

## NAIC INSURANCE REGULATOR PROFESSIONAL DESIGNATION PROGRAM

### **APIR Admission Eligibility**

Prospective Associate Professional in Insurance Regulation (APIR) Candidates must:

- Be currently employed by a state DOI.

### **APIR Requirements**

- APIR designation candidates must satisfactorily complete the NAIC courses below and achieve a score of 70% or better on each corresponding exam: \*
  - *Foundations of Insurance Regulation*
  - *Introduction to Financial Regulation*
  - *Regulation of Insurance Products*

or

- Score 70% or better on the comprehensive APIR exam. \*\*

\*All Designation Program course exams must be taken within 60 days of course completion.

\*\*Attempting to test out of the APIR program is permitted, but it is not recommended. The exam is rigorous and reflects comprehensive knowledge requirements. Prospective candidates may attempt the test-out comprehensive exam one time. No retakes are permitted.
