¹Amendment to existing CCPA that exempts information collected for biomedical research.

² Amendment to existing CCPA that revises definition of “deidentified”; cannot be used to infer other information about/linked to a consumer; business must take “reasonable measures”.

³ Amendments to existing CCPA that changes opt-out (offline collections & notices, opt-out icon, make opt-out requests easy to submit); authorized agents may need to submit proof that consumer gave them permission to submit request.

⁴ Only applies to internet service providers.

⁵ Proposed amendment to Nevada Internet privacy law. Defines data broker and establishment enforcement by AG.

⁶ Amendment to existing VCDPA that adds a new exemption to the VCDPA’s right to delete. Governor has until 04/11/2022 to act.
