

Comment from Connecticut

CT would like to share the following two comments for the Draft Regulatory Guidance Document on page 5:

1. If the company used a third party to develop its accelerated underwriting program, what due diligence was done to ensure the resulting program met all appropriate standards?
2. How does the company ensure that the model(s) it uses are based on sound actuarial principles, for example ASOP No. 56?

Thanks,

Wanchin W. Chou, FCAS, MAAA, CPCU, CSPA, CCRMP
