

Information Sharing and Technology (D) Working Group USER (Uniform System Enhancement Request) Forms Status Report

As of July 29, 2014

Outstanding Requests

USER #	Requestor	Request Summary	Phase	NAIC Recommendation	Target End Date	Status
100	Cindy Schmell (IA)	Display claim status from NICB in OFRS.	Detailed Analysis			Pending feedback from NICB on NAIC staff's recommendation for Option 1: NICB will send the overall status of the report, at a record level, to the NAIC.
101	Cindy Schmell (IA)	Display dollar amounts from NICB in OFRS.	Detailed Analysis			Pending feedback from NICB on NAIC staff's recommendation for Option 1: NICB will roll up their existing data and send it to the NAIC.
106	Cindy Schmell (IA)	Display all role code descriptions from NICB in OFRS.	Production		7/18/2014	In production, with Option 1
107	Cindy Schmell (IA)	Display subject of investigation from NICB in OFRS.	Detailed Analysis			Pending feedback from NICB on NAIC staff's recommendation that NICB submit the subject of investigation to the NAIC.
108	Cindy Schmell (IA)	Provide reoccurring search function to retrieve previously searched entities if data is captured after the initial search.	Development			NAIC staff will continue to discuss this with the Working Group as development gets underway (Q1 2015). USER form 109 may mitigate the need for this request.
109	Cindy Schmell (IA)	Expand search functions within the I-SITE report for more dynamic reporting.	Development			NAIC staff may ask for more detailed feedback and verification of requirements from the Working Group as development gets underway (Q1 2015).
