

HOW TO ORDER THE *MARKET REGULATION HANDBOOK* (NON-REGULATOR) Ed. 2021

Release of the 2021 *Market Regulation Handbook*

The 2021 edition of the *Market Regulation Handbook* was released August 2021.

The 2021 edition of the *Market Regulation Handbook* incorporates all revisions adopted by the NAIC in 2020.

2021 Digital-Only *Market Regulation Handbook*

Due to the work-from-home and social distancing requirements caused by the COVID-19 pandemic, the NAIC suspended shipment of the *Market Regulation Handbook* in 2020, and in 2021, this publication continues to be offered in a digital only version. Demand remains high for accessible content in a work-from-home environment. As a result, there is a business need to make access to online content available to customers working remotely.

In order to meet these needs, the NAIC continues to offer the *Market Regulation Handbook* as a digital-only publication via an online subscription service (OSS). This new subscription service provides access to the published version of the handbook, and Market Regulation Handbook Reference Documents will be available in Account Manager. Interim updates to the 2021 Market Regulation Handbook are included as part of the 2021 Market Regulation Handbook on OSS Bookshelf. Subscriptions are specific to an individual user and access to the platform requires a redemption code, which will be provided via email following verification of the purchase.

How to Order

Non-regulators may purchase the current edition of the *Market Regulation Handbook* by:
