ARTICLE I. GENERAL PROVISIONS

Section 1. Authority

This regulation is promulgated pursuant to the authority granted by Sections [insert applicable sections] of the Insurance Law.

Section 2. Purpose and Scope

- A. Purpose. This regulation governs the treatment of nonpublic personal health information and nonpublic personal financial information about individuals by all licensees of the state insurance department. This regulation:
- (1) Requires a licensee to provide notice to individuals about its privacy policies and practices;
 - (2) Describes the conditions under which a licensee may disclose nonpublic personal health information and nonpublic personal financial information about individuals to affiliates and nonaffiliated third parties; and
 - (3) Provides methods for individuals to prevent a licensee from disclosing that information.
- B. Scope. This regulation applies to:
- (1) Nonpublic personal financial information about individuals who obtain or are claimants or beneficiaries of products or services primarily for personal, family or household purposes from licensees. This regulation does not apply to information about companies or about individuals who obtain products or services for business, commercial or agricultural purposes; and
 - (2) All nonpublic personal health information.
- C. Compliance. A licensee domiciled in this state that is in compliance with this regulation in a state that has not enacted laws or regulations that meet the requirements of Title V of the Gramm-Leach-Bliley Act (PL 102-106) may nonetheless be deemed to be in compliance with Title V of the Gramm-Leach-Bliley Act in the other state.

Drafting Note: Subsection C is intended to give licensees some guidance for complying with Title V of the Gramm-Leach-Bliley Act in those states that do not have laws or regulations that meet GLBA's privacy requirements.

Section 3. Rule of Construction

The examples in this regulation, the sample clauses in Appendix A, and the Federal Model Privacy Form in Appendix B of this regulation are not exclusive. Compliance with an example, use of a sample clause, or the Federal Privacy Model Form, to the extent applicable, constitutes compliance with this regulation.

Licensees may rely on use of the Federal Privacy Form in Appendix B, consistent with the attached instructions, as a safe harbor of compliance with the privacy notice content requirements of this regulation.

Use of the Federal Model Privacy Form is not required. Licensees may continue to use other types of privacy notices, including notices that contain the examples in this regulation and/or the sample clauses in Appendix A, provided that such notices accurately describe the Licensee's privacy practices and otherwise meet the notice content requirements of this regulation. However, while Licensees may continue to use privacy notices that contain the examples in this regulation and/or the sample clauses in Appendix A, Licensees may not rely on use of privacy notices with the sample clauses in Appendix A as a safe harbor of compliance with the notice content requirements of this regulation after July 1, 2019.

Drafting Note: Safe harbor of compliance with this regulation for use of sample clauses in Appendix A sunsets on July 1, 2019.

Section 4. Definitions

As used in this regulation, unless the context requires otherwise:

- A. “Affiliate” means a company that controls, is controlled by or is under common control with another company.
- B. (1) “Clear and conspicuous” means that a notice is reasonably understandable and designed to call attention to the nature and significance of the information in the notice.
 - (2) Examples.
 - (a) Reasonably understandable. A licensee makes its notice reasonably understandable if it:
 - (i) Presents the information in the notice in clear, concise sentences, paragraphs and sections;
 - (ii) Uses short explanatory sentences or bullet lists whenever possible;
 - (iii) Uses definite, concrete, everyday words and active voice whenever possible;
 - (iv) Avoids multiple negatives;
 - (v) Avoids legal and highly technical business terminology whenever possible; and
 - (vi) Avoids explanations that are imprecise and readily subject to different interpretations.
 - (b) Designed to call attention. A licensee designs its notice to call attention to the nature and significance of the information in it if the licensee:

 - (iii) Provides wide margins and ample line spacing;
 - (iv) Uses boldface or italics for key words; and
 - (v) In a form that combines the licensee’s notice with other information, uses distinctive type size, style, and graphic devices, such as shading or sidebars.
 - (c) Notices on web sites. If a licensee provides a notice on a web page, the licensee designs its notice to call attention to the nature and significance of the information in it if the licensee uses text or visual cues to encourage scrolling down the page if necessary to view the entire notice and ensure that other elements on the web site (such as text, graphics, hyperlinks or sound) do not distract attention from the notice, and the licensee either:
 - (i) Places the notice on a screen that consumers frequently access, such as a page on which transactions are conducted; or
 - (ii) Places a link on a screen that consumers frequently access, such as a page on which transactions are conducted, that connects directly to the notice and is labeled appropriately to convey the importance, nature and relevance of the notice.

- C. “Collect” means to obtain information that the licensee organizes or can retrieve by the name of an individual or by identifying number, symbol or other identifying particular assigned to the individual, irrespective of the source of the underlying information.
- D. “Commissioner” means the insurance commissioner of the state.

Drafting Note: Use the title of the chief insurance regulatory official wherever the term “commissioner” appears. If the jurisdiction of certain health licensees, such as health maintenance organizations, lies with some state agency other than the insurance department, or if there is dual regulation, a state should add language referencing that agency to ensure the appropriate coordination of responsibilities.

- E. “Company” means a corporation, limited liability company, business trust, general or limited partnership, association, sole proprietorship or similar organization.
- F. (1) “Consumer” means an individual who seeks to obtain, obtains or has obtained an insurance product or service from a licensee that is to be used primarily for personal, family or household purposes, and about whom the licensee has nonpublic personal information, or that individual’s legal representative.
 - (2) Examples.
 - (a) An individual who provides nonpublic personal information to a licensee in connection with obtaining or seeking to obtain financial, investment or economic advisory services relating to an insurance product or service is a consumer regardless of whether the licensee establishes an ongoing advisory relationship.
 - (b) An applicant for insurance prior to the inception of insurance coverage is a licensee’s consumer.
 - (c) An individual who is a consumer of another financial institution is not a licensee’s consumer solely because the licensee is acting as agent for, or provides processing or other services to, that financial institution.
 - (d) An individual is a licensee’s consumer if:
 - (i) (I) The individual is a beneficiary of a life insurance policy underwritten by the licensee;
 - (II) The individual is a claimant under an insurance policy issued by the licensee;
 - (III) The individual is an insured or an annuitant under an insurance policy or an annuity, respectively, issued by the licensee; or
 - (IV) The individual is a mortgagor of a mortgage covered under a mortgage insurance policy; and
 - (ii) The licensee discloses nonpublic personal financial information about the individual to a nonaffiliated third party other than as permitted under Sections 15, 16 and 17 of this regulation.
 - (e) Provided that the licensee provides the initial, annual and revised notices under Section 10 of this regulation to the plan sponsor, group or blanket insurance policyholder or group annuity contractholder, or workers’ compensation policyholder, and further provided that the licensee does not disclose to a nonaffiliated third party nonpublic personal financial information about an individual described in Item (i), (ii) or (iii), other than as permitted under Sections 15, 16 and 17 of this regulation, such an individual is not the consumer of the licensee solely because he or she is:

- (i) A participant or a beneficiary of an employee benefit plan that the licensee administers or sponsors or for which the licensee acts as a trustee, insurer or fiduciary;
- (ii) Covered under a group or blanket insurance policy or group annuity contract issued by the licensee; or
- (iii) A claimant covered by a workers' compensation plan.

Drafting Note: In states where the workers' compensation self-insurance or workers' compensation state fund coverage is outside the commissioner's jurisdiction, regulators may wish to urge the applicable agency or agencies to promulgate a regulation similar to this regulation in order to ensure parity in treatment of workers' compensation plans and to ensure that all workers covered by such plans have privacy protections.

- (f) (i) The individuals described in Subparagraph (e)(i) through (iii) of this paragraph are consumers of a licensee if the licensee does not meet all the conditions of Subparagraph (e).
- (ii) In no event shall the individuals, solely by virtue of the status described in Subparagraph (e)(i) through (iii) above, be deemed to be customers for purposes of this regulation.
- (g) An individual is not a licensee's consumer solely because he or she is a beneficiary of a trust for which the licensee is a trustee.
- (h) An individual is not a licensee's consumer solely because he or she has designated the licensee as trustee for a trust.

H. "Control" means:

 - (vii) The individual is an insured or an annuitant under an insurance policy or annuity, respectively, but is not the policyholder or owner of the insurance policy or annuity; or
 - (viii) For the purposes of this regulation, the individual's last known address according to the licensee's records is deemed invalid. ARTICLE II. PRIVACY AND OPT OUT NOTICES FOR FINANCIAL INFORMATION

Section 5. Initial Privacy Notice to Consumers Required

- A. Initial notice requirement. A licensee shall provide a clear and conspicuous notice that accurately reflects its privacy policies and practices to:
- (1) Customer. An individual who becomes the licensee’s customer, not later than when the licensee establishes a customer relationship, except as provided in Subsection E of this section; and
 - (2) Consumer. A consumer, before the licensee discloses any nonpublic personal financial information about the consumer to any nonaffiliated third party, if the licensee makes a disclosure other than as authorized by Sections 16 and 17.
- B. When initial notice to a consumer is not required. A licensee is not required to provide an initial notice to a consumer under Subsection A(2) of this section if:
- (1) The licensee does not disclose any nonpublic personal financial information about the consumer to any nonaffiliated third party, other than as authorized by Sections 16 and 17, and the licensee does not have a customer relationship with the consumer; or
 - (2) A notice has been provided by an affiliated licensee, as long as the notice clearly identifies all licensees to whom the notice applies and is accurate with respect to the licensee and the other institutions.
- C. When the licensee establishes a customer relationship.
- (1) General rule. A licensee establishes a customer relationship at the time the licensee and the consumer enter into a continuing relationship.
 - (2) Examples of establishing customer relationship. A licensee establishes a customer relationship when the consumer:
 - (a) Becomes a policyholder of a licensee that is an insurer when the insurer delivers an insurance policy or contract to the consumer, or in the case of a licensee that is an insurance producer or insurance broker, obtains insurance through that licensee; or
 - (b) Agrees to obtain financial, economic or investment advisory services relating to insurance products or services for a fee from the licensee.
- D. Existing customers. When an existing customer obtains a new insurance product or service from a licensee that is to be used primarily for personal, family or household purposes, the licensee satisfies the initial notice requirements of Subsection A of this section as follows:
- (1) The licensee may provide a revised policy notice, under Section 9, that covers the customer’s new insurance product or service; or
 - (2) If the initial, revised or annual notice that the licensee most recently provided to that customer was accurate with respect to the new insurance product or service, the licensee does not need to provide a new privacy notice under Subsection A of this section.
- E. Exceptions to allow subsequent delivery of notice.
- (1) A licensee may provide the initial notice required by Subsection A(1) of this section within a reasonable time after the licensee establishes a customer relationship if:
 - (a) Establishing the customer relationship is not at the customer’s election; or

- (b) Providing notice not later than when the licensee establishes a customer relationship would substantially delay the customer's transaction and the customer agrees to receive the notice at a later time.
 - (2) Examples of exceptions.
 - (a) Not at customer's election. Establishing a customer relationship is not at the customer's election if a licensee acquires or is assigned a customer's policy from another financial institution or residual market mechanism and the customer does not have a choice about the licensee's acquisition or assignment.
 - (b) Substantial delay of customer's transaction. Providing notice not later than when a licensee establishes a customer relationship would substantially delay the customer's transaction when the licensee and the individual agree over the telephone to enter into a customer relationship involving prompt delivery of the insurance product or service.
 - (c) No substantial delay of customer's transaction. Providing notice not later than when a licensee establishes a customer relationship would not substantially delay the customer's transaction when the relationship is initiated in person at the licensee's office or through other means by which the customer may view the notice, such as on a web site.
- F. Delivery. When a licensee is required to deliver an initial privacy notice by this section, the licensee shall deliver it according to Section 11. If the licensee uses a short-form initial notice for non-customers according to Section 7D, the licensee may deliver its privacy notice according to Section 7D(3).

Section 6. Annual Privacy Notice to Customers Required

- A.
 - (1) General rule. A licensee shall provide a clear and conspicuous notice to customers that accurately reflects its privacy policies and practices not less than annually during the continuation of the customer relationship. Annually means at least once in any period of twelve (12) consecutive months during which that relationship exists. A licensee may define the twelve-consecutive-month period, but the licensee shall apply it to the customer on a consistent basis.
 - (2) Example. A licensee provides a notice annually if it defines the twelve-consecutive-month period as a calendar year and provides the annual notice to the customer once in each calendar year following the calendar year in which the licensee provided the initial notice. For example, if a customer opens an account on any day of year 1, the licensee shall provide an annual notice to that customer by December 31 of year 2.
- B. Exception to general rule. A licensee that provides nonpublic personal information to nonaffiliated third parties only in accordance with Sections 15, 16, or 17 and has not changed its policies and practices with regard to disclosing nonpublic personal information from the policies and practices that were disclosed in the most recent disclosure sent to consumers in accordance with this section or Section 5 shall not be required to provide an annual disclosure under this section until such time as the licensee fails to comply with any criteria described in this paragraph.
- C.
 - (1) Termination of customer relationship. A licensee is not required to provide an annual notice to a former customer. A former customer is an individual with whom a licensee no longer has a continuing relationship.
 - (2) Examples.
 - (a) A licensee no longer has a continuing relationship with an individual if the individual no longer is a current policyholder of an insurance product or no longer obtains insurance services with or through the licensee.

- (b) A licensee no longer has a continuing relationship with an individual if the individual's policy is lapsed, expired or otherwise inactive or dormant under the licensee's business practices, and the licensee has not communicated with the customer about the relationship for a period of twelve (12) consecutive months, other than to provide annual privacy notices, material required by law or regulation, or promotional materials.
 - (c) For the purposes of this regulation, a licensee no longer has a continuing relationship with an individual if the individual's last known address according to the licensee's records is deemed invalid. An address of record is deemed invalid if mail sent to that address by the licensee has been returned by the postal authorities as undeliverable and if subsequent attempts by the licensee to obtain a current valid address for the individual have been unsuccessful.
 - (d) A licensee no longer has a continuing relationship with a customer in the case of providing real estate settlement services, at the time the customer completes execution of all documents related to the real estate closing, payment for those services has been received, or the licensee has completed all of its responsibilities with respect to the settlement, including filing documents on the public record, whichever is later.
- D. Delivery. When a licensee is required by this section to deliver an annual privacy notice, the licensee shall deliver it according to Section 11.

Section 7. Information to be Included in Privacy Notices

- A. General rule. The initial, annual and revised privacy notices that a licensee provides under Sections 5, 6 and 9 shall include each of the following items of information, in addition to any other information the licensee wishes to provide, that applies to the licensee and to the consumers to whom the licensee sends its privacy notice:
- (1) The categories of nonpublic personal financial information that the licensee collects;
 - (2) The categories of nonpublic personal financial information that the licensee discloses;
 - (3) The categories of affiliates and nonaffiliated third parties to whom the licensee discloses nonpublic personal financial information, other than those parties to whom the licensee discloses information under Sections 16 and 17;
 - (4) The categories of nonpublic personal financial information about the licensee's former customers that the licensee discloses and the categories of affiliates and nonaffiliated third parties to whom the licensee discloses nonpublic personal financial information about the licensee's former customers, other than those parties to whom the licensee discloses information under Sections 16 and 17;
 - (5) If a licensee discloses nonpublic personal financial information to a nonaffiliated third party under Section 15 (and no other exception in Sections 16 and 17 applies to that disclosure), a separate description of the categories of information the licensee discloses and the categories of third parties with whom the licensee has contracted;
 - (6) An explanation of the consumer's right under Section 12A to opt out of the disclosure of nonpublic personal financial information to nonaffiliated third parties, including the methods by which the consumer may exercise that right at that time;
 - (7) Any disclosures that the licensee makes under Section 603(d)(2)(A)(iii) of the federal Fair Credit Reporting Act (15 U.S.C. 1681a(d)(2)(A)(iii)) (that is, notices regarding the ability to opt out of disclosures of information among affiliates);
 - (8) The licensee's policies and practices with respect to protecting the confidentiality and security of nonpublic personal information; and

- (9) Any disclosure that the licensee makes under Subsection B of this section.
- B. Description of parties subject to exceptions. If a licensee discloses nonpublic personal financial information as authorized under Sections 16 and 17, the licensee is not required to list those exceptions in the initial or annual privacy notices required by Sections 5 and 6. When describing the categories of parties to whom disclosure is made, the licensee is required to state only that it makes disclosures to other affiliated or nonaffiliated third parties, as applicable, as permitted by law.
- C. Examples.
- (1) Categories of nonpublic personal financial information that the licensee collects. A licensee satisfies the requirement to categorize the nonpublic personal financial information it collects if the licensee categorizes it according to the source of the information, as applicable:
- (a) Information from the consumer;
 - (b) Information about the consumer's transactions with the licensee or its affiliates;
 - (c) Information about the consumer's transactions with nonaffiliated third parties; and
 - (d) Information from a consumer reporting agency.
- (2) Categories of nonpublic personal financial information a licensee discloses.
- (a) A licensee satisfies the requirement to categorize nonpublic personal financial information it discloses if the licensee categorizes the information according to source, as described in Paragraph (1), as applicable, and provides a few examples to illustrate the types of information in each category. These might include:
 - (i) Information from the consumer, including application information, such as assets and income and identifying information, such as name, address and social security number;
 - (ii) Transaction information, such as information about balances, payment history and parties to the transaction; and
 - (iii) Information from consumer reports, such as a consumer's creditworthiness and credit history.
 - (b) A licensee does not adequately categorize the information that it discloses if the licensee uses only general terms, such as transaction information about the consumer.
 - (c) If a licensee reserves the right to disclose all of the nonpublic personal financial information about consumers that it collects, the licensee may simply state that fact without describing the categories or examples of nonpublic personal information that the licensee discloses.
- (3) Categories of affiliates and nonaffiliated third parties to whom the licensee discloses.
- (a) A licensee satisfies the requirement to categorize the affiliates and nonaffiliated third parties to which the licensee discloses nonpublic personal financial information about consumers if the licensee identifies the types of businesses in which they engage.
 - (b) Types of businesses may be described by general terms only if the licensee uses a few illustrative examples of significant lines of business. For example, a licensee may use the term financial products or services if it includes appropriate examples of significant lines of businesses, such as life insurer, automobile insurer, consumer banking or securities brokerage.

- (c) A licensee also may categorize the affiliates and nonaffiliated third parties to which it discloses nonpublic personal financial information about consumers using more detailed categories.
- (4) Disclosures under exception for service providers and joint marketers. If a licensee discloses nonpublic personal financial information under the exception in Section 15 to a nonaffiliated third party to market products or services that it offers alone or jointly with another financial institution, the licensee satisfies the disclosure requirement of Subsection A(5) of this section if it:
- (a) Lists the categories of nonpublic personal financial information it discloses, using the same categories and examples the licensee used to meet the requirements of Subsection A(2) of this section, as applicable; and
 - (b) States whether the third party is:
 - (i) A service provider that performs marketing services on the licensee’s behalf or on behalf of the licensee and another financial institution; or
 - (ii) A financial institution with whom the licensee has a joint marketing agreement.
- (5) Simplified notices. If a licensee does not disclose, and does not wish to reserve the right to disclose, nonpublic personal financial information about customers or former customers to affiliates or nonaffiliated third parties except as authorized under Sections 16 and 17, the licensee may simply state that fact, in addition to the information it shall provide under Subsections A(1), A(8), A(9) and Subsection B of this section.
- (6) Confidentiality and security. A licensee describes its policies and practices with respect to protecting the confidentiality and security of nonpublic personal financial information if it does both of the following:
- (a) Describes in general terms who is authorized to have access to the information; and
 - (b) States whether the licensee has security practices and procedures in place to ensure the confidentiality of the information in accordance with the licensee’s policy. The licensee is not required to describe technical information about the safeguards it uses.
- D. Short-form initial notice with opt out notice for non-customers.
- (1) A licensee may satisfy the initial notice requirements in Sections 5A(2) and 8C for a consumer who is not a customer by providing a short-form initial notice at the same time as the licensee delivers an opt out notice as required in Section 8.
 - (2) A short-form initial notice shall:
 - (a) Be clear and conspicuous;
 - (b) State that the licensee’s privacy notice is available upon request; and
 - (c) Explain a reasonable means by which the consumer may obtain that notice.
 - (3) The licensee shall deliver its short-form initial notice according to Section 10. The licensee is not required to deliver its privacy notice with its short-form initial notice. The licensee instead may simply provide the consumer a reasonable means to obtain its privacy notice. If a consumer who receives the licensee’s short-form notice requests the licensee’s privacy notice, the licensee shall deliver its privacy notice according to Section 11.
 - (4) Examples of obtaining privacy notice. The licensee provides a reasonable means by which a consumer may obtain a copy of its privacy notice if the licensee:

- (a) Provides a toll-free telephone number that the consumer may call to request the notice; or
 - (b) For a consumer who conducts business in person at the licensee's office, maintains copies of the notice on hand that the licensee provides to the consumer immediately upon request.
- E. Future disclosures. The licensee's notice may include:
- (1) Categories of nonpublic personal financial information that the licensee reserves the right to disclose in the future, but does not currently disclose; and
 - (2) Categories of affiliates or nonaffiliated third parties to whom the licensee reserves the right in the future to disclose, but to whom the licensee does not currently disclose, nonpublic personal financial information.
- F. Sample Clauses and Federal Model Privacy Form. Sample clauses illustrating some of the notice content required by this section and the Federal Model Privacy Form are included in Appendix A and Appendix B, respectively, of this regulation.

Section 8. Form of Opt Out Notice to Consumers and Opt Out Methods

- A. (1) Form of opt out notice. If a licensee is required to provide an opt out notice under Section 12A, it shall provide a clear and conspicuous notice to each of its consumers that accurately explains the right to opt out under that section. The notice shall state:
- (a) That the licensee discloses or reserves the right to disclose nonpublic personal financial information about its consumer to a nonaffiliated third party;
 - (b) That the consumer has the right to opt out of that disclosure; and
 - (c) A reasonable means by which the consumer may exercise the opt out right.
- (2) Examples.
- (a) Adequate opt out notice. A licensee provides adequate notice that the consumer can opt out of the disclosure of nonpublic personal financial information to a nonaffiliated third party if the licensee:
 - (i) Identifies all of the categories of nonpublic personal financial information that it discloses or reserves the right to disclose, and all of the categories of nonaffiliated third parties to which the licensee discloses the information, as described in Section 7A(2) and (3), and states that the consumer can opt out of the disclosure of that information; and
 - (ii) Identifies the insurance products or services that the consumer obtains from the licensee, either singly or jointly, to which the opt out direction would apply.
 - (b) Reasonable opt out means. A licensee provides a reasonable means to exercise an opt out right if it:
 - (i) Designates check-off boxes in a prominent position on the relevant forms with the opt out notice;
 - (ii) Includes a reply form together with the opt out notice;
 - (iii) Provides an electronic means to opt out, such as a form that can be sent via electronic mail or a process at the licensee's web site, if the consumer agrees to the electronic delivery of information; or

- (iv) Provides a toll-free telephone number that consumers may call to opt out.
 - (c) Unreasonable opt out means. A licensee does not provide a reasonable means of opting out if:
 - (i) The only means of opting out is for the consumer to write his or her own letter to exercise that opt out right; or
 - (ii) The only means of opting out as described in any notice subsequent to the initial notice is to use a check-off box that the licensee provided with the initial notice but did not include with the subsequent notice.
 - (d) Specific opt out means. A licensee may require each consumer to opt out through a specific means, as long as that means is reasonable for that consumer.
- B. Same form as initial notice permitted. A licensee may provide the opt out notice together with or on the same written or electronic form as the initial notice the licensee provides in accordance with Section 5.
- C. Initial notice required when opt out notice delivered subsequent to initial notice. If a licensee provides the opt out notice later than required for the initial notice in accordance with Section 5, the licensee shall also include a copy of the initial notice with the opt out notice in writing or, if the consumer agrees, electronically.
- D. Joint relationships.
 - (1) If two (2) or more consumers jointly obtain an insurance product or service from a licensee, the licensee may provide a single opt out notice. The licensee's opt out notice shall explain how the licensee will treat an opt out direction by a joint consumer (as explained in Paragraph (5) of this subsection).
 - (2) Any of the joint consumers may exercise the right to opt out. The licensee may either:
 - (a) Treat an opt out direction by a joint consumer as applying to all of the associated joint consumers; or
 - (b) Permit each joint consumer to opt out separately.
 - (3) If a licensee permits each joint consumer to opt out separately, the licensee shall permit one of the joint consumers to opt out on behalf of all of the joint consumers.
 - (4) A licensee may not require all joint consumers to opt out before it implements any opt out direction.
 - (5) Example. If John and Mary are both named policyholders on a homeowner's insurance policy issued by a licensee and the licensee sends policy statements to John's address, the licensee may do any of the following, but it shall explain in its opt out notice which opt out policy the licensee will follow:
 - (a) Send a single opt out notice to John's address, but the licensee shall accept an opt out direction from either John or Mary.
 - (b) Treat an opt out direction by either John or Mary as applying to the entire policy. If the licensee does so and John opts out, the licensee may not require Mary to opt out as well before implementing John's opt out direction.

- (c) Permit John and Mary to make different opt out directions. If the licensee does so:
 - (i) It shall permit John and Mary to opt out for each other;
 - (ii) If both opt out, the licensee shall permit both of them to notify it in a single response (such as on a form or through a telephone call); and
 - (iii) If John opts out and Mary does not, the licensee may only disclose nonpublic personal financial information about Mary, but not about John and not about John and Mary jointly.
- E. Time to comply with opt out. A licensee shall comply with a consumer's opt out direction as soon as reasonably practicable after the licensee receives it.
- F. Continuing right to opt out. A consumer may exercise the right to opt out at any time.
- G. Duration of consumer's opt out direction.
 - (1) A consumer's direction to opt out under this section is effective until the consumer revokes it in writing or, if the consumer agrees, electronically.
 - (2) When a customer relationship terminates, the customer's opt out direction continues to apply to the nonpublic personal financial information that the licensee collected during or related to that relationship. If the individual subsequently establishes a new customer relationship with the licensee, the opt out direction that applied to the former relationship does not apply to the new relationship.
- H. Delivery. When a licensee is required to deliver an opt out notice by this section, the licensee shall deliver it according to Section 11.

Section 9. Revised Privacy Notices

- A. General rule. Except as otherwise authorized in this regulation, a licensee shall not, directly or through an affiliate, disclose any nonpublic personal financial information about a consumer to a nonaffiliated third party other than as described in the initial notice that the licensee provided to that consumer under Section 5, unless:
 - (1) The licensee has provided to the consumer a clear and conspicuous revised notice that accurately describes its policies and practices;
 - (2) The licensee has provided to the consumer a new opt out notice;
 - (3) The licensee has given the consumer a reasonable opportunity, before the licensee discloses the information to the nonaffiliated third party, to opt out of the disclosure; and
 - (4) The consumer does not opt out.
- B. Examples.
 - (1) Except as otherwise permitted by Sections 15, 16 and 17, a licensee shall provide a revised notice before it:
 - (a) Discloses a new category of nonpublic personal financial information to any nonaffiliated third party;
 - (b) Discloses nonpublic personal financial information to a new category of nonaffiliated third party; or

- (c) Discloses nonpublic personal financial information about a former customer to a nonaffiliated third party, if that former customer has not had the opportunity to exercise an opt out right regarding that disclosure.
- (2) A revised notice is not required if the licensee discloses nonpublic personal financial information to a new nonaffiliated third party that the licensee adequately described in its prior notice.
- C. Delivery. When a licensee is required to deliver a revised privacy notice by this section, the licensee shall deliver it according to Section 11.

Section 10. Privacy Notices to Group Policyholders

Unless a licensee is providing privacy notices directly to covered individuals described in Section 4F(2)(e)(i), (ii) or (iii), a licensee shall provide initial, annual and revised notices to the plan sponsor, group or blanket insurance policyholder or group annuity contractholder, or workers' compensation policyholder, in the manner described in Sections 5 through 9 of this regulation, describing the licensee's privacy practices with respect to nonpublic personal information about individuals covered under the policies, contracts or plans.

Section 11. Delivery

- A. How to provide notices. A licensee shall provide any notices that this regulation requires so that each consumer can reasonably be expected to receive actual notice in writing or, if the consumer agrees, electronically.
- B. (1) Examples of reasonable expectation of actual notice. A licensee may reasonably expect that a consumer will receive actual notice if the licensee:
 - (a) Hand-delivers a printed copy of the notice to the consumer;
 - (b) Mails a printed copy of the notice to the last known address of the consumer separately, or in a policy, billing or other written communication;
 - (c) For a consumer who conducts transactions electronically, posts the notice on the electronic site and requires the consumer to acknowledge receipt of the notice as a necessary step to obtaining a particular insurance product or service;
 - (d) For an isolated transaction with a consumer, such as the licensee providing an insurance quote or selling the consumer travel insurance, posts the notice and requires the consumer to acknowledge receipt of the notice as a necessary step to obtaining the particular insurance product or service.
- (2) Examples of unreasonable expectation of actual notice. A licensee may not, however, reasonably expect that a consumer will receive actual notice of its privacy policies and practices if it:
 - (a) Only posts a sign in its office or generally publishes advertisements of its privacy policies and practices; or
 - (b) Sends the notice via electronic mail to a consumer who does not obtain an insurance product or service from the licensee electronically.
- C. Annual notices only. A licensee may reasonably expect that a customer will receive actual notice of the licensee's annual privacy notice if:
 - (1) The customer uses the licensee's web site to access insurance products and services electronically and agrees to receive notices at the web site and the licensee posts its current privacy notice continuously in a clear and conspicuous manner on the web site; or

- (2) The customer has requested that the licensee refrain from sending any information regarding the customer relationship, and the licensee's current privacy notice remains available to the customer upon request.
- D. Oral description of notice insufficient. A licensee may not provide any notice required by this regulation solely by orally explaining the notice, either in person or over the telephone.
- E. Retention or accessibility of notices for customers.
 - (1) For customers only, a licensee shall provide the initial notice required by Section 5A(1), the annual notice required by Section 6A, and the revised notice required by Section 9 so that the customer can retain them or obtain them later in writing or, if the customer agrees, electronically.
 - (2) Examples of retention or accessibility. A licensee provides a privacy notice to the customer so that the customer can retain it or obtain it later if the licensee:
 - (a) Hand-delivers a printed copy of the notice to the customer;
 - (b) Mails a printed copy of the notice to the last known address of the customer; or
 - (c) Makes its current privacy notice available on a web site (or a link to another web site) for the customer who obtains an insurance product or service electronically and agrees to receive the notice at the web site.
- F. Joint notice with other financial institutions. A licensee may provide a joint notice from the licensee and one or more of its affiliates or other financial institutions, as identified in the notice, as long as the notice is accurate with respect to the licensee and the other institutions. A licensee also may provide a notice on behalf of another financial institution.
- G. Joint relationships. If two (2) or more consumers jointly obtain an insurance product or service from a licensee, the licensee may satisfy the initial, annual and revised notice requirements of Sections 5A, 6A and 9A, respectively, by providing one notice to those consumers jointly.

ARTICLE III. LIMITS ON DISCLOSURES OF FINANCIAL INFORMATION

Section 12. Limits on Disclosure of Nonpublic Personal Financial Information to Nonaffiliated Third Parties

- A. (1) Conditions for disclosure. Except as otherwise authorized in this regulation, a licensee may not, directly or through any affiliate, disclose any nonpublic personal financial information about a consumer to a nonaffiliated third party unless:
 - (a) The licensee has provided to the consumer an initial notice as required under Section 5;
 - (b) The licensee has provided to the consumer an opt out notice as required in Section 8;
 - (c) The licensee has given the consumer a reasonable opportunity, before it discloses the information to the nonaffiliated third party, to opt out of the disclosure; and
 - (d) The consumer does not opt out.
 - (2) Opt out definition. Opt out means a direction by the consumer that the licensee not disclose nonpublic personal financial information about that consumer to a nonaffiliated third party, other than as permitted by Sections 15, 16 and 17.
 - (3) Examples of reasonable opportunity to opt out. A licensee provides a consumer with a reasonable opportunity to opt out if:
 - (a) By mail. The licensee mails the notices required in Paragraph (1) of this subsection to the consumer and allows the consumer to opt out by mailing a form, calling a toll-free telephone number or any other reasonable means within thirty (30) days from the date the licensee mailed the notices.
 - (b) By electronic means. A customer opens an on-line account with a licensee and agrees to receive the notices required in Paragraph (1) of this subsection electronically, and the licensee allows the customer to opt out by any reasonable means within thirty (30) days after the date that the customer acknowledges receipt of the notices in conjunction with opening the account.
 - (c) Isolated transaction with consumer. For an isolated transaction such as providing the consumer with an insurance quote, a licensee provides the consumer with a reasonable opportunity to opt out if the licensee provides the notices required in Paragraph (1) of this subsection at the time of the transaction and requests that the consumer decide, as a necessary part of the transaction, whether to opt out before completing the transaction.
- B. Application of opt out to all consumers and all nonpublic personal financial information.
- (1) A licensee shall comply with this section, regardless of whether the licensee and the consumer have established a customer relationship.
 - (2) Unless a licensee complies with this section, the licensee may not, directly or through any affiliate, disclose any nonpublic personal financial information about a consumer that the licensee has collected, regardless of whether the licensee collected it before or after receiving the direction to opt out from the consumer.
- C. Partial opt out. A licensee may allow a consumer to select certain nonpublic personal financial information or certain nonaffiliated third parties with respect to which the consumer wishes to opt out.

Section 13. Limits on Redisclosure and Reuse of Nonpublic Personal Financial Information

- A. (1) Information the licensee receives under an exception. If a licensee receives nonpublic personal financial information from a nonaffiliated financial institution under an exception in Sections 16 or 17 of this regulation, the licensee’s disclosure and use of that information is limited as follows:
 - (a) The licensee may disclose the information to the affiliates of the financial institution from which the licensee received the information;
 - (b) The licensee may disclose the information to its affiliates, but the licensee’s affiliates may, in turn, disclose and use the information only to the extent that the licensee may disclose and use the information; and
 - (c) The licensee may disclose and use the information pursuant to an exception in Sections 16 or 17 of this regulation, in the ordinary course of business to carry out the activity covered by the exception under which the licensee received the information.
- (2) Example. If a licensee receives information from a nonaffiliated financial institution for claims settlement purposes, the licensee may disclose the information for fraud prevention, or in response to a properly authorized subpoena. The licensee may not disclose that information to a third party for marketing purposes or use that information for its own marketing purposes.
- B. (1) Information a licensee receives outside of an exception. If a licensee receives nonpublic personal financial information from a nonaffiliated financial institution other than under an exception in Sections 16 or 17 of this regulation, the licensee may disclose the information only:
 - (a) To the affiliates of the financial institution from which the licensee received the information;
 - (b) To its affiliates, but its affiliates may, in turn, disclose the information only to the extent that the licensee may disclose the information; and
 - (c) To any other person, if the disclosure would be lawful if made directly to that person by the financial institution from which the licensee received the information.
- (2) Example. If a licensee obtains a customer list from a nonaffiliated financial institution outside of the exceptions in Sections 16 or 17:
 - (a) The licensee may use that list for its own purposes; and
 - (b) The licensee may disclose that list to another nonaffiliated third party only if the financial institution from which the licensee purchased the list could have lawfully disclosed the list to that third party. That is, the licensee may disclose the list in accordance with the privacy policy of the financial institution from which the licensee received the list, as limited by the opt out direction of each consumer whose nonpublic personal financial information the licensee intends to disclose, and the licensee may disclose the list in accordance with an exception in Sections 16 or 17, such as to the licensee’s attorneys or accountants.
- C. Information a licensee discloses under an exception. If a licensee discloses nonpublic personal financial information to a nonaffiliated third party under an exception in Sections 16 or 17 of this regulation, the third party may disclose and use that information only as follows:
 - (1) The third party may disclose the information to the licensee’s affiliates;
 - (2) The third party may disclose the information to its affiliates, but its affiliates may, in turn, disclose and use the information only to the extent that the third party may disclose and use the information; and

- (3) The third party may disclose and use the information pursuant to an exception in Sections 16 or 17 in the ordinary course of business to carry out the activity covered by the exception under which it received the information.
- D. Information a licensee discloses outside of an exception. If a licensee discloses nonpublic personal financial information to a nonaffiliated third party other than under an exception in Sections 16 or 17 of this regulation, the third party may disclose the information only:
- (1) To the licensee's affiliates;
 - (2) To the third party's affiliates, but the third party's affiliates, in turn, may disclose the information only to the extent the third party can disclose the information; and
 - (3) To any other person, if the disclosure would be lawful if the licensee made it directly to that person.

Section 14. Limits on Sharing Account Number Information for Marketing Purposes

- A. General prohibition on disclosure of account numbers. A licensee shall not, directly or through an affiliate, disclose, other than to a consumer reporting agency, a policy number or similar form of access number or access code for a consumer's policy or transaction account to any nonaffiliated third party for use in telemarketing, direct mail marketing or other marketing through electronic mail to the consumer.
- B. Exceptions. Subsection A of this section does not apply if a licensee discloses a policy number or similar form of access number or access code:
- (1) To the licensee's service provider solely in order to perform marketing for the licensee's own products or services, as long as the service provider is not authorized to directly initiate charges to the account;
 - (2) To a licensee who is a producer solely in order to perform marketing for the licensee's own products or services; or
 - (3) To a participant in an affinity or similar program where the participants in the program are identified to the customer when the customer enters into the program.
- C. Examples.
- (1) Policy number. A policy number, or similar form of access number or access code, does not include a number or code in an encrypted form, as long as the licensee does not provide the recipient with a means to decode the number or code.
 - (2) Policy or transaction account. For the purposes of this section, a policy or transaction account is an account other than a deposit account or a credit card account. A policy or transaction account does not include an account to which third parties cannot initiate charges.

**ARTICLE IV. EXCEPTIONS TO LIMITS ON DISCLOSURES OF
FINANCIAL INFORMATION**

Section 15. Exception to Opt Out Requirements for Disclosure of Nonpublic Personal Financial Information for Service Providers and Joint Marketing

- A. General rule.
- (1) The opt out requirements in Sections 8 and 12 do not apply when a licensee provides nonpublic personal financial information to a nonaffiliated third party to perform services for the licensee or functions on the licensee's behalf, if the licensee:
 - (a) Provides the initial notice in accordance with Section 5; and
 - (b) Enters into a contractual agreement with the third party that prohibits the third party from disclosing or using the information other than to carry out the purposes for which the licensee disclosed the information, including use under an exception in Sections 16 or 17 in the ordinary course of business to carry out those purposes.
 - (2) Example. If a licensee discloses nonpublic personal financial information under this section to a financial institution with which the licensee performs joint marketing, the licensee's contractual agreement with that institution meets the requirements of Paragraph (1)(b) of this subsection if it prohibits the institution from disclosing or using the nonpublic personal financial information except as necessary to carry out the joint marketing or under an exception in Sections 16 or 17 in the ordinary course of business to carry out that joint marketing.
- B. Service may include joint marketing. The services a nonaffiliated third party performs for a licensee under Subsection A of this section may include marketing of the licensee's own products or services or marketing of financial products or services offered pursuant to joint agreements between the licensee and one or more financial institutions.
- C. Definition of "joint agreement." For purposes of this section, "joint agreement" means a written contract pursuant to which a licensee and one or more financial institutions jointly offer, endorse or sponsor a financial product or service.

Section 16. Exceptions to Notice and Opt Out Requirements for Disclosure of Nonpublic Personal Financial Information for Processing and Servicing Transactions

- A. Exceptions for processing transactions at consumer's request. The requirements for initial notice in Section 5A(2), the opt out in Sections 8 and 12, and service providers and joint marketing in Section 15 do not apply if the licensee discloses nonpublic personal financial information as necessary to effect, administer or enforce a transaction that a consumer requests or authorizes, or in connection with:
- (1) Servicing or processing an insurance product or service that a consumer requests or authorizes;
 - (2) Maintaining or servicing the consumer's account with a licensee, or with another entity as part of a private label credit card program or other extension of credit on behalf of such entity;
 - (3) A proposed or actual securitization, secondary market sale (including sales of servicing rights) or similar transaction related to a transaction of the consumer; or
 - (4) Reinsurance or stop loss or excess loss insurance.
- B. "Necessary to effect, administer or enforce a transaction" means that the disclosure is:
- (1) Required, or is one of the lawful or appropriate methods, to enforce the licensee's rights or the rights of other persons engaged in carrying out the financial transaction or providing the product or service; or

- (2) Required, or is a usual, appropriate or acceptable method:
- (a) To carry out the transaction or the product or service business of which the transaction is a part, and record, service or maintain the consumer's account in the ordinary course of providing the insurance product or service;
 - (b) To administer or service benefits or claims relating to the transaction or the product or service business of which it is a part;
 - (c) To provide a confirmation, statement or other record of the transaction, or information on the status or value of the insurance product or service to the consumer or the consumer's agent or broker;
 - (d) To accrue or recognize incentives or bonuses associated with the transaction that are provided by a licensee or any other party;
 - (e) To underwrite insurance at the consumer's request or for any of the following purposes as they relate to a consumer's insurance: account administration, reporting, investigating or preventing fraud or material misrepresentation, processing premium payments, processing insurance claims, administering insurance benefits (including utilization review activities), participating in research projects or as otherwise required or specifically permitted by federal or state law; or
 - (f) In connection with:
 - (i) The authorization, settlement, billing, processing, clearing, transferring, reconciling or collection of amounts charged, debited or otherwise paid using a debit, credit or other payment card, check or account number, or by other payment means;
 - (ii) The transfer of receivables, accounts or interests therein; or
 - (iii) The audit of debit, credit or other payment information.

Section 17. Other Exceptions to Notice and Opt Out Requirements for Disclosure of Nonpublic Personal Financial Information

- A. Exceptions to opt out requirements. The requirements for initial notice to consumers in Section 5A(2), the opt out in Sections 8 and 12, and service providers and joint marketing in Section 15 do not apply when a licensee discloses nonpublic personal financial information:
- (1) With the consent or at the direction of the consumer, provided that the consumer has not revoked the consent or direction;
 - (2)
 - (a) To protect the confidentiality or security of a licensee's records pertaining to the consumer, service, product or transaction;
 - (b) To protect against or prevent actual or potential fraud or unauthorized transactions;
 - (c) For required institutional risk control or for resolving consumer disputes or inquiries;
 - (d) To persons holding a legal or beneficial interest relating to the consumer; or
 - (e) To persons acting in a fiduciary or representative capacity on behalf of the consumer;
 - (3) To provide information to insurance rate advisory organizations, guaranty funds or agencies, agencies that are rating a licensee, persons that are assessing the licensee's compliance with industry standards, and the licensee's attorneys, accountants and auditors;

- (4) To the extent specifically permitted or required under other provisions of law and in accordance with the federal Right to Financial Privacy Act of 1978 (12 U.S.C. 3401 et seq.), to law enforcement agencies (including the Federal Reserve Board, Office of the Comptroller of the Currency, Federal Deposit Insurance Corporation, Office of Thrift Supervision, National Credit Union Administration, the Securities and Exchange Commission, the Secretary of the Treasury, with respect to 31 U.S.C. Chapter 53, Subchapter II (Records and Reports on Monetary Instruments and Transactions) and 12 U.S.C. Chapter 21 (Financial Recordkeeping), a state insurance authority, and the Federal Trade Commission), self-regulatory organizations or for an investigation on a matter related to public safety;
- (5)
 - (a) To a consumer reporting agency in accordance with the federal Fair Credit Reporting Act (15 U.S.C. 1681 et seq.); or
 - (b) From a consumer report reported by a consumer reporting agency;
- (6) In connection with a proposed or actual sale, merger, transfer or exchange of all or a portion of a business or operating unit if the disclosure of nonpublic personal financial information concerns solely consumers of the business or unit;
- (7)
 - (a) To comply with federal, state or local laws, rules and other applicable legal requirements;
 - (b) To comply with a properly authorized civil, criminal or regulatory investigation, or subpoena or summons by federal, state or local authorities; or
 - (c) To respond to judicial process or government regulatory authorities having jurisdiction over a licensee for examination, compliance or other purposes as authorized by law; or
- (8) For purposes related to the replacement of a group benefit plan, a group health plan, a group welfare plan or a workers' compensation plan.

B. Example of revocation of consent. A consumer may revoke consent by subsequently exercising the right to opt out of future disclosures of nonpublic personal information as permitted under Section 8F.

Drafting Note: Because the notice requirements of this regulation could be a financial burden on a company in liquidation or receivership and negatively impact the ability of the liquidator or receiver to pay claims, regulators may want to consider adding an additional exception providing that licensees in liquidation or receivership are not subject to the notice provisions of this regulation.

ARTICLE V. RULES FOR HEALTH INFORMATION

Section 18. When Authorization Required for Disclosure of Nonpublic Personal Health Information

- A. A licensee shall not disclose nonpublic personal health information about a consumer or customer unless an authorization is obtained from the consumer or customer whose nonpublic personal health information is sought to be disclosed.
- B. PRIVACY OF CONSUMER FINANCIAL AND HEALTH INFORMATION REGULATION

This chart is intended to provide readers with additional information to more easily access state statutes, regulations, bulletins or administrative rulings related to the NAIC model. Such guidance provides readers with a starting point from which they may review how each state has addressed the model and the topic being covered. The NAIC Legal Division has reviewed each state’s activity in this area and has determined whether the citation most appropriately fits in the Model Adoption column or Related State Activity column based on the definitions listed below. The NAIC’s interpretation may or may not be shared by the individual states or by interested readers.

This chart does not constitute a formal legal opinion by the NAIC staff on the provisions of state law and should not be relied upon as such. Nor does this state page reflect a determination as to whether a state meets any applicable accreditation standards. Every effort has been made to provide correct and accurate summaries to assist readers in locating useful information. Readers should consult state law for further details and for the most current information.

KEY:

MODEL ADOPTION: States that have citations identified in this column adopted the most recent version of the NAIC model in a **substantially similar manner**. This requires states to adopt the model in its entirety but does allow for variations in style and format. States that have adopted portions of the current NAIC model will be included in this column with an explanatory note.

RELATED STATE ACTIVITY: Examples of Related State Activity include but are not limited to: older versions of the NAIC model, statutes or regulations addressing the same subject matter, or other administrative guidance such as bulletins and notices. States that have citations identified in this column **only** (and nothing listed in the Model Adoption column) have **not** adopted the most recent version of the NAIC model in a **substantially similar manner**.

NO CURRENT ACTIVITY: No state activity on the topic as of the date of the most recent update. This includes states that have repealed legislation as well as states that have never adopted legislation.

Cited to the Proceedings of the NAIC

On November 12, 1999 the Gramm-Leach-Bliley Act (P.L. 106-102) (GLBA) was signed into law. The Special Committee on Financial Services Modernization members were asked to review the entire act against their state laws to see if any laws were in danger of preemption. NAIC staff noted that because of continuing Congressional interest, it was important for states to meet the deadlines imposed by the GLBA. The chair suggested that a privacy working group be created to look at a broad range of privacy issues, including financial privacy. **1999 Proc. 4th Quarter I 33-34.**

In the spring of 2000, the Privacy Issues Working Group discussed how the NAIC and the states should proceed with respect to drafting regulations. The working group identified the following four topics for comment to the federal regulations: 1) the definition of non-public information; 2) insurer opt out procedures; 3) clarifying the scope of federal regulations; and 4) tightening the joint marketing agreement exceptions. Comments were to be drafted and reviewed before submitting them to federal regulators. **2000 Proc. 1st Quarter 978.**

Some of the members of the working group thought the states should implement regulations that closely tracked the proposed federal regulations. Others expressed concern that the federal law and regulations did not go far enough to protect consumers and suggested that states should implement more protective regulations under the authority granted to them. The need for uniformity among the states and across financial service industries was also discussed. Staff was asked to draft regulations modeled on federal regulations for discussion at an interim meeting, where the possibility of imposing more stringent privacy requirements than those imposed by the federal regulations would also be discussed. **2000 Proc. 1st Quarter 978-979.**

A preliminary draft of the model Privacy of Consumer Financial and Health Information Regulation was prepared for discussion at the summer 2000 meeting of the working group. The draft was intended to satisfy the minimum financial information privacy protection standards set by Title V of the GLBA and to address health information privacy. The financial information portion of the draft was based on privacy regulations promulgated by federal banking agencies and set the same standards as the federal regulations regarding notice and opt out requirements. The health information portion of the draft was taken from the NAIC Health Information Privacy Model Act and the draft health information privacy regulations promulgated by the Department of Health and Human Services (HHS) pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Pursuant to the decision of the working group in May 2000, licensees were required to develop privacy notices to all individuals who would be the subject of such information and to obtain explicit authorization prior to sharing health information, i.e. opt in. **2000 Proc. 2nd Quarter 939-940.**

At the June working group meeting, representatives of consumer groups, industry trade groups and insurance companies commented orally and submitted written comments, expressing among other things, the need for uniformity with the federal regulations. A draft resolution regarding enforcement of the proposed privacy regulations was submitted, and after debate was amended and adopted. As amended, the resolution provided that state insurance regulators intended to promulgate privacy regulations that provided a compliance date of July 1, 2001, which coincided with the compliance date required by the federal regulations. The resolution was adopted by membership on June 26, 2000. **2000 Proc. 2nd Quarter 16, 20, 23.**

The initial draft of the model regulation was distributed to members and the public in late July and discussed by the working group in late August, with oral and written comments accepted from the interested parties. Subsequently, the regulation was revised again and a third draft was distributed for comment to the working group and interested parties on September 5, 2000. **2000 Proc. 3rd Quarter 902.**

When the working group next met, the chair noted that interested parties had suggested changes. In light of the suggested revisions, the chair offered four additional changes to the draft involving the distinction between customers and consumers and the relationship of the health provisions to anticipated HHS health information privacy regulations. The working group accepted the suggested changes. The chair noted that the process followed in drafting the model regulation was very open and allowed multiple opportunities for interested parties to comment and make their views known. **2000 Proc. 3rd Quarter 902.**

Concern was expressed by insurance companies and an industry trade group about potential conflict and multiple compliance requirements under the health provisions of the model regulation and regulations to be adopted by HHS. The working group made additional changes and adopted the model regulation. **2000 Proc. 3rd Quarter 904.**

The Executive Committee and Plenary adopted the model regulation with additional amendments. **2000 Proc. 3rd Quarter 7, 10.**

ARTICLE I. GENERAL PROVISIONS

Section 1. Authority

The Gramm-Leach-Bliley Act (GLBA) was signed into law on November 12, 1999. The importance of the states meeting the deadlines imposed by the GLBA was recognized, and the privacy working group was created. State insurance departments would continue as the functional regulators of all financial firms engaged in the business of insurance. **1999 Proc. 4th Quarter I 33-34.**

Section 2. Purpose and Scope

C. An industry trade group asked for guidance for companies doing business in states that do not have the authority to adopt privacy regulations or do not have privacy regulations in place on the effective date mandated by GLBA. An industry trade group stated that a state's regulations should only apply to insurers domiciled in that state. **2000 Proc. 2nd Quarter 941.**

A provision was added that domiciliary licensees in compliance with the model regulation may be deemed to be in compliance with GLBA's privacy provisions in those states that do not have regulations implementing the GLBA privacy provisions or similar privacy provisions. **2000 Proc. 3rd Quarter 904.**

Section 3. Rules of Construction

Section 4. Definitions

F. In response to the initial draft, an industry trade group expressed its opposition to extension of the model privacy regulation to commercial lines by adding beneficiaries and claimants to the definition of consumer. Another group expressed concern with the definition of consumer, particularly in the group situation, because in its view it deviated from the federal rules. It also expressed the view that beneficiaries should not be consumers. This view was also expressed by an insurance company. Another interested party expressed concern about including plan participants in the definition of consumer. **2000 Proc. 2nd Quarter 941.**

The phrase "about whom the licensee has nonpublic personal information" was added to the definition of consumer. Language was also added to Paragraph (2)(e)(iii) to clarify the status of workers' compensation in the definition of consumer. **2000 Proc. 3rd Quarter 904.**

An interested party said that her association was in agreement with the substance of the amendment, which complied with the model's original intent. Her association understood that this was the original intent of the working group when the model was enacted. However, she expressed concern about opening the rule to amendment because of the potential to cause uniformity problems in the states. She proposed that the working group recommend that states that currently interpret their regulation in accordance with the model's original intent not amend their model. Thus, only states that have trouble interpreting the current language in accordance with the original intent would amend their rules. **2002 Proc. 3rd Quarter. 71.**

In September 2002, Paragraph (2)(e) was amended to refer to "workers' compensation policyholder" instead of "workers' compensation plan participant." Paragraph (2)(e)(iii) was amended to refer to "claimant covered by a workers' compensation plan" instead of "beneficiary in a workers' compensation plan." The beginning of the drafting note to Paragraph (2)(e) was

changed from “Regulators may wish to urge their workers’ compensation state insurance fund (or other applicable agency)...” to “In states where workers’ compensation self-insurance or workers’ compensation state fund coverage is outside the Commissioner’s jurisdiction, regulators may wish to urge the applicable agency or agencies....” The Working Group did not accept the suggestion of an industry trade group that instead of an amendment, an interpretative question and answer be issued that focused on workers’ compensation insurance. The trade group requested that the proposed question and answer provide that a workers’ compensation insurer would not be required to provide GLBA privacy notices to workers’ compensation policyholders. **2002 Proc. 3rd Quarter 73.**

J. Clarifying language was added to the example in Paragraph (2)(b)(vii) of when an individual was no longer a customer. **2000 Proc. 3rd Quarter 904.**

O. Language was added specifically excepting age or gender from health information. **2000 Proc. 3rd Quarter 904.**

Q. Under Paragraph (1), the definition of licensee as it applied to agents was revised. **2000 Proc. 3rd Quarter 904.**

ARTICLE II. PRIVACY AND OPT OUT NOTICES FOR FINANCIAL INFORMATION

An interested party suggested an alternative compliance mechanism for surplus lines carriers and brokers that would essentially exempt them from the notice requirements of the model regulation provided they did not share any nonpublic personal information except as permitted by law. Language was added to Paragraph (3)(b) to provide for an alternative compliance mechanism for surplus lines insurers and brokers. **2000 Proc. 3rd Quarter 903.**

A drafting note was added to explain that states may need to revise the definition of licensee with respect to excess lines terminology in order to conform to their state laws. **2000 Proc. 3rd Quarter 904.**

The model regulation was intended to satisfy the minimum financial information privacy protection standards set by Title V of the Gramm-Leach-Bliley Act (GLBA). The financial information portion of the draft was based on privacy regulations promulgated by federal banking agencies and set the same standards as the federal regulations regarding notice and opt out requirements. **2000 Proc. 2nd Quarter 940.**

Section 5. Initial Privacy Notice to Consumers Required

Section 6. Annual Privacy Notice to Customers Required

Section 7. Information to be Included in Privacy Notices

Section 8. Form of Opt Out Notice to Consumers and Opt Out Methods

Section 9. Revised Privacy Notices

Section 10. Privacy Notices to Group Policyholders

An interested party raised concerns about the treatment of group insurance and annuities and asked for specific language changes. **2000 Proc. 3rd Quarter 903.**

In September 2002, the working group considered an amendment to the model regulation intended to clarify the intent of the original text of the model regulation with respect to group policies and privacy notices. Comment from interested parties expressed concern that opening the model regulation to amendment could cause uniformity problems in the states. The working group explained that while it supported the goal of uniformity, it saw no alternative but to amend the model regulation to make sure the original intent was preserved. **2002 3rd Quarter 71.**

Section 10 (cont.)

In response to comments from an industry trade group, the proposed draft language of this section was reworded to clarify that a privacy notice to a plan sponsor or group policyholder was not required if the licensee provided privacy notices to individual participants or certificate holders. The working group accepted a request from the same group to delete a subsection in the proposed draft stating that providing notice directly to covered individuals who were plan participants or beneficiaries, covered under group or blanket insurance or annuity policies or covered under a worker's compensation plan was optional, unless the individual was the licensee's consumer or had affirmatively requested a copy. The trade group had expressed concern that the provision might be construed to require privacy notices even when not otherwise required, and that being required to provide copies of notices could impose an administrative burden beyond the scope of Gramm-Leach-Bliley Act (GLBA). **2002 3rd Quarter 74-75.**

Section 11. Delivery

Article III. LIMITS ON DISCLOSURES OF FINANCIAL INFORMATION

Section 12. Limits on Disclosure of Nonpublic Personal Financial Information to Nonaffiliated Third Parties

Section 13. Limits on Redisclosure and Reuse of Nonpublic Personal Financial Information

An industry association expressed concerns about the breadth of the language requiring a contractual agreement for reuse and redisclosure of information. **2000 Proc. 3rd Quarter 903.**

Section 14. Limits on Sharing Account Number Information for Marketing Purposes

Section 15. Exception to Opt Out Requirements for Disclosure of Nonpublic Personal Financial Information for Service Providers and Joint Marketing

Section 16. Exceptions to Notice and Opt Out Requirements for Disclosure of Nonpublic Personal Financial Information for Processing and Servicing Transactions

Section 17. Other Exceptions to Notice and Opt Out Requirements for Disclosure of Nonpublic Personal Financial Information

An interested party suggested that an exception be added to the contractual agreement provisions so that contracts would not be necessary when information was disclosed for law enforcement or regulatory purposes. **2000 Proc. 3rd Quarter 903.**

A drafting note was added to the end of this section to explain that states might want to add a specific exception for insurance companies in liquidation or receivership. **2000 Proc. 3rd Quarter 904.**

The health information portion of the model regulation was taken from the NAIC Health Information Privacy Model Act and the draft health information privacy regulations promulgated by the federal Department of Health and Human Services pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Licensees were required to develop privacy notices to all individuals who would be the subject of such information and an "opt in" approach was adopted requiring licensees to obtain explicit authorization prior to sharing health information. **2000 Proc. 2nd Quarter 939-940.**

Section 18. When Authorization Required for Disclosure of Nonpublic Personal Health Information

Speaking on behalf of himself and an industry trade group, an interested party voiced support for more stringent protection for health information, but also expressed concern about the timing and substance of the health information part of the draft. It was urged that the original NAIC privacy model be used as the base for health information privacy protection. **2000 Proc. 2nd Quarter 941.**

Section 18 (cont.)

One industry trade group representative suggested that health information be addressed in a separate regulation because he believed including health privacy in the model regulation put insurers at a disadvantage. Another group suggested that health information be handled separately so the regulations required by Gramm-Leach-Bliley Act (GLBA) could be handled in a timely and uniform fashion. The representative of a consumer group made the point that health and financial information should be addressed together. **2000 Proc. 2nd Quarter 941-942.**

An interested party expressed concern with the draft's treatment of affiliates. **2000 Proc. 3rd Quarter 903.**

A. An industry trade group suggested scaling back the requirements regarding health information so that individuals would have an opt in right with respect to sharing information for marketing purposes. Another industry trade group expressed support for an opt-in requirement for marketing health information, provided there were sufficient business exclusions and other exceptions. A consumer group expressed the opinion that individuals should have the right to opt in across the board. **2000 Proc. 2nd Quarter 942.**

B. Language was added to clarify that the list of exceptions to the general rule regarding health information is a complete list, and not illustrative, by deleting the word "including." **2000 Proc. 3rd Quarter 904.**

Section 19. Authorizations

Section 20. Authorization Request Delivery

Section 21. Relationship to Federal Rules

A representative of one industry trade group expressed concern about the potential for multiple compliance requirements under the model regulation and federal Department of Health and Human Services (HHS) regulations. The representative recommended that the NAIC wait to issue health privacy regulations until the HHS regulations were effective. The concern for consistency was also expressed by representatives from an insurance company and another trade group. The latter also requested that the NAIC delay acting on the health provisions of the model regulation until the HHS regulations were final. In response to a question from the chair asking if the trade group would support the model regulation if it did not conflict with the HHS regulations, the trade group representative stated that his organization merely wanted certainty that the model regulation was consistent with, and would not conflict with the HHS regulations. **2000 Proc. 3rd Quarter 903.**

Section 22. Relationship to State Laws

ARTICLE VI. ADDITIONAL PROVISIONS

Section 23. Protection of Fair Credit Reporting Act

Section 24. Nondiscrimination

An industry trade group expressed concern that the draft provision could cause problems for processing workers' compensation claims. Another industry trade group also expressed concern with the draft provision. **2000 Proc. 2nd Quarter 941.**

An industry trade group requested that the phrase "intends to opt out" be deleted from the draft. This change was reflected in the next draft. **2000 Proc. 3rd Quarter 903, 927.**

Section 25. Violations

An industry trade group expressed concern with the breadth of this provision. The draft was modified to simply include a drafting note that said to cite state unfair trade practices or other applicable state law. **2000 Proc. 3rd Quarter 903.**

Section 26. Severability

Section 27. Effective Date

A. An industry trade group expressed the view that a sunset clause was unnecessary because the states could promulgate new regulations if Congress or state legislatures enacted new laws. Another industry trade group also expressed concern about a sunset provision. A consumer group expressed the view that a sunset provision was necessary. **2000 Proc. 2nd Quarter 941-942.**

Another industry trade group requested that the sunset clause be deleted from the draft. **2000 Proc. 3rd Quarter 903.**

Three industry trade groups expressed approval for a July 1, 2001 effective date, with one of the groups also expressing concern with this date for the health information provision. **2000 Proc. 2nd Quarter 941.**
