

**NEW MEXICO COMMENTS 4.25.19**

*Good Afternoon,*

*My only comment is on page 18, Limitations on Nonresidents. The statement (below) is confusing.*

**CHAPTER 4 - PAGE 18**

*Limitations on Nonresidents*

States had to eliminate licensing restrictions that required a nonresident producer to maintain a residence or office in the nonresident state so long as the nonresident's license **was from one of the U.S., the District of Columbia or the U.S. territories.** The NARAB Working Group stated it was not a violation of GLBA reciprocity requirements if a state required nonresidents to provide proof of citizenship; however, under the ULS, it is the responsibility of the resident state to verify an applicant's citizenship status.

**Please contact me if you have any questions or concerns.**
