Ricardo Lara is California’s eighth Insurance Commissioner since voters created the elected position in 1988. Lara previously served in the California Legislature, representing Assembly District 50 from 2010 to 2012 and Senate District 33 from 2012 to 2018.

As Senator, Lara expanded protections for disaster survivors from losing their homes to insurance cancellation and nonrenewal. He wrote the nation’s first climate insurance law, SB 30, to engage the insurance industry in the fight against climate-linked environmental disasters like wildfires and sea level rise. Lara is one of California’s most effective environmental champions, working to improve health conditions and rein in air pollution.

Lara received the United Nations 2017 Climate and Clean Air Award with former Governor Edmund G. Brown Jr. and the California Air Resources Board for his work to reduce super pollutants.

Lara authored the Health4All Kids Act, which now covers 250,000 California children with full-scope health care regardless of their immigration status. He also authored laws that help prevent prescription drug abuse and crack down on patient brokering and fraud involving Californians recovering from substance abuse disorders.

Raised in East Los Angeles by immigrant parents, Lara made history in 2018 by becoming the first openly gay person elected to statewide office in California’s history.

Lara earned a bachelor’s degree in Journalism and Spanish with a minor in Chicano Studies from San Diego State University.

Michael Conway was appointed Commissioner of the Colorado Division of Insurance (DOI) by Governor Jared Polis on Dec. 21, 2018, and confirmed by the State Senate on Jan. 22, 2019. Prior to this, he was appointed Interim Commissioner of the DOI by Governor John Hickenlooper in January 2018.

As Commissioner, Conway serves as the chief executive of the DOI and oversees the regulation of Colorado's insurance industry. His role brings together consumers, the insurance industry and other stakeholders to create an inclusive, firm and fair regulatory approach to all lines of insurance such as auto, health, homeowners, life, property and casualty, title and workers' compensation.

Conway served as the DOI Deputy Commissioner for Consumer and Compliance Services since March 2016. He was instrumental in developing and guiding the DOI's strategies regarding health insurance during what was a tumultuous time for that industry. He advised the previous Commissioner and the Governor's staff regarding the possible implications of federal changes to the regulation of health insurance in Colorado. His duties also entailed appearing before state legislative committees to advocate for the DOI's positions regarding insurance and its regulation. He cultivated relationships with consumer groups and insurance industry to create a regulatory environment that helped Colorado consumers but was a fair, level playing field for the industry. He also worked within the DOI to establish objectives that provided for better protection of insurance consumers.

From 2010 to 2016, Conway was an assistant Attorney General for the Colorado State Attorney General's Office, where he represented the DOI in all facets of regulation of the insurance industry including mergers and acquisitions of insurance companies, insurer rehabilitation/liquidation, and producer and company licensure litigation. While in the Attorney General's Office, he worked with the Colorado Attorney General Pro Bono Family Law Clinic, advising clients on matters of divorce and child custody. He also worked as an attorney for Colorado Legal Services, advocating for indigent clients regarding housing rights, homelessness prevention, evictions and subsidized housing.

With the exception of three years spent in Miami for law school, Conway has called Colorado home for nearly 20 years since moving to attend the University of Colorado at Boulder.

Trinidad Navarro was elected in 2016 as the State of Delaware’s 26th Insurance Commissioner. He was re-elected in 2020. In this role, he works to ensure insurance affordability and availability for residents as well as the accountability of insurance companies. As Commissioner, he leads the office charged with protecting, educating, and advocating for Delaware residents.

The Department offers free Medicare counseling services and works on the Health Insurance Marketplace, provides arbitration services to residents, and fights and prevents fraud. The Department also works to ensure insurance companies are financially sound, licenses more than 220,000 individuals in related professions, proposes the state's workers' compensation rates, helps more than a thousand companies create safer workplaces to lower their insurance rates by over $7 million, and so much more.

During the Commissioner’s term in office, the Department has made great strides. He has increased department diversity and internal promotions. In 2017, the Commissioner worked with the General Assembly to pass House Substitute 1 to House Bill 80, a signature piece of legislation that ends discrimination in auto insurance policies. The law ensures that neither race, age, gender, economic status, nor other personal characteristics impact the cost of auto policies.

In 2020, the office reduced Health Insurance Marketplace rates for the second time in the state’s history, leading to a 5% increase in enrollment, and returned $21.5 million in premiums to individuals and small businesses. The department completed two of the state’s first Mental Health Parity examinations, assessing $597,000 in penalties. Businesses saved $4 million in workers’ compensation premiums due to a double digit decrease in rates, and another decrease was approved for 2021.

A lifelong Delawarean, Commissioner Navarro has an extensive record of public service. He served for 20 years with the New Castle County Police and was elected New Castle County Sheriff in 2010. While a police officer, he received the department’s distinguished Medal of Valor.

Commissioner Navarro serves as vice chair of the NAIC’s Northeast Zone and member of the Executive (EX) Committee; chair of the Antifraud (D) Task Force; and vice chair of the Market Regulation and Consumer Affairs (D) Committee.

Additionally, Commissioner Navarro serves on many state boards such as the Delaware Health Care Commission, the State Employees Benefits Committee (SEBC), the Plans Management Board, the Council on Health Promotion and Disease Prevention, and the Primary Care Reform Collaborative.

Commissioner Navarro has two daughters, Kylie and Hannah, and one son, Jordan. He resides in Bear, DE with his wife Melissa and youngest daughter Hannah.

As the OIR’s chief of staff, he assisted in overseeing one of the largest insurance markets in the world by serving as a policy advisor to the Commissioner and managing agency fiscal matters and administrative operations. Prior to joining the OIR, he served as legal counsel for the Georgia Office of Insurance and Safety Fire Commissioner.

Commissioner Yaworsky serves on the board of directors for Family Promise of the Big Bend, a nonprofit organization dedicated to helping families experiencing homelessness and low-income families achieve sustainable independence through a community-based response.

Commissioner Yaworsky earned a Juris Doctor (J.D) from Samford University’s Cumberland School of Law (Homewood, AL) and a bachelor’s degree in social science from Florida State University.

The OIR is the lead regulatory agency overseeing Florida’s insurance industry—one of the largest, most complex insurance industries in the world. It is housed within the Department of Financial Services (DFS) for administrative, personnel, and technology support.

John F. King was sworn in as Georgia’s Insurance and Safety Fire Commissioner by Governor Brian Kemp on July 1, 2019, becoming the first Hispanic statewide official in state history. He was elected to a full four-year term on November 8, 2022.

Before becoming Commissioner, King spent his career in law enforcement, beginning as an Atlanta police officer in 1985 and culminating as Chief of Police for the City of Doraville. While at the Atlanta Police Department, he worked various assignments including Red Dog, Organized Crime/Intelligence, and received the Chief’s Blue Star in 1987 for being injured in the line of duty as a result of a criminal attack with a firearm. His career also includes assignments to both FBI and DEA as a Task Force Agent.

A native of Mexico, King made a meaningful impact by building bridges among Doraville’s diverse populations and implementing youth education and crime-prevention programs in his role as Chief of Police. Recognizing the international composition of Doraville’s community, King made it a priority to hire bilingual police officers, place multiple languages on police cars, and ensure effective translators and public defenders were employed at the City Courthouse. Commissioner King’s initiatives include Anti-Gang education programs for elementary school students and parents. He worked with the Hispanic Chamber of Commerce to establish an education program for prospective small business entrepreneurs and worked with state, county, and local leaders to implement a safety and speed reduction program targeted to Buford Highway to reduce the number of pedestrian fatalities. Commissioner King is also a member of Leadership DeKalb.

In addition to his former roles in the Atlanta and Doraville Police Departments, King retired as a Major General in the U.S. Army following his final assignment to NORAD and U.S. Northern Command. King was the former Commander of the 48th Infantry Brigade Combat Team and has deployed to Bosnia-Herzegovina, Iraq, Afghanistan, and Africa. He served as the Military Advisor to the Deputy Minister of Interior for Security for Afghanistan, who oversaw an agency of over 96,000 police officers.

While serving on Active Duty and the National Guard, King earned numerous awards for his achievements. King received the Combat Action Badge for his service in Iraq and the Combat Infantry Badge for service in Afghanistan. Other awards and decorations include Legion of Merit, Bronze Star (2) Award, Meritorious Service Medal, Joint Meritorious Unit Award, Afghanistan Campaign Medal, Iraq Campaign Medal, El Salvador Gold Medal for Achievement, and the Afghanistan Barial 2nd Degree Medal.

King received his Bachelor’s of Arts degree in criminal justice and public administration from Brenau University and a Master’s Degree in Strategic Studies from the U.S. Army War College. He graduated from Harvard University Senior Executives in National Security and Syracuse University National Security Decision Making Course. Commissioner King was a graduate of class #229 in the FBI National Academy in Quantico, VA, and also a graduate of the Georgia International Law Enforcement Exchange program to Israel (GILEE).

Commissioner King is also fluent in Spanish.

Doug Ommen was appointed by Governor Terry Branstad as Insurance Commissioner in January 2017, after serving as Interim Commissioner since December 2016. Ommen has a strong and varied public service background. Ommen’s dedication and desire to serve the public began in seeking justice for victims of fraud in the Missouri Attorney General’s Office, where as an assistant attorney general and then as chief counsel, he led the fight to protect consumers over the course of three decades.

Ommen served as Deputy Insurance Commissioner at the Iowa Insurance Division from August 2013 to December 2016. Ommen also served in the Missouri Department of Insurance during 2005 – 2008, and as Missouri’s Insurance Director was instrumental for several key regulatory reforms.

Ommen obtained his law degree in 1985 from the Saint Louis University School of Law, and is licensed to practice law in both Iowa and Missouri. Ommen and his wife, Sharon, have two married children and seven grandchildren.

Vicki Schmidt was first elected Kansas Insurance Commissioner on November 6, 2018, and reelected to another four-year term on November 8, 2022. She became the first Kansas pharmacist to serve in that role and is the only pharmacist in America currently holding elected statewide office.

It was her experience as a pharmacist that drew her to run for the Kansas Legislature, where she served for 14 years as a state senator, including 12 years as a member of the Financial Institutions and Insurance Committee and six years as chair of the Public Health and Welfare Committee.

Commissioner Schmidt currently serves as secretary of the NAIC Midwest Zone and co-vice chair of the Financial Regulation Standards and Accreditation (F) Committee. She also serves as a member of the Life Insurance and Annuities (A) Committee, International Insurance Relations (G) Committee, and the National Insurance Producer Registry (NIPR) Board of Directors.

Since joining the NAIC, she has chaired the Property and Casualty Insurance (C) Committee, and also served as a member of the Health Insurance and Managed Care (B) Committee, and the Market Regulation and Consumer Affairs (D) Committee. She is a former member of the Management Committee for the Interstate Insurance Compact, and a former member of the NAIC System for Electronic Rates and Forms Filing (SERFF) Advisory Board.

Commissioner Schmidt and her high school sweetheart, Michael Schmidt, MD, have been married for over 45 years. She graduated from KU's School of Pharmacy and has worked more than 40 years as a local pharmacist. They made their home in Topeka, where they raised their two sons. They are also proud grandparents of four.

James J. Donelon has served as Insurance Commissioner for the State of Louisiana since 2006. He has been elected and re-elected five times, making him the longest-serving insurance commissioner in Louisiana history, and currently is the second longest-serving insurance commissioner in the nation.

During Donelon’s 17 years in office, he has overseen Louisiana’s recovery from the devastating hurricanes Katrina and Rita, the implementation of the Affordable Care Act and recently, the state’s worst hurricane season ever with five named storms making landfall in Louisiana. He has sought to improve the effectiveness, efficiency, and transparency of insurance regulation, and to protect consumers by strengthening markets and improving consumer choice. Under his watch, 32 new homeowners insurance companies have started doing business in Louisiana since Hurricane Katrina.

Donelon served as President of the NAIC in 2013, becoming the first commissioner from Louisiana to hold that honor. He remains active in the NAIC and currently serves on its Executive (EX) Committee and as chair of the Surplus Lines (C) Task Force, chair of the Receivership and Insolvency (E) Task Force, and co-vice chair of the Climate and Resiliency (EX) Task Force.

Born in New Orleans, Donelon received his Bachelor of Arts from the University of New Orleans and earned his J.D. from the Loyola University New Orleans College of Law.

Donelon was first elected to public office in 1975 when he became chairman of the Jefferson Parish Council. From 1981 to 2001 he served in the Louisiana House of Representatives, where he rose to the position of Chairman of the Committee on Insurance. Donelon joined the staff of the Louisiana Department of Insurance in 2001, serving as executive counsel and chief deputy commissioner before assuming office as Insurance Commissioner in February 2006. His public service career also includes 33 years in the Louisiana Army National Guard, where he retired with the rank of Colonel and received the prestigious Legion of Merit medal.

He and his wife Merilynn reside in Jefferson Parish. They have four daughters, six granddaughters and two grandsons.

Kathleen A. Birrane was appointed Maryland Insurance Commissioner by Governor Larry Hogan in May 2020.

Prior to her appointment, Commissioner Birrane was a partner in the Insurance Sector and Litigation and Regulatory Practice Group at the global law firm of DLA Piper LLP (US), where her practice focused on insurance and reinsurance transactions, regulatory compliance and related litigation. She represented clients with respect to business-conduct and financial investigations and internal audits; acquisition and asset diligence; corporate reorganizations and restructurings; corporate governance and compliance program design; and the analysis of issues related to the use of technology, predictive modeling/big data, and artificial intelligence in the insurance sector. Commissioner Birrane also represented departments of insurance and receivers in connection with delinquency proceedings.

From 2002 until 2007, Commissioner Birrane served in the Maryland Office of the Attorney General in the statutory position of Principal Counsel to the Maryland Insurance Administration. In that role, she managed all of the legal work of the agency, both in its capacity as regulator and as a unit of state government. During her tenure as Principal Counsel, she served on numerous work groups and task forces of the National Association of Insurance Commissioners. After leaving the OAG, and before joining DLA Piper, Commissioner Birrane was a Senior Vice President and General Counsel of portfolio companies owned by major hedge funds that specialized in asset consulting, acquisition, diligence, and the servicing of insurance-linked investments.

In 2019, Governor Hogan appointed Commissioner Birrane to the University of Maryland Medical System Board of Directors, where she served as chair of the Governance and Nominations Committee before resigning upon her appointment as Commissioner. She is a member of numerous community and nonprofit organizations, including the Baltimore Bar Foundation, Baltimore Area Women in Action, Catholic Charities of Baltimore, and the United Way of Central Maryland where she serves on the Executive Committee of Women United.

Commissioner Birrane was named to the Top 100 Women of Maryland by the Daily Record in 2002 and 2019.

She is a graduate of Maryvale Preparatory School, Notre Dame of Maryland University and The University of Maryland School of Law.

Gary D. Anderson was appointed Commissioner of the Massachusetts Division of Insurance by the governor of Massachusetts on Oct. 31, 2017.

Commissioner Anderson oversees the Massachusetts insurance market, which has historically ranked near the top 10 largest insurance markets in the U.S. and is the 27th largest insurance market globally.

He joined the Massachusetts Division of Insurance as its First Deputy Commissioner in February 2014. His responsibilities included strategic planning and policy development for all aspects of the agency, while assisting in decision-making and policy development in matters involving all lines of insurance and developing and advocating legislative and policy priorities.

His insurance experience began in 1999 with a regional carrier in the northwestern U.S. Prior to his role as the First Deputy, Commissioner Anderson served as a policy advisor and senior counsel in the Massachusetts State Senate President’s office, where he was involved in several policy areas, from the state’s broad efforts to control health care costs to all matters affecting the financial services sector.

Commissioner Anderson serves on the NAIC Government Relations Leadership Council, the Financial Regulation Standards and Accreditation (F) Committee, and the Audit Committee. Additionally, he has chaired the NAIC International Insurance Relations (G) Committee since 2019. He also serves on the International Association of Insurance Supervisors (IAIS) Executive Committee as its vice chair and on the IAIS Policy Development Committee (PDC), which he chaired from 2020 to 2022.

Commissioner Anderson earned a Juris Doctor (J.D.) from Albany Law School of Union University (Albany, NY) and a bachelor’s degree in history from Idaho State University.

Mike Chaney, Mississippi’s 11th Commissioner of Insurance and State Fire Marshal, is currently serving his fourth term in office. First elected in 2007, Chaney brought extensive business knowledge and experience to the office combined with 15 years of service in the Mississippi House and Senate.

His priorities in office are focused on consumer protection, healthcare, and fire protection. To that end, Chaney is making strides in healthcare reform; disaster recovery from flood, tornado and hurricane events; bail bond industry reform and reductions in state fire deaths. He has worked tirelessly to stabilize rates since Hurricane Katrina devastated the Mississippi Gulf Coast in 2005.

Chaney has served on two hospital boards – experience that is invaluable given the increased focus on healthcare that the Mississippi Insurance Department has seen in recent years. He has also served on bank and economic boards and worked on local and national Chamber of Commerce events. Insurance touches every aspect of life including the economy. Without insurance, no economic project would be financed and, therefore, no jobs created.

An active member of the NAIC, Chaney has served on numerous committees, task forces and working groups. Among the issues he is involved in addressing are examination oversight, accounting practices, producer licensing, health insurance and managed care, senior issues, catastrophe and property and casualty insurance.

As Commissioner, Chaney was inducted into the Insurance Hall of Fame at his alma mater, Mississippi State University (MSU). He received the Distinguished Service Award from the University of Mississippi Risk Management and Insurance program and its Professional Society. He has been named one of the top insurance professionals by Insurance Business America Magazine, and was named a Healthcare Hero by the Mississippi Business Journal.

Chaney started an oil distribution business in Vicksburg in the 1970s. He eventually moved into the wood preservation business and real estate ventures before his election to the House of Representatives in 1993. After his election to the Senate in 2000, Chaney served on the Insurance Committee. This appointment combined with his business experience provided significant knowledge useful in his service as Insurance Commissioner.

Chaney is a Rotarian and Paul Harris Fellow. He is a veteran of the United States Army, serving in Vietnam. A native of Tupelo, Chaney graduated from MSU in 1966 with a degree in banking and finance. Chaney and his wife, Mary live in Vicksburg. They have three children and eight grandchildren.

Troy Downing was elected Montana State Auditor in November 2020. As the State Auditor and Commissioner of Securities and Insurance, Downing oversees the criminal justice agency protecting Montana’s consumers by ensuring fairness, transparency, and access for two of the state’s largest industries—securities and insurance. As Commissioner, Downing is committed to consumer education and advocacy, holding bad actors accountable, lowering insurance costs, and reducing unnecessary regulations for Montana businesses. Due to its favorable regulatory environment overseen by Downing, Montana is one of the largest captive domiciles in the United States.

As State Auditor, Downing also serves on the Montana Board of Land Commissioners overseeing management and stewardship of state trust lands for the primary benefit of funding Montana’s public education system.

Downing began his career in education as a research scientist and educator at the Courant Institute of Mathematical Sciences at New York University. In the 1990s, he founded a technology startup company that he successfully merged with Yahoo! Inc. Downing then went on to help other startup companies succeed through seed funding and mentorship. After his career in the tech industry, Downing founded a nationwide commercial insurance company and a nationwide real estate firm that creates, sells, and manages real estate investment securities.

Downing’s strong sense of public service led him to enlist after 9/11 in the U.S. Air Force/Air National Guard, serving eight years in a Combat Search and Rescue squadron and serving two tours of duty in Afghanistan. Today, he continues his service to veterans as an advisory board member to and volunteer for the Warriors and Quiet Waters Foundation, a Montana-based organization that uses fly fishing and Montana’s natural beauty as a simple, but powerfully effective, healing therapy for post-9/11 combat veterans and their families. In response to the Covid-19 pandemic, and as a Montana distillery co-owner, he produced and distributed millions of hand sanitizer bottles across the nation.

Downing and his wife, Heather, have four children and currently live in Helena, MT.

Justin Zimmerman was appointed to lead the New Jersey Department of Banking and Insurance by Governor Phil Murphy in June 2023.

As Acting Commissioner, Zimmerman serves as the chief regulator of New Jersey’s insurance industry, one of the largest in the nation, all state-chartered banks and credit unions, as well as consumer finance licensees. He also leads Get Covered New Jersey, the state’s official health insurance marketplace.

Zimmerman joined the Department in January 2018, serving as the Department’s Chief of Staff, where he oversaw the executive management team and managed all aspects of the department’s policy implementation, under the direction of the Commissioner.

During his tenure as Chief of Staff, the department developed and implemented numerous consumer protections and programs impacting countless New Jerseyans, including New Jersey’s out of network law, student loan protections, mortgage servicers licensing, expanding access to reproductive health care and Get Covered New Jersey. Since its inception in 2020, Get Covered New Jersey transformed New Jersey’s health insurance landscape for consumers in the individual market, ensuring that more New Jerseyans have greater access to quality, affordable health insurance. New Jersey was the first in the nation to open its marketplace with enhanced state subsidies that lower premiums for most enrollees.

Zimmerman also coordinated the Department’s COVID-19 response, working with regulated entities across all sectors to provide relief to New Jersey’s residents during the pandemic, ranging from insurance premium relief and mortgage forbearance to student loan relief and the expansion of telemedicine without cost sharing.

Acting Commissioner Zimmerman has built an extensive career in public service. Prior to joining Governor Murphy’s Administration, Zimmerman served as Chief of Policy and Legislation to the New Jersey State Senate President Pro Tempore, where he focused on expanding access to quality affordable healthcare for New Jerseyans, expansion of voting rights and civil rights. He began his career as a public servant working as a Briefing Aide to Governor Jon Corzine and Director of Legislative and Intergovernmental Affairs for the New Jersey Department of State. Prior to joining government service, he was an organizer in Morris County, New Jersey and Harrisburg, Pennsylvania.

Zimmerman was born and raised in New Jersey, growing up in Essex and Union Counties. He received his Bachelor of Arts from Mary Washington College. He lives in Verona with his wife, Laura, and their two children.

Superintendent Harris began her career as an Associate at Sullivan and Cromwell LLP in New York City representing a number of U.S. and non-U.S. based corporations in various forms of litigation and regulatory matters, before accepting a position at the United States Department of the Treasury under President Obama.

While at the Treasury Department, Superintendent Harris served as a Senior Advisor to both Acting Deputy Secretary and Under Secretary for Domestic Finance Mary Miller, and Deputy Secretary Sarah Bloom Raskin. Her work ranged from financial reform efforts to identifying solutions to the student loan crisis, analyzing the nexus between foreign investment and national security, and working to promote financial inclusion and health in communities throughout the country.

Following her time at the Treasury Department, Superintendent Harris joined the White House, where she was appointed as Special Assistant to the President for Economic Policy, as part of the National Economic Council. In this role, Superintendent Harris managed the financial services portfolio, which included developing and executing strategies for financial reform and the implementation of Dodd-Frank, consumer protections for the American public, cybersecurity and housing finance reform priorities.

After leaving the White House in January 2017, Superintendent Harris went on to serve as General Counsel and Chief Business Officer at States Title, Inc. (now DOMA), which provides a more simple and affordable closing experience.

Prior to being nominated, Superintendent Harris also served as a Professor and as Faculty Co-Director at the Gerald R. Ford School of Public Policy’s Center on Finance, Law and Policy at the University of Michigan, as well as a Senior Advisor at the Brunswick Group in Washington, D.C.

Judith L. French was appointed to serve as Director of the Ohio Department of Insurance on February 8, 2021, by Governor Mike DeWine. French serves as a member of Governor DeWine’s cabinet and is responsible for the overall leadership and direction of the department.

Prior to becoming Director, French served as a justice of the Ohio Supreme Court and was the tenth woman to serve in that role in Ohio’s history. During her eight years on the court, Justice French participated in thousands of decisions and authored more than 100 opinions. In addition, she successfully pursued reforms to improve Ohio's judiciary and justice system, and was appointed by the U.S. Chief Justice to serve on the Federal Appellate Rules Committee.

For nearly three decades, Director French has served the people of Ohio. Before becoming a justice, she served the state as an appellate judge, chief legal counsel to the governor, an assistant attorney general, and a state government lawyer. As an attorney representing the State of Ohio, she made two arguments before the United States Supreme Court.

Prior to joining the public sector, French worked as an attorney with the Columbus law firm of Porter, Wright, Morris & Arthur, specializing in environmental law. She also served as in-house counsel for a large manufacturing company.

Director French received three degrees from The Ohio State University: a B.A. in political science, an M.A. in history (with a concentration in military history and strategic studies), and a J.D., with honors. She is a member of the Moritz College of Law National Council, and in 2018 was awarded the college's Distinguished Jurist Award for her work on the bench.

Glen Mulready serves as Oklahoma’s 13th insurance commissioner. A former state legislator and longtime insurance professional, he was recently unopposed in his bid for reelection, and will start a second term as insurance commissioner in 2023. Commissioner Mulready was first elected to the state-wide position in 2019.

Commissioner Mulready started his insurance career as a broker in 1984 and later served in executive roles for Oklahoma’s two largest health insurance companies. In 2010, Mulready entered public service and was elected to represent West Tulsa, Jenks, and Glenpool in the Oklahoma House of Representatives. During his tenure in the house, Commissioner Mulready became a policy leader on many transformative insurance issues and held several roles, including, Insurance Committee chair and House Majority Floor Leader. In 2011, Governing Magazine named Mulready one of 17 “GOP Legislators to Watch Nationally.”

As Commissioner, Mulready has led initiatives to increase the number of health insurance carriers available to Oklahomans, bring more attention to consumer education, and remove burdensome regulation in the department’s administrative code. Since 2019, the Oklahoma Insurance Department has recovered over $20 million for Oklahoma consumers. Commissioner Mulready supports efforts to continue to apply best practices, modernize the department and embrace new technology to serve the people of Oklahoma better.

Commissioner Mulready has also been a leader nationally representing Oklahoma as chairman of the NAIC Midwest Zone and chairman of the Health Insurance and Managed Care (B) Committee. As a firm believer in the free market and a longtime advocate for affordable health care for all Oklahomans, Commissioner Mulready believes creating more choices for consumers will help reduce the number of uninsured Oklahomans and improve affordability in the insurance market. When he was first elected, only two plan options were available in the Oklahoma Health Insurance Marketplace. Currently, seven insurers are now offering products to Oklahoma consumers.

Moreover, Commissioner Mulready sponsored the original Insurance Business Transfer (IBT) Act, now law and is recognized as one of the most innovative insurance regulations in the country. Since 2020, the first two IBT transactions in United States history were completed in Oklahoma. In addition, Oklahoma is also focused on recruiting Captive Insurance domiciles. Over one-third of currently licensed captives came to Oklahoma during Commissioner Mulready’s first two years in office.

Commissioner Mulready and Sally, his wife of 34 years, are the proud parents of three college-aged sons: Sam, Jake, and Will. Commissioner Mulready is very active in the community, having served on numerous boards and committees, including Big Brothers Big Sisters, the Juvenile Diabetes Research Fund, March of Dimes, Shepherds Fold Ranch Christian Summer Camp, Crime Commission and Tulsa Tough. Commissioner Mulready and his wife were the recipients of Leadership Tulsa’s Paragon Award for their work with Big Brothers Big Sisters in 2018.

Michael Humphreys was named Acting Insurance Commissioner on February 26, 2022, and confirmed unanimously by the Pennsylvania Senate on June 26, 2023. As commissioner, Humphreys is charged with the responsibility of regulating the Commonwealth’s insurance marketplace, overseeing licensed agents and insurance professionals, monitoring the financial landscape of companies doing business in Pennsylvania, educating consumers, and ensuring residents are treated fairly.

In his role, under the direction of Governor Shapiro, Humphreys has taken immediate steps to make mental health and substance use disorder parity a reality in the Commonwealth. Under Humphreys’ leadership, the Insurance Department has strengthened its review of mental health and substance use disorder coverage in 2024 health plans and launched a new round of market conduct examinations targeting insurer compliance with parity laws. These actions are intended to hold insurers accountable so that benefits are covered fairly.

Humphreys joined the Pennsylvania Insurance Department (PID) as the Department was working closely with Pennie, the state-based health insurance exchange created by Act 42, to ensure a successful roll-out of the new initiative that would become the home for high-quality, affordable health insurance plans in Pennsylvania. The launch of Pennie was a landmark step for health care in the Commonwealth as Pennie continues to be a key source of affordable coverage for hundreds of thousands of Pennsylvanians.

Humphreys also co-chaired the Behavioral Health Commission for Adult Mental Health that recommended to the legislature how to best spend $100 million on adult behavioral health needs.

Prior to being appointed, Humphreys served as the Chief of Staff for the Insurance Department since September 2019, and before joining the PID, Humphreys served as Assistant Commissioner for Insurance at the Tennessee Department of Commerce and Insurance (TDCI). In Tennessee, he oversaw the Insurance Division as it was reaccredited by the National Association of Insurance Commissioners.

Humphreys has a Master’s in Public Administration from Bowling Green State University and a Bachelor of Arts in Political Science from the University at Buffalo.

Pennsylvania is the fifth-largest insurance market in the United States, in terms of premium volume, and the 14th-largest insurance market in the world.

Michael Wise was appointed Director of the South Carolina Department of Insurance in May 2023. A South Carolina native and graduate of Furman University, Wise has spent most of his career fostering a well-functioning insurance market that benefits both consumers and insurers alike through fair and responsive regulation.

Prior to his appointment as Director, he served as Deputy Director of the Actuarial and Market Services Division, responsible for actuarial analyses, policy form and rate reviews, and the monitoring of traditional insurance markets. He has also been an active participant in the National Association of Insurance Commissioners meetings and initiatives.

Wise believes consumer protection is at the heart of insurance regulation and seeks to balance the affordability and availability of insurance products to ensure South Carolina consumers are protected by strong, solvent carriers. He began his career at the Department in 2009 as a rates analyst before moving into various actuarial and management roles. He has sought to guarantee transparency throughout the rate filing process by encouraging open communication with carriers. He believes a competitive marketplace is key to consumers having access to the insurance products they need at prices that are as affordable as possible while ensuring companies are able to pay claims and remain solvent.

Wise holds a bachelor’s degree in mathematics-economics from Furman, is an Associate of the Casualty Actuarial Society, is a member of the American Academy of Actuaries, and is a recent graduate of the South Carolina Executive Institute. Wise is also a recent recipient of the American Academy of Actuaries’ Rising Actuary Award.

Wise resides with his wife, Jennifer, and two children in Richland County in Columbia, SC.

Carter Lawrence serves as the Commissioner of the Tennessee Department of Commerce and Insurance. Appointed by Governor Bill Lee, Lawrence assumed leadership of the department effective November 12, 2020. Before his appointment to Governor Lee’s cabinet, Lawrence served as Chief Deputy Commissioner and Chief Operating Officer at the Department of Commerce and Insurance.

Previously, Lawrence served as Assistant Commissioner for the Regulatory Boards Division at the Department of Commerce and Insurance where he oversaw more than 40 fee reductions while improving measured customer service, modernizing business practices to faster license professionals and successfully removed burdensome regulations. In 2019, Lawrence briefly served as Interim Commissioner for Governor Bill Lee.

As Tennessee’s Commissioner of Commerce and Insurance, Lawrence is the state fire marshal and is responsible for the divisions of insurance, fire prevention, regulatory boards – including twenty-six regulatory entities, TennCare Oversight, and the administratively attached Tennessee Law Enforcement Training Academy, Tennessee Police Officer Standards and Training Commission and Tennessee Emergency Communications Board. In 2020, the department collected approximately $1.25 billion in fees and premium taxes and had expenditures of $225 million.

Lawrence is an attorney who studied law at the University of Tennessee, where he also obtained a Master of Business Administration. For undergraduate studies, Carter obtained a Bachelor of Arts at Wheaton College in Illinois.

Lawrence is a Nashville-area native. He and his wife, Amy, are the proud parents three children – two boys, Alister and Titus, and a girl, Penelope. Together with their old dog, Otto, they are residents of the Nipper’s Corner area of Nashville and attend church at Nashville’s Church of the Redeemer.

Lawrence looks forward to continuing to advance Governor Lee’s agenda as he serves all 6.8 million Tennesseans impacted by the Department of Commerce and Insurance.

Cassie Brown was appointed to serve as Texas insurance commissioner by Governor Greg Abbott in September 2021. She is the chief executive of the Texas Department of Insurance (TDI), overseeing the regulation of the second largest insurance market in the nation and the seventh largest in the world. The agency regulates approximately 2,800 companies and more than 700,000 agents and adjusters.

Brown previously served as commissioner of the Division of Workers’ Compensation (DWC), having been appointed to the role by Governor Abbott in 2018 and reappointed in 2019 and 2021. Under her leadership, DWC cut customer service hotline hold times to less than 30 seconds, made it easier for system participants to share documents electronically and more securely, and continued to reduce medical costs and increase the number of injured employees returning to work.

Brown has more than 20 years of public service experience and serves on the Executive Women in Texas Government President’s Advisory Committee. She was TDI’s deputy commissioner for Regulatory Policy where she led the regulation of the forms, rates, and products sold in the Texas insurance market; oversaw the residual markets; assured the adequacy of insurers’ loss control programs; and provided inspections and compliance activities related to the state’s windstorm market.

Earlier in her career, Brown served as a key advisor to Governor Rick Perry on policy and budget issues including insurance, health regulatory, and workers’ compensation. She also served in the administration of Governor George W. Bush.

Brown received a Bachelor of Arts in political science from St. Edward’s University and attended the Governor’s Executive Development Program at The University of Texas LBJ School of Public Affairs.

Virgin Islands

Lieutenant Governor Tregenza A. Roach is a proud Virgin Islander who has served the people of this Territory in each branch of Government.

He earned a B.A. in Journalism from the University of Missouri and a J.D. from the University of Connecticut School of Law. While attending law school, he clerked in the Office of the Governor’s Legal Counsel, the Office of the U.S. Attorney, and the Territorial Court of the Virgin Islands. Upon graduating, he worked in the Territorial Court’s Civil and Family divisions and in private practice. He has been a member of the Virgin Islands Bar since 1991.

Roach began his career in public service as Legal Counsel to the Commissioner of Education, where he served for more than eight years before being selected as Executive Director of the Board of Education. In 2006, he was selected by the University of the Virgin Islands (UVI) to lead a program of public education in support of the Fifth Constitutional Convention. During this consultancy, he served as the Coordinator/Researcher of the Constitution 2008. He also represented UVI at United Nations (UN) Decolonization Seminars in Grenada and Indonesia. Although the UVI project ended in 2008, the UN qualified Roach as an expert on constitutional development processes in the U.S. territories and invited him on his own merits to a third Decolonization Seminar in St. Kitts in 2009.

He joined the UVI adjunct faculty from 1999 to 2012, teaching courses in the Humanities and a Constitutional Law course in the education graduate program. Other UVI projects, include the Legacy Report of President Emeritus LaVerne E. Ragster, Ph.D., a major environmental project with the U.S. EPA, launch of the Center for the Study of Spirituality and Professionalism, and Editor in Chief of its award-winning international literary journal.

Roach was elected to the 30th-32nd legislatures as a staunch advocate for education, the environment, and the youth and elderly of the Territory. He was nominated to the Education and the Law, Criminal Justice and Public Safety committees of the National Conference of State Legislatures (NCSL) and instrumental in the 2014 adoption of a resolution supporting full citizenship rights for those living in the Territory. In 2016, he presented a similar resolution that resulted in a full NCSL conference session devoted to the affairs of the remaining U.S. territories.
