EXECUTIVE (EX) COMMITTEE

The mission of the Executive (EX) Committee is to manage the affairs of the NAIC in a manner consistent with its Articles of Incorporation and its Bylaws.

Ongoing Support of NAIC Programs, Products or Services

1. The **Executive (EX) Committee** will:

- A. Identify the goals and priorities of the organization and make recommendations to achieve such goals and priorities based on input of the membership. Make recommendations by the 2023 Commissioners' Conference.
- B. Create/terminate task force(s) and/or Executive (EX) Committee-level working groups to address special issues and monitor the work of these groups. Create necessary task force(s) and/or Executive (EX) Committee-level working groups throughout 2023 as necessary.
- C. Submit reports and recommendations to NAIC members concerning the activities of its subcommittee and the standing committees. Submit a report at each national meeting.
- D. Consider requests from NAIC members for friend-of-the-court briefs.
- E. Establish and allocate functions and responsibilities to be performed by each NAIC zone.
- F. Pursuant to the Bylaws, oversee the NAIC offices to assist the organization and the individual members in achieving the goals of the organization.
- G. Conduct strategic planning on an ongoing basis.
- H. Plan, implement and coordinate communications and activities with the Federal Insurance Office (FIO).
- I. Plan, implement and coordinate communications and activities with other state, federal, local and international government organizations to advance the goals of the NAIC and promote understanding of state insurance regulation.
- J. Review and approve requests for the development of model laws and/or regulations. Coordinate the review of existing model laws and/or regulations.
- K. Select NAIC national meeting sites five and six years in advance of the meeting date to ensure efficient and economical locations and facilities.
- L. Review and revise, as necessary and appropriate, the criteria and categories for registrants at NAIC national meetings.

CLIMATE AND RESILIENCY (EX) TASK FORCE

The mission of the Climate and Resiliency (EX) Task Force is to serve as the coordinating NAIC body for discussion and engagement on climate-related risk and resiliency issues, including dialogue among state insurance regulators, industry, and other stakeholders.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Climate and Resiliency (EX) Task Force** will:
 - A. Consider how state insurance departments that opt into the insurer's climate risk disclosure reporting requirement review the information received.
 - B. Evaluate financial regulatory approaches to climate risk and resiliency in coordination with other relevant committees, task forces, and working groups, such as the International Insurance Relations (G) Committee, the Property and Casualty Insurance (C) Committee, the Financial Condition (E) Committee, and the Financial Stability (EX) Task Force, including:
 - i. Evaluation of the use of modeling by carriers and their reinsurers concerning climate risk.
 - ii. Evaluation of how rating agencies incorporate climate risk into their analysis and governance.
 - iii. Evaluation of the potential solvency impact of insurers' exposures, including both underwriting and investments, to climate-related risks.
 - iv. Evaluation and development of climate risk-related disclosure, stress testing, and scenario modeling.
 - C. Consider innovative insurer solutions to climate risk and resiliency, including:
 - i. Evaluation of how to apply technology and innovation to the mitigation of storm, wildfire, other climate risks, and earthquake.
 - ii. Evaluation of insurance product innovation directed at reducing, managing, and mitigating climate risk, as well as closing protection gaps.
 - D. Identify adaptation, resilience, and mitigation issues and solutions related to the insurance industry.
 - E. Consider pre-disaster mitigation and resiliency and the role of state insurance regulators in resiliency.
 - F. Engage with the Center for Insurance Policy and Research (CIPR) Catastrophe Modeling Center of Excellence (COE) regarding climate-related risk and mitigation research and analysis.

Adopted by the Executive (EX) Committee, Dec. 14, 2022

Adopted by the Government Relations (EX) Leadership Council, Nov. 16, 2022

2023 Charges

GOVERNMENT RELATIONS (EX) LEADERSHIP COUNCIL

The Government Relations (EX) Leadership Council coordinates the NAIC's ongoing work with the federal government and state government officials on legislative and regulatory policy. The Leadership Council, in conjunction with the NAIC's other standing committees, is responsible for quickly responding to federal legislative and regulatory developments that affect insurance regulation.

The mission of the Government Relations (EX) Leadership Council is to develop, coordinate, and implement the NAIC's legislative, regulatory, and outreach initiatives. The Leadership Council will devise strategies for NAIC action and promote the participation of all NAIC members in the NAIC's government relations initiatives.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Government Relations (EX) Leadership Council** will:
 - A. Monitor, analyze, and respond to federal legislative and regulatory actions and other issues of importance to the NAIC membership.
 - B. Work with other standing committees, task forces, and working groups to help develop and communicate the NAIC's policy views to federal and state officials on pending legislation and regulatory issues by involvement of NAIC members through testimony, correspondence, and other approaches.
 - C. Develop a strategy and program for directly engaging NAIC members with the U.S. Congress and federal agencies to advocate for NAIC objectives and the benefits and efficiencies of state-based insurance regulation.
 - D. Secure broader participation from NAIC membership on all government affairs advocacy initiatives.
 - E. Report to the Executive (EX) Committee on all activities and matters relating to the annual charges of the Leadership Council.

2023 Charges

LONG-TERM CARE INSURANCE (EX) TASK FORCE

Recognizing the gravity of the threat posed by the current long-term care insurance (LTCI) environment both to consumers and our state-based system of insurance regulation, the mission of the Long-Term Care Insurance (EX) Task Force is to: 1) monitor and evaluate the LTCI rate review process; 2) monitor and evaluate options to help consumers manage the impact of rate increases; and 3) monitor work performed by other NAIC groups to review the financial solvency of long-term care (LTC) insurers.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Long-Term Care Insurance (EX) Task Force** will:
 - A. Monitor and evaluate the progress of the multistate actuarial (MSA) rate review process as outlined in the *Long-Term Care Insurance Multistate Rate Review Framework* (MSA Framework) document, and make modification, as appropriate. Monitor state insurance department rate review actions subsequent to the implementation of the MSA Framework and MSA rate review recommendations.
 - B. Monitor and evaluate options to help consumers manage the impact of rate increases, including an evaluation of the use and impact of previously adopted guidance for states regarding reduced benefit options (RBOs).
 - C. Monitor the work performed by other NAIC solvency working groups, and assist in the timely multistate coordination and communication of the review of the financial condition of LTC insurers.
 - D. Monitor the work performed by other NAIC committees, task forces, and working groups, as well as federal regulators, related to the LTCI industry.

Adopted by the Special (EX) Committee on Race and Insurance, Dec. 14, 2022

2023 Charges

SPECIAL (EX) COMMITTEE ON RACE AND INSURANCE

The mission of the Special (EX) Committee on Race and Insurance is to serve as the NAIC's coordinating body on identifying issues related to: 1) race, diversity, and inclusion within the insurance sector; 2) race, diversity, and inclusion in access to the insurance sector and insurance products; and 3) practices within the insurance sector that potentially disadvantage people of color and/or historically underrepresented groups.

Ongoing Support of NAIC Programs, Products or Services

1. The **Special (EX) Committee on Race and Insurance** will:
 - A. Serve as the NAIC's coordinating body on identifying issues related to: 1) race, diversity, and inclusion within the insurance sector; 2) race, diversity, and inclusion in access to the insurance sector and insurance products; and 3) practices within the insurance sector that potentially disadvantage people of color and/or historically underrepresented groups.
 - B. Coordinate with existing groups such as the Innovation, Cybersecurity, and Technology (H) Committee, Big Data and Artificial Intelligence (H) Working Group and the Casualty Actuarial and Statistical (C) Task Force and encourage those groups to continue their work on issues affecting people of color and/or historically underrepresented groups, particularly in predictive modeling, price algorithms, and artificial intelligence (AI).
 - C. Receive updates on recommendations on action steps state insurance regulators and companies can take to improve the level of diversity and inclusion in the industry.
 - D. In coordination with the Executive (EX) Committee, receive reports on NAIC diversity, equity, and inclusion (DE&I) efforts. Serve as the coordinating body for state requests for assistance from the NAIC related to DE&I efforts.
 - E. Receive reports from the Member Diversity Leaders Forum concerning best practices among state insurance departments on DE&I efforts.
 - F. Continue research and analysis of insurance, legal, and regulatory approaches to addressing unfair discrimination, disparate treatment, proxy discrimination, and disparate impact. Make recommendations for statutory or regulatory changes and additional steps, including:
 1. (Life Workstream) The impact of traditional life insurance underwriting on traditionally underserved populations, considering the relationship between mortality risk and disparate impact.
 2. (Property/Casualty Workstream) Developing analytical and regulatory tools to assist state insurance regulators in defining, identifying, and addressing unfair discrimination in property/casualty (P/C) insurance, including issues related to:
 - a. Rating and underwriting variables, such as socioeconomic variables and criminal history, including:
 1. Identifying proxy variables for race.
 2. Correlation versus causation, including discussion of spurious correlation and rational explanation.
 3. Potential bias in underlying data.
 4. Proper use of third-party data.
 - b. Disparate impact considerations.

SPECIAL (EX) COMMITTEE ON RACE AND INSURANCE *(Continued)*

- G. (Life, Property/Casualty, and Health Workstreams) Consider enhanced data reporting and record-keeping requirements across product lines to identify race and other sociodemographic factors of insureds, including consideration of legal and privacy concerns. Consider a data call to identify insurance producer resources available and products sold in specific ZIP codes to identify barriers to access.
- H. Continue research and analysis related to insurance access and affordability issues, including:
 - 1. (Life Workstream) The marketing, distribution, and access to life insurance products in minority communities, including the role that financial literacy plays.
 - 2. (Life Workstream) Disparities in the number of cancellations/rescissions among minority policyholders.
 - 3. (Health Workstream) Measures to advance equity through lowering the cost of health care and promoting access to care and coverage, with a specific focus on measures to remedy impacts on people of color, low income and rural populations, and historically marginalized groups, such as the LGBTQ+ community, individuals with disabilities, and Alaska Native and other Native and Indigenous people.
 - 4. (Health Workstream) Examination of the use of network adequacy and provider directory measures (e.g., provider diversity, language, and cultural competence) to promote equitable access to culturally competent care.
 - 5. (Health Workstream) Conduct additional outreach to educate consumers and collect information on health and health care complaints related to discrimination and inequities in accessing care.
 - 6. (Property/Casualty Workstream) Whether steps need to be taken to mitigate the impact of residual markets, premium financing, and nonstandard markets on historically underrepresented groups.
 - 7. Make referrals for the development of consumer education and outreach materials, as appropriate.

INTERNAL ADMINISTRATION (EX1) SUBCOMMITTEE

The mission of the Internal Administration (EX1) Subcommittee is to monitor the operations of the NAIC, including: 1) preparing a budget for Executive (EX) Committee review; 2) providing direction on personnel issues; 3) approving emergency expenditures; 4) evaluating the chief executive officer (CEO); and 5) assisting the CEO in resolving competing demands for NAIC staff resources.

Ongoing Support of NAIC Programs, Products or Services

1. The **Internal Administration (EX1) Subcommittee** will:
 - A. Review and approve all expenditures of funds not included in the annual budget by considering any fiscal impact statements of unbudgeted resource requests and reporting its actions to the Executive (EX) Committee.
 - B. Annually work with the CEO, chief operating officer/chief legal officer (COO/CLO), and chief financial officer (CFO) to review the business operations plan, which will incorporate the Executive (EX) Committee's strategic management initiatives and report its actions to the Committee.
 - C. Oversee a review of any management areas of the NAIC that should be designated for formal operational reviews by working with the CEO and COO/CLO.
 - D. Oversee the development, revision, and delivery of all NAIC education programs, or the addition of new programs, by coordinating with other committees, as appropriate, and providing direction to the CEO and COO/CLO.
 - E. Receive a report at each national meeting from the Audit Committee, which will be chaired by the secretary-treasurer. The NAIC Audit Committee will meet with NAIC management at or before each national meeting, or more frequently as necessary, to review the NAIC financial statements and hear reports from NAIC management on emerging financial issues for the NAIC, and it will report such information to the Subcommittee. The Audit Committee shall also carry out the following activities pursuant to its charter:
 1. Engage the NAIC's independent accountants with respect to the annual audit. This will include the appointment of an independent audit firm, a review of the results of the annual audit, and discussions with the independent auditors and NAIC management to ensure all audit comments or suggestions are addressed in a timely manner.
 2. Engage the NAIC's service advisory firm. This will include the selection of an independent firm to provide Statement on Standards for Attestation Engagements (SSAE) services to the NAIC.
 - F. Serve as the primary liaison between NAIC membership and the NAIC investment advisor, or appoint a subcommittee to act in that capacity, including receiving reports on the performance of the NAIC's investment portfolio and, from time to time, meeting directly with investment firm representatives to hear periodic reports and recommendations.
 - G. Review and revise, as necessary and appropriate, the criteria and categories for registrants at national meetings.
 - H. Conduct evaluations of the CEO and COO/CLO, and make appropriate recommendations to the Executive (EX) Committee. Consult with the CEO and COO/CLO on compensation of senior management.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Regulatory Framework (B) Task Force** will:
 - A. Coordinate and develop the provision of technical assistance to the states regarding state-level implementation issues raised by federal health legislation and regulations.
 - B. Review managed health care reforms, their delivery systems occurring in the marketplace, and other forms of health care delivery. Recommend appropriate revisions to regulatory jurisdiction, authority, and structures.
 - C. Consider the development of new NAIC model laws and regulations and the revision of existing NAIC model laws and regulations, including those affected by federal legislation and final federal regulations promulgated pursuant to such legislation.
 - D. Continue to review NAIC models recommended for revision by the former Affordable Care Act (ACA) Model Review (B) Working Group and, as appropriate, appoint a working group or subgroup to revise the NAIC model(s) prioritized for revision in 2023.
 - E. At the direction of the Health Insurance and Managed Care (B) Committee, through the work of the Employee Retirement Income Security Act (ERISA) (B) Working Group, monitor, analyze, and report developments related to association health plans (AHPs).
 - F. Monitor, analyze, and report, as necessary, developments related to short-term, limited-duration (STLD) coverage.
2. The **Accident and Sickness Insurance Minimum Standards (B) Subgroup** will:
 - A. Review and consider revisions to the *Model Regulation to Implement the Accident and Sickness Insurance Minimum Standards Model Act* (#171).
3. The **ERISA (B) Working Group** will:
 - A. Monitor, report, and analyze developments related to ERISA, and make recommendations regarding NAIC strategy and policy with respect to those developments.
 - B. Monitor, facilitate, and coordinate with the states and the U.S. Department of Labor (DOL) efforts related to sham health plans.
 - C. Monitor, facilitate, and coordinate with the states and the DOL regarding compliance and enforcement efforts regarding the ACA that relate to ERISA.
 - D. Review the *Health and Welfare Plans Under the Employee Retirement Income Security Act: Guidelines for State and Federal Regulation* (ERISA Handbook) and modify it, as necessary, to reflect developments related to ERISA. Report annually.

REGULATORY FRAMEWORK (B) TASK FORCE *(Continued)*

4. The **Mental Health Parity and Addiction Equity Act (MHPAEA) (B) Working Group** will:
 - A. Monitor, report, and analyze developments related to the MHPAEA, and make recommendations regarding NAIC strategy and policy with respect to those developments.
 - B. Monitor, facilitate, and coordinate best practices with the states, the DOL, and the U.S. Department of Health and Human Services (HHS) related to the MHPAEA.
 - C. Monitor, facilitate, and coordinate with the states and the DOL regarding compliance and enforcement efforts regarding the ACA that relate to the MHPAEA.
 - D. Provide supplemental resources to support documentation and reporting in the MHPAEA chapter of the *Market Regulation Handbook*.
 - E. Coordinate with and provide input to Market Regulation and Consumer Affairs (D) Committee groups, as necessary, regarding mental health parity market conduct examinations.

5. The **Pharmacy Benefit Manager Regulatory Issues (B) Subgroup** will:
 - A. Develop a white paper to: 1) analyze and assess the role pharmacy benefit managers (PBMs), pharmacy services administrative organizations (PSAOs), and other supply chain entities play in the provision of prescription drug benefits; 2) identify, examine, and describe current and emerging state regulatory approaches to PBM business practices, such as price transparency and reporting requirements, rebating, and spread pricing, including the implications of the *Rutledge v. Pharmaceutical Care Management Association (PCMA)* decision on such business practices; and 3) discuss any challenges, if any, the states have encountered in implementing such laws and/or regulations.
 - B. Consider developing a new NAIC model to establish a licensing or registration process for PBMs. Based on issues identified in the white paper, the Subgroup may consider including in the new NAIC model provisions on PBM prescription drug pricing and cost transparency.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Senior Issues (B) Task Force** will:
 - A. Develop appropriate regulatory standards and revisions, as necessary, to the NAIC models, consumer guides, and training material on Medicare supplement insurance, senior counseling programs, and other insurance issues that affect older Americans. Work with federal agencies to advance appropriate regulatory standards for Medicare supplement and other forms of health insurance applicable to older Americans. Review the *Medicare Supplement Insurance Minimum Standards Model Act* (#650) and the *Model Regulation to Implement the NAIC Medicare Supplement Insurance Minimum Standards Model Act* (#651) to determine if amendments are required based on changes to federal law. Work with the federal Centers for Medicare & Medicaid Services (CMS) to revise the annual joint publication, *Choosing a Medigap Policy: A Guide to Health Insurance for People with Medicare*.
 - B. Monitor the Medicare Advantage and Medicare Part D marketplace. Assist the states, as necessary, with regulatory issues. Maintain a dialogue and coordinate with the CMS on regulatory issues, including solvency oversight of waived plans and agent misconduct. Assist the states and serve as a clearinghouse for information on Medicare Advantage plan activity.
 - C. Provide the perspective of state insurance regulators to the U.S. Congress (Congress), as appropriate, and the CMS on insurance issues, including those concerning the effect and result of federal activity on the senior citizen health insurance marketplace and regulatory scheme. Review and monitor state and federal relations with respect to senior health care initiatives and other impacts on the states.
 - D. Monitor developments concerning State Health Insurance Assistance Programs (SHIPs), including information on legislation affecting the funding of SHIPs. Assist the states with issues relating to SHIPs and support a strong partnership between SHIPs and the CMS. Provide the perspective of state insurance regulators to federal officials, as appropriate, on issues concerning SHIPs.
 - E. Monitor, maintain, and review, in accordance with changes to Model #651, a record of state approvals of all Medicare supplement insurance new or innovative benefits for use by state insurance regulators and others. Review state-approved new or innovative benefits and consider whether to recommend that they be made part of standard benefit plan designs in Model #651.
 - F. Develop appropriate regulatory standards and revisions, as necessary, to the NAIC models, consumer guides, and training material on LTCI, including the study and evaluation of evolving LTCI product design, rating, suitability, and other related factors. Work with federal agencies, as appropriate.
 - G. Examine examples of health-related financial exploitation of seniors and work with other NAIC committees, task forces, and working groups on possible solutions.
 - H. Examine the effects of structural racism and the COVID-19 pandemic on access, affordability, and outcomes for older insurance consumers.

PROPERTY AND CASUALTY INSURANCE (C) COMMITTEE

The mission of the Property and Casualty Insurance (C) Committee is to: 1) monitor and respond to problems associated with the products, delivery, and cost in the property/casualty (P/C) insurance market and the surplus lines market as they operate with respect to individual persons and businesses; 2) monitor and respond to problems associated with financial reporting matters for P/C insurers that are of interest to regulatory actuaries and analysts; and 3) monitor and respond to problems associated with the financial aspects of the surplus lines market.

Ongoing Support of NAIC Programs, Products or Services

1. The **Property and Casualty Insurance (C) Committee** will:
 - A. Discuss issues arising and make recommendations with respect to advisory organization and insurer filings for personal and commercial lines, as needed. Report yearly.
 - B. Monitor the activities of the Casualty Actuarial and Statistical (C) Task Force.
 - C. Monitor the activities of the Surplus Lines (C) Task Force.
 - D. Monitor the activities of the Title Insurance (C) Task Force.
 - E. Monitor the activities of the Workers' Compensation (C) Task Force.
 - F. Provide an impartial forum for considering appeals of adverse decisions involving alien insurers delisted or rejected for listing to the *Quarterly Listing of Alien Insurers*. Appeal procedures are described in the International Insurers Department (IID) Plan of Operation.
 - G. Monitor and review developments in case law related to risk retention groups (RRGs). If warranted, make appropriate recommendations to the Risk Retention Group (E) Task Force for changes to the *Risk Retention and Purchasing Group Handbook*.
 - H. Monitor the activities of the Federal Crop Insurance Corporation (FCIC) that affect state insurance regulators:
 - i. Serve as a forum for discussing issues related to the interaction of federal crop insurance programs with state insurance regulation.
 - ii. Review law changes and court decisions, and, if warranted, make appropriate changes to the *Federal Crop Insurance Program Handbook: A Guide for Insurance Regulators*.
 - iii. Monitor the regulatory information exchanges between the FCIC and state insurance regulators, as well as the FCIC and the NAIC, and make recommendations for improvements or revisions, as needed.
 - I. Report on the cyber insurance market, including data reported within the Cybersecurity Insurance and Identity Theft Coverage Supplement.
 - J. Monitor regulatory issues that arise with the development of autonomous vehicles. Study and, if necessary, develop recommendations for changes needed to the state-based insurance regulatory framework.
 - K. Provide a forum for discussing issues related to parametric insurance, and consider the development of a white paper or regulatory guidance.
 - L. Study and report on the availability and affordability of liability and property coverage for non-profit organizations.
 - M. Assist state insurance regulators in better assessing their markets and insurer underwriting practices by developing property market data intelligence so regulators can better understand how markets are performing in their states, and identify potential new coverage gaps, including changes in deductibles and coverage types, and affordability and availability issues.

PROPERTY AND CASUALTY INSURANCE (C) COMMITTEE (Continued)

- N. Provide a forum for discussing issues related to the use of telematics in insurance, and consider the development of a white paper or regulatory guidance.
2. The **Cannabis Insurance (C) Working Group** will:
 - A. Assess and periodically report on the status of federal legislation that would protect financial institutions from liability associated with providing services to cannabis businesses operating legally under state law.
 - B. Encourage admitted insurers to ensure coverage adequacy in states where cannabis, including hemp, is legal.
 - C. Provide insurance resources to stakeholders, and keep up with new products and innovative ideas that may shape insurance in this space.
 - D. Explore potential sources of constraint to coverage limits and availability of cannabis insurance products within the admitted and non-admitted market. Explore the use of cannabis on P/C insurance lines of business. Use information gained to develop an appendix to the *Understanding the Market for Cannabis Insurance 2.0* white paper.
 3. The **Catastrophe Insurance (C) Working Group** will:
 - A. Monitor and recommend measures to improve the availability and affordability of insurance and reinsurance related to catastrophe perils for personal and commercial lines.
 - B. Evaluate potential state, regional, and national programs to increase capacity for insurance and reinsurance related to catastrophe perils, including mitigation efforts being used in states and investigating loss trends in homeowners markets, with the goal to provide rate stability in the marketplace and protect consumers.
 - C. Monitor and assess proposals that address disaster insurance issues at the federal and state levels. Assess concentration-of-risk issues and whether a regulatory solution is needed.
 - D. Provide a forum for discussing issues and recommending solutions related to insuring for catastrophe risk, including terrorism, war, and natural disasters.
 - E. Draft a Catastrophe Modeling Primer that addresses the basic concepts of catastrophe modeling.
 - F. Investigate and recommend ways the NAIC can assist states in responding to disasters by continuing to build the NAIC's Catastrophe Resource Center for state insurance regulators to better prepare for disasters.
 - G. Continue to monitor the growth of the private flood insurance market and assess the actions taken by individual states to facilitate growth. Update the Considerations for Private Flood Insurance appendix to include new ways states are growing the private flood insurance market.
 - H. Study, in coordination with other NAIC task forces and working groups, earthquake, severe convective storms and wildfire matters of concern to state insurance regulators.
 4. The **NAIC/Federal Emergency Management Agency (FEMA) (C) Working Group** will:
 - A. Assist state insurance regulators in engaging and collaborating with FEMA on an ongoing basis by establishing a process for the oversight, prioritization, and reporting of disaster-related regional workshops and other exercises to improve disaster preparation and resilience.
 5. The **Terrorism Insurance Implementation (C) Working Group** will:
 - A. Coordinate the NAIC's efforts to address insurance coverage for acts of terrorism. Work with the U.S. Department of the Treasury's (Treasury Department's) Terrorism Risk Insurance Program (TRIP) Office on matters of mutual concern. Discuss long-term solutions to address the risk of loss from acts of terrorism.
 - B. Review and report on data collection related to insurance coverage for acts of terrorism.

PROPERTY AND CASUALTY INSURANCE (C) COMMITTEE *(Continued)*

6. The **Transparency and Readability of Consumer Information (C) Working Group** will:
 - A. Facilitate consumers' capacity to understand the content of insurance policies and assess differences in insurers' policy forms.
 - B. Assist other groups with drafting language included within consumer-facing documents.
 - C. Discuss disclosures for premium increases related to P/C insurance products. .
 - D. Update and develop web page and mobile content for *A Shopping Tool for Homeowners Insurance* and *A Shopping Tool for Automobile Insurance*.
 - E. Study and evaluate ways to engage department of insurance (DOI) communication with more diverse populations, such as rural communities.

MARKET REGULATION AND CONSUMER AFFAIRS (D) COMMITTEE

The mission of the Market Regulation and Consumer Affairs (D) Committee is to monitor all aspects of the market regulatory process for continuous improvement. This includes market analysis, regulatory interventions with companies, and multi-jurisdictional collaboration. The Committee will also review and make recommendations regarding the underwriting and market practices of insurers and producers, as those practices affect insurance consumers, including the availability and affordability of insurance.

Ongoing Support of NAIC Programs, Products or Services

1. The **Market Regulation and Consumer Affairs (D) Committee** will:
 - A. Monitor the centralized collection and storage of market conduct data, national analysis, and reporting at the NAIC, including issues regarding the public availability of data.
 - B. Monitor and assess the current process for multi-jurisdictional market conduct activities and provide appropriate recommendations for enhancement, as necessary.
 - C. Evaluate all data currently collected in the NAIC Market Information Systems (MIS) and considered confidential to determine what, if any, can be made more widely available.
 - D. Oversee the activities of the Antifraud (D) Task Force.
 - E. Oversee the activities of the Market Information Systems (D) Task Force.
 - F. Oversee the activities of the Producer Licensing (D) Task Force.
 - G. Monitor the underwriting and market practices of insurers and producers, as well as the conditions of insurance marketplaces, including urban markets, to identify specific market conduct issues of importance and concern. Hold public hearings on these issues at the NAIC national meetings, as appropriate.
 - H. In collaboration with other technical working groups, discuss and share best practices through public forums to address broad consumer concerns regarding personal insurance products.
 - I. Coordinate with the International Insurance Relations (G) Committee to develop input and submit comments to the International Association of Insurance Supervisors (IAIS) and/or other related groups on issues regarding market regulation concepts.
 - J. Coordinate with the Health Insurance and Managed Care (B) Committee to provide policy recommendations regarding uniform state enforcement of the federal Affordable Care Act (ACA).

2. The **Advisory Organization (D) Working Group** will:
 - A. Revise the protocols, as necessary, for the examination of national or multistate advisory organizations (including rating organizations and statistical agents) to be more comprehensive, efficient, and possibly less frequent than the current system of single-state exams. Solicit input and collaboration from other interested and affected committees and task forces.
 - B. Monitor the data reporting and data collection processes of advisory organizations (including rating organizations and statistical agents) to determine if they are implementing appropriate measures to ensure data quality. Report the results of this ongoing charge, as needed.
 - C. Actively assist with and coordinate multistate examinations of advisory organizations (including rating organizations and statistical agents).

MARKET REGULATION AND CONSUMER AFFAIRS (D) COMMITTEE *(Continued)*

3. The **Market Actions (D) Working Group** will:
 - A. Facilitate interstate communication and coordinate collaborative state regulatory actions.
4. The **Market Analysis Procedures (D) Working Group** will:
 - A. Recommend changes to the market analysis framework based on results over the past five years, including the current set of Level 1 and Level 2 questions.
 - B. In accordance with the second recommendation of the adopted *Review of Artificial Intelligence Techniques in Market Analysis*, assess currently available market analysis data to identify needed improvements in the effectiveness of the data for market analysis and the predictive abilities of the market scoring systems utilizing the data.
 - C. Discuss other market data collection issues and make recommendations, as necessary.
 - D. Consider recommendations for new lines of business for the Market Conduct Annual Statement (MCAS).
5. The **Market Conduct Annual Statement Blanks (D) Working Group** will:
 - A. Review the MCAS data elements and the “Data Call and Definitions” for those lines of business that have been in effect for longer than three years and update them, as necessary.
 - B. Develop an MCAS blank to be used for the collection of data for additional lines of business, where appropriate.
6. The **Market Conduct Examination Guidelines (D) Working Group** will:
 - A. Develop market conduct examination standards, as necessary, for inclusion in the *Market Regulation Handbook*.
 - B. Monitor the adoption and revision of NAIC models and develop market conduct examination standards to correspond with adopted NAIC models.
 - C. Develop updated standardized data requests, as necessary, for inclusion in the *Market Regulation Handbook*.
 - D. Discuss the development of uniform market conduct procedural guidance (e.g., a library, depository or warehouse with market conduct examination templates, such as an exam call letter, exam exit agenda, etc.) for inclusion in, or for use in conjunction with, the *Market Regulation Handbook*.
 - E. Coordinate with the Innovation, Cybersecurity and Technology (H) Committee to develop market conduct examiner guidance for the oversight of regulated entities’ use of insurance and non-insurance consumer data and models using algorithms and artificial intelligence (AI).
 - F. Discuss the effectiveness of group supervision of market conduct risks and develop examination procedural guidance, as necessary.
 - G. Discuss the role of market conduct examiners in reviewing insurers’ corporate governance as outlined in the NAIC’s *Corporate Governance Annual Disclosure Model Act* (#305) and *Corporate Governance Annual Disclosure Model Regulation* (#306).
7. The **Market Regulation Certification (D) Working Group** will:
 - A. Develop a formal market regulation certification proposal for consideration by the NAIC membership that provides recommendations for the following: 1) certification standards; 2) a process for the state implementation of the standards; 3) a process to measure the states’ compliance with the standards; 4) a process for future revisions to the standards; and 5) assistance for jurisdictions to achieve certification.

MARKET REGULATION AND CONSUMER AFFAIRS (D) COMMITTEE *(Continued)*

8. The **Speed to Market (D) Working Group** will:

- A. Consider proposed System for Electronic Rates & Forms Filing (SERFF) features or functionality presented to the Working Group by the Product Steering Committee (PSC). Receive periodic reports from the PSC, as needed.
- B. Provide feedback and recommendations concerning the SERFF modernization when requested by the Executive (EX) Committee and any group assigned oversight of the SERFF modernization by the Executive (EX) Committee.
- C. Discuss and oversee the implementation and ongoing maintenance/enhancement of speed to market operational efficiencies related to product filing needs, efficiencies, and effective consumer protection. This includes the following activities:
 - i. Provide a forum to gather information from the states and the industry regarding tools, policies, and resolutions to assist with common filing issues. Provide oversight in evaluating product filing efficiency issues for state insurance regulators and the industry, particularly regarding uniformity.
 - ii. Use SERFF data to develop, refine, implement, collect, and distribute common filing metrics that provide a tool to measure the success of the speed to market modernization efforts, as measured by nationwide and individual state speed to market compliance, with an emphasis on monitoring state regulatory and insurer responsibilities for speed to market for insurance products.
 - iii. Facilitate proposed changes to the product coding matrices (PCMs) and the uniform transmittal document (UTD) on an annual basis, including the review, approval, and notification of changes. Monitor, assist with, and report on state implementation of any PCM changes.
 - iv. Facilitate the review and revision of the Product Filing Review Handbook, which contains an overview of all the operational efficiency tools and describes best practices for industry filers and state reviewers regarding the rate and form filing and review process. Develop and implement a communication plan to inform the states about the Product Filing Review Handbook.
- D. Provide direction to NAIC staff regarding SERFF functionality, implementation, development, and enhancements. Receive periodic reports from NAIC staff, as needed.
- E. Conduct the following activities, as desired, by the Interstate Insurance Product Regulation Commission (Compact):
 - i. Provide support to the Compact as the speed to market vehicle for asset-based insurance products, encouraging the states' participation in, and the industry's usage of, the Compact.
 - ii. Receive periodic reports from the Compact, as needed.

The mission of the Antifraud (D) Task Force is to serve the public interest by assisting the state insurance supervisory officials, individually and collectively, through the detection, monitoring, and appropriate referral for the investigation of insurance crime, both by and against consumers. The Task Force will assist the insurance regulatory community by conducting the following activities: 1) maintaining and improving electronic databases regarding fraudulent insurance activities; 2) disseminating the results of research and analysis of insurance fraud trends, as well as case-specific analysis, to the insurance regulatory community; and 3) providing a liaison function between state insurance regulators, law enforcement—i.e., federal, state, local, and international—and other specific antifraud organizations. The Task Force will also serve as a liaison with the NAIC Information Technology Group (ITG) and other NAIC committees, task forces, and/or working groups to develop technological solutions for data collection and information sharing. The Task Force will monitor all aspects of antifraud activities by its working groups on the following charges.

Ongoing Support of NAIC Programs, Products or Services

1. The **Antifraud (D) Task Force** will:
 - A. Work with NAIC committees, task forces, and working groups (e.g., Title Insurance (C) Task Force, etc.) to review issues and concerns related to fraud activities and schemes related to insurance fraud.
 - B. Coordinate efforts to address national concerns related to agent fraud and activities of unauthorized agents related to insurance sales.
 - C. Coordinate the enforcement and investigation efforts of state and federal securities regulators with state insurance fraud bureaus.
 - D. Coordinate with state, federal, and international law enforcement agencies in addressing antifraud issues relating to the insurance industry.
 - E. Review and provide comments to the International Association of Insurance Supervisors (IAIS) on its Insurance Core Principles (ICPs) related to insurance fraud.
 - F. Coordinate activities and information from national antifraud organizations and provide information to state insurance fraud bureaus.
 - G. Coordinate activities and information with state and federal fraud divisions to determine guidelines that will assist with reciprocal involvement concerning antifraud issues resulting from natural disasters and catastrophes.
 - H. Coordinate efforts with the insurance industry to address antifraud issues and concerns.
 - I. Evaluate and recommend methods to track national fraud trends.
 - J. Develop seminars, trainings, and webinars regarding insurance fraud. Provide three webinars by the 2023 Fall National Meeting.

2. The **Antifraud Technology (D) Working Group** will:
 - A. Work with the NAIC to develop an Antifraud Plan Repository to be used by insurers to create and store an electronic fraud plan for distribution among the states/jurisdictions. Complete by the 2023 Fall National Meeting.
 - B. Evaluate sources of antifraud data and propose methods for enhancing the utilization and exchange of information among state insurance regulators, fraud investigative divisions, law enforcement officials, insurers, and antifraud organizations. Complete by the 2023 Fall National Meeting.

ANTIFRAUD (D) TASK FORCE *(Continued)*

3. The **Improper Marketing of Health Insurance (D) Working Group** will:
 - A. Coordinate with state insurance regulators, both on a state and federal level, to provide assistance and guidance monitoring the improper marketing of health plans and coordinate appropriate enforcement actions, as needed, with other NAIC committees, task forces, and working groups.
 - B. Review existing NAIC models and guidelines that address the use of lead generators for sales of health insurance products and identify models and guidelines that need to be updated or developed to address current marketplace activities.

The mission of the Producer Licensing (D) Task Force is to: 1) develop and implement uniform standards, interpretations, and treatment of producer and adjuster licensees and licensing terminology; 2) monitor and respond to developments related to licensing reciprocity; 3) coordinate with industry and consumer groups regarding priorities for licensing reforms; and 4) provide direction based on NAIC membership initiatives to the National Insurance Producer Registry (NIPR) Board of Directors regarding the development and implementation of uniform producer licensing initiatives, with a primary emphasis on encouraging the use of electronic technology.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Producer Licensing (D) Task Force** will:

- A. Work closely with NIPR to encourage the full utilization of NIPR products and services by all the states and producers, and encourage accurate and timely reporting of state administrative actions to the NAIC's Regulatory Information Retrieval System (RIRS) to ensure that this data is properly reflected in the State Producer Licensing Database (SPLD) and the Producer Database (PDB).
- B. Facilitate roundtable discussions, as needed, with the state producer licensing directors for the exchange of views, opinions, and ideas on producer licensing activities in the states and at the NAIC.
- C. Discuss, as necessary, state perspectives regarding the regulation and benefit of the activities of the federal Affordable Care Act (ACA), established enrollment assisters (including navigators and non-navigator assisters and certified application counselors), and the activities of producers in assisting individuals and businesses purchasing in the health insurance marketplaces. Coordinate with the Health Insurance and Managed Care (B) Committee and the Antifraud (D) Task Force, as necessary.
- D. Monitor the activities of the National Association of Registered Agents and Brokers (NARAB) in the development and enforcement of the NARAB membership rules, including the criteria for successfully passing a background check.
- E. Coordinate through NAIC staff to provide guidance to NIPR on producer licensing-related electronic initiatives. Hear a report from NIPR at each national meeting.
- F. Coordinate with the Market Information Systems (D) Task Force and the Antifraud (D) Task Force to evaluate and make recommendations regarding the entry, retention, and use of data in the NAIC's Market Information Systems (MIS).
- G. Coordinate with the Special (EX) Committee on Race and Insurance on referrals affecting insurance producers.
- H. Discuss how criminal convictions may affect producer licensing applicants, and review the NAIC's *Guidelines for State Insurance Regulators to the Violent Crime Control and Law Enforcement Act of 1994* to create a more simplified and consistent approach in how states review 1033 waiver requests.
- I. Review and amend, as needed, the *Public Adjuster Licensing Model Act (#228)* to enhance consumer protections in the property and casualty claims process.

2. The **Adjuster Licensing (D) Working Group** will:

- A. Monitor state implementation of adjuster licensing and reciprocity; update, as necessary, the NAIC adjuster licensing standards.

PRODUCER LICENSING (D) TASK FORCE *(Continued)*

3. The **Producer Licensing Uniformity (D) Working Group** will:
 - A. Work closely with state producer licensing directors and exam vendors to ensure that: 1) the states achieve full compliance with the standards in order to achieve greater uniformity; and 2) the exams test the qualifications for an entry-level position as a producer.
 - B. Provide oversight and ongoing updates, as needed, to the *State Licensing Handbook*.
 - C. Monitor and assess the state implementation of the Uniform Licensing Standards (ULS), and update the standards, as needed.
 - D. Review and update, as needed, the NAIC's uniform producer licensing applications and uniform appointment form. Provide any recommended updates to the Producer Licensing (D) Task Force by the 2023 Summer National Meeting.

4. The **Uniform Education (D) Working Group** will:
 - A. Update, as needed, the reciprocity guidelines, the uniform application forms for continuing education (CE) providers, and the process for state review and approval of instructors and courses. Provide any recommended updates to the Producer Licensing (D) Task Force by the 2023 Fall National Meeting.
 - B. Coordinate with NAIC parent committees, task forces, and/or working groups to review and provide recommendations, as necessary, on prelicensing education and CE requirements that are included in NAIC model acts, regulations, and/or standards.

FINANCIAL CONDITION (E) COMMITTEE

The mission of the Financial Condition (E) Committee is to be the central forum and coordinator of solvency-related considerations of the NAIC relating to accounting practices and procedures; blanks; valuation of securities; financial analysis and solvency; multistate examinations and examiner and analysis training; and issues concerning insurer insolvencies and insolvency guarantees. In addition, the Committee interacts with the technical task forces.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Financial Condition (E) Committee** will:
 - A. Monitor all of the changes to the annual/quarterly financial statement blanks and instructions, risk-based capital (RBC) formulas, *Financial Condition Examiners Handbook*, *Accounting Practices and Procedures Manual* (AP&P Manual), *Financial Analysis Handbook*, *Purposes and Procedures Manual of the NAIC Investment Analysis Office* (P&P Manual), NAIC model laws, NAIC accreditation standards, and other NAIC publications.
 - B. Appoint and oversee the activities of the following: Accounting Practices and Procedures (E) Task Force; Capital Adequacy (E) Task Force; Examination Oversight (E) Task Force; Receivership and Insolvency (E) Task Force; Reinsurance (E) Task Force; Risk Retention Group (E) Task Force; and Valuation of Securities (E) Task Force.
 - C. Oversee a process to address financial issues that may compromise the consistency and uniformity of the U.S. solvency framework, referring valuation and other issues to the appropriate committees as needed.
 - D. Use the Risk-Focused Surveillance (E) Working Group to address specific industry concerns regarding regulatory redundancy, and review any issues that industry subsequently escalates to the Committee.
2. The **Financial Analysis (E) Working Group** will:
 - A. Analyze nationally significant insurers and groups that exhibit characteristics of trending toward or being financially troubled; determine if appropriate action is being taken.
 - B. Interact with domiciliary regulators and lead states to assist and advise as to what might be the most appropriate regulatory strategies, methods, and action(s).
 - C. Support, encourage, promote, and coordinate multistate efforts in addressing solvency problems, including identifying adverse industry trends.
 - D. Increase information-sharing and coordination between state insurance regulators and federal authorities, including through representation of state insurance regulators in national bodies with responsibilities for system-wide oversight.
3. The **Group Capital Calculation (E) Working Group** will:
 - A. Continually review and monitor the effectiveness of the group capital calculation (GCC), and consider revisions, as necessary, to maintain the effectiveness of its objective under the U.S. solvency system.
 - B. Liaise, as necessary, with the International Insurance Relations (G) Committee on international group capital developments, and consider input from participation of U.S. state insurance regulators in the International Association of Insurance Supervisors (IAIS) monitoring process.

FINANCIAL CONDITION (E) COMMITTEE *(Continued)*

4. The **Group Solvency Issues (E) Working Group** will:
 - A. Continue to develop potential enhancements to the current regulatory solvency system as it relates to group solvency-related issues.
 - B. Critically review and provide input and drafting on IAIS material dealing with group supervision issues and identify best practices in group supervision emerging from the IAIS Supervisory Forum.
 - C. Continually review and monitor the effectiveness of the *Insurance Holding Company System Regulatory Act* (#440) and the *Insurance Holding Company System Model Regulation with Reporting Forms and Instructions* (#450), and consider revisions, as necessary, to maintain effective oversight of insurance groups.

5. The **Own Risk and Solvency Assessment (ORSA) Implementation (E) Subgroup** of the Group Solvency Issues (E) Working Group will:
 - A. Continue to provide and enhance an enterprise risk management (ERM) education program for state insurance regulators in support of the ORSA implementation.
 - B. Continually review and monitor the effectiveness of the *Risk Management and Own Risk and Solvency Assessment Model Act* (#505) and its corresponding *NAIC Own Risk and Solvency Assessment (ORSA) Guidance Manual* (ORSA Guidance Manual); consider revisions as necessary.

6. The **Mortgage Guaranty Insurance (E) Working Group** will:
 - A. Develop changes to the *Mortgage Guaranty Insurance Model Act* (#630) and other areas of the solvency regulation of mortgage guaranty insurers, including, but not limited to, revisions to *Statement of Statutory Accounting Principles (SSAP) No. 58—Mortgage Guaranty Insurance*, and develop an extensive mortgage guaranty supplemental filing. Finalize Model #630 by the 2023 Spring National Meeting.

7. The **Mutual Recognition of Jurisdictions (E) Working Group** will:
 - A. Oversee the process for evaluating jurisdictions, and maintain a listing of jurisdictions that meet the NAIC requirements for recognizing and accepting the NAIC GCC.
 - B. Maintain the *NAIC List of Qualified Jurisdictions* and the *NAIC List of Reciprocal Jurisdictions* in accordance with the *Process for Evaluating Qualified and Reciprocal Jurisdictions*.

8. The **NAIC/American Institute of Certified Public Accountants (AICPA) (E) Working Group** will:
 - A. Continually review the *Annual Financial Reporting Model Regulation* (#205) and its corresponding implementation guide; revise as appropriate.
 - B. Address financial solvency issues by working with the AICPA and responding to AICPA exposure drafts.
 - C. Monitor the federal Sarbanes-Oxley (SOX) Act of 2002, as well as rules and regulations promulgated by the U.S. Securities and Exchange Commission (SEC), the Public Company Accounting Oversight Board (PCAOB), and other financial services regulatory entities.
 - D. Review annually the premium threshold amount included in Section 16 of Model #205, with the general intent that those insurers subject to the Section 16 requirements would capture at least approximately 90% of industry premium and/or in response to any future regulatory or market developments.

FINANCIAL CONDITION (E) COMMITTEE *(Continued)*

9. The **National Treatment and Coordination (E) Working Group** will:
 - A. Increase utilization and implementation of the *Company Licensing Best Practices Handbook*.
 - B. Encourage synergies between corporate changes/amendments and rate and form filing review and approval to improve efficiency.
 - C. Continue to monitor the usage and make necessary enhancements to the Form A Database.
 - D. Maintain educational courses in the existing NAIC Insurance Regulator Professional Designation Program for company licensing regulators.
 - E. Make necessary enhancements to promote electronic submission of all company licensing applications.

10. The **Restructuring Mechanisms (E) Working Group** will:
 - A. Evaluate and prepare a white paper that:
 - i. Addresses the perceived need for restructuring statutes and the issues those statutes are designed to remedy. Also, consider alternatives that insurers are currently employing to achieve similar results.
 - ii. Summarizes the existing state restructuring statutes.
 - iii. Addresses the legal issues posed by an order of a court (or approval by an insurance department) in one state affecting the policyholders of other states.
 - iv. Considers the impact that a restructuring might have on guaranty associations and policyholders that had guaranty fund protection prior to the restructuring.
 - v. Identifies and addresses the legal issues associated with restructuring using a protected cell.
 - B. Consider requesting approval from the Executive (EX) Committee on developing changes to specific NAIC models as a result of findings from the development of the white paper.

11. The **Restructuring Mechanisms (E) Subgroup** of the Restructuring Mechanisms (E) Working Group will:
 - A. Develop best practices to be used in considering the approval of proposed restructuring transactions, including, among other things, the expected level of reserves and capital expected after the transfer, along with the adequacy of long-term liquidity needs. Also, develop best practices to be used in monitoring the companies after the transaction is completed. Once completed, recommend to the Financial Regulation Standards and Accreditation (F) Committee for its consideration.
 - B. Consider the need to make changes to the RBC formula to better assess the minimum surplus requirements for companies in runoff.
 - C. Review the various restructuring mechanisms, and develop, if deemed needed, accounting and reporting requirements for referring to the Statutory Accounting Principles (E) Working Group.

12. The **Risk-Focused Surveillance (E) Working Group** will:
 - A. Continually review the effectiveness of risk-focused surveillance, and develop enhancements to processes as necessary.
 - B. Continually review regulatory redundancy issues identified by interested parties, and provide recommendations to other NAIC committee groups to address as needed.
 - C. Oversee and monitor the Peer Review Program to encourage consistent and effective risk-focused surveillance processes.
 - D. Continually maintain and update standardized job descriptions/requirements and salary range recommendations for common solvency monitoring positions to assist insurance departments in attracting and maintaining suitable staff.

FINANCIAL CONDITION (E) COMMITTEE *(Continued)*

13. The **Valuation Analysis (E) Working Group** will:

- A. Work with NAIC resources to assist in prioritizing and responding to issues and questions regarding principle-based reserves (PBR) and asset adequacy analysis, including actuarial guidelines or other requirements .
- B. Develop and implement a plan to coordinate PBR reviews/examinations, and provide a confidential forum to address questions and issues.
- C. Review, on a targeted basis, asset adequacy analysis filings for *Actuarial Guideline LIII—Application of the Valuation Manual for Testing the Adequacy of Life Insurer Reserves* (AG 53), and coordinate with states as appropriate.
- D. Review, on a targeted basis, long-term care (LTC) reserve adequacy filings for *Actuarial Guideline LI—The Application of Asset Adequacy Testing to Long-Term Care Insurance Reserves* (AG 51), and coordinate with states as appropriate.
- E. Refer questions/issues, as appropriate, to the Life Actuarial (A) Task Force that may require consideration of changes/interpretations to be provided in the *Valuation Manual* or related actuarial guidelines.
- F. Assist NAIC resources in the use of models and other analytical tools to support the review of PBR/asset adequacy analysis.
- G. Make referrals, as appropriate, to the Financial Analysis (E) Working Group.
- H. Perform other work to carry out the Valuation Analysis (E) Working Group procedures.

ACCOUNTING PRACTICES AND PROCEDURES (E) TASK FORCE

The mission of the Accounting Practices and Procedures (E) Task Force is to identify, investigate, and develop solutions to accounting problems with the ultimate goal of guiding insurers in properly accounting for various aspects of their operations; modify the *Accounting Practices and Procedures Manual* (AP&P Manual) to reflect changes necessitated by Task Force action; and study innovative insurer accounting practices that affect the ability of state insurance regulators to determine the true financial condition of insurers.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Accounting Practices and Procedures (E) Task Force** will:
 - A. Oversee the activities of the Blanks (E) Working Group and the Statutory Accounting Principles (E) Working Group.
2. The **Blanks (E) Working Group** will:
 - A. Consider improvements and revisions to the various annual/quarterly statement blanks to:
 - i. Conform these blanks to changes made in other areas of the NAIC to promote uniformity in reporting of financial information by insurers.
 - ii. Develop reporting formats for other entities subject to the jurisdiction of state insurance departments.
 - iii. Conform the various NAIC blanks and instructions to adopted NAIC policy.
 - iv. Oversee the development of additional reporting formats within the existing annual financial statements as needs are identified.
 - B. Continue to monitor state filing checklists to maintain current filing requirements.
 - C. Continue to monitor and improve the quality of financial data filed by insurance companies by recommending improved or additional language for the *Annual Statement Instructions*.
 - D. Continue to monitor and review all proposals necessary for the implementation of statutory accounting guidance to ensure proper implementation of any action taken by the Accounting Practices and Procedures (E) Task Force affecting annual financial statements and/or instructions.
 - E. Continue to coordinate with other task forces of the NAIC to ensure proper implementation of reporting and instructions changes as proposed by these taskforces.
 - F. Coordinate with the applicable task forces and working groups as needed to avoid duplication of reporting within the annual and quarterly statement blanks.
 - G. Consider proposals presented that would address duplication in reporting, eliminate data elements, financial schedules and disclosures that are no longer needed, and coordinate with other NAIC task forces and working groups if applicable, to ensure revised reporting still meets the needs of regulators.
 - H. Review requests for investment schedule blanks and instructions changes in connection with the work being performed by the Capital Adequacy (E) Task Force and its working groups.
 - I. Review changes requested by the Valuation of Securities (E) Task Force relating to its work on other invested assets reporting for technical consistency within the investment reporting schedules and instructions.

ACCOUNTING PRACTICES AND PROCEDURES (E) TASK FORCE *(Continued)*

3. The **Statutory Accounting Principles (E) Working Group** will:
 - A. Maintain codified statutory accounting principles by providing periodic updates to the guidance that address new statutory issues and new generally accepted accounting principles (GAAP) pronouncements. Provide authoritative responses to questions of application and clarifications for existing statutory accounting principles. Report all actions and provide updates to the Accounting Practices and Procedures (E) Task Force.
 - B. At the discretion of the Working Group chair, develop comments on exposed GAAP and International Financial Reporting Standards (IFRS) pronouncements affecting financial accounting and reporting. Any comments are subject to review and approval by the chairs of the Accounting Practices and Procedures (E) Task Force and the Financial Condition (E) Committee.
 - C. Coordinate with the Life Actuarial (A) Task Force on changes to the AP&P Manual related to the *Valuation Manual* VM-A, Requirements, and VM-C, Actuarial Guidelines, as well as other *Valuation Manual* requirements. This process will include the receipt of periodic reports on changes to the *Valuation Manual* on items that require coordination.
 - D. Obtain, analyze, and review information on permitted practices, prescribed practices, or other accounting treatments suggesting that issues or trends occurring within the industry may compromise the consistency and uniformity of statutory accounting, including, but not limited to, activities conducted by insurers for which there is currently no statutory accounting guidance or where the states have prescribed statutory accounting that differs from the guidance issued by the NAIC. Use this information to consider possible changes to statutory accounting.

CAPITAL ADEQUACY (E) TASK FORCE

The mission of the Capital Adequacy (E) Task Force is to evaluate and recommend appropriate refinements to capital requirements for all types of insurers.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Capital Adequacy (E) Task Force** will:
 - A. Evaluate emerging “risk” issues for referral to the risk-based capital (RBC) working groups/subgroups for certain issues involving more than one RBC formula. Monitor emerging and existing risks relative to their consistent or divergent treatment in the three RBC formulas.
 - B. Review and evaluate company submissions for the schedule and corresponding adjustment to total adjusted capital (TAC).
 - C. Evaluate relevant historical data, and apply defined statistical safety levels over appropriate time horizons in developing recommendations for revisions to the current asset risk structure and factors in each of the RBC formulas.

2. The **Health Risk-Based Capital (E) Working Group, Life Risk-Based Capital (E) Working Group, and Property and Casualty Risk-Based Capital (E) Working Group** will:
 - A. Evaluate refinements to the existing NAIC RBC formulas implemented in the prior year. Forward the final version of the structure of the current year life and fraternal, property/casualty (P/C), and health RBC formulas to the Financial Condition (E) Committee by June.
 - B. Consider improvements and revisions to the various RBC blanks to: 1) conform the RBC blanks to changes made in other areas of the NAIC to promote uniformity; and 2) oversee the development of additional reporting formats within the existing RBC blanks as needs are identified. Any proposal that affects the RBC structure must be adopted no later than April 30 of the reporting year, and any proposal that affects the RBC factors and/or instructions must be adopted no later than June 30 of the reporting year. Adopted changes will be forwarded to the Financial Condition (E) Committee by the next scheduled meeting. Any adoptions made to the annual financial statement blanks or statutory accounting principles that affect an RBC change adopted by June 30 and result in an amended change may be considered by and adopted by July 30, where the Capital Adequacy (E) Task Force votes to pursue by super-majority (two-thirds) consent of members.
 - C. Monitor changes in accounting and reporting requirements resulting from the adoption and continuing maintenance of the revised *Accounting Practices and Procedures Manual* (AP&P Manual) to ensure that model laws, publications, formulas, analysis tools, etc., supported by the Task Force continue to meet regulatory objectives.
 - D. Review the effectiveness of the NAIC’s RBC policies and procedures as they affect the accuracy, audit ability, timeliness of reporting access to RBC results, and comparability between the RBC formulas. Report on data quality problems in the prior year RBC filings at the summer and fall national meetings.

CAPITAL ADEQUACY (E) TASK FORCE (*continued*)

3. The **Longevity Risk (E/A) Subgroup** of the Life Risk-Based Capital (E) Working Group and the Life Actuarial (A) Task Force will:
 - A. Provide recommendations for the appropriate treatment of longevity risk transfers by the new longevity factors.
4. The **Variable Annuities Capital and Reserve (E/A) Subgroup** of the Life Risk-Based Capital (E) Working Group and the Life Actuarial (A) Task Force will:
 - A. Monitor the impact of the changes to the variable annuities reserve framework and RBC calculation, and determine if additional revisions need to be made.
 - B. Develop and recommend appropriate changes, including those to improve accuracy and clarity of variable annuity (VA) capital and reserve requirements.
5. The **Catastrophe Risk (E) Subgroup** of the Property and Casualty Risk-Based Capital (E) Working Group will:
 - A. Recalculate the premium risk factors on an ex-catastrophe basis, if needed.
 - B. Continue to update the U.S. and non-U.S. catastrophe event list.
 - C. Continue to evaluate the need for exemption criteria for insurers with minimal risk.
 - D. Evaluate the RBC results inclusive of a catastrophe risk charge.
 - E. Refine instructions for the catastrophe risk charge.
 - F. Continue to evaluate any necessary refinements to the catastrophe risk formula.
 - G. Evaluate other catastrophe risks for possible inclusion in the charge.
6. The **Risk-Based Capital Investment Risk and Evaluation (E) Working Group** will:
 - A. Perform a comprehensive review of the RBC investment framework for all business types, which could include:
 1. Identifying and acknowledging uses that extend beyond the purpose of the *Risk-Based Capital (RBC) for Insurers Model Act* (#312).
 2. Assessing the impact and effectiveness of potential changes in contributing to the identification of weakly capitalized companies; i.e., those companies at action level.
 3. Documenting the modifications made over time to the formulas, including, but not limited to, an analysis of the costs in study and development, implementation (internal and external), assimilation, verification, analysis, and review of the desired change to the RBC formulas and facilitating the appropriate allocation of resources.

EXAMINATION OVERSIGHT (E) TASK FORCE

The mission of the Examination Oversight (E) Task Force is to monitor, develop, and implement tools for the risk-focused surveillance process. For financial examinations and analysis, this includes maintenance of the *Financial Condition Examiners Handbook* and the *Financial Analysis Handbook* to provide guidance to examiners and analysts using a risk-focused approach to solvency regulation and to encourage effective communication and coordination between examiners, analysts, and other regulators. In addition, the mission of the Task Force is to: monitor and refine regulatory tools of the risk-focused surveillance process, including Financial Analysis Solvency Tools (FAST) such as company profiles and the FAST ratio scoring system; oversee financial examiner and analyst use of electronic software tools; monitor the progress of coordination efforts among the states in conducting examinations and the sharing of information necessary to solvency monitoring; establish procedures for the flow of information between the states about troubled companies; maintain an effective approach to the review of information technology (IT) general controls; and monitor the timeliness of financial examinations.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Examination Oversight (E) Task Force** will:
 - A. Accomplish its mission using the following groups:
 - i. Electronic Workpaper (E) Working Group.
 - ii. Financial Analysis Solvency Tools (E) Working Group.
 - iii. Financial Examiners Coordination (E) Working Group.
 - iv. Financial Examiners Handbook (E) Technical Group.
 - v. Information Technology (IT) Examination (E) Working Group.
2. The **Electronic Workpaper (E) Working Group** will:
 - A. Monitor and support the state insurance departments in using electronic workpaper software tools to conduct and document solvency monitoring activities.
 - B. Provide ongoing oversight to the transition of electronic workpaper work to the TeamMate+ application.
 - C. Monitor state insurance regulator use of TeamMate+ to proactively identify best practices and improvements to the application, as necessary.
3. The **Financial Analysis Solvency Tools (E) Working Group** will:
 - A. Provide ongoing maintenance and enhancements to the *Financial Analysis Handbook* and related applications for changes to the NAIC annual/quarterly financial statement blanks, as well as enhancements developed to assist in the risk-focused analysis and monitoring of the financial condition of insurance companies and groups. Monitor the coordination of analysis activities of holding company groups, and coordinate and analyze input received from other state regulators.
 - B. Provide ongoing development maintenance and enhancements to the automated financial solvency tools developed to assist in conducting risk-focused analysis and monitoring the financial condition of insurance companies and groups. Prioritize and perform analysis to ensure that the tools remain reliable and accurate.

EXAMINATION OVERSIGHT (E) TASK FORCE *(Continued)*

- C. Coordinate with the Financial Examiners Handbook (E) Technical Group and the Risk-Focused Surveillance (E) Working Group, as appropriate, to develop and maintain guidance in order to provide effective solvency monitoring.
 - D. Adjust the *Financial Analysis Handbook* and current financial analysis solvency tools for life insurance companies based on any recommendations as requested from the Life Actuarial (A) Task Force to incorporate principle-based reserving (PBR) changes.
4. The **Financial Examiners Coordination (E) Working Group** will:
- A. Develop enhancements that encourage the coordination of examination activities regarding holding company groups.
 - B. Promote coordination by assisting and advising domiciliary regulators and exam coordinating states as to what might be the most appropriate regulatory strategies, methods, and actions regarding financial examinations of holding company groups.
 - C. Facilitate communication among regulators regarding common practices and issues arising from coordinating examination efforts.
 - D. Provide ongoing maintenance and enhancements to the Financial Examination Electronic Tracking System (FEETS).
5. The **Financial Examiners Handbook (E) Technical Group** will:
- A. Continually review the *Financial Condition Examiners Handbook* and revise, as appropriate.
 - B. Coordinate with the Risk-Focused Surveillance (E) Working Group to monitor the implementation of the risk- assessment process by developing additional guidance and exhibits within the *Financial Condition Examiners Handbook*, including consideration of potential redundancies affected by the examination process, corporate governance, and other guidance as needed to assist examiners in completing financial condition examinations.
 - C. Coordinate with the Financial Analysis Solvency Tools (E) Working Group and the Risk-Focused Surveillance (E) Working Group, as appropriate, to develop and maintain guidance in order to provide effective solvency monitoring.
 - D. Coordinate with the IT Examination (E) Working Group and the Financial Examiners Coordination (E) Working Group to maintain specialized areas of guidance within the *Financial Condition Examiners Handbook* related to the charges of these specific working groups.
 - E. Adjust the *Financial Condition Examiners Handbook* based upon any recommendations as requested from the Life Actuarial (A) Task Force to incorporate PBR changes.
6. The **Information Technology (IT) Examination (E) Working Group** will:
- A. Continually review and revise, as needed, the “General Information Technology Review” and “Exhibit C — Evaluation of Controls in Information Systems” sections of the *Financial Condition Examiners Handbook*.
 - B. Coordinate with the Cybersecurity (H) Working Group to monitor cybersecurity trends, including emerging and/or ongoing vulnerabilities, and develop guidance within the *Financial Condition Examiners Handbook* or other tools, if deemed necessary, to support IT examiners.

The mission of the Financial Stability (E) Task Force is to consider issues concerning domestic or global financial stability as they pertain to the role of state insurance regulators.

Ongoing Support of NAIC Program, Products, or Services

1. The **Financial Stability (E) Task Force** will:
 - A. Manage the macroprudential supervisory component of the NAIC financial solvency framework.
 - i. Monitor the U.S. insurance industry's macroprudential risk levels.
 - ii. Maintain macroprudential regulatory tools.
 - iii. Identify data gaps and enhanced disclosure needs for the statutory financial statement and/or other reporting mechanisms.
 - iv. Propose enhancements and/or additional supervisory measures to the Financial Condition (E) Committee or other relevant committees, and consult with such committees on implementation.
 - B. Monitor U.S. macroprudential policy issues, and respond as appropriate.
 - i. Support and work with the state insurance regulator representative to the Financial Stability Oversight Council (FSOC) to address confidential FSOC or other federal agency macroprudential work.
 - ii. Participate in public FSOC or other federal agency macroprudential work.
 - C. Monitor international macroprudential policy issues, and participate/respond as appropriate.
 - i. Coordinate with the International Insurance Relations (G) Committee to address International Association of Insurance Supervisors (IAIS) or other international macroprudential work.
2. The **Macroprudential (E) Working Group** will:
 - A. Oversee the implementation and maintenance of the Liquidity Stress Testing Framework (LST Framework).
 - B. Monitor domestic and global activities including those frequently associated with private equity (PE) ownership that may affect the U.S. insurance industry.
 - C. Execute the original Macroprudential Initiative (MPI) projects related to counterparty disclosures and capital stress testing.
 - D. Continue to develop and administer data collection tools as needed, leveraging existing data where feasible, to provide the Financial Stability (E) Task Force with meaningful macroprudential information regarding how the insurance sector is navigating the prevailing market conditions.
 - E. Oversee the development, implementation, and maintenance process for a new Macroprudential Risk Assessment system (i.e., policies, procedures, and tools) to enhance regulators' ability to monitor industry trends from a macroprudential perspective.
 - F. Oversee the documentation of the NAIC's macroprudential policies, procedures, and tools.
 - G. Provide the Task Force with updates to IAIS and other international initiatives as needed.

RECEIVERSHIP AND INSOLVENCY (E) TASK FORCE

The mission of the Receivership and Insolvency (E) Task Force is to be administrative and substantive as it relates to issues concerning insurer insolvencies and insolvency guarantees. Such duties include, without limitation: 1) monitoring the effectiveness and performance of state administration of receiverships and the state guaranty fund system; 2) coordinating cooperation and communication among regulators, receivers, and guaranty funds; 3) monitoring ongoing receiverships and reporting on such receiverships to NAIC members; 4) developing and providing educational and training programs in the area of insurer insolvencies and insolvency guarantees to regulators, professionals, and consumers; 5) developing and monitoring relevant model laws, guidelines, and products; and 6) providing resources for regulators and professionals to promote efficient operations of receiverships and guaranty funds.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Receivership and Insolvency (E) Task Force** will:
 - A. Monitor and promote efficient operations of insurance receiverships and guaranty associations.
 - B. Monitor and promote state adoption of insurance receivership and guaranty association model acts and regulations, and monitor other legislation related to insurance receiverships and guaranty associations.
 - C. Provide input and comments to the International Association of Insurance Supervisors (IAIS), the Financial Stability Board (FSB), or other related groups on issues regarding international resolution authority.
 - D. Monitor, review, and provide input on federal rulemaking and studies related to insurance receiverships.
 - E. Provide ongoing review of the *Receiver's Handbook for Insurance Company Insolvencies* (Receiver's Handbook), other related NAIC publications, and the Global Receivership Information Database (GRID), and make any necessary updates.
 - F. Monitor the work of other NAIC committees, task forces, and working groups to identify and address any issues that affect receivership law and/or regulatory guidance.
 - G. Perform additional work as directed by the Financial Condition (E) Committee and/or received through referral by other groups.
2. The **Receivership Financial Analysis (E) Working Group** will:
 - A. Monitor receiverships involving nationally significant insurers/groups to support, encourage, promote, and coordinate multistate efforts in addressing problems.
 - B. Interact with the Financial Analysis (E) Working Group, domiciliary regulators, and lead states to assist and advise as to what might be the most appropriate regulatory strategies, methods, and/or action(s) regarding potential or pending receiverships.
3. The **Receivership Law (E) Working Group** will:
 - A. Review and provide recommendations on any issues identified that may affect states' receivership and guaranty association laws (e.g., any issues that arise as a result of market conditions; insurer insolvencies; federal rulemaking and studies; international resolution initiatives; or as a result of the work performed by or referred from other NAIC committees, task forces, and/or working groups).
 - B. Discuss significant cases that may affect the administration of receiverships.

RECEIVERSHIP AND INSOLVENCY (E) TASK FORCE *(Continued)*

4. The **Receiver's Handbook (E) Subgroup** will:
 - A. Complete the review the Receiver's Handbook to identify areas where information is outdated, updates are required, or additional guidance is needed. Based on this review, draft and propose recommended edits to the Receiver's Handbook. Complete by the 2023 Fall National Meeting.

REINSURANCE (E) TASK FORCE

The mission of the Reinsurance (E) Task Force is to monitor and coordinate activities and areas of interest that overlap to some extent the charges of other NAIC groups—specifically, the International Insurance Relations (G) Committee.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Reinsurance (E) Task Force** will:

- A. Provide a forum for the consideration of reinsurance-related issues of public policy.
- B. Oversee the activities of the Reinsurance Financial Analysis (E) Working Group.
- C. Monitor the implementation of the 2011, 2016, and 2019 revisions to the *Credit for Reinsurance Model Law* (#785); and the 2011 and 2019 revisions to the *Credit for Reinsurance Model Regulation* (#786) and the *Term and Universal Life Insurance Reserve Financing Model Regulation* (#787).
- D. Communicate and coordinate with the Federal Insurance Office (FIO), other federal authorities, and international regulators and authorities on matters pertaining to reinsurance.
- E. Consider any other issues related to the revised Model #785, Model #786, and Model #787.
- F. Monitor the development of international principles, standards, and guidance with respect to reinsurance. This includes, but is not limited to, monitoring the activities of various groups within the International Association of Insurance Supervisors (IAIS), including the Reinsurance and Other Forms of Risk Transfer Subcommittee, the Reinsurance Mutual Recognition Subgroup, and the Reinsurance Transparency Group.
- G. Consider the impact of reinsurance-related federal legislation, including, but not limited to, the federal Nonadmitted and Reinsurance Reform Act (NRRRA) and the Federal Insurance Office Act, and coordinate any appropriate NAIC action.
- H. Continue to monitor the impact of reinsurance-related international agreements, including the “Bilateral Agreement Between the United States of America and the European Union on Prudential Measures Regarding Insurance and Reinsurance” (EU Covered Agreement) and the “Bilateral Agreement Between the United States of America and the United Kingdom on Prudential Measures Regarding Insurance and Reinsurance” (UK Covered Agreement).

2. The **Reinsurance Financial Analysis (E) Working Group** will:

- A. Operate in regulator-to-regulator session, pursuant to paragraph 3 (specific companies, entities or individuals) of the NAIC Policy Statement on Open Meetings, and operate in open session when discussing certified reinsurance topics and policy issues, such as amendments to the Uniform Application for Certified Reinsurers.
- B. Provide advisory support and assistance to states in the review of reinsurance collateral reduction applications. Such a process with respect to the review of applications for reinsurance collateral reduction and qualified jurisdictions should strengthen state regulation and prevent regulatory arbitrage.
- C. Provide a forum for discussion among NAIC jurisdictions of reinsurance issues related to specific companies, entities, or individuals.
- D. Support, encourage, promote, and coordinate multistate efforts in addressing issues related to certified reinsurers, including, but not limited to, multistate recognition of certified reinsurers.

REINSURANCE (E) TASK FORCE *(Continued)*

- E. Provide analytical expertise and support to the states with respect to certified reinsurers and applicants for certification.
- F. Provide advisory support with respect to issues related to the determination of qualified jurisdictions.
- G. Ensure the public passporting website remains current.
- H. For reinsurers domiciled in reciprocal jurisdictions, determine the best and most effective approaches for the financial solvency surveillance to assist the states in their work to protect the interests of policyholders.

RISK RETENTION GROUP (E) TASK FORCE

The mission of the Risk Retention Group (E) Task Force is to stay apprised of the work of other NAIC groups as it relates to financial solvency regulation and the NAIC Financial Regulation Standards and Accreditation Program. The Task Force may make referrals to the Financial Regulation Standards and Accreditation (F) Committee and/or other NAIC groups, as deemed appropriate.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Risk Retention Group (E) Task Force** will:
 - A. Monitor and evaluate the work of other NAIC committees, task forces, and working groups related to risk retention groups (RRGs). Specifically, if any of these actions affect the NAIC Financial Regulation and Accreditation Standards Program, assess whether and/or how the changes should apply to RRGs and their affiliates.
 - B. Monitor and analyze federal actions, including any U.S. Government Accountability Office (GAO) reports. Consider any action necessary as a result of federal activity.
 - C. Monitor the impacts of recent tools and resources made available to domiciliary and non-domiciliary state insurance regulators pertaining to RRGs. Consider whether additional action is necessary, including educational opportunities, updating resources, and further clarifications.

VALUATION OF SECURITIES (E) TASK FORCE

The mission of the Valuation of Securities (E) Task Force is to provide regulatory leadership and expertise to establish and maintain all aspects of the NAIC's credit assessment process for insurer-owned securities, as well as produce insightful and actionable research and analysis regarding insurer investments.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Valuation of Securities (E) Task Force** will:

- A. Review and monitor the operations of the NAIC Securities Valuation Office (SVO) and the NAIC Structured Securities Group (SSG) to ensure they continue to reflect regulatory objectives.
- B. Maintain and revise the *Purposes and Procedures Manual of the NAIC Investment Analysis Office* (P&P Manual) to provide solutions to investment-related regulatory issues for existing or anticipated investments.
- C. Monitor changes in accounting and reporting requirements resulting from the continuing maintenance of the *Accounting Practices and Procedures Manual* (AP&P Manual), as well as financial statement blanks and instructions, to ensure that the P&P Manual continues to reflect regulatory needs and objectives.
- D. Consider whether improvements should be suggested to the measurement, reporting, and evaluation of invested assets by the NAIC as the result of: 1) newly identified types of invested assets; 2) newly identified investment risks within existing invested asset types; or 3) elevated concerns regarding previously identified investment risks.
- E. Identify potential improvements to the credit filing process, including formats and electronic system enhancements.
- F. Provide effective direction to the NAIC's mortgage-backed securities modeling firms and consultants.
- G. Coordinate with other NAIC working groups and task forces—including, but not limited to, the Capital Adequacy (E) Task Force, the Statutory Accounting Principles (E) Working Group, the Blanks (E) Working Group, and the Risk-Based Capital Investment Risk and Evaluation (E) Working Group—to formulate recommendations and to make referrals to such other NAIC regulator groups to ensure expertise relative to investments, or the purpose and objective of guidance in the P&P Manual, is reflective in the guidance of such other groups and that the expertise of such other NAIC regulatory groups and the objectives of their guidance is reflected in the P&P Manual.
- H. Identify potential improvements to the filing exempt (FE) process (the use of credit rating provider [CRP] ratings to determine an NAIC designation) to ensure greater consistency, uniformity, and appropriateness to achieve the NAIC's financial solvency objectives.
- I. Implement policies to oversee the NAIC's staff administration of rating agency ratings used in NAIC processes, including staff's discretion over the applicability of their use in their administration of FE.
- J. Establish criteria to permit staff's discretion over the assignment of NAIC designations for securities subject to the FE process (the use of CRP ratings to determine an NAIC designation) to ensure greater consistency, uniformity, and appropriateness to achieve the NAIC's financial solvency objectives.
- K. Implement additional and alternative ways to measure and report investment risk.

FINANCIAL REGULATION STANDARDS AND ACCREDITATION (F) COMMITTEE

The mission of the Financial Regulation Standards and Accreditation (F) Committee is both administrative and substantive, as it relates to the administration and enforcement of the NAIC Financial Regulation Standards and Accreditation Program. This includes, without limitation: 1) the consideration of standards and revisions of standards for accreditation; 2) the interpretation of standards; 3) the evaluation and interpretation of the states' laws and regulations, as well as departments' practices, procedures, and organizations as they relate to compliance with standards; 4) the examination of members for compliance with standards; 5) the development and oversight of procedures for the examination of members for compliance with standards; 6) the selection of qualified individuals to examine members for compliance with standards; and 7) the determination of whether to accredit members.

Ongoing Support of NAIC Programs, Products, and Services

1. The **Financial Regulation Standards and Accreditation (F) Committee** will:
 - A. Maintain and strengthen the NAIC Financial Regulation Standards and Accreditation Program.
 - B. Assist the states, as requested and as appropriate, in implementing laws, practices, and procedures and obtaining personnel required for compliance with the standards.
 - C. Conduct a yearly review of accredited jurisdictions.
 - D. Consider new model laws, new practices and procedures, and amendments to existing model laws, practices, and procedures required for accreditation. Determine the timing and appropriateness of the addition of new model laws, practices, procedures, and amendments.
 - E. Render advisory opinions and interpretations of model laws required for accreditation and on substantial similarity of state laws.
 - F. Review existing standards for effectiveness and relevancy, and make recommendations for change, if appropriate.
 - G. Produce, maintain, and update the NAIC *Accreditation Program Manual* to provide guidance to state insurance regulators regarding the official standards, policies, and procedures of the program.
 - H. Maintain and update the "Financial Regulation Standards and Accreditation Program" pamphlet.
 - I. Perform enhanced pre-accreditation review services, including, but not limited to, additional staff support, increased participation, enhanced report recommendations, and informal feedback.

INTERNATIONAL INSURANCE RELATIONS (G) COMMITTEE

The mission of the International Insurance Relations (G) Committee is to: 1) coordinate NAIC participation in international discussions on and the development of insurance regulatory and supervisory standards; 2) promote international cooperation; 3) coordinate on international insurance matters with the U.S. federal government, including the U.S. Department of the Treasury (Treasury Department), the Federal Reserve Board (FRB), the Office of the U.S. Trade Representative (USTR), the U.S. Department of Commerce (DOC), and other federal agencies; and 4) provide an open forum for NAIC communication with U.S. interested parties, stakeholders, and among its members on international insurance matters.

Ongoing Support of NAIC Programs, Products, or Services

1. The **International Insurance Relations (G) Committee** will:
 - A. Monitor and assess activities at international organizations, such as the International Association of Insurance Supervisors (IAIS), the Financial Stability Board (FSB), and the Organisation for Economic Co-operation and Development (OECD), that affect U.S. insurance regulation, U.S. insurance consumers, and the U.S. insurance industry.
 - B. Support and facilitate the participation of state insurance regulators and the NAIC in relevant workstreams of international organizations.
 - C. Develop NAIC policy on international activities and issues, coordinating, as necessary, with other NAIC committees, task forces, and working groups and communicating key international developments to those NAIC groups.
 - D. Coordinate and facilitate state efforts to participate in key bilateral and multilateral dialogues, projects, conferences, and training opportunities with international regulators and international organizations, both directly and in coordination with the federal government, as appropriate.
 - E. Strengthen foreign regulatory systems and relationships by interacting with international regulators and sharing U.S. supervisory best practices, including conducting an International Fellows Program and educational (technical assistance) seminars to provide an understanding of the U.S. state-based system of insurance regulation.
 - F. Coordinate the NAIC's participation in the International Monetary Fund (IMF)/World Bank Financial Sector Assessment Program (FSAP).
 - G. Coordinate state efforts to assist in achieving U.S. international trade objectives through reviewing relevant materials, developing input, and providing assistance and expertise on insurance matters to the USTR and/or other federal entities.

INNOVATION, CYBERSECURITY, AND TECHNOLOGY (H) COMMITTEE

The mission of the Innovation, Cybersecurity, and Technology (H) Committee is to: 1) provide a forum for state insurance regulators to learn and have discussions regarding: cybersecurity, innovation, data security and privacy protections, and emerging technology issues; 2) monitor developments in these areas that affect the state insurance regulatory framework; 3) maintain an understanding of evolving practices and use of innovation technologies by insurers and producers in respective lines of business; 4) coordinate NAIC efforts regarding innovation, cybersecurity and privacy, and technology across other committees; and 5) make recommendations and develop regulatory, statutory, or guidance updates, as appropriate.

Ongoing Support of NAIC Programs, Products, or Services

1. The **Innovation, Cybersecurity, and Technology (H) Committee** will:
 - A. Provide forums, resources, and materials for the discussion of insurance sector developments in cybersecurity and data privacy to educate state insurance regulators on how these developments affect consumer protection, insurer and producer oversight, marketplace dynamics, and the state-based insurance regulatory framework.
 - B. Discuss emerging issues related to cybersecurity, including cybersecurity event reporting and consumer data privacy protections. Monitor and advise on the cybersecurity insurance market, including rating, underwriting, claims, product development, and loss control. Report on the cyber insurance market, including data reported within the Cybersecurity Insurance and Identity Theft Coverage Supplement.
 - C. Coordinate with various subject matter expert (SME) groups on insurer and producer internal cybersecurity. Discuss emerging developments; best practices for risk management, internal control, and governance; and how state insurance regulators can best address industry cyber risks and challenges. Work with the Center for Insurance Policy and Research (CIPR) to analyze cybersecurity-related information from various data sources.
 - D. Provide forums, resources, and materials for the discussion of innovation and technology developments in the insurance sector, including the collection and use of data by insurers, producers, and state insurance regulators, as well as new products, services, and distribution platforms. Educate state insurance regulators on how these developments affect consumer protection, data privacy, insurer and producer oversight, marketplace dynamics, and the state-based insurance regulatory framework.
 - E. Discuss emerging technologies and innovations related to insurance and insurers, producers, state insurance regulators, licensees, or vendors, as well as the potential implications of these technologies for the state-based insurance regulatory structure—including reviewing new products and technologies affecting the insurance sector and their associated regulatory implications.
 - F. Consider and coordinate the development of regulatory guidance and examination standards related to innovation, cybersecurity, data privacy, the use of big data and artificial intelligence (AI) including machine learning (ML) in the business of insurance, and technology, including drafting and revising model laws, white papers, and other recommendations as appropriate. Consider best practices related to cybersecurity event tracking and coordination among state insurance regulators, and produce guidance related to regulatory response to cybersecurity events to promote consistent response efforts across state insurance departments.

INNOVATION, CYBERSECURITY, AND TECHNOLOGY (H) COMMITTEE *(Continued)*

- G. Track the implementation of and issues related to all model laws pertaining to innovation, technology, data privacy, and cybersecurity, including the *Insurance Data Security Model Law* (#668), the *NAIC Insurance Information and Privacy Protection Model Act* (#670), the *Privacy of Consumer Financial and Health Information Regulation* (#672), and the *Unfair Trade Practices Act* (#880) rebating language and providing assistance to state insurance regulators as needed.
 - H. Coordinate with other NAIC committees and task forces, as appropriate, and evaluate and recommend certifications, continuing education (CE), and training for regulatory staff related to technology, innovation, cybersecurity, and data privacy.
 - I. Follow the work of federal, state, and international governmental bodies to avoid conflicting standards and practices.
2. The **Big Data and Artificial Intelligence (H) Working Group** will:
- A. Research the use of big data and AI including ML in the business of insurance, and evaluate existing regulatory frameworks for overseeing and monitoring their use. Present findings and recommendations to the Innovation, Cybersecurity, and Technology (H) Committee including potential recommendations for development of model governance for the use of big data and AI including ML for the insurance industry.
 - B. Review current audit and certification programs and/or frameworks that could be used to oversee insurers' use of consumer and non-insurance data and models using intelligent algorithms including AI and in alignment with the NAIC AI Principles. If appropriate, issue recommendations and coordinate with the appropriate SME committees on the development of or modifications to model laws, regulations, handbooks, and regulatory guidance regarding data analysis, marketing, rating, underwriting and claims, regulation of data and model vendors, regulatory reporting requirements, and consumer disclosure requirements.
 - C. Assess data and regulatory tools needed for state insurance regulators to appropriately monitor the marketplace, and evaluate the use of big data, algorithms, and ML, including AI/ML in underwriting, rating, claims, and marketing practices This assessment shall include a review of currently available data and tools, as well as recommendations for development of additional data and tools, as appropriate. Based on this assessment, propose a means to include these tools in existing and/or new regulatory oversight and monitoring processes to promote consistent oversight and monitoring efforts across state insurance departments.
3. The **Cybersecurity (H) Working Group** will:
- A. Monitor cybersecurity trends such as vulnerabilities, risk management, governance practices, and breaches with the potential to affect the insurance industry.
 - B. Interact with and support state insurance departments responding to insurance industry cybersecurity events.
 - C. Promote communication across state insurance departments regarding cybersecurity risks and events.
 - D. Oversee the development of a regulatory cybersecurity response guidance document to assist state insurance regulators in the investigation of insurance cyber events.
 - E. Monitor federal and international activities on cybersecurity engaging on efforts to manage and evaluate cybersecurity risk.

INNOVATION, CYBERSECURITY, AND TECHNOLOGY (H) COMMITTEE *(Continued)*

4. The **E-Commerce (H) Working Group** will:
 - A. Examine e-commerce laws and regulations and work toward meaningful, unified recommendations. The Working Group will also examine whether a model bulletin would be appropriate for addressing some of the identified issues and draft a proposed bulletin if determined appropriate.
 - B. Coordinate NAIC committee cybersecurity work, including cybersecurity guidance developed by the Market Conduct Examination Guidelines (D) Working Group and the Information Technology (IT) Examination (E) Working Group.
 - C. Advise on the development of cybersecurity training for state insurance regulators.
 - D. Work with the CIPR to receive updates on cybersecurity research efforts, by the CIPR and others, and to analyze publicly available cybersecurity-related information.
 - E. Support the states with implementation efforts related to the adoption of Model #668.

5. The **Innovation in Technology and Regulation (H) Working Group** will:
 - A. Develop forums, resources, and materials for discussing innovation and technology regarding companies, producers, state insurance regulators, and licensees relevant to the state-based insurance regulatory structure, including new products, services, business models, and distribution mechanisms.
 - B. In conjunction with NAIC staff, explore developing a forum that provides insurers or third parties working with insurers the opportunity to confidentially brief state insurance regulators regarding innovation and technology applications, tests, use cases, and results.
 - C. Identify and discuss regulatory models or programs that may assist state insurance regulators to identify and better understand innovation taking place within the insurance industry.
 - D. Monitor innovation work occurring in other NAIC letter committees, task forces, and working groups, and identify areas of possible coordination for the Innovation, Cybersecurity, and Technology (H) Committee.

6. The **Privacy Protections (H) Working Group** will:
 - A. Use state insurance privacy protections regarding the collection, data ownership and use rights, and disclosure of information gathered in connection with insurance transactions to draft a new Privacy Protections Model Act to replace NAIC models, such as Model #670 and Model #672.
 - B. Develop a research paper on state insurance privacy protections regarding the collection, data ownership and use rights, and disclosure of information gathered in connection with insurance transactions that states can use to support their implementation efforts related to the adoption of the new *Privacy Protections Model Act* (#674).

AUDIT COMMITTEE

1. The **Audit Committee** will:
 - A. Provide continuous audit oversight, including:
 - i. Provide an open avenue of communication between the independent auditor and the Executive (EX) Committee and the Internal Administration (EX1) Subcommittee.
 - ii. Confirm and ensure the independence of the independent auditor.
 - iii. Inquire of management and the independent auditor about significant risks or exposures, and assess the steps management has taken to minimize such risk.
 - iv. Consider and review with the independent auditor:
 - a. Significant findings during the year, including the status of previous audit recommendations.
 - b. Any difficulties encountered in the course of audit work, including any restrictions on the scope of activities or access to required information.
 - c. The adequacy of internal controls, including computerized information system controls and security, as documented in the Statement on Auditing Standards (SAS) 115 letter from the independent auditor.
 - d. Related findings and recommendations of the independent auditor with management's responses, as documented in the SAS 114 letter from the independent auditor.
 - v. Meet periodically with the independent auditor in separate executive sessions to discuss any matters the Committee believes should be discussed privately with the Committee.
 - vi. Report periodically to the Executive (EX) Committee and Internal Administration (EX1) Subcommittee on significant results of the foregoing activities.
 - vii. Instruct the independent auditor that the Executive (EX) Committee and Internal Administration (EX1) Subcommittee are the auditor's clients.
 - B. Provide continuous oversight of reporting policies, including:
 1. Advise financial management and the independent auditor that they are expected to provide a timely analysis of significant current financial reporting issues and practices.
 2. Inquire as to the auditor's independent qualitative judgments about the appropriateness, not just the acceptability, of the accounting principles and the clarity of the financial disclosure practices.
 3. Inquire as to the auditor's views about whether management's choices of accounting principles are conservative, moderate or aggressive from the perspective of income, asset and liability recognition, and whether those principles are common practices or minority practices.
 4. Inquire as to the auditor's views about how choices of accounting principles and disclosure practices may affect NAIC members, the insurance industry, and public views and attitudes.
 - C. Provide continuous oversight of financial management, including:
 1. Review the monthly consolidated financial statements, and receive regular reports from executive management on the financial operations of the association.
 2. Meet prior to, or at, each national meeting or more frequently, as circumstances require. The Committee may ask members of management or others to attend meetings and provide pertinent information, as necessary.
 3. Report on significant results of the foregoing activities to the Executive (EX) Committee and the Internal Administration (EX1) Subcommittee on a regular basis.

AUDIT COMMITTEE *(Continued)*

- D. Provide continuous oversight of the service advisory firm that conducts the Service Organization Control (SOC) 1 and SOC 2 reviews.
 - 1. Receive annual audit reports provided by the service advisory firm.
 - 2. Instruct the independent service advisory firm that the Executive (EX) Committee and the Internal Administration (EX1) Subcommittee are the auditor's clients.
- E. Conduct scheduled audit activities, including:
 - 1. Recommend the selection of the independent auditor for approval by the Executive (EX) Committee and the Internal Administration (EX1) Subcommittee, approve the compensation of the independent auditor, and review and approve the discharge of the independent auditor.
 - 2. Review annually the audit scope and plan of the independent auditor with management and the independent auditor, including:
 - a. The independent auditor's audit of the financial statements, accompanying footnotes, and its report thereon.
 - b. Any significant changes required in the independent auditor's audit plans.
 - c. Any difficulties or disputes with management encountered during the course of the year under audit.
 - d. Other matters related to the conduct of the audit, which are to be communicated to the Committee under generally accepted auditing standards (GAAS).
 - 3. Review and approve needs-based funding allocations, as needed.
 - 4. Review and update the Committee charter on at least an annual basis.
- F. Conduct other activities when necessary, including:
 - 1. Arrange for the independent auditor to be available to the full Executive (EX) Committee and the Internal Administration (EX1) Subcommittee, as needed.
 - 2. Review and approve requests for any management consulting engagement to be performed by the independent auditor, and be advised of any other study undertaken at the request of management that is beyond the scope of the audit engagement letter.
 - 3. Conduct and/or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall be empowered to retain independent counsel and other professionals to assist in the conduct of any investigation.
 - 4. Ensure that members of the Committee receive the appropriate orientation to the Committee and receive a copy of the policy manual.
