

**ALASKA COMMENTS 5.1.19**

Pg 5 First paragraph – The first mention of the PLMA should have the acronym spelled out. PLMA is fine after that.

Overall – Any mention of the PLTF or PLWG should not reference the (EX) Committee.

Pg. 11, First paragraph under the FAQ – Remove the last sentence as the documents are not on the website.

Pg 15, first paragraph – Remove the last sentence as the documents are not on the website.
