaging NAIC members with the U.S. Congress (Congress) and federal agencies to advocate for NAIC objectives and the benefits and efficiencies of state-based insurance regulation.
   D. Secure broader participation from NAIC membership on all government affairs advocacy initiatives.
   E. Report to the Executive (EX) Committee on all activities and matters relating to the annual charges of the Leadership Council.

Recognizing the gravity of the threat posed by the current long-term care insurance (LTCI) environment both to consumers and our state-based system of insurance regulation, the mission of the Long-Term Care Insurance (EX) Task Force is to: 1) further develop and implement a coordinated national approach for reviewing LTCI rates; 2) monitor and evaluate the rate review process; 3) evaluate and recommend options to help consumers manage the impact of rate increases; and 4) monitor work performed by other NAIC groups to review the financial solvency of long-term care (LTC) insurers.

Ongoing Support of NAIC Programs, Products or Services

1. The Long-Term Care Insurance (EX) Task Force will:
   A. Once adopted by the NAIC Executive (EX) Committee and Plenary, monitor, and evaluate the progress of the multistate actuarial (MSA) rate review process as outlined in the MSA Framework document. Monitor state insurance department rate review actions subsequent to implementation of the MSA Framework and MSA rate review recommendations.
   B. Complete an evaluation and recommend options to provide consumers with choices regarding modifications to LTCI contract benefits where policies are no longer affordable due to rate increases.
   C. Monitor the work performed by other NAIC solvency working groups and assist in the timely multi-state coordination and communication of the review of the financial condition of LTC insurers.

2. The Long-Term Care Insurance Multistate Rate Review (EX) Subgroup will:
   A. Finalize the development of the MSA rate review process as outlined in the MSA Framework document which outlines a consistent national approach for reviewing LTCI rates that results in actuarially appropriate increases being granted by the states in a timely manner and eliminates cross-state rate subsidization. Implement the MSA rate review process once adopted by the NAIC Executive (EX) Committee and Plenary.
   B. Evaluate the progress of the MSA rate review process and provide ongoing maintenance and enhancements, as deemed necessary.
   C. The Subgroup should complete its charges by the 2022 Fall National Meeting.

3. The Long-Term Care Reduced Benefit Options (EX) Subgroup will:
   A. Complete an evaluation and/or recommendation of options to help consumers manage the impact of rate increases. This includes:
      1. Finalizing development of a process to evaluate innovative options that allow for insurers to offer benefits that lessen the likelihood of an insured needing long-term care services, including evaluation of the suitability of and regulatory barriers to proposed options.
      2. The potential development of mechanisms to help regulators and consumers objectively compare reduced benefit options (RBOs), including comparison of accepting a rate increase and retaining current benefits to electing an offered RBOs.
      3. Finalizing the Consumer Notices Checklist for RBOs.
   B. Support and provide expertise to the Long-Term Care Insurance Multistate Rate Review (EX) Subgroup regarding evaluation of RBOs.
   C. The Subgroup should complete its charges by the 2022 Fall National Meeting.

SPECIAL (EX) COMMITTEE ON RACE AND INSURANCE

The mission of the Special (EX) Committee on Race and Insurance is to serve as the NAIC’s coordinating body on identifying issues related to: 1) race, diversity, and inclusion within the insurance sector; 2) race, diversity, and inclusion in access to the insurance sector and insurance products; and 3) practices within the insurance sector that potentially disadvantage people of color and/or historically underrepresented groups.

Ongoing Support of NAIC Programs, Products or Services

1. The Special (EX) Committee on Race and Insurance will:
   A. Serve as the NAIC’s coordinating body on identifying issues related to: 1) race, diversity, and inclusion within the insurance sector; 2) race, diversity, and inclusion in access to the insurance sector and insurance products; and 3) practices within the insurance sector that potentially disadvantage people of color and/or historically underrepresented groups.
   B. Coordinate with existing groups such as the Big Data and Artificial Intelligence (EX) Working Group and the Casualty Actuarial and Statistical (C) Task Force and encourage those groups to continue their work on issues affecting people of color and/or historically underrepresented groups, particularly in predictive modeling, price algorithms, and artificial intelligence (AI).
   C. (Workstream One) Continue research and analysis to identify issues and develop specific recommendations on action steps state insurance regulators and companies can take to improve the level of diversity and inclusion in the industry, including:
      1. Seek additional engagement from stakeholders to understand the efficacy of diversity-related programs, how companies measure their progress, and what state insurance regulators can do to support these efforts.
      2. Collect input on any existing gaps in available industry diversity-related data.
   D. (Workstream Two) In coordination with the Executive (EX) Committee, receive reports on NAIC diversity, equity, and inclusion (DE&I) efforts. Serve as the coordinating body for state requests for assistance from the NAIC related to DE&I efforts.
   E. (Workstream Two) Research best practices among state insurance departments on DE&I efforts and develop forums for sharing relevant information among states and with stakeholders, as appropriate.
   F. Continue research and analysis of insurance, legal, and regulatory approaches to addressing unfair discrimination, disparate treatment, proxy discrimination, and disparate impact. Make recommendations for statutory or regulatory changes and additional steps, including:
      1. (Workstream Four) The impact of traditional life insurance underwriting on traditionally underserved populations, considering the relationship between mortality risk and disparate impact.
      2. (Workstream Three) Developing analytical and regulatory tools to assist state insurance regulators in defining, identifying, and addressing unfair discrimination in property/casualty (P/C) insurance, including issues related to:
         a. Rating and underwriting variables, such as socioeconomic variables and criminal history, including:
            1. Identifying proxy variables for race.
            2. Correlation versus causation, including discussion of spurious correlation and rational explanation.
            3. Potential bias in underlying data.
            4. Proper use of third-party data.
         b. Disparate impact considerations.
   G. (Workstreams Three, Four, and Five) Consider enhanced data reporting and record-keeping requirements across product lines to identify race and other sociodemographic factors of insureds, including consideration of legal and privacy concerns. Consider a data call to identify insurance producer resources available and products sold in specific ZIP codes to identify barriers to access.
   H. Continue research and analysis related to insurance access and affordability issues, including:
      1. (Workstream Four) The marketing, distribution, and access to life insurance products in minority communities, including the role that financial literacy plays.
      2. (Workstream Four) Disparities in the number of cancellations/rescissions among minority policyholders.
3. (Workstream Five) Measures to advance equity through lowering the cost of health care and promoting access to care and coverage, with a specific focus on measures to remedy impacts on people of color, low income and rural populations, and historically marginalized groups, such as the LGBTQ+ community, individuals with disabilities, and Alaska Native and other Native and Indigenous people.

4. (Workstream Five) Examination of the use of network adequacy and provider directory measures (e.g., provider diversity, language, and cultural competence) to promote equitable access to culturally competent care.

5. (Workstream Five) Conduct additional outreach to educate consumers and collect information on health and health care complaints related to discrimination and inequities in accessing care.

6. (Workstream Three) Whether steps need to be taken to mitigate the impact of residual markets, premium financing, and nonstandard markets on historically underrepresented groups.

7. Make referrals for the development of consumer education and outreach materials, as appropriate.

I. Direct NAIC and Center for Insurance Policy & Research (CIPR) staff to conduct necessary research and analysis, including:

1. (Workstream Three) The status of studies concerning the affordability of auto and homeowners insurance, including a gap analysis of what has not been studied.

2. (Workstream Three) The availability of producer licensing exams in foreign languages, steps exam vendors have taken to mitigate cultural bias, and the number and locations of producers by company compared to demographics in the same area.

3. (Workstream Five) Aggregation of existing research on health care disparities and the collection of insurance responses to the COVID-19 pandemic and its impact across demographic populations.

LIFE INSURANCE AND ANNUITIES (A) COMMITTEE – NEW CHARGES

The Accelerated Underwriting (A) Working Group, as part of its ongoing work to consider the use of external data and data analytics in accelerated life underwriting, will include an assessment of and recommendations, as necessary, regarding the impact of accelerated underwriting on minority populations.

HEALTH INSURANCE AND MANAGED CARE (B) COMMITTEE – NEW CHARGES

1. The Health Insurance and Managed Care (B) Committee will:
   
   A. Respond to inquiries from the U.S. Congress (Congress), the White House, and federal agencies; analyze policy implications and the effect on the states of proposed and enacted federal legislation and regulations, including, where appropriate, an emphasis on equity considerations and the differential impact on underserved populations; and communicate the NAIC’s position through letters and testimony, when requested.

The Mental Health Parity and Addiction Equity Act (MHPAEA) (B) Working Group of the Regulatory Framework (B) Task Force will develop model educational material for state departments of insurance (DOIs) and research disparities in and interplay between mental health parity and access to culturally competent care for people of color and/or historically underrepresented groups.

The Health Innovations (B) Working Group will evaluate mechanisms to resolve disparities through improving access to care, including the efficacy of telehealth as a mechanism for addressing access issues; the use of alternative payment models and value-based payments and their impact on exacerbating or ameliorating disparities and social determinants of health; and programs to improve access to historically underserved communities.

MARKET REGULATION AND CONSUMER AFFAIRS (D) COMMITTEE – NEW CHARGES

The Producer Licensing (D) Task Force will receive a report on the availability of producer licensing exams in foreign languages, the steps exam vendors have taken to mitigate cultural bias, and the number and location of producers by company compared to demographics in the area.

NAIC Support Staff: Andrew J. Beal/Michael F. Consedine
INTERNAL ADMINISTRATION (EX1) SUBCOMMITTEE

The mission of the Internal Administration (EX1) Subcommittee is to monitor the operations of the NAIC, including: 1) preparing a budget for Executive (EX) Committee review; 2) providing direction on personnel issues; 3) approving emergency expenditures; 4) evaluating the chief executive officer (CEO); and 5) assisting the CEO in resolving competing demands for NAIC staff resources.

Ongoing Support of NAIC Programs, Products or Services

1. The Internal Administration (EX1) Subcommittee will:
   A. Review and approve all expenditures of funds not included in the annual budget by considering any fiscal impact statements of unbudgeted resource requests and reporting its actions to the Executive (EX) Committee.
   B. Annually work with the CEO, chief operating officer/chief legal officer (COO/CLO), and chief financial officer (CFO) to review the business operations plan, which will incorporate the Executive (EX) Committee’s strategic management initiatives, and report its actions to the Executive (EX) Committee.
   C. Oversee a review of any management areas of the NAIC that should be designated for formal operational reviews by working with the CEO and COO/CLO.
   D. Oversee the development, revision, and delivery of all NAIC education programs, or the addition of new programs, by coordinating with other committees, as appropriate, and providing direction to the CEO and COO/CLO.
   E. Receive a report at each national meeting from the NAIC Audit Committee, which will be chaired by the secretary-treasurer. The NAIC Audit Committee will meet with NAIC management at or before each national meeting, or more frequently as necessary, to review the NAIC financial statements and hear reports from NAIC management on emerging financial issues for the NAIC, and it will report such information to the Internal Administration (EX1) Subcommittee. The NAIC Audit Committee shall also carry out the following activities pursuant to its charter:
      1. Engage the NAIC’s independent accountants with respect to the annual audit. This will include the appointment of an independent audit firm, a review of the results of the annual audit, and discussions with the independent auditors and NAIC management to ensure all audit comments or suggestions are addressed in a timely manner.
      2. Engage the NAIC’s service advisory firm. This will include the selection of an independent firm to provide Statement on Standards for Attestation Engagements (SSAE) services to the NAIC.
   F. Serve as the primary liaison between the NAIC membership and the NAIC investment advisor, or appoint a subcommittee to act in that capacity, including receiving reports on the performance of the NAIC’s investment portfolio and, from time to time, meeting directly with investment firm representatives to hear periodic reports and recommendations.
   G. Review and revise, as necessary and appropriate, the criteria and categories for registrants at NAIC national meetings.
   H. Appoint the Information Systems (EX1) Task Force to provide regulator-based technology expertise.
   I. Conduct evaluations of the CEO and COO/CLO, and make appropriate recommendations to the Executive (EX) Committee. Consult with the CEO and COO/CLO on compensation of senior management.

NAIC Support Staff: Andrew J. Beal/Jim Woody

INFORMATION SYSTEMS (EX1) TASK FORCE

The mission of the Information Systems (EX1) Task Force is to: 1) provide regulator-based technology expertise to the Internal Administration (EX1) Subcommittee; and 2) support committee activities and objectives by monitoring projects that provide technical services or systems for state-based insurance regulation, as prioritized by the Executive (EX) Committee.

Ongoing Support of NAIC Programs, Products or Services

1. The Information Systems (EX1) Task Force will:
   A. Serve as the Internal Administration (EX1) Subcommittee’s project-independent technology monitor and consultant. This involves monitoring the development, deployment and operation of NAIC information technology (IT) systems and services for state insurance regulators and, based on this effort, providing reports and recommendations to the Subcommittee, as appropriate. To achieve this, the Task Force will receive regular portfolio and technical operational reports.
   B. Provide consultation to NAIC technology staff, as well as the interpretation of intent and specific technology direction, where needed. For example, from time to time, NAIC technology staff may request approval of a specific technology approach, such as a proposal to drop support for a particular version of software. The Task Force will provide direction in such matters, either directly or through a working group. Task Force members will also communicate current and future state technology changes planned for their state to alert NAIC technology staff of potential impacts and requirements for NAIC systems and services used by state insurance regulators.
   C. Review, with technical recommendations for the Subcommittee: 1) Fiscal Impact Statements Appendix A for all State Ahead projects, as well as others involving a technology component exceeding $100,000 or 1,150 hours of technology staff development and which is not limited to the support of the internal operations; and 2) project requests that involve technology being submitted to the Subcommittee or directly to the Executive (EX) Committee.

NAIC Support Staff: Sherry Stevens/Keith Bollig
The mission of the Life Insurance and Annuities (A) Committee is to: 1) consider issues relating to life insurance and annuities; and 2) review new life insurance products.

**Ongoing Support of NAIC Programs, Products or Services**

1. The **Life Insurance and Annuities (A) Committee** will:
   A. Monitor the activities of the Life Actuarial (A) Task Force.

2. The **Accelerated Underwriting (A) Working Group** will:
   A. Consider the use of external data and data analytics in accelerated life underwriting, including consideration of the ongoing work of the Life Actuarial (A) Task Force on the issue; and, if appropriate, draft guidance for the states.

3. The **Annuity Suitability (A) Working Group** will:
   A. Consider how to promote greater uniformity in the adoption of the *Suitability in Annuity Transactions Model Regulation* (#275) across NAIC member jurisdictions.

4. The **Life Insurance Illustration Issues (A) Working Group** will:
   A. Explore how the narrative summary required by Section 7B of the *Life Insurance Illustrations Model Regulation* (#582) and the policy summary required by Section 5A(2) of the *Life Insurance Disclosure Model Regulation* (#580) can be enhanced to promote consumer readability and understandability of these life insurance policy summaries, including how they are designed, formatted and accessed by consumers.

5. The **Life Insurance Online Guide (A) Working Group** will:
   A. Develop an online resource on life insurance, including the evaluation of existing content on the NAIC website, to be published digitally for the benefit of the public.

NAIC Support Staff: Jennifer R. Cook/Jolie H. Matthews
The mission of the Life Actuarial (A) Task Force is to identify, investigate and develop solutions to actuarial problems in the life insurance industry.

**Ongoing Support of NAIC Programs, Products and Services**

1. **The Life Actuarial (A) Task Force** will:
   A. Work to keep reserve, reporting and other actuarial-related requirements current. This includes principle-based reserving (PBR) and other requirements in the *Valuation Manual*, actuarial guidelines, and recommendations for appropriate actuarial reporting in blanks. Respond to charges from the Life Insurance and Annuities (A) Committee and referrals from other groups or committees, as appropriate.
   B. Report progress on all work to the Life Insurance and Annuities (A) Committee and provide updates to the Financial Condition (E) Committee on matters related to life insurance company solvency. This work includes the following:
      1. Work with the American Academy of Actuaries (Academy) and the Society of Actuaries (SOA) to develop new mortality tables for valuation and minimum nonforfeiture requirements, as appropriate, for life insurance and annuities.
      2. Provide recommendations for guidance and requirements for accelerated underwriting, as needed.
      3. Evaluate and provide recommendations regarding the VM-21/AG 43 Standard Projection Amount, which may include continuing as a required floor or providing as disclosure. This evaluation is to be completed prior to year-end 2023.
      4. Work with the SOA on the annual development of the Generally Recognized Expense Table (GRET) factors.
      5. Provide recommendations and changes, as appropriate, to other reserve and nonforfeiture requirements to address issues, and provide actuarial assistance and commentary to other NAIC committees relative to their work on actuarial matters.
      6. Work with the selected vendor to develop and implement the new economic scenario generator (ESG) for use in regulatory reserve and capital calculations.
      7. Monitor international developments regarding life and health insurance reserving, capital and related topics. Compare and benchmark with PBR requirements.

2. **The Variable Annuities Capital and Reserve (E/A) Subgroup** of the Life Risk-Based Capital (E) Working Group and the Life Actuarial (A) Task Force will:
   A. Monitor the impact of the changes to the variable annuities reserve framework and RBC calculation and determine if additional revisions need to be made.
   B. Develop and recommend appropriate changes, including those to improve accuracy and clarity of variable annuity (VA) capital and reserve requirements.

3. **The Experience Reporting (A) Subgroup** will:
   A. Continue development of the experience reporting requirements within the *Valuation Manual*. Provide input, as appropriate, for the process regarding the experience reporting agent, data collection, and subsequent analysis and use of experience submitted.

4. **The Indexed Universal Life (IUL) Illustration (A) Subgroup** will:
   A. Monitor the results and practices of IUL illustrations following implementation of *Actuarial Guideline XLIX-A—The Application of the Life Illustrations Model Regulation to Policies with Index-Based Interest to Policies Sold On or After December 14, 2020 (AG 49-A).* Provide recommendations for consideration of changes to *Life Insurance Illustrations Model Regulation (#582)* to the Life Actuarial (A) Task Force, as needed.

5. **The Longevity Risk (E/A) Subgroup** of the Life Actuarial (A) Task Force and the Life Risk-Based Capital (E) Working Group will:
   A. Provide recommendations for recognizing longevity risk in statutory reserves and/or risk-based capital (RBC), as appropriate. Complete by the 2022 Summer National Meeting.

6. **The Valuation Manual (VM)-22 (A) Subgroup** will:
   A. Recommend requirements, as appropriate, for non-variable (fixed) annuities in the accumulation and payout phases for consideration by the Life Actuarial (A) Task Force. Continue working with the Academy on a PBR methodology for non-variable annuities.
7. The **Guaranteed Issue (GI) Life Valuation (A) Subgroup** will:
   A. Provide recommendations regarding valuation requirements for GI life business, including any appropriate mortality table(s) for valuation as well as nonforfeiture. Initial recommendations are to be provided to the Life Actuarial (A) Task Force by the 2022 Summer National Meeting.

8. The **Index-Linked Variable Annuity (A) Subgroup** will:
   A. Provide recommendations and changes, as appropriate, to nonforfeiture, or interim value requirements related to index-linked variable annuities.

HEALTH INSURANCE AND MANAGED CARE (B) COMMITTEE

The mission of the Health Insurance and Managed Care (B) Committee is to consider issues relating to all aspects of health insurance.

Ongoing Support of NAIC Programs, Products or Services

1. The Health Insurance and Managed Care (B) Committee will:
   A. Respond to inquiries from the U.S. Congress (Congress), the White House, and federal agencies; analyze policy implications and their effect on the states of proposed and enacted federal legislation and regulations; and communicate the NAIC’s position through letters and testimony, when requested.
   B. Monitor the activities of the Health Actuarial (B) Task Force.
   C. Monitor the activities of the Regulatory Framework (B) Task Force.
   D. Monitor the activities of the Senior Issues (B) Task Force.
   E. Serve as the official liaison between the NAIC and the Joint Commission on Accreditation of Healthcare Organizations (Joint Commission), the National Committee for Quality Assurance (NCQA), and the Utilization Review Accreditation Commission (URAC).
   F. Examine factors that contribute to rising health care costs and insurance premiums. Review state initiatives to address cost drivers.
   G. Coordinate with appropriate Market Regulation and Consumer Affairs (D) Committee groups, as necessary, on health benefit plan and producer enforcement issues.
   H. Coordinate with the Market Regulation and Consumer Affairs (D) Committee, as necessary, to collect uniform data and monitor market conduct trends on plans that are not regulated under the federal Affordable Care Act (ACA), including short-term, limited-duration (STLD) insurance, association health plans (AHPs), and packaged indemnity health products.

2. The Consumer Information (B) Subgroup will:
   A. Develop information or resources, as needed, that would be helpful to state insurance regulators and others in assisting consumers to better understand health insurance.
   B. Review NAIC publications that touch on health insurance to determine if they need updating. If updates are needed, suggest specific revisions to the appropriate NAIC group or NAIC division to make the changes.

3. The Health Innovations (B) Working Group will:
   A. Gather and share information, best practices, experience, and data to inform and support health innovation at the state and national levels, including, but not limited to, state flexibility options through the ACA and other health insurance-related policy initiatives.
   B. Discuss state innovations related to health care—i.e., access, insurance plan designs, underlying medical and prescription drug costs, stability for health care and insurance as a whole, health insurer and provider consolidation or competition, the use of data in regulatory and policy decision-making, and health care delivery and financing models—to achieve better patient outcomes and lower spending trends.
   C. Explore sources and methods for state insurance regulators to obtain data to inform health reform initiatives.
   D. Disseminate materials and reports, via the NAIC, to the states and the U.S. territories wishing to utilize the information gathered by the Working Group.
   E. Take up other matters as directed by the Health Insurance and Managed Care (B) Committee.

NAIC Support Staff: Jolie H. Matthews/Brian R. Webb/Jennifer R. Cook
HEALTH ACTUARIAL (B) TASK FORCE

The mission of the Health Actuarial (B) Task Force is to identify, investigate, and develop solutions to actuarial problems in the health insurance industry.

Ongoing Support of NAIC Programs, Products or Services

1. The Health Actuarial (B) Task Force will:
   A. Provide recommendations, as appropriate, to address issues and provide actuarial assistance and commentary with respect to model requirements for appropriate long-term care insurance (LTCI) rates, rating practices, and rate changes.
   B. Provide support for issues related to implementation of, and/or changes to, the federal Affordable Care Act (ACA).
   C. Continue to develop health insurance reserving requirements (VM-25, Health Insurance Reserves Minimum Reserve Requirements) using a principle-based reserving (PBR) framework.
   D. Develop LTCI experience reporting requirements in VM-50, Experience Reporting Requirements, and VM-51, Experience Reporting Formats, of the Valuation Manual.
   E. Provide recommendations, as appropriate, to address issues and provide actuarial assistance and commentary to other NAIC groups relative to their work on health actuarial matters.

2. The Long-Term Care Actuarial (B) Working Group will:
   A. Assist the Health Actuarial (B) Task Force in completing the following charges:
      1. Provide recommendations, as appropriate, to address issues and provide actuarial assistance and commentary with respect to model requirements for appropriate LTCI rates, rating practices, and rate changes.
      2. Continue to develop health insurance reserving requirements (VM-25, Health Insurance Reserves Minimum Reserve Requirements) using a PBR framework.

3. The Long-Term Care Pricing (B) Subgroup will:
   A. Assist the Long-Term Care Actuarial (B) Working Group in completing the following charge:
      1. Provide recommendations, as appropriate, to address issues and provide actuarial assistance and commentary with respect to model requirements for appropriate LTCI rates, rating practices, and rate changes.

4. The Long-Term Care Valuation (B) Subgroup will:
   A. Assist the Long-Term Care Actuarial (B) Working Group in completing the following charges:
      1. Continue to develop health insurance reserving requirements (VM-25, Health Insurance Reserves Minimum Reserve Requirements) using a PBR framework.

NAIC Support Staff: Eric King
The mission of the Regulatory Framework (B) Task Force is to: 1) develop NAIC model acts and regulations for state health care initiatives; and 2) consider policy issues affecting state health insurance regulation.

**Ongoing Support of NAIC Programs, Products and Services**

1. The **Regulatory Framework (B) Task Force** will:
   - A. Coordinate and develop the provision of technical assistance to the states regarding state-level implementation issues raised by federal health legislation and regulations.
   - B. Review managed health care reforms, their delivery systems occurring in the marketplace, and other forms of health care delivery. Recommend appropriate revisions to regulatory jurisdiction, authority, and structures.
   - C. Consider the development of new NAIC model laws and regulations and the revision of existing NAIC model laws and regulations, including those affected by federal legislation and final federal regulations promulgated pursuant to such legislation.
   - D. Continue to review NAIC models recommended for revision by the former Affordable Care Act (ACA) Model Review (B) Working Group and, as appropriate, appoint a working group or subgroup to revise the NAIC model(s) prioritized for revision in 2022.
   - E. At the direction of the Health Insurance and Managed Care (B) Committee, through the work of the Employee Retirement Income Security Act (ERISA) (B) Working Group, monitor, analyze, and report developments related to association health plans (AHPs).
   - F. Monitor, analyze, and report, as necessary, developments related to short-term, limited-duration (STLD) coverage.

2. The **Accident and Sickness Insurance Minimum Standards (B) Subgroup** will:
   - A. Review and consider revisions to the *Model Regulation to Implement the Accident and Sickness Insurance Minimum Standards Model Act* (#171).

3. The **ERISA (B) Working Group** will:
   - A. Monitor, report, and analyze developments related to the federal ERISA, and make recommendations regarding NAIC strategy and policy with respect to those developments.
   - B. Monitor, facilitate, and coordinate with the states and the U.S. Department of Labor (DOL) efforts related to sham health plans.
   - C. Monitor, facilitate, and coordinate with the states and the DOL regarding compliance and enforcement efforts regarding the ACA that relate to ERISA.

4. The **Mental Health Parity and Addiction Equity Act (MHPAEA) (B) Working Group** will:
   - A. Monitor, report, and analyze developments related to the federal Paul Wellstone and Pete Domenici MHPAEA of 2008, and make recommendations regarding NAIC strategy and policy with respect to those developments.
   - B. Monitor, facilitate, and coordinate best practices with the states, the DOL, and the U.S. Department of Health and Human Services (HHS) related to the MHPAEA.
   - C. Monitor, facilitate, and coordinate with the states and the DOL regarding compliance and enforcement efforts regarding the ACA that relate to the MHPAEA.
   - D. Provide supplemental resources to support documentation and reporting in the MHPAEA chapter of the NAIC *Market Regulation Handbook*.
   - E. Coordinate with and provide input to Market Regulation and Consumer Affairs (D) Committee groups, as necessary, regarding mental health parity market conduct examinations.

5. The **Pharmacy Benefit Manager Regulatory Issues (B) Subgroup** will:
   - A. Develop a white paper to: 1) analyze and assess the role PBMs, pharmacy services administrative organizations (PSAOs), and other supply chain entities play in the provision of prescription drug benefits; 2) identify, examine, and describe current and emerging state regulatory approaches to PBM business practices, such as price transparency and reporting requirements, rebating, and spread pricing, including the implications of the *Rutledge v. Pharmaceutical Care Management Association (PCMA)* decision on such business practices; and 3) discuss any challenges, if any, the states have encountered in implementing such laws and/or regulations.
REGULATORY FRAMEWORK (B) TASK FORCE (Continued)

B. Consider developing a new NAIC model to establish a licensing or registration process for pharmacy benefit managers (PBMs). Based on issues identified in the white paper, the Subgroup may consider including in the new NAIC model provisions on PBM prescription drug pricing and cost transparency.

NAIC Support Staff: Jolie H. Matthews/Jennifer R. Cook
The mission of the Senior Issues (B) Task Force is to: 1) consider policy issues; 2) develop appropriate regulatory standards; and 3) revise, as necessary, the NAIC models, consumer guides, and training material on Medicare supplement insurance, long-term care insurance (LTCI), senior counseling programs, and other insurance issues that affect older Americans.

Ongoing Support of NAIC Programs, Products or Services

1. The Senior Issues (B) Task Force will:
   A. Develop appropriate regulatory standards and revisions, as necessary, to the NAIC models, consumer guides, and training material on Medicare supplement insurance, senior counseling programs, and other insurance issues that affect older Americans. Work with federal agencies to advance appropriate regulatory standards for Medicare supplement and other forms of health insurance applicable to older Americans. Review the Medicare Supplement Insurance Minimum Standards Model Act (#650) and the Model Regulation to Implement the NAIC Medicare Supplement Insurance Minimum Standards Model Act (#651) to determine if amendments are required based on changes to federal law. Work with the federal Centers for Medicare & Medicaid Services (CMS) to revise the annual joint publication, Choosing a Medigap Policy: A Guide to Health Insurance for People with Medicare.
   B. Monitor the Medicare Advantage and Medicare Part D marketplace. Assist the states, as necessary, with regulatory issues. Maintain a dialogue and coordinate with the CMS on regulatory issues, including solvency oversight of waived plans and agent misconduct. Assist the states and serve as a clearinghouse for information on Medicare Advantage plan activity.
   C. Provide the perspective of state insurance regulators to the U.S. Congress (Congress), as appropriate, and the CMS on insurance issues, including those concerning the effect and result of federal activity on the senior citizen health insurance marketplace and regulatory scheme. Review and monitor state and federal relations with respect to senior health care initiatives and other impacts on the states.
   D. Monitor developments concerning State Health Insurance Assistance Programs (SHIPs), including information on legislation affecting the funding of SHIPs. Assist the states with issues relating to SHIPs and support a strong partnership between SHIPs and the CMS. Provide the perspective of state insurance regulators to federal officials, as appropriate, on issues concerning SHIPs.
   E. Monitor, maintain, and review, in accordance with changes to Model #651, a record of state approvals of all Medicare supplement insurance new or innovative benefits for use by state insurance regulators and others. Review state-approved new or innovative benefits and consider whether to recommend that they be made part of standard benefit plan designs in Model #651.
   F. Develop appropriate regulatory standards and revisions, as necessary, to the NAIC models, consumer guides, and training material on LTCI, including the study and evaluation of evolving LTCI product design, rating, suitability, and other related factors. Review the existing Long-Term Care Insurance Model Act (#640), the Long-Term Care Insurance Model Regulation (#641), the Limited Long-Term Care Insurance Model Act (#642), and the Limited Long-Term Care Insurance Model Regulation (#643) to determine their flexibility to remain compatible with the evolving delivery of long-term care (LTC) services and the evolving LTCI marketplace. Work with federal agencies, as appropriate.
   G. Examine examples of health-related financial exploitation of seniors and work with other NAIC committees, task forces, and working groups on possible solutions.
   H. Examine the effects of structural racism and the COVID-19 pandemic on access, affordability, and outcomes for older insurance consumers.

2. The Long-Term Care Insurance (LTCI) Model Update (B) Subgroup will:
   A. Review and update Model #640 and Model #641 to determine their flexibility to remain compatible with the evolving delivery of LTC services and the evolving LTCI marketplace.
   B. Update Model #642 and Model #643 to correlate with Model #640 and Model #641.
   C. Consider recommendations referred from the Long-Term Care Insurance (EX) Task Force and/or its subgroups.

NAIC Support Staff: David Torian
PROPERTY AND CASUALTY INSURANCE (C) COMMITTEE

The mission of the Property and Casualty Insurance (C) Committee is to: 1) monitor and respond to problems associated with the products, delivery, and cost in the property/casualty (P/C) insurance market and the surplus lines market as they operate with respect to individual persons and businesses; 2) monitor and respond to problems associated with financial reporting matters for P/C insurers that are of interest to regulatory actuaries and analysts; and 3) monitor and respond to problems associated with the financial aspects of the surplus lines market.

Ongoing Support of NAIC Programs, Products or Services

1. The Property and Casualty Insurance (C) Committee will:
   A. Discuss issues arising and make recommendations with respect to advisory organization and insurer filings for personal and commercial lines, as needed. Report yearly.
   B. Monitor the activities of the Casualty Actuarial and Statistical (C) Task Force.
   C. Monitor the activities of the Surplus Lines (C) Task Force.
   D. Monitor the activities of the Title Insurance (C) Task Force.
   E. Monitor the activities of the Workers’ Compensation (C) Task Force.
   F. Provide an impartial forum for considering appeals of adverse decisions involving alien insurers delisted or rejected for listing to the Quarterly Listing of Alien Insurers. Appeal procedures are described in the International Insurers Department (IID) Plan of Operation.
   G. Monitor and review developments in case law and rehabilitation proceedings related to risk retention groups (RRGs). If warranted, make appropriate changes to the Risk Retention and Purchasing Group Handbook.
   H. Monitor the activities of the Federal Crop Insurance Corporation (FCIC) that affect state insurance regulators:
      1. Serve as a forum for discussing issues related to the interaction of federal crop insurance programs with state insurance regulation.
      3. Monitor the regulatory information exchanges between the FCIC and state insurance regulators, as well as the FCIC and the NAIC, and make recommendations for improvements or revisions, as needed.
   I. Report on the cyber insurance market, including data reported within the Cybersecurity Insurance and Identity Theft Coverage Supplement.
   J. Monitor regulatory issues that arise with the development of autonomous vehicles. Study and, if necessary, develop recommendations for changes needed to the state-based insurance regulatory framework.
   K. Provide a forum for discussing issues related to parametric insurance and consider the development of a white paper or regulatory guidance.

2. The Cannabis Insurance (C) Working Group will:
   A. Assess and periodically report on the status of federal legislation that would protect financial institutions from liability associated with providing services to cannabis businesses operating legally under state law.
   B. Encourage admitted insurers to ensure coverage adequacy in states where cannabis, including hemp, is legal.
   C. Provide insurance resources to stakeholders and keep up with new products and innovative ideas that may shape insurance in this space.
   D. Develop an appendix to the Understanding the Market for Cannabis Insurance white paper, providing updated information on cannabis-related insurance issues for adoption by the 2022 Summer National Meeting.
   E. Collaborate with the Producer Licensing (D) Task Force to study whether cannabis-related convictions in states where cannabis is legalized for medical and/or recreational use are preventing individuals from being licensed as an agent or broker.

3. The Catastrophe Insurance (C) Working Group will:
   A. Monitor and recommend measures to improve the availability and affordability of insurance and reinsurance related to catastrophe perils for personal and commercial lines.
   B. Evaluate potential state, regional, and national programs to increase capacity for insurance and reinsurance related to catastrophe perils.
   C. Monitor and assess proposals that address disaster insurance issues at the federal and state levels. Assess concentration-of-risk issues and whether a regulatory solution is needed.
   D. Provide a forum for discussing issues and recommending solutions related to insuring for catastrophe risk, including terrorism, war, and natural disasters.
   E. Consider revisions to the Catastrophe Computer Modeling Handbook.

© 2021 National Association of Insurance Commissioners
F. Investigate and recommend ways the NAIC can assist states in responding to disasters by continuing to build the NAIC’s Catastrophe Resource Center for state insurance regulators to better prepare for disasters.

G. Continue to monitor the growth of the private flood insurance market and assess the actions taken by individual states to facilitate growth. Update the Considerations for Private Flood Insurance appendix to include new ways states are growing the private flood insurance market.

H. Study, in coordination with other NAIC task forces and working groups, earthquake matters of concern to state insurance regulators. Consider various innovative earthquake insurance coverage options aimed at improving take-up rates.

4. The NAIC/Federal Emergency Management Agency (FEMA) (C) Working Group will:
   A. Assist state insurance regulators in engaging and collaborating with FEMA on an ongoing basis by establishing a process for the oversight, prioritization, and reporting of disaster-related regional workshops and other exercises to improve disaster preparation and resilience.

5. The Terrorism Insurance Implementation (C) Working Group will:
   A. Coordinate the NAIC’s efforts to address insurance coverage for acts of terrorism. Work with the U.S. Department of the Treasury’s (Treasury Department’s) Terrorism Risk Insurance Program (TRIP) Office on matters of mutual concern. Discuss long-term solutions to address the risk of loss from acts of terrorism.
   B. Review and report on data collection related to insurance coverage for acts of terrorism.

6. The Transparency and Readability of Consumer Information (C) Working Group will:
   A. Facilitate consumers’ capacity to understand the content of insurance policies and assess differences in insurers’ policy forms.
   B. Assist other groups with drafting language included within consumer-facing documents.
   C. Complete the drafting of regulatory best practices that serve to inform consumers of the reasons for significant premium increases related to P/C insurance products.
   D. Update and develop web page and mobile content for A Shopping Tool for Homeowners Insurance and A Shopping Tool for Automobile Insurance.
   E. Study and evaluate ways to engage department of insurance (DOI) communication to more diverse populations, such as rural communities.

NAIC Support Staff: Aaron Brandenburg/Jennifer Gardner
The mission of the Casualty Actuarial and Statistical (C) Task Force is to identify, investigate, and develop solutions to actuarial problems and statistical issues in the property/casualty (P/C) insurance industry. The Task Force’s goals are to assist state insurance regulators with maintaining the financial health of P/C insurers; ensure that P/C insurance rates are not excessive, inadequate, or unfairly discriminatory; and ensure that appropriate data regarding P/C insurance markets are available.

### Ongoing Support of NAIC Programs, Products or Services

1. **The Casualty Actuarial and Statistical (C) Task Force** will:
   A. Provide reserving, pricing, ratemaking, statistical, and other actuarial support to NAIC committees, task forces, and/or working groups. Propose changes to the appropriate work products (with the most common work products noted below) and present comments on proposals submitted by others relating to casualty actuarial and statistical matters. Monitor the activities, including the development of financial services regulations and statistical (including disaster) reporting, regarding casualty actuarial issues.
      1. Property and Casualty Insurance (C) Committee – ratemaking, reserving, or data issues.
      2. Blanks (E) Working Group – P/C annual financial statement, including Schedule P; P/C quarterly financial statement; P/C quarterly and annual financial statement instructions, including Statement of Actuarial Opinion (SAO) and Actuarial Opinion Summary Supplement.
   B. Monitor national casualty actuarial developments and consider regulatory implications.
      1. Casualty Actuarial Society (CAS) – Statements of Principles and *Syllabus of Basic Education*.
      3. Society of Actuaries (SOA) – general insurance track’s basic education.
   C. Facilitate discussion among state insurance regulators regarding rate filing issues of common interest across the states through the scheduling of regulator-only conference calls.
   D. Conduct the following predictive analytics work:
      1. Facilitate training and the sharing of expertise through predictive analytics webinars (Book Club).
      2. Review the completed work on artificial intelligence (AI) from other committee groups. Coordinate with the Innovation, Cybersecurity, and Technology (H) Committee on the tracking of new uses of AI, auditing algorithms, product development, and other emerging regulatory issues in as far as these issues contain a Task Force component.
      3. With NAIC staff assistance, discuss guidance for the regulatory review of tree-based models and generalized additive models (GAM) used in rate filings.

2. **The Actuarial Opinion (C) Working Group** will:
   A. Propose revisions to the following, as needed, especially to improve actuarial opinions, actuarial opinion summaries, and actuarial reports, as well as the regulatory analysis of these actuarial documents and loss and premium reserves:
      3. *Annual Statement Instructions*—Property/Casualty.
      4. Regulatory guidance to appointed actuaries and companies.
      5. Other financial blanks and instructions, as needed.
3. The **Statistical Data (C) Working Group** will:
   A. Consider updates and changes to the *Statistical Handbook of Data Available to Insurance Regulators*.
   B. Consider updates and developments, provide technical assistance, and oversee the production of the following reports and databases. Periodically evaluate the demand and utility versus the costs of production of each product.
   1. *Dwelling Fire, Homeowners Owner-Occupied, and Homeowners Tenant and Condominium/Cooperative Unit Owner’s Insurance*.
   2. *Auto Insurance Database*.

SURPLUS LINES (C) TASK FORCE

The mission of the Surplus Lines (C) Task Force is to: 1) monitor the surplus lines market and regulation, including the activity and financial condition of U.S. and alien surplus lines insurers by providing a forum for discussion of issues; and 2) develop or amend relevant NAIC model laws, regulations, and/or guidelines.

Ongoing Support of NAIC Programs, Products or Services

1. The Surplus Lines (C) Task Force will:
   A. Provide a forum for discussion of current and emerging surplus lines-related issues and topics of public policy and determine appropriate regulatory response and action.
   B. Review and analyze quantitative and qualitative data on U.S. domestic and alien surplus lines industry results and trends.
   C. Monitor federal legislation related to the surplus lines market and ensure all interested parties remain apprised.
   D. Develop or amend relevant NAIC model laws, regulations, and/or guidelines.
   E. Oversee the activities of the Surplus Lines (C) Working Group.

2. The Surplus Lines (C) Working Group will:
   A. Operate in regulator-to-regulator session pursuant to paragraph 3 (specific companies, entities or individuals) of the NAIC Policy Statement on Open Meetings and operate in open session when discussing surplus lines topics and policy issues, such as amendments to the International Insurers Department (IID) Plan of Operation.
   B. Maintain and draft new guidance within the IID Plan of Operation regarding standards for admittance and continued inclusion on the NAIC Quarterly Listing of Alien Insurers.
   C. Review and consider appropriate decisions regarding applications for admittance to the NAIC Quarterly Listing of Alien Insurers.
   D. Analyze renewal applications of alien surplus lines insurers on the NAIC Quarterly Listing of Alien Insurers and ensure solvency and compliance per the IID Plan of Operation guidelines for continued listing.
   E. Provide a forum for surplus lines-related discussion among jurisdictions.

NAIC Support Staff: Andy Daleo
TITLE INSURANCE (C) TASK FORCE

The mission of the Title Insurance (C) Task Force is to study issues related to title insurers and title insurance producers.

Ongoing Support of NAIC Programs, Products or Services

1. The Title Insurance (C) Task Force will:
   A. Discuss and/or monitor issues and developments affecting the title insurance industry, and provide support and expertise to other NAIC committees, task forces, and/or working groups, or outside entities, as appropriate.
   B. Review and assist various regulatory bodies in combating fraudulent and/or unfair real estate settlement activities. Such efforts could include working with the Antifraud (D) Task Force and other NAIC committees, task forces, and/or working groups to combat mortgage fraud and mitigating title agent defalcations through the promotion of closing protection letters (CPLs) and other remedies.
   C. Consult with the Consumer Financial Protection Bureau (CFPB) and other agencies responsible for information; education; and disclosure for mortgage lending, closing, and settlement services about the role of title insurance in the real estate transaction process.
   D. Evaluate CPLs to ensure compliance with state regulation and requirements, consumer protection offered and excluded, and potential alternatives for coverage.

NAIC Support Staff: Anne Obersteadt
WORKERS’ COMPENSATION (C) TASK FORCE

The mission of the Workers’ Compensation (C) Task Force is to study the nature and effectiveness of state approaches to workers’ compensation and related issues, including, but not limited to: 1) assigned risk plans; 2) safety in the workplace; 3) treatment of investment income in rating; 4) occupational disease; 5) cost containment; and 6) the relevance of adopted NAIC model laws, regulations, and/or guidelines pertaining to workers’ compensation.

Ongoing Support of NAIC Programs, Products or Services

1. The Workers’ Compensation (C) Task Force will:
   A. Oversee the activities of the NAIC/International Association of Industrial Accident Boards and Commissions (IAIABC) Joint (C) Working Group.
   B. Discuss issues with respect to advisory organizations, rating organizations, statistical agents, and insurance companies in the workers’ compensation arena.
   C. Monitor the movement of business from the standard markets to the assigned risk pools. Alert state insurance department representatives if the growth of assigned risk pools changes dramatically.
   D. Follow workers’ compensation issues regarding cannabis in coordination with the Cannabis Insurance (C) Working Group.
   E. Discuss workers’ compensation issues related to COVID-19.

2. The NAIC/IAIABC Joint (C) Working Group will:
   A. Study issues of mutual concern to state insurance regulators and the IAIABC. Review relevant IAIABC model laws and white papers and consider possible charges in light of the Working Group’s recommendations.

NAIC Support Staff: Sara Robben/Aaron Brandenburg
MARKET REGULATION AND CONSUMER AFFAIRS (D) COMMITTEE

The mission of the Market Regulation and Consumer Affairs (D) Committee is to monitor all aspects of the market regulatory process for continuous improvement. This includes market analysis, regulatory interventions with companies, and multi-jurisdictional collaboration. The Committee will also review and make recommendations regarding the underwriting and market practices of insurers and producers, as those practices affect insurance consumers, including the availability and affordability of insurance.

Ongoing Support of NAIC Programs, Products or Services

1. The Market Regulation and Consumer Affairs (D) Committee will:
   A. Monitor the centralized collection and storage of market conduct data, national analysis, and reporting at the NAIC, including issues regarding the public availability of data.
   B. Monitor and assess the current process for multi-jurisdictional market conduct activities and provide appropriate recommendations for enhancement, as necessary.
   C. Evaluate all data currently collected in the NAIC Market Information Systems (MIS) and considered confidential to determine what, if any, can be made more widely available.
   D. Oversee the activities of the Antifraud (D) Task Force.
   E. Oversee the activities of the Market Information Systems (D) Task Force.
   F. Oversee the activities of the Producer Licensing (D) Task Force.
   G. Monitor the underwriting and market practices of insurers and producers, as well as the conditions of insurance marketplaces, including urban markets, to identify specific market conduct issues of importance and concern. Hold public hearings on these issues at the NAIC national meetings, as appropriate.
   H. In collaboration with other technical working groups, discuss and share best practices through public forums to address broad consumer concerns regarding personal insurance products.
   I. Coordinate with the International Insurance Relations (G) Committee to develop input and submit comments to the International Association of Insurance Supervisors (IAIS) and/or other related groups on issues regarding market regulation concepts.
   J. Coordinate with the Health Insurance and Managed Care (B) Committee to provide policy recommendations regarding uniform state enforcement of the federal Affordable Care Act (ACA).
   K. Review the “Best Practices and Guidelines for Consumer Information Disclosures” (adopted October 2012) and update, as needed.

2. The Advisory Organization Examination Oversight (D) Working Group will:
   A. Revise the protocols, as necessary, for the examination of national or multistate advisory organizations (including rating organizations and statistical agents) to be more comprehensive, efficient, and possibly less frequent than the current system of single-state exams. Solicit input and collaboration from other interested and affected committees and task forces.
   B. Monitor the data reporting and data collection processes of advisory organizations (including rating organizations and statistical agents) to determine if they are implementing appropriate measures to ensure data quality. Report the results of this ongoing charge, as needed.
   C. Actively assist with and coordinate multistate examinations of advisory organizations (including rating organizations and statistical agents).

3. The Market Actions (D) Working Group will:
   A. Facilitate interstate communication and coordinate collaborative state regulatory actions.

4. The Market Analysis Procedures (D) Working Group will:
   A. Recommend changes to the market analysis framework based on results over the past five years, including the current set of Level 1 and Level 2 questions.
   B. Discuss other market data collection issues and make recommendations, as necessary.
   C. Consider recommendations for new lines of business for the Market Conduct Annual Statement (MCAS).

5. The Market Conduct Annual Statement Blanks (D) Working Group will:
   A. Review the MCAS data elements and the “Data Call and Definitions” for those lines of business that have been in effect for longer than three years and update them, as necessary.
   B. Develop an MCAS blank to be used for the collection of data for additional lines of business, where appropriate.
6. The Market Conduct Examination Guidelines (D) Working Group will:
   A. Develop market conduct examination standards, as necessary, for inclusion in the Market Regulation Handbook.
   B. Monitor the adoption and revision of NAIC models and develop market conduct examination standards to correspond with adopted NAIC models.
   C. Develop updated standardized data requests, as necessary, for inclusion in the Market Regulation Handbook.
   D. Develop uniform market conduct procedural guidance (e.g., a library, depository or warehouse with market conduct examination templates, such as an exam call letter, exam exit agenda, etc.) for inclusion in, or for use in conjunction with, the Market Regulation Handbook.
   E. Coordinate with the Innovation, Cybersecurity and Technology (H) Committee to develop market conduct examiner guidance for the oversight of regulated entities’ use of insurance and non-insurance consumer data and models using algorithms and artificial intelligence (AI).
   F. Discuss the effectiveness of a group’s supervision of market conduct risks and develop examination procedural guidance, as necessary.
   G. Discuss the role of market conduct examiners in reviewing insurers’ corporate governance as outlined in the NAIC’s Corporate Governance Annual Disclosure Model Act (#305) and Corporate Governance Annual Disclosure Model Regulation (#306).

7. The Market Regulation Certification (D) Working Group will:
   A. Develop a formal market regulation certification proposal for consideration by the NAIC membership that provides recommendations for the following: 1) certification standards; 2) a process for the state implementation of the standards; 3) a process to measure the states’ compliance with the standards; 4) a process for future revisions to the standards; and 5) assistance for jurisdictions to achieve certification.

8. The Privacy Protections (D) Working Group will:
   A. Review state insurance privacy protections regarding the collection, use and disclosure of information gathered in connection with insurance transactions and make recommended changes, as needed, to certain NAIC models, such as the NAIC Insurance Information and Privacy Protection Model Act (#670) and the Privacy of Consumer Financial and Health Information Regulation (#672). (Further direction from NAIC Executive Committee may result in this charge being moved to the new Innovation, Cybersecurity, and Technology (H) Committee.)
ANTIFRAUD (D) TASK FORCE

The mission of the Antifraud (D) Task Force is to serve the public interest by assisting the state insurance supervisory officials, individually and collectively, through the detection, monitoring, and appropriate referral for the investigation of insurance crime, both by and against consumers. The Task Force will assist the insurance regulatory community by conducting the following activities: 1) maintaining and improving electronic databases regarding fraudulent insurance activities; 2) disseminating the results of research and analysis of insurance fraud trends, as well as case-specific analysis, to the insurance regulatory community; and 3) providing a liaison function between state insurance regulators, law enforcement (federal, state, local, and international), and other specific antifraud organizations. The Task Force will also serve as a liaison with the NAIC Information Technology Group (ITG) and other NAIC committees, task forces, and/or working groups to develop technological solutions for data collection and information sharing. The Task Force will monitor all aspects of antifraud activities by its working groups on the following charges.

Ongoing Support of NAIC Programs, Products or Services

1. The Antifraud (D) Task Force will:
   A. Work with NAIC committees, task forces, and working groups (e.g., Title Insurance (C) Task Force, etc.) to review issues and concerns related to fraud activities and schemes related to insurance fraud.
   B. Coordinate efforts to address national concerns related to agent fraud and activities of unauthorized agents related to insurance sales.
   C. Coordinate the enforcement and investigation efforts of state and federal securities regulators with state insurance fraud bureaus.
   D. Coordinate with state, federal, and international law enforcement agencies in addressing antifraud issues relating to the insurance industry.
   E. Review and provide comments to the International Association of Insurance Supervisors (IAIS) on its Insurance Core Principles (ICPs) related to insurance fraud.
   F. Coordinate activities and information from national antifraud organizations and provide information to state insurance fraud bureaus.
   G. Coordinate activities and information with state and federal fraud divisions to determine guidelines that will assist with reciprocal involvement concerning antifraud issues resulting from natural disasters and catastrophes. H. Coordinate efforts with the insurance industry to address antifraud issues and concerns.
   I. Evaluate and recommend methods to track national fraud trends.

2. The Antifraud Education Enhancement (D) Working Group will:
   A. Develop seminars, trainings, and webinars regarding insurance fraud. Provide three webinars by the 2022 Fall National Meeting.

3. The Antifraud Technology (D) Working Group will:
   A. Work with the NAIC to develop an Antifraud Plan Repository to be used by insurers to create and store an electronic fraud plan for distribution among the states/jurisdictions. Complete by 2022 Fall National Meeting.
   B. Evaluate sources of antifraud data and propose methods for enhancing the utilization and exchange of information among state insurance regulators, fraud investigative divisions, law enforcement officials, insurers, and antifraud organizations. Complete by the 2022 Fall National Meeting.

4. The Improper Marketing of Health Insurance (D) Working Group will:
   A. Coordinate with state insurance regulators, both on a state and federal level, to provide assistance and guidance monitoring the improper marketing of health plans, and coordinate appropriate enforcement actions, as needed, with other NAIC committees, task forces, and working groups.
   B. Review existing NAIC models and guidelines that address the use of lead generators for sales of health insurance products, and identify models and guidelines that need to be updated or developed to address current marketplace activities.

NAIC Support Staff: Greg Welker/Lois E. Alexander
MARKET INFORMATION SYSTEMS (D) TASK FORCE

The mission of the Market Information Systems (D) Task Force is to provide business expertise regarding the desired functionality of the NAIC Market Information Systems (MIS) and the prioritization of regulatory requests for the development and enhancements of the MIS.

Ongoing Support of NAIC Programs, Products or Services

1. The Market Information Systems (D) Task Force will:
   A. Ensure that the MIS support the strategic direction set forth by the Market Regulation and Consumer Affairs (D) Committee.
   B. Analyze the data in the MIS. If needed, recommend methods to ensure better data quality. Complete by the 2022 Fall National Meeting.
   C. Provide guidance on the appropriate use of the MIS and the data entered in them.
      2. Electronic Forums.
      4. Market Analysis Profile.
      5. Market Analysis Prioritization Tool (MAPT).
      9. 1033 State Decision Repository (SDR1033) (in conjunction with the Antifraud (D) Task Force).

2. The Market Information Systems Research and Development (D) Working Group will:
   A. Serve as the business partner to review and prioritize submitted Uniform System Enhancement Request (USER) forms to ensure an efficient use of available NAIC staffing and resources.
   B. Assist the Task Force with tasks as assigned, such as:
      1. Analyze MIS data.
      2. Provide state users with query access to MIS data.
      3. Provide guidance on the appropriate use of the MIS.

NAIC Support Staff: Randy Helder
PRODUCER LICENSING (D) TASK FORCE

The mission of the Producer Licensing (D) Task Force is to: 1) develop and implement uniform standards, interpretations, and treatment of producer and adjuster licensees and licensing terminology; 2) monitor and respond to developments related to licensing reciprocity; 3) coordinate with industry and consumer groups regarding priorities for licensing reforms; and 4) provide direction based on NAIC membership initiatives to the National Insurance Producer Registry (NIPR) Board of Directors regarding the development and implementation of uniform producer licensing initiatives, with a primary emphasis on encouraging the use of electronic technology.

Ongoing Support of NAIC Programs, Products or Services

1. The **Producer Licensing (D) Task Force** will:
   A. Work closely with NIPR to encourage the full utilization of NIPR products and services by all the states and producers, and encourage accurate and timely reporting of state administrative actions to the NAIC’s Regulatory Information Retrieval System (RIRS) to ensure that this data is properly reflected in the State Producer Licensing Database (SPLD) and the Producer Database (PDB).
   B. Facilitate roundtable discussions, as needed, with the state producer licensing directors for the exchange of views, opinions, and ideas on producer licensing activities in the states and at the NAIC.
   C. Discuss, as necessary, state perspectives regarding the regulation and benefit of the activities of the federal Affordable Care Act (ACA), established enrollment assisters (including navigators and non-navigator assisters and certified application counselors), and the activities of producers in assisting individuals and businesses purchasing in the health insurance marketplaces. Coordinate with the Health Insurance and Managed Care (B) Committee and the Antifraud (D) Task Force, as necessary.
   D. Monitor the activities of the National Association of Registered Agents and Brokers (NARAB) in the development and enforcement of the NARAB membership rules, including the criteria for successfully passing a background check.
   E. Coordinate through NAIC staff to provide guidance to NIPR on producer licensing-related electronic initiatives. Hear a report from NIPR at each national meeting.
   F. Coordinate with the Market Information Systems (D) Task Force and the Antifraud (D) Task Force to evaluate and make recommendations regarding the entry, retention, and use of data in the NAIC’s Market Information Systems (MIS).
   G. Monitor the state implementation of adjuster licensing reciprocity and uniformity; update, as necessary, NAIC adjuster licensing standards.
   H. Coordinate with the Special (EX) Committee on Race and Insurance on referrals affecting insurance producers.
   I. Discuss how criminal convictions may affect producer licensing applicants and review the NAIC’s Guidelines for State Insurance Regulators to the Violent Crime Control and Law Enforcement Act of 1994 to create a more simplified and consistent approach in how states review 1033 waiver requests.

2. The **Producer Licensing Uniformity (D) Working Group** will:
   A. Work closely with state producer licensing directors and exam vendors to ensure that: 1) the states achieve full compliance with the standards in order to achieve greater uniformity; and 2) the exams test the qualifications for an entry-level position as a producer.
   B. Provide oversight and ongoing updates, as needed, to the State Licensing Handbook.
   C. Monitor and assess the state implementation of the Uniform Licensing Standards (ULS) and update the standards, as needed.
   D. Review and update, as needed, the NAIC’s uniform producer licensing applications and uniform appointment form. Provide any recommended updates to the Producer Licensing (D) Task Force by the NAIC Summer National Meeting.

3. The **Uniform Education (D) Working Group** will:
   A. Update, as needed, the reciprocity guidelines, the uniform application forms for continuing education (CE) providers, and the process for state review and approval of instructors and courses. Provide any recommended updates to the Producer Licensing (D) Task Force by the 2022 Fall National Meeting.
   B. Coordinate with NAIC parent committees, task forces, and/or working groups to review and provide recommendations, as necessary, on prelicensing education and CE requirements that are included in NAIC model acts, regulations, and/or standards.

NAIC Support Staff: Tim Mullen/Greg Welker
FINANCIAL CONDITION (E) COMMITTEE

The mission of the Financial Condition (E) Committee is to be the central forum and coordinator of solvency-related considerations of the NAIC relating to accounting practices and procedures; blanks; valuation of securities; financial analysis and solvency; multistate examinations and examiner and analysis training; and issues concerning insurer insolvencies and insolvency guarantees. In addition, the Committee interacts with the technical task forces.

Ongoing Support of NAIC Programs, Products or Services

1. The Financial Condition (E) Committee will:
   B. Appoint and oversee the activities of the following: Accounting Practices and Procedures (E) Task Force; Capital Adequacy (E) Task Force; Examination Oversight (E) Task Force; Receivership and Insolvency (E) Task Force; Reinsurance (E) Task Force; Risk Retention Group (E) Task Force; and Valuation of Securities (E) Task Force.
   C. Oversee a process to address financial issues that may compromise the consistency and uniformity of the U.S. solvency framework, referring valuation and other issues to the appropriate committees as needed.
   D. Use the Risk-Focused Surveillance (E) Working Group to address specific industry concerns regarding regulatory redundancy, and review any issues industry subsequently escalates to the Committee.

2. The Financial Analysis (E) Working Group will:
   A. Analyze nationally significant insurers and groups that exhibit characteristics of trending toward or being financially troubled; determine if appropriate action is being taken.
   B. Interact with domiciliary regulators and lead states to assist and advise as to what might be the most appropriate regulatory strategies, methods, and action(s).
   C. Support, encourage, promote, and coordinate multistate efforts in addressing solvency problems, including identifying adverse industry trends.
   D. Increase information-sharing and coordination between state insurance regulators and federal authorities, including through representation of state insurance regulators in national bodies with responsibilities for system-wide oversight.

3. The Group Capital Calculation (E) Working Group will:
   A. Continually review and monitor the effectiveness of the group capital calculation (GCC), and consider revisions, as necessary, to maintain the effectiveness of its objective under the U.S. solvency system.
   B. Liaise, as necessary, with the International Insurance Relations (G) Committee on international group capital developments, and consider input from participation of U.S. state insurance regulators in the International Association of Insurance Supervisors (IAIS) monitoring process.

4. The Group Solvency Issues (E) Working Group will:
   A. Continue to develop potential enhancements to the current regulatory solvency system as it relates to group solvency-related issues.
   B. Critically review and provide input and drafting to the IAIS Insurance Groups Working Group on other IAIS material dealing with group supervision issues.
   C. Continually review and monitor the effectiveness of the Insurance Holding Company System Regulatory Act (#440) and the Insurance Holding Company System Model Regulation with Reporting Forms and Instructions (#450), and consider revisions, as necessary, to maintain effective oversight of insurance groups.
   D. Assess the IAIS Common Framework for the Supervision of Internationally Active Insurance Groups (ComFrame), and make recommendations on its implementation in a manner appropriate for the U.S.

5. The Own Risk and Solvency Assessment (ORSA) Implementation (E) Subgroup of the Group Solvency Issues (E) Working Group will:
   A. Continue to provide and enhance an enterprise risk management (ERM) education program for state insurance regulators in support of the ORSA implementation.
   B. Continually review and monitor the effectiveness of the Risk Management and Own Risk and Solvency Assessment Model Act (#505) and its corresponding NAIC Own Risk and Solvency Assessment (ORSA) Guidance Manual; consider revisions as necessary.
6. The **Mortgage Guaranty Insurance (E) Working Group** will:
   A. Develop changes to the *Mortgage Guaranty Insurance Model Act (#630)* and other areas of the solvency regulation of mortgage guaranty insurers, including, but not limited to, revisions to *Statement of Statutory Accounting Principles (SSAP) No. 58—Mortgage Guaranty Insurance*, and develop an extensive mortgage guaranty supplemental filing. Finalize Model #630 by the 2022 Spring National Meeting.

7. The **Mutual Recognition of Jurisdictions (E) Working Group** will:
   A. Oversee the process for evaluating jurisdictions and maintain a listing of jurisdictions that meets the NAIC requirements for recognizing and accepting the NAIC GCC.
   B. Maintain the *NAIC List of Qualified Jurisdictions* and the *NAIC List of Reciprocal Jurisdictions* in accordance with the *Process for Evaluating Qualified and Reciprocal Jurisdictions*.

8. The **NAIC/American Institute of Certified Public Accountants (AICPA) (E) Working Group** will:
   A. Continually review the *Annual Financial Reporting Model Regulation (#205)* and its corresponding implementation guide; revise as appropriate.
   B. Address financial solvency issues by working with the AICPA and responding to AICPA exposure drafts.
   C. Monitor the federal Sarbanes-Oxley (SOX) Act of 2002, as well as rules and regulations promulgated by the U.S. Securities and Exchange Commission (SEC), the Public Company Accounting Oversight Board (PCAOB), and other financial services regulatory entities.
   D. Review annually the premium threshold amount included in Section 16 of Model #205, with the general intent that those insurers subject to the Section 16 requirements would capture at least approximately 90% of industry premium and/or in response to any future regulatory or market developments.

9. The **National Treatment and Coordination (E) Working Group** will:
   A. Increase utilization and implementation of the *Company Licensing Best Practices Handbook*.
   B. Encourage synergies between corporate changes/amendments and rate and form filing review and approval to improve efficiency.
   C. Continue to monitor the usage and make necessary enhancements to the Form A Database.
   D. Maintain educational courses in the existing NAIC Insurance Regulator Professional Designation Program for company licensing regulators.
   E. Make necessary enhancements to promote electronic submission of all company licensing applications.

10. The **Restructuring Mechanisms (E) Working Group** will:
    A. Evaluate and prepare a white paper that:
        1. Addresses the perceived need for restructuring statutes and the issues those statutes are designed to remedy. Also, consider alternatives that insurers are currently employing to achieve similar results.
        2. Summarizes the existing state restructuring statutes.
        3. Addresses the legal issues posed by an order of a court (or approval by an insurance department) in one state affecting the policyholders of other states.
        4. Considers the impact that a restructuring might have on guaranty associations and policyholders that had guaranty fund protection prior to the restructuring.
        5. Identifies and addresses the legal issues associated with restructuring using a protected cell.
    B. Consider requesting approval from the Executive (EX) Committee on developing changes to specific NAIC models as a result of findings from the development of the white paper.

11. The **Long-Term Care Insurance Restructuring (E) Subgroup** of the Restructuring Mechanisms (E) Working Group will:
    A. Identify and assess potential legal and regulatory issues arising from a corporate transaction that would seek to legally separate certain long-term care (LTC) policies from the general account of the issuing insurer. Report on the Subgroup’s consideration of the issue, including a recommendation as to merits of an existing regulatory framework (e.g., Insurance Business Transfers state statutes) or a new regulatory framework, as contemplated by Workstream #2 of the Long-Term Care Insurance (EX) Task Force.
12. The Restructuring Mechanisms (E) Subgroup of the Restructuring Mechanisms (E) Working Group will:
   A. Develop best practices to be used in considering the approval of proposed restructuring transactions, including, among other things, the expected level of reserves and capital expected after the transfer, along with the adequacy of long-term liquidity needs. Also, develop best practices to be used in monitoring the companies after the transaction is completed. Once completed, recommend to the Financial Regulation Standards and Accreditation (F) Committee for its consideration.
   B. Consider the need to make changes to the RBC formula to better assess the minimum surplus requirements for companies in runoff.
   C. Review the various restructuring mechanisms and develop, if deemed needed, accounting and reporting requirements for referring to the Statutory Accounting Principles (E) Working Group.

13. The Risk-Focused Surveillance (E) Working Group will:
   A. Continually review the effectiveness of risk-focused surveillance, and develop enhancements to processes as necessary.
   B. Continually review regulatory redundancy issues identified by interested parties, and provide recommendations to other NAIC committee groups to address as needed.
   C. Oversee and monitor the Peer Review Program to encourage consistent and effective risk-focused surveillance processes.
   D. Continually maintain and update standardized job descriptions/requirements and salary range recommendations for common solvency monitoring positions to assist insurance departments in attracting and maintaining suitable staff.

14. The Valuation Analysis (E) Working Group will:
   A. Respond to states in a confidential forum regarding questions and issues arising during the course of annual principle-based reserving (PBR) reviews or PBR examination, which also may include consideration of asset adequacy analysis questions and issues.
   B. Work with NAIC resources to assist in prioritizing and responding to issues and questions regarding PBR and asset adequacy analysis, including actuarial guidelines or other requirements making use of or relating to PBR, such as Actuarial Guideline XXXVIII—The Application of the Valuation of Life Insurance Policies Model Regulation (AG 38), Actuarial Guideline XLVIII—Actuarial Opinion and Memorandum Requirements for the Reinsurance of Policies Required to be Valued Under Sections 6 and 7 of the NAIC Valuation of Life Insurance Policies Model Regulation (AG 48), and the Term and Universal Life Insurance Reserve Financing Model Regulation (#787).
   C. Develop and implement a plan with NAIC resources to identify outliers/concerns regarding PBR/asset adequacy analysis.
   D. Refer questions/issues, as appropriate, to the Life Actuarial (A) Task Force that may require consideration of changes/interpretations to be provided in the Valuation Manual.
   E. Assist NAIC resources in the development of a standard asset/liability model portfolio used to calibrate company PBR models.
   F. Make referrals, as appropriate, to the Financial Analysis (E) Working Group.
   G. Perform other work to carry out the Valuation Analysis (E) Working Group procedures.

ACCOUNTING PRACTICES AND PROCEDURES (E) TASK FORCE

The mission of the Accounting Practices and Procedures (E) Task Force is to identify, investigate and develop solutions to accounting problems with the ultimate goal of guiding insurers in properly accounting for various aspects of their operations; modify the Accounting Practices and Procedures Manual (AP&P Manual) to reflect changes necessitated by Task Force action; and study innovative insurer accounting practices that affect the ability of state insurance regulators to determine the true financial condition of insurers.

Ongoing Support of NAIC Programs, Products or Services

1. The Accounting Practices and Procedures (E) Task Force will:

2. The Blanks (E) Working Group will:
   A. Consider improvements and revisions to the various annual/quarterly statement blanks to:
      1. Conform these blanks to changes made in other areas of the NAIC to promote uniformity in reporting of financial information by insurers.
      2. Develop reporting formats for other entities subject to the jurisdiction of state insurance departments.
      3. Conform the various NAIC blanks and instructions to adopted NAIC policy.
      4. Oversee the development of additional reporting formats within the existing annual financial statements as needs are identified.
   B. Continue to monitor state filing checklists to maintain current filing requirements.
   C. Continue to monitor and improve the quality of financial data filed by insurance companies by recommending improved or additional language for the Annual Statement Instructions.
   D. Continue to monitor and review all proposals necessary for the implementation of statutory accounting guidance to ensure proper implementation of any action taken by the Accounting Practices and Procedures (E) Task Force affecting annual financial statements and/or instructions.
   E. Continue to coordinate with other task forces of the NAIC to ensure proper implementation of reporting and instructions changes as proposed by these taskforces.
   F. Coordinate with the Life Actuarial (A) Task Force to use any special reports developed and avoid duplication of reporting.
   G. Review requests for investment schedule blanks and instructions changes in connection with the work being performed by the Capital Adequacy (E) Task Force and its working groups.
   H. Review changes requested by the Valuation of Securities (E) Task Force relating to its work on other invested assets reporting for technical consistency within the investment reporting schedules and instructions.

3. The Statutory Accounting Principles (E) Working Group will:
   A. Maintain codified statutory accounting principles by providing periodic updates to the guidance that address new statutory issues and new generally accepted accounting principles (GAAP) pronouncements. Provide authoritative responses to questions of application and clarifications for existing statutory accounting principles. Report all actions and provide updates to the Accounting Practices and Procedures (E) Task Force.
   B. At the discretion of the Working Group chair, develop comments on exposed GAAP and International Financial Reporting Standards (IFRS) pronouncements affecting financial accounting and reporting. Any comments are subject to review and approval by the chairs of the Accounting Practices and Procedures (E) Task Force and the Financial Condition (E) Committee.
   C. Coordinate with the Life Actuarial (A) Task Force on changes to the AP&P Manual related to the Valuation Manual VM-A, Requirements, and VM-C, Actuarial Guidelines, as well as other Valuation Manual requirements. This process will include the receipt of periodic reports on changes to the Valuation Manual on items that require coordination.
   D. Obtain, analyze and review information on permitted practices, prescribed practices or other accounting treatments suggesting that issues or trends occurring within the industry may compromise the consistency and uniformity of statutory accounting, including, but not limited to, activities conducted by insurers for which there is currently no statutory accounting guidance or where the states have prescribed statutory accounting that differs from the guidance issued by the NAIC. Use this information to consider possible changes to statutory accounting.

CAPITAL ADEQUACY (E) TASK FORCE

The mission of the Capital Adequacy (E) Task Force is to evaluate and recommend appropriate refinements to capital requirements for all types of insurers.

Ongoing Support of NAIC Programs, Products or Services

1. The Capital Adequacy (E) Task Force will:
   A. Evaluate emerging “risk” issues for referral to the risk-based capital (RBC) working groups/subgroups for certain issues involving more than one RBC formula. Monitor emerging and existing risks relative to their consistent or divergent treatment in the three RBC formulas.
   B. Review and evaluate company submissions for the schedule and corresponding adjustment to total adjusted capital (TAC).
   C. Evaluate relevant historical data and apply defined statistical safety levels over appropriate time horizons in developing recommendations for revisions to the current asset risk structure and factors in each of the RBC formulas.

2. The Health Risk-Based Capital (E) Working Group, Life Risk-Based Capital (E) Working Group, and Property and Casualty Risk-Based Capital (E) Working Group will:
   A. Evaluate refinements to the existing NAIC RBC formulas implemented in the prior year. Forward the final version of the structure of the current year life and fraternal, property/casualty (P/C), and health RBC formulas to the Financial Condition (E) Committee by June.
   B. Consider improvements and revisions to the various RBC blanks to: 1) conform the RBC blanks to changes made in other areas of the NAIC to promote uniformity; and 2) oversee the development of additional reporting formats within the existing RBC blanks as needs are identified. Any proposal that affects the RBC structure must be adopted no later than April 30 in the year of the change, and adopted changes will be forwarded to the Financial Condition (E) Committee by the next scheduled meeting or conference call. Any adoptions made to the annual financial statement blanks or statutory accounting principles that affect an RBC change adopted by April 30 and results in an amended change may be considered by July 30 for those exceptions where the Capital Adequacy (E) Task Force votes to pursue by super-majority (two-thirds) consent of members present no later than June 30 for the current reporting year.
   C. Monitor changes in accounting and reporting requirements resulting from the adoption and continuing maintenance of the revised Accounting Practices and Procedures Manual (AP&P Manual) to ensure that model laws, publications, formulas, analysis tools, etc., supported by the Task Force continue to meet regulatory objectives.
   D. Review the effectiveness of the NAIC’s RBC policies and procedures as they affect the accuracy, audit ability, timeliness of reporting access to RBC results and comparability between the RBC formulas. Report on data quality problems in the prior year RBC filings at the summer and fall national meetings.

3. The Longevity Risk (E/A) Subgroup, a joint subgroup of the Life Risk-Based Capital (E) Working Group and the Life Actuarial (A) Task Force, will:
   A. Provide recommendations for the appropriate treatment of longevity risk transfers by the new longevity factors.

4. The Variable Annuities Capital and Reserve (E/A) Subgroup, a joint subgroup of the Life Risk-Based Capital (E) Working Group and the Life Actuarial (A) Task Force, will:
   A. Monitor the impact of the changes to the variable annuities reserve framework and RBC calculation, and determine if additional revisions need to be made.
   B. Develop and recommend appropriate changes including those to improve accuracy and clarity of variable annuity (VA) capital and reserve requirements.

5. The Catastrophe Risk (E) Subgroup of the Property and Casualty Risk-Based Capital (E) Working Group will:
   A. Recalculate the premium risk factors on an ex-catastrophe basis, if needed.
   B. Continue to update the U.S. and non-U.S. catastrophe event list.
   C. Continue to evaluate the need for exemption criteria for insurers with minimal risk.
   D. Evaluate the RBC results inclusive of a catastrophe risk charge.
   E. Refine instructions for the catastrophe risk charge.
   F. Continue to evaluate any necessary refinements to the catastrophe risk formula.
   G. Evaluate other catastrophe risks for possible inclusion in the charge.
6. The **Risk-Based Capital (RBC) Investment Risk and Evaluation (E) Working Group** will:
   A. Perform a comprehensive review of the RBC investment framework for all business types, which could include:
      1. Identifying and acknowledging uses that extend beyond the purpose of the *Risk-Based Capital (RBC) for Insurers Model Act* (§312).
      2. Assessing the impact and effectiveness of potential changes in contributing to the identification of weakly capitalized companies; i.e., those companies at action level.
      3. Documenting the modifications made over time to the formulas, including, but not limited to, an analysis of the costs in study and development, implementation (internal and external), assimilation, verification, analysis, and review of the desired change to the RBC formulas and facilitating the appropriate allocation of resources.

EXAMINATION OVERSIGHT (E) TASK FORCE

The mission of the Examination Oversight (E) Task Force is to monitor, develop and implement tools for the risk-focused surveillance process. For financial examinations and analysis, this includes maintenance of the Financial Condition Examiners Handbook and the Financial Analysis Handbook to provide guidance to examiners and analysts using a risk-focused approach to solvency regulation and to encourage effective communication and coordination between examiners, analysts and other regulators. In addition, the mission of the Task Force is to: monitor and refine regulatory tools of the risk-focused surveillance process, including Financial Analysis Solvency Tools (FAST) such as company profiles and the FAST ratio scoring system; oversee financial examiner and analyst use of electronic software tools; monitor the progress of coordination efforts among the states in conducting examinations and the sharing of information necessary to solvency monitoring; establish procedures for the flow of information between the states about troubled companies; maintain an effective approach to the review of information technology (IT) general controls; and monitor the timeliness of financial examinations.

Ongoing Support of NAIC Programs, Products or Services

1. The Examination Oversight (E) Task Force will:
   A. Accomplish its mission using the following groups:
      5. Information Technology (IT) Examination (E) Working Group.

2. The Electronic Workpaper (E) Working Group will:
   A. Monitor and support the state insurance departments in using electronic workpaper software tools to conduct and document solvency monitoring activities.
   B. Provide ongoing oversight to the transition of electronic workpaper work to the TeamMate+ application.
   C. Monitor state insurance regulator use of TeamMate+ to proactively identify best practices and improvements to the application, as necessary.

3. The Financial Analysis Solvency Tools (E) Working Group will:
   A. Provide ongoing maintenance and enhancements to the Financial Analysis Handbook and related applications for changes to the NAIC annual/quarterly financial statement blanks, as well as enhancements developed to assist in the risk-focused analysis and monitoring of the financial condition of insurance companies and groups. Monitor the coordination of analysis activities of holding company groups, and coordinate and analyze input received from other state regulators.
   B. Provide ongoing development maintenance and enhancements to the automated financial solvency tools developed to assist in conducting risk-focused analysis and monitoring the financial condition of insurance companies and groups. Prioritize and perform analysis to ensure that the tools remain reliable and accurate.
   C. Coordinate with the Financial Examiners Handbook (E) Technical Group and the Risk-Focused Surveillance (E) Working Group, as appropriate, to develop and maintain guidance in order to provide effective solvency monitoring.
   D. Adjust the Financial Analysis Handbook and current financial analysis solvency tools for life insurance companies based on any recommendations as requested from the Life Actuarial (A) Task Force to incorporate principle-based reserving (PBR) changes.

4. The Financial Examiners Coordination (E) Working Group will:
   A. Develop enhancements that encourage the coordination of examination activities regarding holding company groups.
   B. Promote coordination by assisting and advising domiciliary regulators and exam coordinating states as to what might be the most appropriate regulatory strategies, methods and actions regarding financial examinations of holding company groups.
   C. Facilitate communication among regulators regarding common practices and issues arising from coordinating examination efforts.
   D. Provide ongoing maintenance and enhancements to the Financial Examination Electronic Tracking System (FEETS).
5. The Financial Examiners Handbook (E) Technical Group will:
   A. Continually review the Financial Condition Examiners Handbook and revise, as appropriate.
   B. Coordinate with the Risk-Focused Surveillance (E) Working Group to monitor the implementation of the risk-assessment process by developing additional guidance and exhibits within the Financial Condition Examiners Handbook, including consideration of potential redundancies affected by the examination process, corporate governance and other guidance as needed to assist examiners in completing financial condition examinations.
   C. Coordinate with the Financial Analysis Solvency Tools (E) Working Group and the Risk-Focused Surveillance (E) Working Group, as appropriate, to develop and maintain guidance in order to provide effective solvency monitoring.
   D. Coordinate with the IT Examination (E) Working Group and the Financial Examiners Coordination (E) Working Group to maintain specialized areas of guidance within the Financial Condition Examiners Handbook related to the charges of these specific working groups.
   E. Adjust the Financial Condition Examiners Handbook based upon any recommendations as requested from the Life Actuarial (A) Task Force to incorporate PBR changes.

6. The Information Technology (IT) Examination (E) Working Group will:
   A. Continually review and revise, as needed, the “General Information Technology Review” and “Exhibit C—Evaluation of Controls in Information Systems” sections of the Financial Condition Examiners Handbook.
   B. Monitor cybersecurity trends, including emerging and/or ongoing vulnerabilities, and develop guidance within the Financial Condition Examiners Handbook or other tools, if deemed necessary, to support IT examiners.

NAIC Support Staff: Bailey Henning
The mission of the Financial Stability (E) Task Force is to consider issues concerning domestic or global financial stability as they pertain to the role of state insurance regulators.

Ongoing Support of NAIC Program, Products or Services

1. The Financial Stability (E) Task Force will:
   A. Consider issues concerning domestic and global financial stability as they pertain to the role of state insurance regulators and make recommendations to the International Insurance Relations (G) Committee, the Government Relations (EX) Leadership Council and/or the Executive (EX) Committee, as appropriate.
      1. Analyze existing post-financial crisis regulatory reforms for their application in identifying macroeconomic trends, including identifying possible areas of improvement or gaps, and propose to the Financial Condition (E) Committee or other relevant committee enhancements and/or additions to further improve the ability of state insurance regulators and the industry to address macroprudential impacts; consult with such committees on implementation, as needed.
   B. Consider state insurance regulators’ input to national and international discussions on macroeconomic vulnerabilities affecting the insurance sector.
      1. Monitor international macroprudential activities at forums like the International Association of Insurance Supervisors (IAIS).
      2. Implement the Macroprudential Initiative (MPI) domestically, which includes enhancements to the U.S. regulatory toolkit as part of the State Ahead initiative.
   C. Serve as a forum to coordinate state insurance regulators’ perspectives on a wide variety of issues arising from the designation of a U.S. insurance group as “systemically important” and “internationally active” both pre- and post-designation, including:
      1. Where appropriate, develop policy recommendations and/or guidance regarding the role, responsibilities and activities of state insurance regulators in the context of consolidated supervision resulting from designation.
      2. Analyze proposed rules by the federal agencies that relate to financial stability.
      3. Analyze proposed policy measures regarding supervisory standards for global systemically important insurers (G-SIIs) and internationally active insurance groups (IAIGs).
      4. Develop comment letters on such analysis for further consideration by the International Insurance Relations (G) Committee, the Government Relations (EX) Leadership Council, and/or the Executive (EX) Committee, as appropriate.

2. The Macroprudential (E) Working Group will:
   A. Oversee the implementation and maintenance of the liquidity stress testing framework for 2020 data as well as future iterations.
   B. Assist with the remaining MPI projects related to counterparty disclosures and capital stress testing as needed.
   C. Continue to develop and administer data collection tools as needed, leveraging existing data where feasible, to provide the Financial Stability (E) Task Force with meaningful macroprudential information regarding how the insurance sector is navigating the prevailing market conditions.
   D. Oversee the development, implementation, and maintenance process for a new Macroprudential Risk Assessment system (i.e., policies, procedures, and tools) to enhance regulators’ ability to monitor industry trends from a macroprudential perspective.
   E. Oversee the documentation of the NAIC’s macroprudential policies, procedures, and tools.
   F. Provide the Task Force with proposed responses to IAIS and other international initiatives as needed.

NAIC Support Staff: Todd Sells/Tim Nauheimer
The mission of the Receivership and Insolvency (E) Task Force is to be administrative and substantive as it relates to issues concerning insurer insolvencies and insolvency guarantees. Such duties include, without limitation: 1) monitoring the effectiveness and performance of state administration of receiverships and the state guaranty fund system; 2) coordinating cooperation and communication among regulators, receivers and guaranty funds; 3) monitoring ongoing receiverships and reporting on such receiverships to NAIC members; 4) developing and providing educational and training programs in the area of insurer insolvencies and insolvency guarantees to regulators, professionals and consumers; 5) developing and monitoring relevant model laws, guidelines and products; and 6) providing resources for regulators and professionals to promote efficient operations of receiverships and guaranty funds.

Ongoing Support of NAIC Programs, Products or Services

1. The Receivership and Insolvency (E) Task Force will:
   A. Monitor and promote efficient operations of insurance receiverships and guaranty associations.
   B. Monitor and promote state adoption of insurance receivership and guaranty association model acts and regulations, and monitor other legislation related to insurance receiverships and guaranty associations.
   C. Provide input and comments to the International Association of Insurance Supervisors (IAIS), the Financial Stability Board (FSB) or other related groups on issues regarding international resolution authority.
   D. Monitor, review and provide input on federal rulemaking and studies related to insurance receiverships.
   F. Monitor the work of other NAIC committees, task forces and working groups to identify and address any issues that affect receivership law and/or regulatory guidance.
   G. Perform additional work as directed by the Financial Condition (E) Committee and/or received through referral by other groups.

2. The Receiver’s Handbook (E) Subgroup of the Receivership and Insolvency (E) Task Force will:
   A. Review the Receiver's Handbook to identify areas where information is outdated, updates are required, or additional guidance is needed. Based on this review, draft and propose recommended edits to the Receiver’s Handbook. Complete by the 2022 Fall National Meeting.

3. The Receivership Financial Analysis (E) Working Group will:
   A. Monitor receiverships involving nationally significant insurers/groups to support, encourage, promote and coordinate multistate efforts in addressing problems.
   B. Interact with the Financial Analysis (E) Working Group, domiciliary regulators, and lead states to assist and advise as to what might be the most appropriate regulatory strategies, methods and/or action(s) regarding potential or pending receiverships.

4. The Receivership Law (E) Working Group will:
   A. Review and provide recommendations on any issues identified that may affect states’ receivership and guaranty association laws (e.g., any issues that arise as a result of market conditions; insurer insolvencies; federal rulemaking and studies; international resolution initiatives; or as a result of the work performed by or referred from other NAIC committees, task forces and/or working groups).
   B. Discuss significant cases that may impact the administration of receiverships.

NAIC Support Staff: Jane Koenigsman
The mission of the Reinsurance (E) Task Force is to monitor and coordinate activities and areas of interest that overlap to some extent the charges of other NAIC groups—specifically, the International Insurance Relations (G) Committee.

Ongoing Support of NAIC Programs, Products or Services

1. The Reinsurance (E) Task Force will:
   A. Provide a forum for the consideration of reinsurance-related issues of public policy.
   C. Monitor the implementation of the 2011, 2016 and 2019 revisions to the Credit for Reinsurance Model Law (#785); and the 2011 and 2019 revisions to the Credit for Reinsurance Model Regulation (#786) and the Term and Universal Life Insurance Reserve Financing Model Regulation (#787).
   D. Communicate and coordinate with the Federal Insurance Office (FIO), other federal authorities, and international regulators and authorities on matters pertaining to reinsurance.
   E. Consider any other issues related to the revised Model #785, Model #786 and Model #787.
   F. Monitor the development of international principles, standards and guidance with respect to reinsurance. This includes, but is not limited to, monitoring the activities of various groups within the International Association of Insurance Supervisors (IAIS), including the Reinsurance and Other Forms of Risk Transfer Subcommittee, the Reinsurance Mutual Recognition Subgroup and the Reinsurance Transparency Group.
   G. Consider the impact of reinsurance-related federal legislation, including, but not limited to, the federal Nonadmitted and Reinsurance Reform Act (NRRA) and the Federal Insurance Office Act, and coordinate any appropriate NAIC action.
   H. Continue to monitor the impact of reinsurance-related international agreements, including the “Bilateral Agreement Between the United States of America and the European Union on Prudential Measures Regarding Insurance and Reinsurance” (EU Covered Agreement) and the “Bilateral Agreement Between the United States of America and the United Kingdom on Prudential Measures Regarding Insurance and Reinsurance” (UK Covered Agreement).

2. The Reinsurance Financial Analysis (E) Working Group will:
   A. Operate in regulator-to-regulator session pursuant to paragraph 3 (specific companies, entities or individuals) of the NAIC Policy Statement on Open Meetings and operate in open session when discussing certified reinsurance topics and policy issues, such as amendments to the Uniform Application for Certified Reinsurers.
   B. Provide advisory support and assistance to states in the review of reinsurance collateral reduction applications. Such a process with respect to the review of applications for reinsurance collateral reduction and qualified jurisdictions should strengthen state regulation and prevent regulatory arbitrage.
   C. Provide a forum for discussion among NAIC jurisdictions of reinsurance issues related to specific companies, entities, or individuals.
   D. Support, encourage, promote, and coordinate multistate efforts in addressing issues related to certified reinsurers, including, but not limited to, multistate recognition of certified reinsurers.
   E. Provide analytical expertise and support to the states with respect to certified reinsurers and applicants for certification.
   F. Provide advisory support with respect to issues related to the determination of qualified jurisdictions.
   G. Ensure the public passporting website remains current.
   H. For reinsurers domiciled in Reciprocal Jurisdictions, determine the best and most effective approaches for the financial solvency surveillance to assist the states in their work to protect the interests of policyholders.

NAIC Support Staff: Jake Stultz/Dan Schelp
The mission of the Risk Retention Group (E) Task Force is to stay apprised of the work of other NAIC groups as it relates to financial solvency regulation and the NAIC Financial Regulation Standards and Accreditation Program. The Task Force may make referrals to the Financial Regulation Standards and Accreditation (F) Committee and/or other NAIC groups, as deemed appropriate.

Ongoing Support of NAIC Programs, Products or Services

1. The Risk Retention Group (E) Task Force will:
   A. Monitor and evaluate the work of other NAIC committees, task forces and working groups related to risk retention groups (RRGs). Specifically, if any of these actions affect the NAIC Financial Regulation and Accreditation Standards Program, assess whether and/or how the changes should apply to RRGs and their affiliates.
   B. Monitor and analyze federal actions, including any U.S. Government Accountability Office (GAO) reports. Consider any action necessary as a result of federal activity.
   C. Monitor the impacts of recent tools and resources made available to domiciliary and non-domiciliary state insurance regulators pertaining to RRGs. Consider whether additional action is necessary, including educational opportunities, updating resources and further clarifications.

The mission of the Valuation of Securities (E) Task Force is to provide regulatory leadership and expertise to establish and maintain all aspects of the NAIC’s credit assessment process for insurer-owned securities, as well as produce insightful and actionable research and analysis regarding insurer investments.

**Ongoing Support of NAIC Programs, Products or Services**

1. The Valuation of Securities (E) Task Force will:
   
   A. Review and monitor the operations of the NAIC Securities Valuation Office (SVO) and the NAIC Structured Securities Group (SSG) to ensure they continue to reflect regulatory objectives.
   
   B. Maintain and revise the *Purposes and Procedures Manual of the NAIC Investment Analysis Office* (P&P Manual) to provide solutions to investment-related regulatory issues for existing or anticipated investments.
   
   C. Monitor changes in accounting and reporting requirements resulting from the continuing maintenance of the *Accounting Practices and Procedures Manual*, as well as financial statement blanks and instructions, to ensure that the P&P Manual continues to reflect regulatory needs and objectives.
   
   D. Consider whether improvements should be suggested to the measurement, reporting and evaluation of invested assets by the NAIC as the result of: 1) newly identified types of invested assets; 2) newly identified investment risks within existing invested asset types; or 3) elevated concerns regarding previously identified investment risks.
   
   E. Identify potential improvements to the credit filing process, including formats and electronic system enhancements.
   
   F. Provide effective direction to the NAIC’s mortgage-backed securities modeling firms and consultants.
   
   G. Coordinate with other NAIC working groups and task forces—including, but not limited to, the Capital Adequacy (E) Task Force, the Statutory Accounting Principles (E) Working Group and the Blanks (E) Working Group—to formulate recommendations and to make referrals to such other NAIC regulator groups to ensure expertise relative to investments, or the purpose and objective of guidance in the P&P Manual, is reflective in the guidance of such other groups and that the expertise of such other NAIC regulatory groups and the objectives of their guidance is reflected in the P&P Manual.
   
   H. Identify potential improvements to the filing exempt process (the use of credit rating provider ratings to determine an NAIC designation) to ensure greater consistency, uniformity and appropriateness to achieve the NAIC’s financial solvency objectives.
   
   I. Implement policies to oversee the NAIC’s staff administration of rating agency ratings used in NAIC processes, including staff’s discretion over the applicability of their use in its administration of filing exemption.

The mission of the Financial Regulation Standards and Accreditation (F) Committee is both administrative and substantive, as it relates to the administration and enforcement of the NAIC Financial Regulation Standards and Accreditation Program. This includes, without limitation: 1) the consideration of standards and revisions of standards for accreditation; 2) the interpretation of standards; 3) the evaluation and interpretation of the states’ laws and regulations, as well as departments’ practices, procedures and organizations as they relate to compliance with standards; 4) the examination of members for compliance with standards; 5) the development and oversight of procedures for the examination of members for compliance with standards; 6) the selection of qualified individuals to examine members for compliance with standards; and 7) the determination of whether to accredit members.

Ongoing Support of NAIC Programs, Products and Services

1. The Financial Regulation Standards and Accreditation (F) Committee will:
   A. Maintain and strengthen the NAIC Financial Regulation Standards and Accreditation Program.
   B. Assist the states, as requested and as appropriate, in implementing laws, practices, and procedures and obtaining personnel required for compliance with the standards.
   C. Conduct a yearly review of accredited jurisdictions.
   D. Consider new model laws; new practices and procedures; and amendments to existing model laws, practices, and procedures required for accreditation. Determine the timing and appropriateness of the addition of new model laws, practices, procedures, and amendments.
   E. Render advisory opinions and interpretations of model laws required for accreditation and on substantial similarity of state laws.
   F. Review existing standards for effectiveness and relevancy, and make recommendations for change, if appropriate.
   G. Produce, maintain, and update the NAIC Accreditation Program Manual to provide guidance to state insurance regulators regarding the official standards, policies, and procedures of the program.
   H. Maintain and update the “Financial Regulation Standards and Accreditation Program” pamphlet.
   I. Perform enhanced pre-accreditation review services, including, but not limited to, additional staff support, increased participation, enhanced report recommendations, and informal feedback.

INTERNATIONAL INSURANCE RELATIONS (G) COMMITTEE

The mission of the International Insurance Relations (G) Committee is to: 1) coordinate NAIC participation in international discussions on and the development of insurance regulatory and supervisory standards; 2) promote international cooperation; 3) coordinate on international insurance matters with the U.S. federal government, including the U.S. Department of the Treasury (Treasury Department), the Federal Reserve Board, the Office of the U.S. Trade Representative (USTR), the U.S. Department of Commerce, and other federal agencies; and 4) provide an open forum for NAIC communication with U.S. interested parties and stakeholders on international insurance matters.

Ongoing Support of NAIC Programs, Products or Services

1. The International Insurance Relations (G) Committee will:
   A. Monitor and assess international activities at forums like the International Association of Insurance Supervisors (IAIS), the Financial Stability Board (FSB), and the Organisation for Economic Co-operation and Development (OECD), among others, that affect U.S. insurance regulation, U.S insurance consumers, and the U.S. insurance industry.
   B. Support and facilitate the participation of state insurance regulators and the NAIC in relevant IAIS, FSB, OECD, and similar workstreams.
   C. Develop NAIC policy on international activities, coordinating, as necessary, with other NAIC committees, task forces, and working groups and communicating key international developments to those NAIC groups.
   D. Coordinate and facilitate state efforts to participate in key bilateral and multilateral dialogues, projects, conferences, and training opportunities with international regulators and international organizations, both directly and in coordination with the federal government, as appropriate.
   E. Strengthen international regulatory systems and relationships by interacting with international regulators and sharing U.S. supervisory best practices, including conducting an International Fellows Program and educational (technical assistance) seminars to provide an understanding of the U.S. state-based system of insurance regulation.
   F. Coordinate the NAIC’s participation in the International Monetary Fund (IMF)/World Bank Financial Sector Assessment Program (FSAP).
   G. Coordinate state efforts to assist in achieving U.S. international trade objectives through reviewing relevant materials, developing input, and providing assistance and expertise on insurance matters to the USTR and/or other federal entities.

CONSUMER LIAISON COMMITTEE

The mission of the NAIC/Consumer Liaison Committee is to assist the NAIC in its mission to support state insurance regulation by providing consumer views on insurance regulatory issues. The Liaison Committee provides a forum for ongoing dialogue between NAIC members and NAIC consumer representatives. The Liaison Committee’s activities in 2022 will be closely aligned with the priorities of the NAIC Consumer Board of Trustees.
The mission of the NAIC/American Indian and Alaska Native Liaison Committee is to provide a forum for ongoing dialogue between NAIC Members and the American Indian and Alaska Native communities concerning insurance issues of common interest. Specifically, the Liaison Committee will provide a forum for an exchange of information and views on issues surrounding the availability of insurance for American Indian and Alaska Native consumers and tribal interests, an opportunity for American Indian and Alaska Native groups to bring insurance consumer protection issues to the attention of NAIC Members, and a dialogue on best practices for dealing with insurance issues unique to sovereign tribal nations.
1. The **Audit Committee** will:
   
   A. Provide continuous audit oversight, including:
      
      1. Provide an open avenue of communication between the independent auditor and the Executive (EX) Committee and the Internal Administration (EX1) Subcommittee.
      2. Confirm and ensure the independence of the independent auditor.
      3. Inquire of management and the independent auditor about significant risks or exposures, and assess the steps management has taken to minimize such risk.
      4. Consider and review with the independent auditor:
         a. Significant findings during the year, including the status of previous audit recommendations.
         b. Any difficulties encountered in the course of audit work, including any restrictions on the scope of activities or access to required information.
         c. The adequacy of internal controls, including computerized information system controls and security, as documented in the Statement on Auditing Standards (SAS) 115 letter from the independent auditor.
         d. Related findings and recommendations of the independent auditor with management’s responses, as documented in the SAS 114 letter from the independent auditor.
      5. Meet periodically with the independent auditor in separate executive sessions to discuss any matters the Committee believes should be discussed privately with the Committee.
      6. Report periodically to the Executive (EX) Committee and Internal Administration (EX1) Subcommittee on significant results of the foregoing activities.
      7. Instruct the independent auditor that the Executive (EX) Committee and Internal Administration (EX1) Subcommittee are the auditor’s clients.
   
   B. Provide continuous oversight of reporting policies, including:
      
      1. Advise financial management and the independent auditor that they are expected to provide a timely analysis of significant current financial reporting issues and practices.
      2. Inquire as to the auditor’s independent qualitative judgments about the appropriateness, not just the acceptability, of the accounting principles and the clarity of the financial disclosure practices.
      3. Inquire as to the auditor’s views about whether management’s choices of accounting principles are conservative, moderate or aggressive from the perspective of income, asset and liability recognition, and whether those principles are common practices or minority practices.
      4. Inquire as to the auditor’s views about how choices of accounting principles and disclosure practices may affect NAIC members, the insurance industry, and public views and attitudes.
   
   C. Provide continuous oversight of financial management, including:
      
      1. Review the monthly consolidated financial statements, and receive regular reports from executive management on the financial operations of the association.
      2. Meet prior to, or at, each national meeting or more frequently, as circumstances require. The Committee may ask members of management or others to attend meetings and provide pertinent information, as necessary.
      3. Report on significant results of the foregoing activities to the Executive (EX) Committee and the Internal Administration (EX1) Subcommittee on a regular basis.
   
   D. Conduct scheduled audit activities, including:
      
      1. Recommend the selection of the independent auditor for approval by the Executive (EX) Committee and the Internal Administration (EX1) Subcommittee, approve the compensation of the independent auditor, and review and approve the discharge of the independent auditor.
      2. Review annually the audit scope and plan of the independent auditor with management and the independent auditor, including:
         a. The independent auditor’s audit of the financial statements, accompanying footnotes, and its report thereon.
         b. Any significant changes required in the independent auditor’s audit plans.
         c. Any difficulties or disputes with management encountered during the course of the year under audit.
         d. Other matters related to the conduct of the audit, which are to be communicated to the Committee under generally accepted auditing standards (GAAS).
      3. Review and approve needs-based funding allocations, as needed.
4. Review and update the Committee charter on at least an annual basis.

E. Conduct other activities when necessary, including:
   1. Arrange for the independent auditor to be available to the full Executive (EX) Committee and the Internal Administration (EX1) Subcommittee, as needed.
   2. Review and approve requests for any management consulting engagement to be performed by the independent auditor, and be advised of any other study undertaken at the request of management that is beyond the scope of the audit engagement letter.
   3. Conduct and/or authorize investigations into any matters within the Committee’s scope of responsibilities. The Committee shall be empowered to retain independent counsel and other professionals to assist in the conduct of any investigation.
   4. Ensure that members of the Committee receive the appropriate orientation to the Committee and receive a copy of the policy manual.
