## REASON, JUSTIFICATION FOR AND/OR BENEFIT OF CHANGE

On June 25, 2019, NAIC Executive (EX) Committee and Plenary adopted revisions to the *Credit for Reinsurance Model Law* (#785) and the *Credit for Reinsurance Model Regulation* (#786) to incorporate the relevant provisions from the “Bilateral Agreement Between the United States of America and the European Union on Prudential Measures Regarding Insurance and Reinsurance” (Covered Agreement). Under the revisions, credit for reinsurance is allowed for domestic ceding insurers for reinsurance that has been ceded to reinsurers from Reciprocal Jurisdictions, and that those reinsurers are not required to post collateral. As a result, it is necessary to consider revisions to the appropriate reinsurance schedules and instructions in order to collect the relevant information with respect to these reinsurance transactions.

**SCHEDULE S – REINSURANCE**

These parts (except Part 1, which shows reinsurance assumed) provide an analysis by reinsurance carrier of reinsurance ceded data shown in total in various parts of the statement. Information is included on all reinsurance ceded to other entities authorized as well as unauthorized or certified in the state of domicile of the reporting entity. Additional data for unauthorized companies is displayed in Part 4; additional data for certified reinsurers is displayed in Part 5.

NOTE: Certified reinsurer status applies on a prospective basis and is determined by the state of domicile of the ceding insurer. Reciprocal jurisdiction reinsurer status applies on a prospective basis and is for reinsurance agreements entered into, amended, or renewed on or after the effective date of the domiciliary state of the ceding entity enacting the 2019 revisions to the Credit for Reinsurance Models, and only with respect to losses incurred and reserves reported on or after the later of (i) the date on which the assuming insurer has met all eligibility requirements, and (ii) the effective date of the new reinsurance agreement, amendment, or renewal. As such, it is possible that a ceding insurer will report reinsurance balances applicable to a single assuming insurer under multiple classifications within Schedule S. For example, with respect to a certified reinsurer that was considered unauthorized prior to certification, balances attributable to contracts entered into prior to the assuming insurer’s certification would be reported in the unauthorized classification, while balances attributable to contracts entered into or renewed on or after the assuming insurer’s certification would be reported in the certified classification. This will also be the case for reciprocal jurisdiction reinsurance, which may have been classified as certified reinsurance prior to the enactment of the 2019 revisions to the Credit for Reinsurance Models by the domiciliary state of the ceding entity. Proper classification of such balances is essential to ensure accurate reporting of collateral requirements applicable to specific balances and the corresponding calculation of the liability for unauthorized and/or certified reinsurance.

Effective date as used in this schedule is the date the contract originally went into effect.

**Index to Schedule S**

- Part 1, Section 2 – Reinsurance Assumed Accident and Health Insurance
- Part 2 – Reinsurance Recoverable on Paid and Unpaid Losses

- Part 3, Section 2 – Reinsurance Ceded Accident and Health Insurance
- Part 4 – Reinsurance Ceded to Unauthorized Companies
- Part 5 – Reinsurance Ceded to Certified Reinsurers
- Part 6 – Five-Year Exhibit of Reinsurance Ceded Business
- Part 7 – Restatement of Balance Sheet to Identify Net Credit for Ceded Reinsurance

**ID Number**

Most parts of Schedule S require that the “ID Number” be reported for assuming or ceding entities.

Reinsurance intermediaries should not to be listed, because Schedule S is intended to identify the risk-bearing entities.

A ceding insurer can have unauthorized reinsurance, certified reinsurance and reciprocal jurisdiction reinsurance with the same reinsurer, based on when the contract became effective. It is important that the ceding insurer report all types correctly. The same reinsurer may be listed on the same Schedule S by the ceding insurer with an AIN for unauthorized reinsurance, a CRIN for certified reinsurance, and a RJIN for reciprocal jurisdiction reinsurance.

### **Use of Federal Employer Identification Number**

The Federal Employer Identification Number (FEIN) must be reported for each U.S.-domiciled insurer and U.S. branch of an alien insurer. The FEIN should not be reported as the “ID Number” for other alien insurers even if the federal government has issued such a number.

### **Alien Insurer Identification Number (AIIN)**

In order to report transactions involving alien companies correctly, the appropriate Alien Insurer Identification Number (AIIN) must be included on Schedule S instead of the FEIN. The AIIN number is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If an alien company does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

### **Pool and Association Numbers**

In order to report transactions involving non-risk bearing pools or associations consisting of nonaffiliated companies correctly, the company must include on Schedule S the appropriate Pool/Association Identification Number. These numbers are listed in the NAIC *Listing of Companies*. The Pool/Association Identification Number should be used instead of any FEIN that may have been assigned. If a pool or association does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

### **Certified Reinsurer Identification Number (CRIN)**

In order to report transactions involving certified reinsurers correctly, the appropriate Certified Reinsurer Identification Number (CRIN) must be included on Schedule S instead of the FEIN, ~~or~~ Alien Insurer Identification Number (AIIN) or Reciprocal Jurisdiction Reinsurer Identification Number (RJIN). The CRIN is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If a certified reinsurer does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

### **Reciprocal Jurisdiction Reinsurer Identification Number (RJIN)**

In order to report transactions involving reciprocal jurisdiction reinsurers correctly, the appropriate Reciprocal Jurisdiction Reinsurer Identification Number (RJIN) must be included on Schedule S instead of the FEIN, AIIN or CRIN. The RJIN number is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If a company does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

## For 2020 Reporting Only

Reinsurers that have met the requirements for reciprocal jurisdiction reinsurer status in your state of domicile should be reported in the appropriate reciprocal jurisdiction reinsurer category if the reporting entity has implemented the necessary system and reporting changes for 2020 annual reporting to identify and report those reinsurance transactions in the appropriate reciprocal jurisdiction reinsurer category.

If the reporting entity has not been able to make the necessary system and reporting changes for 2020 annual reporting, the reporting entity may report those reinsurance transactions using the authorized reinsurer lines. Any crosschecks the reporting entity fails as a result of reporting reciprocal jurisdiction reinsurers on the authorized reinsurer lines should be explained.

\*\*\*\*\*

### NAIC Company Code

Company codes are assigned by the NAIC and are listed in the NAIC *Listing of Companies*. The NAIC does not assign a company code to insurers domiciled outside of the U.S. or to non-risk bearing pools or associations. The “NAIC Company Code” field should be zero-filled for those organizations. Non-risk bearing pools or associations are assigned a Pool/Association Identification Number. See the “Pool and Association Numbers” section above for details on assignment of Pool/Association Identification Numbers. Risk-bearing pools or associations are assigned a company code. If a reinsurer or reinsured has merged with another entity, report the company code of the surviving entity.

If a risk-bearing entity (e.g., risk-bearing pools or associations) does not appear in the NAIC *Listing of Companies*, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned. Newly assigned company codes are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC provides this information to annual statement software vendors for incorporation into the software.

## ANNUAL STATEMENT INSTRUCTIONS – PROPERTY

### SCHEDULE F – REINSURANCE

#### Index to Schedule F

Part 1	–	Assumed Reinsurance
Part 2	–	Portfolio Reinsurance
Part 3	–	Ceded Reinsurance
Part 4	–	Issuing or Confirming Banks for Letters of Credit from Schedule F, Part 3
Part 5	–	Interrogatories for Schedule F, Part 3
Part 6	–	Restatement of Balance Sheet to Identify Net Credit for Ceded Reinsurance

NOTE: Certified reinsurer status applies on a prospective basis and is determined by the state of domicile of the ceding insurer. Reciprocal jurisdiction reinsurer status applies on a prospective basis and is for reinsurance agreements entered into, amended, or renewed on or after the effective date of the domiciliary state of the ceding entity enacting the 2019 revisions to the Credit for Reinsurance Models, and only with respect to losses incurred and reserves reported on or after the later of (i) the date on which the assuming insurer has met all eligibility requirements, and (ii) the effective date of the new reinsurance agreement, amendment, or renewal. As such, it is possible that a ceding insurer will report reinsurance balances applicable to a single assuming insurer under multiple classifications within Schedule F. For example, with respect to a certified reinsurer that was considered unauthorized prior to certification, balances attributable to contracts entered into prior to the assuming insurer’s certification would be reported in the unauthorized classification, while balances attributable to contracts entered into or renewed on or after the assuming insurer’s certification would be reported in the certified classification. This will also be the case for reciprocal jurisdiction reinsurance, which may have been classified as certified reinsurance prior to the enactment of the 2019 revisions to the Credit for Reinsurance Models by the domiciliary state of the ceding entity. Proper classification of such balances is essential to ensure accurate reporting of collateral requirements applicable to specific balances and the corresponding calculation of the liability for unauthorized and/or certified reinsurance.

#### Due Date

All parts of Schedule F are to be filed with the annual statement.

Please note that Parts 1, 3, 4 and 5 of this schedule are reported with thousands omitted. Parts 2 and 6 are reported in whole dollars.

#### ID Number

Most parts of Schedule F require that the “ID Number” be reported for assuming or ceding entities.

Reinsurance intermediaries should not be listed, because Schedule F is intended to identify only risk-bearing entities.

A ceding insurer can have unauthorized reinsurance, certified reinsurance and reciprocal jurisdiction reinsurance with the same reinsurer, based on when the contract became effective. It is important that the ceding insurer report all types correctly. The same reinsurer may be listed on the same Schedule F by the ceding insurer with an AIIN for unauthorized reinsurance, a CRIN for certified reinsurance, and a RJIN for reciprocal jurisdiction reinsurance.

#### Use of Federal Employer Identification Number

The Federal Employer Identification Number (FEIN) must be reported for each U.S.-domiciled insurer and U.S. branch of an alien insurer. The FEIN should not be reported as the “ID Number” for other alien insurers, even if the federal government has issued such a number.

### **Alien Insurer Identification Number (AIIN)**

In order to report transactions involving alien companies correctly, the appropriate Alien Insurer Identification Number (AIIN) must be included on Schedule F instead of the FEIN. The AIIN number is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If an alien company does not appear in that publication, contact with the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

### **Pool and Association Numbers**

In order to report transactions involving non-risk bearing pools or associations consisting of non-affiliated companies correctly, the company must include on Schedule F the appropriate Pool/Association Identification Number. These numbers are listed in the NAIC *Listing of Companies*. The Pool/Association Identification Number should be used instead of any FEIN that may have been assigned. If a pool or association does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

Alien pools and associations should be reported on Schedule F under the category “Other Non-U.S. Insurers” rather than under “Pools, Associations and Similar Facilities.” Pools and associations consisting of affiliated companies should be listed by individual company names rather than by pool or association identification.

### **Certified Reinsurer Identification Number (CRIN)**

In order to report transactions involving certified reinsurers correctly, the appropriate Certified Reinsurer Identification Number (CRIN) must be included on Schedule F instead of the FEIN, ~~or~~ Alien Insurer Identification Number (AIIN) or Reciprocal Jurisdiction Reinsurer Identification Number (RJIN). The CRIN is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If a certified reinsurer does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

### **Reciprocal Jurisdiction Reinsurer Identification Number (RJIN)**

In order to report transactions involving alien companies correctly, the appropriate Reciprocal Jurisdiction Reinsurer Identification Number (RJIN) must be included on Schedule F instead of the FEIN, Alien Insurer Identification Number (AIIN) or Certified Reinsurer Identification Number (CRIN). The RJIN number is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If an alien company does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

# For 2020 Reporting Only

Reinsurers that have met the requirements for reciprocal jurisdiction reinsurer status in your state of domicile should be reported in the appropriate reciprocal jurisdiction reinsurer category if the reporting entity has implemented the necessary system and reporting changes for 2020 annual reporting to identify and report those reinsurance transactions in the appropriate reciprocal jurisdiction reinsurer category.

If the reporting entity has not been able to make the necessary system and reporting changes for 2020 annual reporting, the reporting entity may report those reinsurance transactions using the authorized reinsurer lines. Any crosschecks the reporting entity fails as a result of reporting reciprocal jurisdiction reinsurers on the authorized reinsurer lines should be explained.

\*\*\*\*\*

## NAIC Company Code

Company codes are assigned by the NAIC and are listed in the NAIC *Listing of Companies*. The NAIC does not assign a company code to insurers domiciled outside of the U.S. or to non-risk bearing pools or associations. The “NAIC Company Code” field should be zero-filled for those organizations. Non-risk bearing pools or associations are assigned a Pool/Association Identification Number. See the “Pool and Association Numbers” section above for details on assignment of Pool/Association Identification Numbers. Risk-bearing pools or associations are assigned a company code. If a reinsurer or reinsured has merged with another entity, report the company code of the surviving entity.

If a risk-bearing entity (e.g., risk-bearing pools or associations) does not appear in the NAIC *Listing of Companies*, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned. Newly assigned company codes are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC provides this information to annual statement software vendors for incorporation into the software.

## ANNUAL STATEMENT INSTRUCTIONS – TITLE

### SCHEDULE F – REINSURANCE

#### Index to Schedule F

- Part 1 – Assumed Reinsurance
- Part 2 – Ceded Reinsurance
- Part 3 – Provision for Unauthorized Reinsurance
- Part 4 – Provision for Reinsurance Ceded to Certified Reinsurers

NOTE: Certified reinsurer status applies on a prospective basis and is determined by the state of domicile of the ceding insurer. Reciprocal jurisdiction reinsurer status applies on a prospective basis and is for reinsurance agreements entered into, amended, or renewed on or after the effective date of the domiciliary state of the ceding entity enacting the 2019 revisions to the Credit for Reinsurance Models, and only with respect to losses incurred and reserves reported on or after the later of (i) the date on which the assuming insurer has met all eligibility requirements, and (ii) the effective date of the new reinsurance agreement, amendment, or renewal. As such, it is possible that a ceding insurer will report reinsurance balances applicable to a single assuming insurer under multiple classifications within Schedule F. For example, with respect to a certified reinsurer that was considered unauthorized prior to certification, balances attributable to contracts entered into prior to the assuming insurer’s certification would be reported in the unauthorized classification, while balances attributable to contracts entered into or renewed on or after the assuming insurer’s certification would be reported in the certified classification. This will also be the case for reciprocal jurisdiction reinsurance, which may have been classified as certified reinsurance prior to the enactment of the 2019 revisions to the Credit for Reinsurance Models by the domiciliary state of the ceding entity. Proper classification of such balances is essential to ensure accurate reporting of collateral requirements applicable to specific balances and the corresponding calculation of the liability for unauthorized and/or certified reinsurance.

#### Due Date

All parts of Schedule F are to be filed with the annual statement.

Please note that Parts 1, 2, 3 and 4 of this schedule are reported with thousands omitted.

#### ID Number

Schedule F require that the “ID Number” be reported for assuming or ceding entities.

Reinsurance intermediaries should not be listed, because Schedule F is intended to identify only risk-bearing entities.

A ceding insurer can have unauthorized reinsurance, certified reinsurance and reciprocal jurisdiction reinsurance with the same reinsurer, based on when the contract became effective. It is important that the ceding insurer report all types correctly. The same reinsurer may be listed on the same Schedule S by the ceding insurer with an AIN for unauthorized reinsurance, a CRIN for certified reinsurance, and a RJIN for reciprocal jurisdiction reinsurance.

#### Use of Federal Employer Identification Number

The Federal Employer Identification Number (FEIN) must be reported for each U.S.-domiciled insurer and U.S. branch of an alien insurer. The FEIN should not be reported as the “ID Number” for other alien insurers even if the federal government has issued such a number.

### **Alien Insurer Identification Number (AIIN)**

In order to report transactions involving alien companies correctly, the appropriate Alien Insurer Identification Number (AIIN) must be included on Schedule F instead of the FEIN. The AIIN number is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If an alien company does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst, at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or information for on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

### **Pool and Association Numbers**

In order to report transactions involving non-risk bearing pools or associations consisting of non-affiliated companies correctly, the company must include on Schedule F the appropriate Pool/Association Identification Number. These numbers are listed in the NAIC *Listing of Companies*. The Pool/Association Identification Number should be used instead of any FEIN that may have been assigned. If a pool or association does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

Alien pools and associations should be reported on Schedule F under the category “Other Non-U.S. Insurers” rather than under “Pools, Associations and Similar Facilities.” Pools and associations consisting of affiliated companies should be listed by individual company names rather than by pool or association identification.

### **Certified Reinsurer Identification Number (CRIN)**

In order to report transactions involving certified reinsurers correctly, the appropriate Certified Reinsurer Identification Number (CRIN) must be included on Schedule F instead of the FEIN, ~~or~~ Alien Insurer Identification Number (AIIN) or Reciprocal Jurisdiction Reinsurer Identification Number (RJIN). The CRIN is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If a certified reinsurer does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

### **Reciprocal Jurisdiction Reinsurer Identification Number (RJIN)**

In order to report transactions involving alien companies correctly, the appropriate Reciprocal Jurisdiction Reinsurer Identification Number (RJIN) must be included on Schedule F instead of the FEIN, Alien Insurer Identification Number (AIIN) or Certified Reinsurer Identification Number (CRIN). The RJIN is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If an alien company does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

## For 2020 Reporting Only

Reinsurers that have met the requirements for reciprocal jurisdiction reinsurer status in your state of domicile should be reported in the appropriate reciprocal jurisdiction reinsurer category if the reporting entity has implemented the necessary system and reporting changes for 2020 annual reporting to identify and report those reinsurance transactions in the appropriate reciprocal jurisdiction reinsurer category.

If the reporting entity has not been able to make the necessary system and reporting changes for 2020 annual reporting, the reporting entity may report those reinsurance transactions using the authorized reinsurer lines. Any crosschecks the reporting entity fails as a result of reporting reciprocal jurisdiction reinsurers on the authorized reinsurer lines should be explained.

\*\*\*\*\*

### NAIC Company Code

Company codes are assigned by the NAIC and are listed in the NAIC *Listing of Companies*. The NAIC does not assign a company code to insurers domiciled outside of the U.S. or to non-risk bearing pools or associations. The “NAIC Company Code” field should be zero-filled for those organizations. Non-risk bearing pools or associations are assigned a Pool/Association Identification Number. See the “Pool and Association Numbers” section above for details on assignment of Pool/Association Identification Numbers. Risk-bearing pools or associations are assigned a company code. If a reinsurer or reinsured has merged with another entity, report the company code of the surviving entity.

If a risk-bearing entity (e.g., risk-bearing pools or associations) does not appear in the NAIC *Listing of Companies*, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned. Newly assigned company codes are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC provides this information to annual statement software vendors for incorporation into the software.

ANNUAL STATEMENT INSTRUCTIONS – LIFE/FRATERNAL

**WORKERS’ COMPENSATION CARVE-OUT SUPPLEMENT**

The Workers’ Compensation Carve-out Supplement shall be completed by those reporting entities that assume or cede workers’ compensation carve-out business.

Workers’ compensation carve-out business is defined as reinsurance (including retrocessional reinsurance) assumed by life and health insurers of medical, wage loss and death benefits of the occupational illness and accident exposures, but not the employer’s liability exposures, of business originally written as workers compensation insurance.

**SCHEDULE F – REINSURANCE**

NOTE: Certified reinsurer status applies on a prospective basis and is determined by the state of domicile of the ceding insurer. Reciprocal jurisdiction reinsurer status applies on a prospective basis and is for reinsurance agreements entered into, amended, or renewed on or after the effective date of the domiciliary state of the ceding entity enacting the 2019 revisions to the Credit for Reinsurance Models, and only with respect to losses incurred and reserves reported on or after the later of (i) the date on which the assuming insurer has met all eligibility requirements, and (ii) the effective date of the new reinsurance agreement, amendment, or renewal. As such, it is possible that a ceding insurer will report reinsurance balances applicable to a single assuming insurer under multiple classifications within Schedule FS. For example, with respect to a certified reinsurer that was considered unauthorized prior to certification, balances attributable to contracts entered into prior to the assuming insurer’s certification would be reported in the unauthorized classification, while balances attributable to contracts entered into or renewed on or after the assuming insurer’s certification would be reported in the certified classification. Proper classification of such balances is essential to ensure accurate reporting of collateral requirements applicable to specific balances and the corresponding calculation of the liability for unauthorized and/or certified reinsurance.

**Index to Schedule F**

- Part 1 – Assumed Reinsurance
- Part 2 – Ceded Reinsurance

**ID Number**

Schedule F requires that the “ID Number” be reported for assuming or ceding entities.

Reinsurance intermediaries should not be listed, because Schedule F is intended to identify only risk-bearing entities.

A ceding insurer can have unauthorized reinsurance, certified reinsurance and reciprocal jurisdiction reinsurance with the same reinsurer, based on when the contract became effective. It is important that the ceding insurer report all types correctly. The same reinsurer may be listed on the same Schedule S by the ceding insurer with an AIIN for unauthorized reinsurance, a CRIN for certified reinsurance, and a RJIN for reciprocal jurisdiction reinsurance.

**Use of Federal Employer Identification Number**

The Federal Employer Identification Number (FEIN) must be reported for each U.S.-domiciled insurer and U.S. branch of an alien insurer. The FEIN should not be reported as the “ID Number” for other alien insurers even if the federal government has issued such a number.

### **Alien Insurer Identification Number (AIIN)**

In order to report transactions involving alien companies correctly, the appropriate Alien Insurer Identification Number (AIIN) must be included on Schedule F instead of the FEIN. The AIIN number is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If an alien company does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

### **Pools and Association Numbers**

In order to report transactions involving non-risk bearing pools or associations consisting of non-affiliated companies correctly, the company must include on Schedule F the appropriate Pool/Association Identification Number. These numbers are listed in the NAIC *Listing of Companies*. The NAIC Pool/Association Identification Number should be used instead of any FEIN that may have been assigned. If a pool or association does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

Alien pools and associations should be reported on Schedule F under the category “Other Non-U.S. Insurers” rather than under “Pools, Associations and Similar Facilities.” Pools and associations consisting of affiliated companies should be listed by individual company names rather than by pool or association identification.

### **Certified Reinsurer Identification Number (CRIN)**

In order to report transactions involving certified reinsurers correctly, the appropriate Certified Reinsurer Identification Number (CRIN) must be included on Schedule F instead of the FEIN, ~~or~~ Alien Insurer Identification Number (AIIN) or Reciprocal Jurisdiction Reinsurer Identification Number (RJIN). The CRIN is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If a certified reinsurer does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

### **Reciprocal Jurisdiction Reinsurer Identification Number (RJIN)**

In order to report transactions involving alien companies correctly, the appropriate Reciprocal Jurisdiction Reinsurer Identification Number (RJIN) must be included on Schedule F instead of the FEIN. The RJIN number is assigned by the NAIC and is listed in the NAIC *Listing of Companies*. If an alien company does not appear in that publication, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned.

Newly assigned numbers are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC also provides this information to annual statement software vendors for incorporation into the software.

## For 2020 Reporting Only

Reinsurers that have met the requirements for reciprocal jurisdiction reinsurer status in your state of domicile should be reported in the appropriate reciprocal jurisdiction reinsurer category if the reporting entity has implemented the necessary system and reporting changes for 2020 annual reporting to identify and report those reinsurance transactions in the appropriate reciprocal jurisdiction reinsurer category.

If the reporting entity has not been able to make the necessary system and reporting changes for 2020 annual reporting, the reporting entity may report those reinsurance transactions using the authorized reinsurer lines. Any crosschecks the reporting entity fails as a result of reporting reciprocal jurisdiction reinsurers on the authorized reinsurer lines should be explained.

\*\*\*\*\*

### NAIC Company Code

Company codes are assigned by the NAIC and are listed in the NAIC *Listing of Companies*. The NAIC does not assign a company code to insurers domiciled outside of the U.S. or to non-risk bearing pools or associations. The “NAIC Company Code” field should be zero filled for those organizations. Non-risk bearing pools or associations are assigned a Pool/Association Identification Number. See the “Pool and Association Numbers” section above for details on assignment of Pool/Association Identification Numbers. Risk-bearing pools or associations are assigned a company code. If a reinsurer or reinsured has merged with another entity, report the company code of the surviving entity.

If a risk-bearing entity (e.g., risk-bearing pools or associations) does not appear in the NAIC *Listing of Companies*, contact the NAIC Financial Systems and Services Department, Company Demographics Analyst at [FDRCCREQ@NAIC.ORG](mailto:FDRCCREQ@NAIC.ORG) for numbers assigned since the last publication or for information on having a number assigned. Newly assigned company codes are incorporated in revised editions of the NAIC *Listing of Companies*, which are available semi-annually. The NAIC provides this information to annual statement software vendors for incorporation into the software.
