a. **Add Interrogatories:**

- Were there policies-in-force during the reporting period that provided blanket vendor single interest auto (vehicle) coverage?
- Were there policies-in-force during the reporting period that provided blanket vendor single interest home (residential property) coverage?

b. **Update Participation Requirements:**

**Participation Requirements:** All companies licensed and reporting at least $50,000 of lender-placed auto, $50,000 of lender-placed homeowners (hazard, wind-only and flood collectively), or $50,000 of VSI gross premium within any of the participating MCAS jurisdictions. (This threshold is subject to individual jurisdiction requirements.)

c. **Add Definition:**

Blanket Vendor Single Interest (“VSI”), for purposes of reporting experience in this Lender-Placed MCAS, means coverage issued to a lender or servicer to protect a lender’s interest and which:

- is provided through a blanket policy covering eligible collateral securing loans in the lender/servicer’s portfolio;
- premium charges to the lender/servicer are based on aggregate exposures insured as opposed to any characteristics specific to any individual vehicle or property;
- no individual certificates or policies are issued to borrowers;
- has no ongoing tracking of insurance on borrower’s loans; and
- if there is a charge to the borrower at loan origination, the same charge is made for all borrowers with eligible collateral regardless of insurance status.

d. **Add Instructions:**

- Report VSI auto experience separately from Single Interest Auto and Dual Interest Auto.
- Report VSI home experience separately from all other Lender-Placed Homeowner coverages.

  - Underwriting -- data elements 52-55 and 73-78
  - Complaints – data elements 79-80
