

## Call For Papers

You are invited to submit a manuscript to the NAIC's *Journal of Insurance Regulation* related to key initiatives of the Center for Insurance Policy and Research (CIPR). Topics include (but are not limited to):

- Artificial Intelligence
- Climate / Natural Catastrophe Risks and Resiliency
- Cybersecurity
- Flood Insurance / National Flood Insurance Program
- Health Insurance
- Life Insurance
- Long-Term Care Insurance
- Macroprudential Supervision
- Parametric Disaster Insurance
- Race & Insurance

For a summary of the topics and potential areas of focus, visit the [CIPR website](#). Articles addressing other significant topics of regulatory interest are also welcomed.

In keeping with the focus of the *Journal*, all manuscripts must have a clear focus on insurance regulation and/or discuss the regulatory impacts of the topic. All manuscripts will go through a double-blind review process. Article submission guidelines and recent articles are available for review on the *Journal's* [website](#). We encourage authors to review this information before submitting an article to the *Journal*.
