Anticipated Effective Date: Annual 2020

IDENTIFICATION OF ITEM(S) TO CHANGE

Adjust the AVR presentation to include separate lines for each of the expanded bond designation categories.

REASON, JUSTIFICATION FOR AND/OR BENEFIT OF CHANGE**

The Blanks Working Group and the Security Valuation Office have adopted the 20 bond designations for 2020 reporting. The reported designations will flow into the RBC but will not include factors. The current factor for designations 1-6 will remain in the RBC until an impact analysis can be done to confirm the new factors for the 20 designations. This proposal applies the same expanded presentation to the AVR as it is used to populate the life RBC formula.

NAIC STAFF COMMENTS

Comment on Effective Reporting Date: _____

Other Comments:

** This section must be completed on all forms.
