

Password Reset

Users may reset their password by entering their current password and setting up a new password.

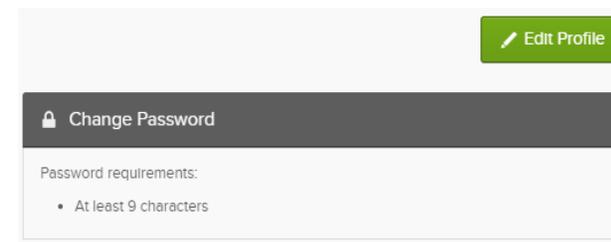

1. From **My Profile** click on the **Change Password** button.

2. Enter Password and click **Verify**.

The screenshot shows the NAIC logo at the top left. Below it, the text "Please verify your password" is displayed. Underneath, there is a label "Password" followed by a text input field. At the bottom of the form is a button labeled "Verify".

3. Click **Edit Profile**.

The screenshot shows a dialog box titled "Change Password" with a lock icon. In the top right corner of the dialog, there is a green button labeled "Edit Profile". Below the title, the text "Password requirements:" is followed by a list item: "• At least 9 characters".

Note: Users will be prompted to set up security questions if [Forgot Password](#) is not set up.

4. Enter current password, new password and confirm new password.
