The National Association of Insurance Commissioners (NAIC) is the U.S.
standard-setting and regulatory support organization created and governed by
the chief insurance regulators from the 50 states, the District of Columbia and five
U.S. territories. Through the NAIC, state insurance regulators establish standards
and best practices, conduct peer review, and coordinate their regulatory oversight.
NAIC staff supports these efforts and represents the collective views of state
regulators domestically and internationally. NAIC members, together with the central
resources of the NAIC, form the national system of state-based insurance regulation
in the U.S.
