Re: 2020 Wildfire Catastrophe Claims and Fire Marshal Premium Assessment Data Call

Background and Data Call Structure

On Oct. 15, 2020, the Oregon Division of Financial Regulation (DFR) issued the “2020 Wildfire and Wind Data Call” to collect information about fire and wind losses in the state, beginning on Aug. 20, 2020. **DFR rescinds this data call and replaces it with the 2020 Wildfire Catastrophe Claims and Fire Marshal Premium Assessment Data Call.**

This data call contains two reporting requirements for which two templates have been provided. The instructions in this call letter are split into two parts. Part 1 focuses on the Wildfire Catastrophe Claims reporting requirement. Part 2 focuses on the Fire Marshal Premium Assessment reporting requirement.

All companies listed in Appendix A of this call letter must report. Reports may be submitted by individual companies or at the group level. Additional details are below.

Both reports must be submitted using the provided templates. All reports must be submitted through an online portal managed by the NAIC. Use Google Chrome to access the online portal with the following website link: https://content.naic.org/industry_state_disaster_reporting_data_calls.htm

Part 1 must be submitted by logging into the NAIC reporting portal, selecting “PAC” as the “datacall group,” and selecting “OR_CLAIMSBYZIPCODE.”

Part 2 must be submitted by logging into the NAIC reporting portal, selecting “PAC” as the “datacall group,” and selecting “OR_FIREBYLINEDetail.”

DFR will provide updated frequently asked questions as needed based on questions received. Please submit questions promptly to <INS.MrktSurv@oregon.gov>.

Completed templates for Part 1 and Part 2 are due by end of day **March 23, 2021**. Extension requests will not be granted.

Before attempting to submit a file, please review the “File Submission Guide” available at https://content.naic.org/industry_state_disaster_reporting_data_calls.htm.

Group or individual company reporting will be accepted

DFR will accept submissions at either the group or individual company level. If you submit at the group level, the submission must cover all companies within the group. The full list of companies required to report can be found in Appendix A following this call letter. DFR will not accept a group submission for a portion of the companies required to report for the group. If DFR receives multiple acknowledgments for the same group or company, we will notify the involved parties, who then must determine how the group/company will proceed.

Acknowledgment Required

Please note: Your email acknowledgement of this call letter is due by end of day on **Mar. 2, 2021**. **Your acknowledgment must be submitted using the provided “Data Call Acknowledgment Form.”** The acknowledgment must include two contacts. These contacts will also be set up to access the NAIC reporting portal and submit the data call responses. If submitting an acknowledgment for a group, all companies within the group must be listed, by name and NAIC cocode, otherwise the acknowledgment will be rejected.

Please submit your acknowledgment to [<INS.MrktSurv@oregon.gov>](mailto:INS.MrktSurv@oregon.gov).

Group or individual companies with no information to report

A group or individual company that determines it has no information to report, based on what is required, may submit the provided “Attestation of no information to report” form. Separate attestation forms must be submitted for Part 1 and Part 2 reporting requirements. DFR will not accept a group submission for a portion of the companies required to report for the group. If DFR receives multiple attestations for the same group or company, we will notify the involved parties, who then must determine how the group/company will proceed. Attestation forms must be submitted to DFR at [<INS.MrktSurv@oregon.gov>](mailto:INS.MrktSurv@oregon.gov).

Attestations are due by end of day **Mar. 9, 2021**.

A notice will be sent by DFR in response to the submitted form confirming receipt and will state whether an exemption has been approved or denied. DFR staff may seek more information before granting the exemption. Exemption requests for all other reasons will not be accepted.

Group and company information to be provided on the reporting template

Each template will require information on the group, company, or both. This information must align across both templates.

Each template will also require contact information. This may be the primary or secondary contact established through the acknowledgment process.

If a company is submitting an individual report, input the NAIC code and company name wherever the template requests the group code or group name.

Group submissions must list all companies in the response on the reporting template. If this list of companies does not align with the list of companies provided in Appendix A, and provided through the acknowledgment process, the submission may be accepted by the NAIC’s reporting portal but will be rejected after review with the group contacts being notified by DFR.
