

2025 Insurance Summit – CE Credit FAQs

How many credits will be awarded for each 50-minute session?

The number of CPE / DRC credits depends on the length of the webinar. One CPE / DRC credit is based on 50 minutes of content.

Will there be a Q&A session during each session?

Both in-person and online attendees will be able to ask questions at the end of the presentation if time allows.

How will attendance be monitored?

Those attending in person:

- Will have RFID tracking in their badges to track attendance through monitoring of their entrance and exit of each session
- Will be able to ask questions towards the end of each presentation

Those attending online:

- Are required to answer polling questions randomly throughout each session
- Must answer at least three polling questions (including name and email) for each 50-minute session to receive credit
- Login and logout times will also be reviewed.

Insurance Summit attendees are expected to attend the entire session.

How do I respond to polling questions?

Will credit be available for recorded sessions?

Credit is only granted for the live sessions (in-person and virtual). No credit is awarded for recorded sessions.
