(It should be noted that Puerto Rico is participating in MCAS for the 2022 data year.)

We recommend that you check the NAIC MCAS website frequently for updates during the data filing process. It is the responsibility of the company to verify that the company's filings meet the requirements of the data request and other documentation available on the NAIC MCAS Web page.

To the extent permitted by applicable state law, your company's data will be kept confidential. Additional questions should be directed to mcas@naic.org.
