

CREDIT FOR REINSURANCE MODEL LAW

Preface to Credit for Reinsurance Models

~~The amendments to the NAIC Credit for Reinsurance Model Law (#785) & Regulation (#786) are part of a larger effort to modernize reinsurance regulation in the United States. The NAIC initially adopted the Reinsurance Regulatory Modernization Framework Proposal during its 2008 Winter National Meeting. The NAIC recommended that this framework be implemented through federal legislation in order to best preserve and improve state based regulation of reinsurance, ensure timely and uniform implementation throughout all NAIC member jurisdictions, and as a more comprehensive alternative to related federal legislation. In addition to this proposed federal legislation, the framework also provided that changes to state insurance laws should be considered. For example, state laws to establish requirements under which states would regulate qualified reinsurers, and also to consider reinsurance risk diversification and notice requirements for ceding insurers.~~

~~On July 21, 2010, Congress passed and the President signed related federal legislation, the Nonadmitted and Reinsurance Reform Act, which became effective July 21, 2011. While this act does not implement the NAIC framework, it does preempt the extraterritorial application of state credit for reinsurance law and permits states of domicile to proceed forward with reinsurance collateral reforms on an individual basis if they are accredited. This federal legislation also does not prohibit the states from acting together, through the NAIC, to achieve the reinsurance modernization framework goals. In addition to the current work on the credit for reinsurance models, the NAIC will continue its efforts to implement other aspects of the framework. These efforts will continue both through work conducted by the Reinsurance Task Force and through referrals to the appropriate groups within the NAIC. In addition, the NAIC will consider a proposal to form a new group to provide advisory support and assistance to states in the review of reinsurance collateral reduction applications. Such a process with respect to the review of applications for reinsurance collateral reduction and qualified jurisdictions should strengthen state regulation and prevent regulatory arbitrage. Such an effort would be supported by NAIC staff with substantial expertise to support the functions of such a group.~~

~~Finally, the NAIC will continue to work on requirements for NAIC review and approval of qualified jurisdictions, and will undertake a re-examination of the collateral amounts within two years from the effective date of the revisions to the models.~~

CREDIT FOR REINSURANCE MODEL LAW

Table of Contents

- Section 1. Purpose
- Section 2. Credit Allowed a Domestic Ceding Insurer
- Section 3. Asset or Reduction from Liability for Reinsurance Ceded by a Domestic Insurer to an Assuming Insurer not Meeting the Requirements of Section 2
- Section 4. Qualified U.S. Financial Institutions
- Section 5. Rules and Regulations
- Section 6. Reinsurance Agreements Affected

Section 1. Purpose

The purpose of this Act is to protect the interest of insureds, claimants, ceding insurers, assuming insurers and the public generally. The legislature hereby declares its intent is to ensure adequate regulation of insurers and reinsurers and adequate protection for those to whom they owe obligations. In furtherance of that state interest, the legislature hereby provides a mandate that upon the insolvency of a non-U.S. insurer or reinsurer that provides security to fund its U.S. obligations in accordance with this Act, the assets representing the security shall be maintained in the United States and claims shall be filed with and valued by the state insurance commissioner with regulatory oversight, and the assets shall be distributed, in accordance with the insurance laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic U.S. insurance companies. The legislature declares that the matters contained in this Act are fundamental to the business of insurance in accordance with 15 U.S.C. §§ 1011-1012.

Section 2. Credit Allowed a Domestic Ceding Insurer

Credit for reinsurance shall be allowed a domestic ceding insurer as either an asset or a reduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of Subsections A, B, C, D, E, ~~F~~ or G of this section; provided further, that the commissioner may adopt by regulation pursuant to Section 5B specific additional requirements relating to or setting forth: (1) the valuation of assets or reserve credits; (2) the amount and forms of security supporting reinsurance arrangements described in Section 5B; and/or (3) the circumstances pursuant to which credit will be reduced or eliminated.

Drafting Note: This new regulatory authority is being added in response to reinsurance arrangements entered into, directly or indirectly, with life/health insurer-affiliated captives, special purpose vehicles or similar entities that may not have the same statutory accounting requirements or solvency requirements as US-based multi-state life/health insurers. To assist in achieving national uniformity, commissioners are asked to strongly consider adopting regulations that are substantially similar in all material respects to NAIC adopted model regulations in the handling and treatment of such reinsurance arrangements.

Credit shall be allowed under Subsections A, B or C of this section only as respects cessions of those kinds or classes of business which the assuming insurer is licensed or otherwise permitted to write or assume in its state of domicile or, in the case of a U.S. branch of an alien assuming insurer, in the state through which it is entered and licensed to transact insurance or reinsurance. Credit shall be allowed under Subsections C or D of this section only if the applicable requirements of Subsection ~~G~~H have been satisfied.

- A. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is licensed to transact insurance or reinsurance in this state.

Drafting Note: A state that provides for licensing of reinsurance by line, for consistency should adopt an amended version of Subsection A requiring the assuming insurer to be “licensed to transact reinsurance in this state.”

- B. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is accredited by the commissioner as a reinsurer in this state. In order to be eligible for accreditation, a reinsurer must:
- (1) File with the commissioner evidence of its submission to this state’s jurisdiction;
 - (2) Submit to this state’s authority to examine its books and records;
 - (3) Be licensed to transact insurance or reinsurance in at least one state, or in the case of a U.S. branch of an alien assuming insurer, be entered through and licensed to transact insurance or reinsurance in at least one state;
 - (4) File annually with the commissioner a copy of its annual statement filed with the insurance department of its state of domicile and a copy of its most recent audited financial statement; and
 - (5) Demonstrate to the satisfaction of the commissioner that it has adequate financial capacity to meet its reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers. An assuming insurer is deemed to meet this requirement as of the time of its application if it maintains a surplus as regards policyholders in an amount not less than \$20,000,000 and its accreditation has not been denied by the commissioner within ninety (90) days after submission of its application.

Drafting Note: To qualify as an accredited reinsurer, an assuming insurer must meet all of the requirements and the standards set forth in Subsection B. If the commissioner of insurance determines that the assuming insurer has failed to continue to meet any of these qualifications, the commissioner may, upon written notice and hearing, revoke accreditation.

- C. (1) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is domiciled in, or in the case of a U.S. branch of an alien assuming insurer is entered through, a state that employs standards regarding credit for reinsurance substantially similar to those applicable under this statute and the assuming insurer or U.S. branch of an alien assuming insurer:
- (a) Maintains a surplus as regards policyholders in an amount not less than \$20,000,000; and
 - (b) Submits to the authority of this state to examine its books and records.

- (2) The requirement of Section 2C(1)(a) does not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.

Drafting Note: The term “substantially similar” means standards that equal or exceed the standards of the enacting state, as determined by the commissioner of the enacting state. It is expected that the NAIC will maintain a list of states whose laws establish standards that equal or exceed the standards of this model act.

- D. (1) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains a trust fund in a qualified U.S. financial institution, as defined in Section 4B, for the payment of the valid claims of its U.S. ceding insurers, their assigns and successors in interest. To enable the commissioner to determine the sufficiency of the trust fund, the assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the NAIC Annual Statement form by licensed insurers. The assuming insurer shall submit to examination of its books and records by the commissioner and bear the expense of examination.
- (2) (a) Credit for reinsurance shall not be granted under this subsection unless the form of the trust and any amendments to the trust have been approved by:
- (i) The commissioner of the state where the trust is domiciled; or
- (ii) The commissioner of another state who, pursuant to the terms of the trust instrument, has accepted principal regulatory oversight of the trust.
- (b) The form of the trust and any trust amendments also shall be filed with the commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in its trustees for the benefit of the assuming insurer’s U.S. ceding insurers, their assigns and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner.
- (c) The trust shall remain in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust. No later than February 28 of each year the trustee of the trust shall report to the commissioner in writing the balance of the trust and listing the trust’s investments at the preceding year-end and shall certify the date of termination of the trust, if so planned, or certify that the trust will not expire prior to the following December 31.
- (3) The following requirements apply to the following categories of assuming insurer:
- (a) The trust fund for a single assuming insurer shall consist of funds in trust in an amount not less than the assuming insurer’s liabilities attributable to reinsurance ceded by U.S. ceding insurers, and, in addition, the assuming insurer shall maintain a trustee surplus of not less than \$20,000,000, except as provided in Paragraph 3(b) of this subsection.
- (b) At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trustee surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of U.S. ceding insurers, policyholders and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates and the effect of the surplus requirements on the assuming insurer’s liquidity or solvency. The minimum required trustee surplus may not be reduced to an amount less than thirty percent (30%) of the assuming insurer’s liabilities attributable to reinsurance ceded by U.S. ceding insurers covered by the trust.

- (c) (i) In the case of a group including incorporated and individual unincorporated underwriters:
 - (I) For reinsurance ceded under reinsurance agreements with an inception, amendment or renewal date on or after January 1, 1993, the trust shall consist of a trusteed account in an amount not less than the respective underwriters' several liabilities attributable to business ceded by U.S. domiciled ceding insurers to any underwriter of the group;
 - (II) For reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding the other provisions of this Act, the trust shall consist of a trusteed account in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States; and
 - (III) In addition to these trusts, the group shall maintain in trust a trusteed surplus of which \$100,000,000 shall be held jointly for the benefit of the U.S. domiciled ceding insurers of any member of the group for all years of account; and
 - (ii) The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of regulation and solvency control by the group's domiciliary regulator as are the unincorporated members.
 - (iii) Within ninety (90) days after its financial statements are due to be filed with the group's domiciliary regulator, the group shall provide to the commissioner an annual certification by the group's domiciliary regulator of the solvency of each underwriter member; or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the group.
- (d) In the case of a group of incorporated underwriters under common administration, the group shall:
- (i) Have continuously transacted an insurance business outside the United States for at least three (3) years immediately prior to making application for accreditation;
 - (ii) Maintain aggregate policyholders' surplus of at least \$10,000,000,000;
 - (iii) Maintain a trust fund in an amount not less than the group's several liabilities attributable to business ceded by U.S. domiciled ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of the group;
 - (iv) In addition, maintain a joint trusteed surplus of which \$100,000,000 shall be held jointly for the benefit of U.S. domiciled ceding insurers of any member of the group as additional security for these liabilities; and
 - (v) Within ninety (90) days after its financial statements are due to be filed with the group's domiciliary regulator, make available to the commissioner an annual certification of each underwriter member's solvency by the member's domiciliary regulator and financial statements of each underwriter member of the group prepared by its independent public accountant.

Drafting Note: Unless otherwise stated, "commissioner" refers to the commissioner of insurance in the state where credit or a reduction from liability is taken.

Drafting Note: Consideration was given to deferring to state capital and surplus requirements as a threshold for the trusteed surplus, but it was concluded that, on the basis of risk exposure and current industry security practices, the standards for credit should be higher under Subsection D. The \$100,000,000

trusteed surplus requirement for a group including incorporated and individual unincorporated underwriters reflects the higher financial standards currently found among the states for a group of this type. The \$20,000,000 trusteed surplus requirement is an option available to assuming insurers that do not satisfy both the licensing and financial standards of Subsection B or C.

- E. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that has been certified by the commissioner as a reinsurer in this state and secures its obligations in accordance with the requirements of this subsection.
- (1) In order to be eligible for certification, the assuming insurer shall meet the following requirements:
 - (a) The assuming insurer must be domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by the commissioner pursuant to Paragraph (3) of this subsection;
 - (b) The assuming insurer must maintain minimum capital and surplus, or its equivalent, in an amount to be determined by the commissioner pursuant to regulation;
 - (c) The assuming insurer must maintain financial strength ratings from two or more rating agencies deemed acceptable by the commissioner pursuant to regulation;
 - (d) The assuming insurer must agree to submit to the jurisdiction of this state, appoint the commissioner as its agent for service of process in this state, and agree to provide security for 100 percent of the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers if it resists enforcement of a final U.S. judgment;
 - (e) The assuming insurer must agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis; and
 - (f) The assuming insurer must satisfy any other requirements for certification deemed relevant by the commissioner.
 - (2) An association including incorporated and individual unincorporated underwriters may be a certified reinsurer. In order to be eligible for certification, in addition to satisfying requirements of Paragraph (1):
 - (a) The association shall satisfy its minimum capital and surplus requirements through the capital and surplus equivalents (net of liabilities) of the association and its members, which shall include a joint central fund that may be applied to any unsatisfied obligation of the association or any of its members, in an amount determined by the commissioner to provide adequate protection;
 - (b) The incorporated members of the association shall not be engaged in any business other than underwriting as a member of the association and shall be subject to the same level of regulation and solvency control by the association's domiciliary regulator as are the unincorporated members; and
 - (c) Within ninety (90) days after its financial statements are due to be filed with the association's domiciliary regulator, the association shall provide to the commissioner an annual certification by the association's domiciliary regulator of the solvency of each underwriter member; or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the association.
 - (3) The commissioner shall create and publish a list of qualified jurisdictions, under which an assuming insurer licensed and domiciled in such jurisdiction is eligible to be considered for certification by the commissioner as a certified reinsurer.

- (a) In order to determine whether the domiciliary jurisdiction of a non-U.S. assuming insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled in the U.S. A qualified jurisdiction must agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. A jurisdiction may not be recognized as a qualified jurisdiction if the commissioner has determined that the jurisdiction does not adequately and promptly enforce final U.S. judgments and arbitration awards. Additional factors may be considered in the discretion of the commissioner.
 - (b) A list of qualified jurisdictions shall be published through the NAIC Committee Process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification in accordance with criteria to be developed under regulations.
 - (c) U.S. jurisdictions that meet the requirement for accreditation under the NAIC financial standards and accreditation program shall be recognized as qualified jurisdictions.
 - (d) If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the commissioner has the discretion to suspend the reinsurer's certification indefinitely, in lieu of revocation.
- (4) The commissioner shall assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies deemed acceptable to the commissioner pursuant to regulation. The commissioner shall publish a list of all certified reinsurers and their ratings.
- (5) A certified reinsurer shall secure obligations assumed from U.S. ceding insurers under this subsection at a level consistent with its rating, as specified in regulations promulgated by the commissioner.
- (a) In order for a domestic ceding insurer to qualify for full financial statement credit for reinsurance ceded to a certified reinsurer, the certified reinsurer shall maintain security in a form acceptable to the commissioner and consistent with the provisions of Section 3, or in a multibeneficiary trust in accordance with Subsection D of this section, except as otherwise provided in this subsection.
 - (b) If a certified reinsurer maintains a trust to fully secure its obligations subject to Subsection D of this section, and chooses to secure its obligations incurred as a certified reinsurer in the form of a multibeneficiary trust, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security as permitted by this subsection or comparable laws of other U.S. jurisdictions and for its obligations subject to Subsection D of this section. It shall be a condition to the grant of certification under Subsection E of this section that the certified reinsurer shall have bound itself, by the language of the trust and agreement with the commissioner with principal regulatory oversight of each such trust account, to fund, upon termination of any such trust account, out of the remaining surplus of such trust any deficiency of any other such trust account.
 - (c) The minimum trustee surplus requirements provided in Subsection D are not applicable with respect to a multibeneficiary trust maintained by a certified reinsurer for the purpose of securing obligations incurred under this subsection, except that such trust shall maintain a minimum trustee surplus of \$10,000,000.
 - (d) With respect to obligations incurred by a certified reinsurer under this subsection, if the security is insufficient, the commissioner shall reduce the allowable credit by an amount

proportionate to the deficiency, and has the discretion to impose further reductions in allowable credit upon finding that there is a material risk that the certified reinsurer's obligations will not be paid in full when due.

- (e) For purposes of this subsection, a certified reinsurer whose certification has been terminated for any reason shall be treated as a certified reinsurer required to secure 100 percent of its obligations.
 - (i) As used in this subsection, the term “terminated” refers to revocation, suspension, voluntary surrender and inactive status.
 - (ii) If the commissioner continues to assign a higher rating as permitted by other provisions of this section, this requirement does not apply to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended.
- (6) If an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the commissioner has the discretion to defer to that jurisdiction's certification, and has the discretion to defer to the rating assigned by that jurisdiction, and such assuming insurer shall be considered to be a certified reinsurer in this state.
- (7) A certified reinsurer that ceases to assume new business in this state may request to maintain its certification in inactive status in order to continue to qualify for a reduction in security for its in-force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this subsection, and the commissioner shall assign a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.

F. (1) Credit shall be allowed when the reinsurance is ceded to an assuming insurer meeting each of the conditions set forth below.

- (a) The assuming insurer must have its head office or be domiciled in, as applicable, and be licensed in a Reciprocal Jurisdiction. A “Reciprocal Jurisdiction” is a jurisdiction that meets one of the following:
 - (i) A non-U.S. jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and European Union, is a member state of the European Union. For purposes of this subsection, a “covered agreement” is an agreement entered into pursuant to Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. §§ 313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance;
 - (ii) A U.S. jurisdiction that meets the requirements for accreditation under the NAIC financial standards and accreditation program; or
 - (iii) A qualified jurisdiction, as determined by the commissioner pursuant to [Subsection 2E(3) of Credit for Reinsurance Model Law], which is not otherwise described in Subparagraph (a)(i) or (a)(ii) above and which meets certain additional requirements, consistent with the terms and conditions of in-force covered agreements, as specified by the commissioner in regulation.
- (b) The assuming insurer must have and maintain, on an ongoing basis, minimum capital and surplus, or its equivalent, calculated according to the methodology of its domiciliary jurisdiction, in an amount to be set forth in regulation. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, minimum capital and surplus equivalents (net of

liabilities), calculated according to the methodology applicable in its domiciliary jurisdiction, and a central fund containing a balance in amounts to be set forth in regulation.

- (c) The assuming insurer must have and maintain, on an ongoing basis, a minimum solvency or capital ratio, as applicable, which will be set forth in regulation. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, a minimum solvency or capital ratio in the Reciprocal Jurisdiction where the assuming insurer has its head office or is domiciled, as applicable, and is also licensed.
- (d) The assuming insurer must agree and provide adequate assurance to the commissioner, in a form specified by the commissioner pursuant to regulation, as follows:

 - (i) The assuming insurer must provide prompt written notice and explanation to the commissioner if it falls below the minimum requirements set forth in Subparagraphs (b) or (c), or if any regulatory action is taken against it for serious noncompliance with applicable law;
 - (ii) The assuming insurer must consent in writing to the jurisdiction of the courts of this state and to the appointment of the commissioner as agent for service of process. The commissioner may require that consent for service of process be provided to the commissioner and included in each reinsurance agreement. Nothing in this provision shall limit, or in any way alter, the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;
 - (iii) The assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;
 - (iv) Each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate; and
 - (v) The assuming insurer must confirm that it is not presently participating in any solvent scheme of arrangement which involves this state's ceding insurers, and agree to notify the ceding insurer and the commissioner and to provide security in an amount equal to one hundred percent (100%) of the assuming insurer's liabilities to the ceding insurer, should the assuming insurer enter into such a solvent scheme of arrangement. Such security shall be in a form consistent with the provisions of Section 2E and Section 3 and as specified by the commissioner in regulation.

Drafting Note: Section 9C(4)(e) of the *Credit for Reinsurance Model Regulation* (#786) sets forth the acceptable forms of security under this subparagraph by specifically referencing Sections 12, 13 and 14 of Model #786.

- (e) The assuming insurer or its legal successor must provide, if requested by the commissioner, on behalf of itself and any legal predecessors, certain documentation to the commissioner, as specified by the commissioner in regulation.
- (f) The assuming insurer must maintain a practice of prompt payment of claims under reinsurance agreements, pursuant to criteria set forth in regulation.

- (g) The assuming insurer's supervisory authority must confirm to the commissioner on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the Reciprocal Jurisdiction, that the assuming insurer complies with the requirements set forth in Subparagraphs (b) and (c).
- (h) Nothing in this provision precludes an assuming insurer from providing the commissioner with information on a voluntary basis.
- (2) The commissioner shall timely create and publish a list of Reciprocal Jurisdictions.

 - (a) A list of Reciprocal Jurisdictions is published through the NAIC Committee Process. The commissioner's list shall include any Reciprocal Jurisdiction as defined under Section 2F(1)(a)(i) and (ii), and shall consider any other Reciprocal Jurisdiction included on the NAIC list. The commissioner may approve a jurisdiction that does not appear on the NAIC list of Reciprocal Jurisdictions in accordance with criteria to be developed under regulations issued by the commissioner.
 - (b) The commissioner may remove a jurisdiction from the list of Reciprocal Jurisdictions upon a determination that the jurisdiction no longer meets the requirements of a Reciprocal Jurisdiction, in accordance with a process set forth in regulations issued by the commissioner, except that the commissioner shall not remove from the list a Reciprocal Jurisdiction as defined under Section 2F(1)(a)(i) and (ii). Upon removal of a Reciprocal Jurisdiction from this list credit for reinsurance ceded to an assuming insurer which has its home office or is domiciled in that jurisdiction shall be allowed, if otherwise allowed pursuant to [cite to state law equivalent to Credit for Reinsurance Model Law].
- (3) The commissioner shall timely create and publish a list of assuming insurers that have satisfied the conditions set forth in this subsection and to which cessions shall be granted credit in accordance with this subsection. The commissioner may add an assuming insurer to such list if an NAIC accredited jurisdiction has added such assuming insurer to a list of such assuming insurers or if, upon initial eligibility, the assuming insurer submits the information to the commissioner as required under Paragraph (1)(d) of this subsection and complies with any additional requirements that the commissioner may impose by regulation, except to the extent that they conflict with an applicable covered agreement.
- (4) If the commissioner determines that an assuming insurer no longer meets one or more of the requirements under this subsection, the commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under this subsection in accordance with procedures set forth in regulation.

 - (a) While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended or renewed after the effective date of the suspension qualifies for credit except to the extent that the assuming insurer's obligations under the contract are secured in accordance with Section 3.
 - (b) If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the commissioner and consistent with the provisions of Section 3.
- (5) If subject to a legal process of rehabilitation, liquidation or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded liabilities.

- ~~(6)~~ Nothing in this subsection shall limit or in any way alter the capacity of parties to a reinsurance agreement to agree on requirements for security or other terms in that reinsurance agreement, except as expressly prohibited by this [cite to state law equivalent to Credit for Reinsurance Model Law] or other applicable law or regulation.
- ~~(7)~~ Credit may be taken under this subsection only for reinsurance agreements entered into, amended, or renewed on or after the effective date of the statute adding this subsection, and only with respect to losses incurred and reserves reported on or after the later of (i) the date on which the assuming insurer has met all eligibility requirements pursuant to Section 2F(1) herein, and (ii) the effective date of the new reinsurance agreement, amendment, or renewal.
- ~~(a)~~ This paragraph does not alter or impair a ceding insurer's right to take credit for reinsurance, to the extent that credit is not available under this subsection, as long as the reinsurance qualifies for credit under any other applicable provision of [cite to state law equivalent to Credit for Reinsurance Model Law].
- ~~(b)~~ Nothing in this subsection shall authorize an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement except as permitted by the terms of the agreement.
- ~~(c)~~ Nothing in this subsection shall limit, or in any way alter, the capacity of parties to any reinsurance agreement to renegotiate the agreement.

~~FG.~~ Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements of Subsections A, B, C, D, ~~or E~~ or F of this section, but only as to the insurance of risks located in jurisdictions where the reinsurance is required by applicable law or regulation of that jurisdiction.

Drafting Note: For purposes of this subsection, "jurisdiction" refers to those jurisdictions other than the United States and also to any state, district or territory of the United States. Subsection E allows credit to ceding insurers that are mandated by these jurisdictions to cede to state-owned or controlled insurance or reinsurance companies or to participate in pools, guaranty associations or residual market mechanisms.

~~GH.~~ If the assuming insurer is not licensed, accredited or certified to transact insurance or reinsurance in this state, the credit permitted by Subsections C and D of this section shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:

- (1) (a) That in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, will comply with all requirements necessary to give the court jurisdiction, and will abide by the final decision of the court or of any appellate court in the event of an appeal; and
- (b) To designate the commissioner or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the ceding insurer.
- (2) This subsection is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if this obligation is created in the agreement.

~~HI.~~ If the assuming insurer does not meet the requirements of Subsections A, B, ~~or C~~ or F, the credit permitted by Subsection D or E of this section shall not be allowed unless the assuming insurer agrees in the trust agreements to the following conditions:

- (1) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by Subsection D(3) of this section, or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an

order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight all of the assets of the trust fund.

- (2) The assets shall be distributed by and claims shall be filed with and valued by the commissioner with regulatory oversight in accordance with the laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies.
 - (3) If the commissioner with regulatory oversight determines that the assets of the trust fund or any part thereof are not necessary to satisfy the claims of the U.S. ceding insurers of the grantor of the trust, the assets or part thereof shall be returned by the commissioner with regulatory oversight to the trustee for distribution in accordance with the trust agreement.
 - (4) The grantor shall waive any right otherwise available to it under U.S. law that is inconsistent with this provision.
- IJ.** If an accredited or certified reinsurer ceases to meet the requirements for accreditation or certification, the commissioner may suspend or revoke the reinsurer's accreditation or certification.
- (1) The commissioner must give the reinsurer notice and opportunity for hearing. The suspension or revocation may not take effect until after the commissioner's order on hearing, unless:
 - (a) The reinsurer waives its right to hearing;
 - (b) The commissioner's order is based on regulatory action by the reinsurer's domiciliary jurisdiction or the voluntary surrender or termination of the reinsurer's eligibility to transact insurance or reinsurance business in its domiciliary jurisdiction or in the primary certifying state of the reinsurer under Subparagraph E(6) of this section; or
 - (c) The commissioner finds that an emergency requires immediate action and a court of competent jurisdiction has not stayed the commissioner's action.
 - (2) While a reinsurer's accreditation or certification is suspended, no reinsurance contract issued or renewed after the effective date of the suspension qualifies for credit except to the extent that the reinsurer's obligations under the contract are secured in accordance with Section 3. If a reinsurer's accreditation or certification is revoked, no credit for reinsurance may be granted after the effective date of the revocation except to the extent that the reinsurer's obligations under the contract are secured in accordance with Subsection E(5) or Section 3.

JK. Concentration Risk.

- (1) A ceding insurer shall take steps to manage its reinsurance recoverables proportionate to its own book of business. A domestic ceding insurer shall notify the commissioner within thirty (30) days after reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, exceeds fifty percent (50%) of the domestic ceding insurer's last reported surplus to policyholders, or after it is determined that reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.
- (2) A ceding insurer shall take steps to diversify its reinsurance program. A domestic ceding insurer shall notify the commissioner within thirty (30) days after ceding to any single assuming insurer, or group of affiliated assuming insurers, more than twenty percent (20%) of the ceding insurer's gross written premium in the prior calendar year, or after it has determined that the reinsurance ceded to any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

Section 3. Asset or Reduction from Liability for Reinsurance Ceded by a Domestic Insurer to an Assuming Insurer not Meeting the Requirements of Section 2

An asset or a reduction from liability for the reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of Section 2 shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer; provided further, that the commissioner may adopt by regulation pursuant to Section 5B specific additional requirements relating to or setting forth: (1) the valuation of assets or reserve credits; (2) the amount and forms of security supporting reinsurance arrangements described in Section 5B; and/or (3) the circumstances pursuant to which credit will be reduced or eliminated.

Drafting Note: This new regulatory authority is being added in response to reinsurance arrangements entered into, directly or indirectly, with life/health insurer-affiliated captives, special purpose vehicles or similar entities that may not have the same statutory accounting requirements or solvency requirements as US-based multi-state life/health insurers. To assist in achieving national uniformity, commissioners are asked to strongly consider adopting regulations that are substantially similar in all material respects to NAIC adopted model regulations in the handling and treatment of such reinsurance arrangements.

The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer; or, in the case of a trust, held in a qualified U.S. financial institution, as defined in Section 4B. This security may be in the form of:

- A. Cash;
- B. Securities listed by the Securities Valuation Office of the National Association of Insurance Commissioners, including those deemed exempt from filing as defined by the Purposes and Procedures Manual of the Securities Valuation Office, and qualifying as admitted assets;
- C.
 - (1) Clean, irrevocable, unconditional letters of credit, issued or confirmed by a qualified U.S. financial institution, as defined in Section 4A, effective no later than December 31 of the year for which the filing is being made, and in the possession of, or in trust for, the ceding insurer on or before the filing date of its annual statement;
 - (2) Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance (or confirmation) shall, notwithstanding the issuing (or confirming) institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever first occurs; or

Drafting Note: Providing for the continuing acceptability of letters of credit whose issuers were acceptable when the credit support facility was first obtained is intended to avoid abrupt interruptions in the acceptability of credit support arrangements that run for specific periods of time, and thus unnecessary disruptions in the marketplace, on account of the issuing (or confirming) institution's subsequent failure to meet applicable standards of issuer acceptability (whether by virtue of a change in the issuing institution's ability to qualify under the original standards or as a result of revisions to the applicable standards). The provision stipulates that letters of credit acceptable when first obtained will, in the event of the subsequent nonqualification of the issuing (or confirming) institution, continue to be acceptable as security until the account party and beneficiary would first have, in the normal course of business, an opportunity to replace the credit support facility.

- D. Any other form of security acceptable to the commissioner.

Drafting Note: There is no implication in the requirement that the security for the payment of obligations must be held under the exclusive control of the ceding insurer that either the reserve liability or the assets held in relation to the reserve liability have not been transferred for the purposes of statutory accounting by the ceding insurer to the reinsurer.

Section 4. Qualified U.S. Financial Institutions

- A. For purposes of Section 3C, a "qualified U.S. financial institution" means an institution that:
 - (1) Is organized or (in the case of a U.S. office of a foreign banking organization) licensed, under the laws of the United States or any state thereof;
 - (2) Is regulated, supervised and examined by U.S. federal or state authorities having regulatory authority over banks and trust companies; and

- (3) Has been determined by either the commissioner or the Securities Valuation Office of the National Association of Insurance Commissioners to meet such standards of financial condition and standing as are considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to the commissioner.

Drafting Note: The NAIC’s Securities Valuation Office (SVO) maintains, on a current basis, a list of all U.S. financial institutions that have, upon application to the SVO, been determined to meet the eligibility standards of its *Purposes and Procedures Manual*. These standards, developed by the NAIC’s Letter of Credit (EX4) Study Group, make use of nationally recognized ratings services, and are more rigorous in the case of foreign banking organizations (whose standby letters of credit must be issued or confirmed by a qualified U.S. financial institution) than those that are applicable to domestic financial institutions whose standby letters of credit would be considered acceptable.

- B. A “qualified U.S. financial institution” means, for purposes of those provisions of this law specifying those institutions that are eligible to act as a fiduciary of a trust, an institution that:
- (1) Is organized, or, in the case of a U.S. branch or agency office of a foreign banking organization, licensed, under the laws of the United States or any state thereof and has been granted authority to operate with fiduciary powers; and
 - (2) Is regulated, supervised and examined by federal or state authorities having regulatory authority over banks and trust companies.

Drafting Note: Because assets held in a fiduciary capacity are not subject to the claims of the trustee’s creditors, and because the trust departments of all U.S. financial institutions (including U.S. branch or agency offices of foreign banking organizations having fiduciary powers in the U.S.) are regulated, supervised and examined by the institution’s primary U.S. bank regulatory authority (federal or state), there is no need to apply additional standards measuring the financial condition or standing of the institution, as in the case of determining those institutions whose standby letter of credit obligations will be considered acceptable.

Section 5. Rules and Regulations

- A. The commissioner may adopt rules and regulations implementing the provisions of this law.

Drafting Note: It is recognized that credit for reinsurance also can be affected by other sections of the enacting state’s code, e.g., a statutory insolvency clause or an intermediary clause. It is recommended that states that do not have a statutory insolvency clause or an intermediary clause consider incorporating such clauses in their legislation.

- B. The commissioner is further authorized to adopt rules and regulations applicable to reinsurance arrangements described in Paragraph (1) of this Section 5B.

Drafting Note: This new regulatory authority is being added in response to reinsurance arrangements entered into, directly or indirectly, with life/health insurer-affiliated captives, special purpose vehicles or similar entities that may not have the same statutory accounting requirements or solvency requirements as US-based multi-state life/health insurers. To assist in achieving national uniformity, commissioners are asked to strongly consider adopting regulations that are substantially similar in all material respects to NAIC adopted model regulations in the handling and treatment of such policies and reinsurance arrangements.

- (1) A regulation adopted pursuant to this Section 5B, may apply only to reinsurance relating to:
 - (a) Life insurance policies with guaranteed nonlevel gross premiums or guaranteed nonlevel benefits;
 - (b) Universal life insurance policies with provisions resulting in the ability of a policyholder to keep a policy in force over a secondary guarantee period;
 - (c) Variable annuities with guaranteed death or living benefits;
 - (d) Long-term care insurance policies; or
 - (e) Such other life and health insurance and annuity products as to which the NAIC adopts model regulatory requirements with respect to credit for reinsurance.
- (2) A regulation adopted pursuant to Paragraph 1(a) or 1(b) of this Section 5B, may apply to any treaty containing (i) policies issued on or after January 1, 2015, and/or (ii) policies issued prior to

January 1, 2015, if risk pertaining to such pre-2015 policies is ceded in connection with the treaty, in whole or in part, on or after January 1, 2015.

Drafting Note: The NAIC's Actuarial Guideline XLVIII (AG 48) became effective January 1, 2015, and covers policies ceded on or after this date unless they were ceded as part of a reserve financing arrangement as of December 31, 2014. One regulation contemplated by this revision to the NAIC Credit for Reinsurance Model Law is intended to substantially replicate the requirements for the amounts and forms of security held under the rules provided in AG 48. AG 48 was written to sunset upon a state's adoption (pursuant to the enabling authority of the preceding paragraph) of a regulation with terms substantially similar to AG 48. The preceding paragraph is intended to provide continuity of rules applicable to those policies and reinsurance arrangements, including continuity as to the policies covered by such rules. The preceding paragraph is not intended to change the scope of, or collateral requirements for policies and treaties covered under AG 48.

- (3) A regulation adopted pursuant to this Section 5B may require the ceding insurer, in calculating the amounts or forms of security required to be held under regulations promulgated under this authority, to use the Valuation Manual adopted by the NAIC under Section 11B(1) of the NAIC Standard Valuation Law, including all amendments adopted by the NAIC and in effect on the date as of which the calculation is made, to the extent applicable.
- (4) A regulation adopted pursuant to this Section 5B shall not apply to cessions to an assuming insurer that:
 - (a) Meets the conditions set forth in Section 2F of the Credit for Reinsurance Model Law in this state or, if this state has not adopted provisions substantially equivalent to Section 2F of the Credit for Reinsurance Model Law, the assuming insurer is operating in accordance with provisions substantially equivalent to Section 2F of the Credit for Reinsurance Model Law in a minimum of five (5) other states; or
 - ~~(a)~~(b) Is certified in this state or, if this state has not adopted provisions substantially equivalent to Section 2E of the Credit for Reinsurance Model Law, certified in a minimum of five (5) other states; or
 - ~~(b)~~(c) Maintains at least \$250 million in capital and surplus when determined in accordance with the NAIC *Accounting Practices and Procedures Manual*, including all amendments thereto adopted by the NAIC, excluding the impact of any permitted or prescribed practices; and is
 - (i) licensed in at least 26 states; or
 - (ii) licensed in at least 10 states, and licensed or accredited in a total of at least 35 states.
- (5) The authority to adopt regulations pursuant to this Section 5B does not limit the commissioner's general authority to adopt regulations pursuant to Section 5A of this law.

Section 6. Reinsurance Agreements Affected

This Act shall apply to all cessions after the effective date of this Act under reinsurance agreements that have an inception, anniversary or renewal date not less than six (6) months after the effective date of this Act.

Drafting Note: The enacting state may wish to provide a delay in the applicability greater than six (6) months to allow time for the insurance commissioner to promulgate regulations and to allow reinsurers to prepare and submit qualifying data.
