

# Medicare Supplement and DME

---

## DME Products

- Motorized scooters
- Sleep apnea hose cleaning and replacement occurring more frequently than the manufacturer recommends
- Dental devices for sleep apnea
- Dental orthotics
- Prosthetic eyes
- Prosthetic noses
- Knee therapy device (alternative to continuous passive motion device)
- Hospital beds

## Additional Issues of Note:

- Advertisements: “no cost to you”
- Scooters: Supplier websites indicate prices include “standard” parts (*e.g.*, wheels or batteries) but bill separately for them.
