Information Sharing and Technology (D) Working Group
USER (Uniform System Enhancement Request) Forms Status Report
As of August 15, 2015

Outstanding Requests

USER #	Requestor	Request Summary	Phase	NAIC Recommendation	Target End Date	Status
100	Cindy Schmell (IA)	Display claim status from NICB in OFRS.	Detailed Analysis	Option 1		On hold per Task Force members pending further discussion with NICB/ISO.
101	Cindy Schmell (IA)	Display dollar amounts from NICB in OFRS.	Detailed Analysis	Option 1		On hold per Task Force members pending further discussion with NICB/ISO.
108	Cindy Schmell (IA)	Provide reoccurring search function to retrieve previously searched entities if data is captured after the initial search.	Development			NAIC staff plans to work on this request in 3rd quarter 2015. (Due to other priorities, NAIC staff was unable to work on this request in 1st quarter 2015 as originally planned). USER Form 109 may mitigate the need for this request.
109	Cindy Schmell (IA)	Expand search functions within the I-SITE report for more dynamic reporting.	Development			NAIC staff is enhancing the search function of OFRS per the Detailed Analysis document. A target implementation date has not been established yet.
110	Armand Glick (UT)	Develop state specific roles for access to OFRS in I-SITE.	Preliminary Analysis			NAIC staff is reviewing request. Further discussion will commence in 3rd quarter 2015.

USER Form Cycle → Preliminary Analysis (NAIC Staff) → 1st Consideration (Task Force) → Detailed Analysis (NAIC Staff) → 2nd Consideration (Task Force) → Development (NAIC Staff) → Testing (NAIC Staff) → Withdrawn/Pending/Complete
