What RBC Pages Should Be Submitted?

For year-end 2016 life RBC, submit hardcopies of pages **LR001 through LR049** to any state that requests a hardcopy in addition to the electronic filing. Starting with year-end 2007 RBC, a hardcopy was not required to be submitted to the NAIC. However, a portable document format (PDF) file representing the hardcopy filing is part of the electronic filing.

If any actuarial certifications are required per the RBC instructions, those should be included as part of the hardcopy filing. Starting with year-end 2008 RBC, the actuarial certifications were also part of the electronic RBC filing as PDF files, similar to the financial annual statement actuarial opinion.

Other pages, such as the mortgage and real estate worksheets, do not need to be submitted, but they still need to be retained by the company as documentation.
