REGULATORY DATA COLLECTION (RDC)

- Each company required to submit this data shall submit the data using the Regulatory Data collection (RDC) online submission application developed by the Experience Reporting Agent. (VM-51 Section 2.D)
- All users will need to have an NAIC login with RDC permissions (PBR_USER_PR role).
- In addition to the NAIC login, users must be set up within RDC for specific companies.
 - Company administrators will be set up by NAIC staff.
 - Additional users will be set up by the company administrator.

REGULATORY DATA COLLECTION (RDC) FUNCTIONALITY

- RDC will maintain all data submissions made by each company.
- For each submission, users will be able to view the total record count as well as the count of all RDC validation exceptions.
- By clicking a link the user will also be able to view the validation exception details.
