

The GCC template reflects the following changes that were made on and after August, 8, 2022. If you prefer to keep using the GCC template posted earlier than August, 8, 2022, you can opt to make the following changes manually on the older version of the GCC Template.

- A. On the '**GCC.Param**' tab: change to X in cell J13
- B. On the '**Input 3 - Capital Instruments**' tab:
 - (1) Copy cell Q13 (i.e. line 1 column 13 on Schedule 3A)
 - (2) Highlight cells Q14:Q229 on 'Input 3' tab (i.e. lines 2 thru 217 in column 13 of Schedule 3A)
 - (3) Paste the contents of cell Q13 into the highlighted area
