THIRD-PARTY DATA AND MODELS (H) WORKING GROUP

Wednesday, August 13, 2025
8:00 – 9:00 a.m.

Meeting Summary Report

The Third-Party Data and Models (H) Working Group met Aug. 13, 2025. During this meeting, the Working Group:

1. Adopted its July 10 and May 22 minutes. During these meetings, the Working Group took the following action:
 - A. Heard comments from interested parties on the definition of “third-party data and models vendor.”
 - B. Discussed its 2025 work plan.
2. Discussed a draft definition of “third-party data and models vendor.” The Working Group discussed key decisions that need to be made in order to agree on a working definition including the scope of the types of organizations that should be considered as third parties, the definitions of a data and/or model vendor, and the potential to limit the focus of third-party work to specific insurer operations.
3. Discussed its next steps. The Working Group plans to compile wording for each discussion topic to create a full definition and then expose a draft working definition for a public comment period. Working Group leadership will continue to meet with the leadership of the Big Data and Artificial Intelligence (H) Working Group to coordinate and work on related artificial intelligence (AI) topics.
