Quarterly Listing of
Alien Insurers

October 2023
The alien insurers that appear in this publication have filed various documents with the NAIC International Insurers Department (IID) as set forth in the IID Plan of Operation (The Plan) and have been admitted to the Quarterly Listing of Alien Insurers (Quarterly Listing).

The NAIC cannot and does not guarantee its accuracy and assumes no responsibility for loss or damage resulting from the use of this information. Users of this Publication are further cautioned that the NAIC does not attempt to analyze or consider either the political stability of the domiciliary country or its diplomatic relationship with the United States.

Alien insurers may be admitted to the Quarterly Listing upon satisfying the criteria set forth in The Plan. A copy of The Plan and Application Filing Memo & Instructions are available within the “Documents” tab of the Surplus Lines (C) Working Group webpage.

Surplus lines brokers using this Publication must observe applicable State insurance laws and regulations. The alien insurers on the Quarterly Listing are not considered an endorsement by the NAIC.

This Quarterly Listing remains in effect until publication of the next Quarterly Listing or until any published modification.

FOOTNOTES

(1) Chubb Seguros México, S.A. (formerly ACE Seguros, S.A.) is licensed in the state of Texas as a Mexican Casualty Company and is ineligible to sell in the Texas surplus lines market.

(2) Incidental syndicates have the same constitution as a parent syndicate. These syndicates maintain trust funds in their own right.

(3) This company was admitted to the Quarterly Listing solely to act as successor to the trust fund previously executed by Sphere Drake Insurance Limited (f/k/a Odyssey Re Limited). RiverStone Insurance (UK) Limited is in run off and is not considered eligible to sell in any state’s surplus lines market.

(4) This company is limited to write international travel medical insurance for individuals that reside in jurisdictions that allow such medical insurance to be written on a surplus lines basis.
The National Association of Insurance Commissioners (NAIC) is the U.S. standard-setting and regulatory support organization created and governed by the chief insurance regulators from the 50 states, the District of Columbia and five U.S. territories. Through the NAIC, state insurance regulators establish standards and best practices, conduct peer review, and coordinate their regulatory oversight. NAIC staff supports these efforts and represents the collective views of state regulators domestically and internationally. NAIC members, together with the central resources of the NAIC, form the national system of state-based insurance regulation in the U.S.
