RE: Health Market Conduct Annual Statement Blank (MCAS) Filing Date

Dear Ms. Weyhenmeyer and Ms. Rebholz:

The Health Industry Interested Parties ("HIIP") group is comprised of single and multi-state licensed health insurers and administrators representing comprehensive major medical and managed care health insurance carriers of all sizes located throughout the United States.

In 2019, the Working Group discussed and unanimously approved a compromise position to make June 30 the filing deadline for submission years 2020, 2021, and 2022 including an industry option to request a re-evaluation of the June 30 filing deadline for applicability beyond 2022. The health MCAS filing deadline automatically reverts to April 30 beginning with the 2023 MCAS submission year filing for 2022 data. During the 2019 Fall NAIC Meeting, the Market Regulation and Consumer Affairs (D) Committee unanimously ratified Working Group decision for a June 30 Health MCAS filing deadline.

On behalf of the HIIP group, we are writing to request that the working group consider scheduling a discussion in the near future to receive a health industry presentation on this topic and to discuss and consider options for the Health MCAS filing date for 2023 and beyond.

Thank you for your consideration of this request and please let us know if you have any questions.

Sincerely,

Joseph E. Zolecki
