NAIC STAFF COMMENTS

Comment on Effective Reporting Date: _____

Other Comments:

** This section must be completed on all forms.

IDENTIFICATION OF ITEM(S) TO CHANGE

Modify the Annual Statement Line (ASL) numbers on the Underwriting and Investment Exhibits, State Page and Insurance Expense Exhibit to show the same ASL numbers. Make the same modification to the Quarterly Part 1 and Part 2.

Eliminate Interrogatory Questions 1 for the Insurance Expense Exhibit Interrogatories.

Change the Health ASL categories to match the Lines of Business (LOB) categories used in the Health and Life\Fraternal statements. Add the appropriate LOB definitions for those lines to the Lines of Business definitions in the appendix of the annual statement instructions.

Modify the ASL references in the State Page and Insurance Expense Exhibit instructions to reflect additions of ASL numbers to the Underwriting and Investment Exhibits, State Page and Insurance Expense Exhibit.

REASON, JUSTIFICATION FOR AND/OR BENEFIT OF CHANGE**

The differences in line titles and degree of granularity between schedules results in difficulty cross-comparing information from one schedule to another. For example, “Allied” is reported as a single line on the Underwriting and Investment Exhibit – Part 1B Premiums Written while the Exhibit of Premiums and Losses (EPL) reports, “Allied Lines,” “Multiple Peril Crop,” “Federal Flood,” “Private Crop,” and “Private Flood” all as separate components of “Allied.” The level of granularity on the EPL should be carried throughout the financial blank to ensure consistency in the review of the data across schedules.

Changing the Health ASL categories to match the Lines of Business (LOB) categories used in the Health and Life\Fraternal statements brings consistency of the LOB categories used in reporting in Health, Life\Fraternal and Property.
